Order No.: RMSCL/QC/ 683

Dated: 16/6/2025

ORDER

Amendment to the Quality Control Policy of Rajasthan Medical Services Corporation Limited

In compliance of the Resolution passed by the Board of Directors of Rajasthan Medical Services Corporation Limited (RMSCL) in its 101st Board Meeting held on 27th March, 2026, the following amendments are hereby made in the Quality Control Policy of RMSCL with immediate effect:

1. Amendment to Sections 4.1 and 4.4 of the Quality Control Policy

Sections 4.1 and 4.4 of the Quality Control Policy of RMSCL are hereby substituted as follows:

Revised Section 4.1:

"Samples shall be collected from the District Drug Warehouses (DDWs) where the concerned batch has been supplied. Upon receipt of such samples at the Head Office, it shall be ensured that the quantity of each batch meets the minimum requirement prescribed for conducting the tests. From the samples so received, the selection of samples to be forwarded for Quality Control testing shall be made exclusively on the basis of the Computerized Random Selection System, to ensure objectivity, transparency and equitable representation."

Revised Section 4.4:

"The selection of the laboratory for analysis shall be carried out exclusively through a computerized random laboratory allocation system. The Quality Control Cell shall ensure the following:

- (a) Each coded sample shall be automatically allocated to an empanelled laboratory through a randomized software-based algorithm;
- (b) No manual intervention shall be permitted in the selection of laboratory for any sample;
- (c) Confidentiality of supplier identity shall be maintained through batch codification and shall not be disclosed to the testing laboratory;
- (d) Complete records of all laboratory allocations shall be maintained in the system and shall be available for audit and verification at any time;
- (e) Periodic review of allocation data shall be conducted to ensure equitable distribution of samples across all empanelled laboratories.

Note: The existing provisions under Sections 4.2, 4.3 and 4.5 of the Quality Control Policy shall remain in force and shall not be affected by this Order. The existing Section 4.4 shall stand deleted and shall be substituted by the Revised Section 4.4 as set out above."

2. Amendment to Clause 8.3 (Biological Products and Blood Grouping Reagents)

The existing Clause 8.3 of the Quality Control Policy of RMSCL is hereby substituted with the following:

Clause 8.3 (Substituted):

"All Biological Products and Blood Grouping Reagents (except Vaccines and Sera as mentioned in Section 8A and 8B of the Drugs Rules 1945) shall be tested at National Institute of Biologicals (NIB) Noida or Central Research Institute (CRI) Kasauli or NABL accredited laboratory.

In cases of imported Biological Products whose testing facility is not available at NIB Noida or CRI Kasauli or any NABL accredited laboratory, the supplier/manufacture shall submit a Certificate of Analysis (CoA) (in-house test report) from the country of origin of the product at the time of supply. In addition to that, such supplier/manufacture shall also submit an affidavit clearly stating that since testing of their product is not available at any laboratory in India, in case of any complaint regarding these products, the supplier/manufacture will take back the said drugs and replace them with new batches of the same product at no additional cost to RMSCL.

On the basis of NIB Noida/CRI (CDL) Kasauli/NABL accredited empanelled Labs/in-house test reports, the product shall be released for distribution. In addition to this, random samples shall also be drawn for testing.

Note: The list of Biological Products under Section 8A and 8B of the Drugs Rules 1945 is subject to amendments and updation from time to time by the Central Government. These provisions shall apply to all Biological Products as per the updated list under Section 8A and 8B of the Drugs Rules 1945 as amended from time to time."

3. Insertion of New Clause 8.4

The following new Clause 8.4 is hereby inserted in the Quality Control Policy of RMSCL:

Clause 8.4:

"100% batches of Surgical and Suture items supplied in RMSCL shall be tested by empanelled laboratories. Those surgical items for which testing facility in any empanelled laboratory is not available will be examined by a committee of doctors/subject experts."

Date of effect:

This Order shall come into force with immediate effect from the date of its issuance and shall apply to all procurement processes, testing, and supply activities of RMSCL undertaken hereafter.
