Sub: Submission of annual demand of medical equipments for the year 2013-14.

State Government has created RMSC to procure medicines and equipments for Department of Medical Health and Family Welfare, Medical Education, Ayurveda, ESI and Medical Relief Society etc. The State Level Technical Advisory Committee (TAC) in its meeting dated 21.12.2012 has approved the essential equipment (and instruments) list (EEL) enclosed as **Annexure-A**. The EEL comprises of almost all the important bio-medical equipments and instruments. The speciality wise list of equipments is compiled and grouped in two categories :-

Group - A include those equipments which require annual maintenance and repair.
 Group - B include those instrument that do not require maintenance services.

The essential equipment list (EEL) of medical equipments and instruments for centralized purchase is also approved by Board of Directors of RMSC in meeting dated 21.12.2012. EEL equipment and instruments shall be procured through RMSC by executing rate contracts and concerned departments are required to submit their likely annual demands to RMSC in prescribed format. The speciality wise details of approved EEL is available on website www.rmesc.nic.in

Normally, RMSC will not purchase equipments beyond EEL. Other than EEL/EDL items are required to be purchased by the respective department according to their needs and budgetary provisions. The following purchasing levels have been approved by the board for different categories of items:-

1. RMSC will centrally purchase Equipment and Instruments which are included in EEL and drug and medicines which are included in EDL and other items resolved by Board of Directors or as directed by the State Government.
2. The items which are available on DGS & D rate contract may be purchased by the respective departments if the rate contract item matches the specification requirements. However, RMSC may also purchase item of DGS & D rate contract for its own requirement.
3. Other than EDL/EEL item are decentralized for making purchases by the respective departments in accordance with their budgetary provision and requirements.

The Board of Director of RMSC has approved the purchase policy and procedure for equipment and instrument procurement as enclosed **Annexure-B**.

The annual demand of essential equipments and instruments for all the institutions under the control of CM&HO shall be compiled district wise and then be submitted to Director (PH). PMOs are expected to submit their requirements of various equipments separately to Director (PH). In turn, Director (PH) will compile, verify and validate demands for all institutions and will submit it in hard and soft copy to RMSC by 30th January, 2013. Similarly, all the Principals of Medical Colleges and Superintendent of their attached hospitals shall submit their demands to OSD, Medical Education for verification & validation and forward submission to RMSC by 30th Jan. 2013. So that RMSC can execute the rate contract for these items. All the concerned departments are required to submit their annual demands for the year 2013-14 in prescribed equipment demand format **Annexure-C**. The demands shall be verified and validated by the concerned HOD's .

Further detail may also be inquired from EPM -Cell of RMSC or queries may be e-mailed at **edepmrm-sc-rj@nic.in**.

EQUIPMENT PROCUREMENT POLICY AND PROCEDURE:-

The government of Rajasthan had constituted Rajasthan Medical Services Corporation Limited, Jaipur by passing a Cabinet Memo in March, 2011 with the objective to procure and manage the drugs & medicines and equipment & instruments at fair and reasonable prices for all the Govt. Medical Institutions. A equipment procurement and maintenance (EPM) cell has been established in RMSC, Jaipur under the overall supervision of Executive Director (EPM) for procurement & maintenance of equipment & instruments, medical and non-medical consumables & other hospital supplies. The purchase policy and procedure for equipment & instruments and other hospital supplies shall be as follows :-

- xvi. Rajasthan Medical Services Corporation shall procure equipment & instruments, hospital supplies, reagents & spares and execute AMC/CMC through open competitive bidding following the provisions of Rajasthan Transparency in Public Procurement Act, 2012 and Rajasthan Public Procurement Rules for carrying out the provisions of this Act. The bidding shall be through <https://eproc.rajasthan.gov.in> e-procurement portal of Govt. of Rajasthan. The procedure is being laid out in procurement manual of corporation for executing rate contracts.
- xvii. The EPM-cell prepared a essential equipment and other hospital supplies list and get examined and approved from the Technical Advisory Committee (T.A.C.). The Essential Equipment List (EEL) may be reviewed frequently to meet the requirement of medical institutions. It may be revised from time to time by RMSC with the consultation of users & T.A.C.
- xviii. RMSC shall invite tenders based on the demand estimates for making regular rate contracts for various required items to manage the timely and uninterrupted supply of equipments and other hospital supplies to Medical institutions. The HOD [Director, (PH) and OSD (ME)] shall submit consolidated annual demand for all the medical institutions to RMSC in the prescribed format.
- xix. The demanding officers should submit their annual demand for the EEL equipments and with prior approval of PHS for the non-EEL (non-catalogued/coded) item/article along with specifications.
- xx. The medical institutions shall transfer their funds for procurement of required items to RMSC along with their demands. However, in certain specific cases MD, RMSC may authorise medical institution to place orders for supplies on RMSC Rate Contracts.
- xxi. RMSC may procure items through rate contract of D.G. S & D., if the items fulfil the specification and such purchase shall also be examined by the purchase committee before placement of the supply order. RMSC may also procure from unique/single sources or particular reserved items without tenders as allowed in GF&AR-II/Rajasthan Public Procurement Rules of Govt. of Rajasthan. BOD had also decided that HOD's may purchase items directly on DGS&D rate contract if specifications of an item are as per their requirements. However, RMSC may also purchase items on DGS&D rate contract for its own requirements.
- xxii. There shall be Technical Committee (TC) for preparation and examination of technical specification of item/article and examination of technical issues for pre-bid meeting and technical evaluation.
- xxiii. The medical equipments & instruments are classified in 13 specialty Sections. List of classification and item wise details enclosed. Each section is grouped into A and B categories. Group-A include those equipments which require repair, maintenance and

- serviceability period of more than 2 years but no maintenance services required for Group-B instruments.
- xxiv. The EPM-cell shall also procure and manage the hospital furniture and fixtures on regular basis, normally; the supplies would be arranged directly to Medicals Institutions. However, very common and regular items may be supplied through District Drug Warehouses (DDW)
- xxv. In conformity with the Government policy, purchase preference up to 15% to SSI units of Rajasthan shall be given, if they match the L-1 rates. Purchase preference up to 10% shall also be given to P.S.U.'s of Rajasthan State subject to matching the L-1 rates. Minimum turnover, technical, financial & other criteria of bidders will be decided by the purchase committee of RMSC.
- xxvi. The payments of all the procurements shall be made centrally through RTGS or any other mode of payments. The remittance charges shall be borne by the supplier. The demanding officers may be authorized specifically by MD, RMSC to place supply orders.
- xxvii. The RMSC shall also provide for maintenance of equipment & instruments in the procurement mechanism. The Annual/Comprehensive Maintenance Agreement shall be the part of the rate Contract for Group - A equipments, if technical committee advises necessity of maintenance of the equipments.
- xxviii. The quality and performance standards shall be observed in procurement of item/article through sampling, inspection, demonstration and testing etc. The required provisions shall be provided in tender Terms & Conditions. The manufacturing premises of the bidders participating in the RMSC tenders may be inspected for the compliance of Good Manufacturing Practices, Good Laboratory Practices and for verification of their production capacity etc. The inspection team may comprise of officials from Corporation and end-user departments.
- xxix. The RMSC will charge 5% service charges on the basic cost of an item and the issue price of items/articles will be fixed for issuance of Utilisation Certificates.
- xxx. All the HOD or their subordinate offices referred in Cabinet memo dated 31.03.2011 are required to obtain non-availability certificate (N.A.C) from RMSC before making procurement of EEL items.
