CIRCULAR

It has been brought into the notice that many types of equipments in the Medical Colleges & attached Hospitals are lying out of use due to various reasons as being irreparable or being of outdated technology etc. This is causing unproductive occupancy of spaces as well as creating hinderences for new purchases. Governemnt of Rajasthan is also of a view to replace outdated equipments with upgraded ones. In this reference, the following directions are hereby issued for bio-medical equipments-

1. All the departments in the respective medical colleges shall maintain an exhaustive list of all the equipments. The equipments shall be broadly categorized as below based on their purchase cost-

Equipment cost	Review Timeline for probable condemnation
Equipments with Unit cost ranging up to Rs.1 Cr	8 years
Equipments with Unit cost ranging from Rs.1 Cr-5 Cr	10 years
Equipments with Unit cost ranging above Rs.5 Cr	12years

2. A Departmental level committee for each Department of the concerned Institute shall be created consisting of the following-
 - a. Three senior most faculties of the Department
 - b. Senior most Accounts Officer
 - c. Bio-medical engineer
3. The Committee shall review the status of the equipments available in the Department on yearly basis. Apart of the broad criteria mentioned in point no.1, the following criteria must be followed at the time of yearly review of the Equipments (Either one of the following or more than one, up to maximum of all) -
 - a. If the equipment is functional then it shall be continue to be included in the Repair and Maintenance tender as well as in use, irrespective of the purchase date of the equipment.
 - b. If the equipment is non-functional to the date than following criteria shall be the base for declaring it condemnable-
 - i. If the equipment is irreparable OR
 - ii. If the maintenance cost is more than the depreciated cost of the equipment (i.e.,6.5% per year), it can be declared condemned/ obsolete after due consideration of the Committee OR

- iii. If Equipment's technology is out of date and updated version of the equipment is launched resulting in outdated test reports, then equipment may be considered for condemnation procedure OR
 - iv. Original Equipment Manufacturer has discontinued the manufacture of the said equipment resulting in unavailability of the parts of the equipments/ high maintenance cost.
4. If further any dispute arises or issue persists regarding the condemnation, a committee at the level of Directorate of Medical Education may be framed to sort the issues-
- a. PHOD of the related Department in the SMS Medical College, Jaipur.
 - b. PHOD of the related Department in the Concerned Medical College (if the issue is concerning to SMS Medical College than Senior most faculty person other than PHOD shall be included).
 - c. FA, DME/ Raj-MES.
 - d. Bio-medical Engineer.
