D.O. No. 11012/23/2019-W/82

जल शक्ति मंत्री
भारत सरकार
Minister for Jal Shakti
Government of India

Hon'ble Gehlot ji,

दिनांक (१५ जून) २०१९
शालिका नं. ३२०
जल शक्ति मंत्रालय
२२-६-१९

15 JUN 2019

Greetings from the Jal Shakti Mantralaya

As you are aware, the monsoon season is upon us and it is important for us to work together to conserve rainwater and replenish our water sources. The Hon'ble Prime Minister has also written to you in this regard, requesting you to lead the charge on water conservation in your State. Separately, he also wrote to all Sarpanchs in the country motivating them to take up water conservation measures in the run up to the upcoming monsoons.

In order to foster the collective spirit around water conservation and make it a jan andolan, a people's movement, it is proposed that gram sabhas may be organized in all GPs of India **on Saturday, 22nd June 2019**, and the Sarpanch may read out the Prime Minister's letter to the gathering, encouraging them to participate in this national movement to conserve rainwater. The contents of the letter may be discussed by the community, following which the gathering should offer shramdaan for building water conservation infrastructure and a host of related activities as listed in the annexure to this letter.

I also urge you to encourage your District Collectors and senior officers to participate in these shramdaan activities. And finally, I request you may personally lead the water conservation drive in your state and perform shramdaan on **22nd June, 2019** to inspire the people of your State to begin water conservation activities may begin at the earliest.

I look forward to your continued leadership and support as we proceed in our endeavors to make India water secure.

With regards,

कायाकलन प्रमुखा शासन सचिव
सकल विभाग एवं माया एवं पुराकालय
एवं पंचायत राज (पारंपरिक शिक्षा) विभाग
राज्य सचिवालय, जयपुर
आपको संख्या..... 5-11002
दिनांक..... 21/6/19

Yours sincerely,

(Gajendra Singh Shekhawat)

Shri Ashok Gehlot
Hon'ble Chief Minister of Rajasthan
Govt. of Rajasthan
CM office, Secretariat
Jaipur-302005

Office : 210, Shram Shakti Bhawan, Rafi Marg, New Delhi-110 001

E-mail : minister-mowr@nic.in

Annexure

Each Gram Sabha convened is to be followed by *shramdaan* for water conservation, as outlined in the Prime Minister's letter. Activities may include, but are not restricted to the following:

- Building and cleaning small ponds in the village for storing rainwater
- Undertaking tree plantation drives
- Constructing/installing storage tanks at the community or individual household level for rainwater
- Creation of soak pits in households for reuse for domestic and agricultural purposes and groundwater recharge
- Awareness campaigns around water conservation through rallies
- Village and school-level promotion of rainwater harvesting through Nukkad Nataks/street plays, folk songs and dance performance
- Wall paintings in public places on the theme of water conservation and proper management of water

- PSCM
- ACS, Panchati Raj.
- Pr. Secy, Sch. Edu. / UDH / Art & Cul / PHED / GWD
- Secy. to Govt, LSG / WR / H.E.
- POSD (RG) / JS (LT) / JS (GB) / SS (AD), SS (AD) to CM

02nd July, 2019

Dear Sir / Madam,

As you are aware, the Jal Shakti Abhiyan (JSA), focused on water conservation, commenced country wide with effect from 1st July, 2019 to 30th November, 2019 (in two phases) in order to address the water situation in the country. A concept note on the campaign is enclosed.

2. Senior officers from the Government from across the Ministries are being deputed as part of special teams to identified water stressed blocks and districts to work with local officials to redress the water scarcity situation in 5 specific intervention areas:

- Water conservation and rainwater harvesting
- Renovation of traditional and other water bodies / tanks.
- Reuse, borewell recharge structures
- Watershed development
- Intensive afforestation

3. The campaign also involves mobilizing the local people's participation to make the JSA a true Jan Andolan. Any Jan Andolan activity especially water conservation campaign can be enriched by the participation of school students who can act as awareness ambassadors.

4. In this regard, I will be grateful if you could kindly take comprehensive and necessary steps to involve all school students from class VI onwards in awareness creation and community education activities in water conservation on one identified date during the four months of JSA as a Jan Andolan activity in our endeavor of nation building. It is proposed that mass awareness creation activities & community education activities including rallies, nukkad nataks, plantation drives, workshops, seminars, etc. may be taken up on 15th July 2019, as part of Jan Andolan. Accordingly, you are requested to issue appropriate instructions to concerned authorities in your State / UT including all the District Collectors and District Education Officers.

5. The concerned authorities may also be directed to intimate the total number of activities undertaken and the number of students who took part in this water conservation campaign. The information may be uploaded <https://docs.google.com/spreadsheets/d/1413jn1UxzWINCCED7p9SpwRB3DpDImjPN8nS8lpcYZI/edit?usp=sharing>

6. In case any clarifications are required, Shri G. Vijaya Bhaskar, Director, (Email: vbgarala.edu@gov.in) and Shri P.K. Singh, Deputy Secretary (Email: singh.pk@nic.in) in this Department may be contacted.

With regards,

Yours sincerely,

(R.C. MEENA)

JSA Concept Note

Dated 1st July 2019

Name of campaign: Jal Shakti Abhiyan
Nodal Department: Department of Drinking Water & Sanitation, Jal Shakti Mantralaya
Duration: Phase I – 1st July to 15th Sep 2019 (All States)
Phase II – 1st October to 30th November 2019 (States receiving retreating. monsoon)
Theme: SanchayJal, BehtarKal (A water conservation campaign)

Selection criteria for Water Stressed Blocks/Districts/States (National mapping at Annexure I):

- i. Water Stressed Blocks, for the purposes of this exercise, are those where groundwater levels are critical/over-exploited (as per Central Ground Water Board (CGWB) 2017). These fall under 20 States/UTs.
- ii. For other States, Districts with least groundwater availability have been selected (as per CGWB 2017)

| Critical Blocks | Over-exploited Blocks | Other Blocks with least groundwater availability | Total no. of Blocks | Total no. of Districts | Total States/UTs |
|-----------------|-----------------------|--|---------------------|------------------------|------------------|
| 312 | 1186 | 94 | 1592 | 256 | 35 |

Intervention Areas

At the Central level, the following key areas are broadly under the following Ministries: M/o Jal Shakti, M/o Rural Development; M/o Agriculture Cooperation and Farmers Welfare; and M/o Environment, Forests and Climate Change.

1. Water conservation and rainwater harvesting
2. Renovation of traditional and other water bodies/tanks
3. Reuse and recharge structures
4. Watershed development
5. Intensive afforestation

The following special interventions are proposed to be carried out:

1. Development of Block and District Water Conservation Plans (To be integrated with the District Irrigation Plans).
2. Krishi Vigyan Kendra Melas to promote efficient water use for irrigation (More Crop per Drop), and better choice of crops, for water conservation.
3. In urban areas, plans/approvals with timebound targets to be developed for waste water reuse for industrial and agricultural purposes. Plans to be developed for at least one urban water body for groundwater recharge in the block or city. Municipalities to pass by-laws for the separation of grey water and blackwater.
4. Scientists and IITs will be mobilised at the national level to support the teams.
5. 3D village contour maps may be created and made accessible for efficient planning of Interventions

Participating teams from GoI: All teams are to undertake minimum 3 trips of 3 days each covering all villages allocated.

| | |
|----------|---|
| Centre | - 257 Additional Secretaries/Joint Secretaries/JS level officers to be the Central Nodal Officer and will be mapped to one district each, covering all water stressed Blocks falling within it. In case of Aspirational Districts, the Prabhari Officer will be the Central Nodal Officer of the district. - Scientists/IITs for technical guidance. - National level NGOs for guidance on community mobilization |
| State | - Additional Chief Secretary/PrinSecy (PR & RD and/or WR) to be the State Nodal Officer. |
| District | - 2 officials will be nominated by the District Collector to join the teams from the Centre. |
| Blocks | - A team of officials would be formed for every 3-5 Blocks. Each of these teams will report to the Addl Secy/JS or JS level officer in-charge of their district. This team (447 in total) would comprise of a Deputy Secretary/Director, and a representative/Engineer from Central Ground Water Board or Central Water Commission. The State Government would also depute the concerned officers from State and District levels to join these teams. |

¹ Andhra Pradesh (South), Karnataka (South), Puducherry and Tamil Nadu

JSA Concept Note

Dated 1st July 2019

Communications Plan

- Various local groups to join the campaign for Community Communication.
- Krishi Vigyan Kendra Melas to promote efficient water use for Irrigation (Per Drop More Crop), and better choice of crops, for water conservation.
- National media campaign to run alongside JSA 2019, with extensive use of social media and TV and radio spots
 - Print and social media mobilization.
 - Celebrities to be mobilized to generate awareness for the campaign.
 - Traditional modes of water conservation, rainwater harvesting and management to be documented and shared.
 - Crowdsourced short films of citizens documenting actions taken to conserve water will be shared widely.
- Best performing Blocks and Districts will be assessed and recognized.

Dated 23rd June 2019

Name of campaign: Jai Shakti Abhiyan
Nodal Department: Department of Drinking Water & Sanitation, Jai Shakti Mantralaya
Duration: Phase I – 1st July to 15th Sep 2019 (All States)
Phase II – 1st October to 30th November 2019 (States receiving retreating monsoon)
Theme: Sanchay Jal, Behar Kal (A rainwater harvesting and water conservation campaign)

Selection criteria for Water Stressed Blocks/Districts/States (National mapping at Annexure I):

- I. Water Stressed Blocks, for the purposes of this exercise, are those whose groundwater levels are critical/over-exploited¹.
- II. For States without Water Stressed Blocks, Districts with least groundwater availability are considered.

| Critical Blocks | Over-exploited Blocks | Other Blocks with least groundwater availability | Total no. of Blocks | Total no. of Districts | Total States/UTs |
|-----------------|-----------------------|--|---------------------|------------------------|------------------|
| 313 | 1186 | 94 | 1593 | 255 | 36 |

Intervention Areas (Details at Annexure II)

The following key areas are broadly under the following Ministries: M/o Jai Shakti; M/o Rural Development, M/o Agriculture Cooperation and Farmers Welfare; and M/o Environment, Forests and Climate Change.

1. Water conservation and rainwater harvesting
2. Renovation of traditional and other water bodies/tanks
3. Reuse, borewell recharge structures
4. Watershed development
5. Intensive afforestation

The following special interventions will also be carried out:

1. Development of Block and District Water Conservation Plans (To be integrated with the District Irrigation Plans).
2. Kisan Vigyan Kendra Melas to promote efficient water use for irrigation (More Crop per Drop), and better choice of crops, for water conservation.
3. Scientists and IITs will be mobilised at the national level to support the teams.

Participating teams from GoI: All teams will undertake minimum 3 trips of 3 days each covering all villages allocated.

| | |
|----------|---|
| Centre | - 255 Additional Secretaries/Joint Secretaries/JS level officers will be the Central Nodal Officer and will be mapped to one district each, covering all water stressed Blocks falling within it. In case of Aspirational Districts, the Prabhari Officer will be the Central Nodal Officer of the district. - Scientists/IITs for technical guidance. - National level NGOs for community mobilization |
| State | - Additional Chief Secretary/PrinSecy (PR & RD and/or WR) will be the State Nodal Officer. |
| District | - 2 officials will be nominated by the District Collector to join the teams from the Centre. |
| Blocks | - A team of officials would be formed for every 3-5 Blocks. Each of these teams will report to the Addl Secy/JS or JS level officer in-charge of their district. This team (about 550 in total) would comprise of a Deputy Secretary/Director, and a representative/Engineer from Central Ground Water Board or Central Water Commission. The State Government would also depute the concerned officers from State and District levels to join these teams. |

Participation at Local Level

Nehru Yuva Kendra Sangathan/National Service Scheme/National Cadet Corps. All NYKS/NSS/NCC youth will join Block level teams.
School students and Eco-Clubs. Students from government schools, and all eco-clubs associated with the schools.

¹ Andhra Pradesh (South), Karnataka (South), Puducherry and Tamil Nadu
² Data from the Central Ground Water Board, 2017

(10)

(2)

Date: 28 June 2019

Engineering students. District Collectors may nominate engineering students from local engineering colleges to join the teams.

Non-Government Organizations (NGOs). Local NGOs nominated by the District Collector may be involved in community mobilization, IEC, etc.

Timeline

- **27th June 2019** Cabinet Secretary's VC with Chief Secretaries, District Collectors, nodal officers (10 am).
Cabinet Secretary's orientation of the 1300 officers (Vigyan Bhawan, 3 pm)
- **28th June 2019** Training workshop for all teams
- **1st July 2019** Commencement of Jal Shakti Abhiyan
- **15th September** Completion of Phase I of campaign
- **30th November** Completion of Phase II of campaign
- **December** National workshop on lessons learned and way forward

Monitoring and Support

- Officers will submit their reports online on a designated portal (<https://indiawater.gov.in/jsa>)
- Real time effective monitoring of campaign with the use of mobile applications and monitoring dashboards
- A Secretariat is being set up at the Department of Drinking Water and Sanitation, Ministry of Jal Shakti

Communications Plan

- All Self Help Groups, Panchayati Raj Institution members, and Swachhagrahis will join the campaign for Community Communication
- National media campaign to run alongside JSA 2019, with extensive use of social media and TV and radio spots
- Each District will be asked to develop a communications campaign/plan.
- Kisan Vigyan Kendra Melas to promote efficient water use for Irrigation (More Crop per Drop), and better choice of crops, for water conservation.
- Public Service Announcements.
- Print and social media mobilization.
- Celebrities will be mobilized to generate awareness for the campaign.
- Best performing Blocks and Districts will be assessed and recognized by the Ministry of Jal Shakti.

D.O No. 1-1/2019 -JS(EE.I)

Dated: 9th July 2019

Dear Sir / Madam,

Kindly refer to my earlier letter no. D.O No. 1-1/2019-JS(EE.I) dated 2nd July 2019 and also this departments letter no. 1-7/2019 Desk (MDM) dated 4th July 2019 regarding Awareness Creation and Community Education Activities (Jan Andolan) under Jal Shakti Abhiyan.

I would like to emphasize that in order to mobilize the community at large, Jan Andolan for various activities related to water conservation may be carried out in each school of your State/UT on 15th July, 2019. Students of all schools from class VI (awareness ambassadors) onwards may be involved to carry out mass awareness creation and community education activities including rallies, nukkad natak, plantation drives, workshops, seminars, as a part of Jan Andolan.

You are therefore, requested to kindly issue necessary instructions to concerned authorities in your State/UT including District Collectors and District Education Officers to conduct these activities on 15th July, 2019. Kindly instruct the concerned authorities to gather the data on number of students participations and number of activities carried out from the field level in attached format (Annexure-I) and submit the compiled information to email id jsamhrd2019@gmail.com with a copy to the corresponding consultant assigned to State/UT (list enclosed at Annexure-II) by 16th July, 2019. In addition, high definition photographs on the field level activities, curated at State/UT level may also be shared to the same email id.

With regards,

Yours sincerely,

(R.C. MEENA)

Special Chief Secretaries/ Addl. Chief Secretaries/ Principal Secretaries/ Secretaries of all States/UTs.

15

Annexure-I

| Sl. No. | Name of State/UT | Number of schools participated | Number of students participate | Number of participants other than students | Number of Activities | | | | | | | |
|---------|------------------|--------------------------------|--------------------------------|--|----------------------|-------|-------|---------|-------------------|-----------------------|---------|------------------|
| | | | | | Public talks | Walks | Rotas | Parades | Seminars/lectures | Painting Competitions | Debates | Any Other |
| | | | | | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 = sum (1 to 7) |
