**Rajasthan State
Pollution Control Board**
4, Institutional Area, Jhalana Doongri,
Jaipur-302004

Foreword

Rajasthan State Pollution Control Board is entrusted with duties to enforce provisions of Water (Prevention and Control of Pollution) Act, 1974, Air (Prevention and Control of Pollution) Act, 1981 and various rules under Environment Protection Act, 1986 viz the Hazardous and other Waste management and Trans boundary Movement Rules, 2016, the Bio-medical Waste (Management and Handling) Rules, 2016, the Municipal Solid Waste (Management and Handling) Rules, 2016, E-Waste Management Rules, 2016 and Plastic Waste Management Rules, 2016.

I am pleased to present the compendium (2015-20) of office orders and circulars of the Rajasthan State Pollution Control Board. This compilation shall make it easier for the officials of the State Board to search for various orders of technical and administrative nature.

In future, this will also provide an easy platform to maintain a date wise collection of various orders of the State Board.

(Veenu Gupta)

Section-V

Orders Related to Consent/ Authorization Mechanism

S.No.	Order Reference	Date	Subject	Page No.
1	F.11(91)/RPCB/Lab/ 1452	13.10.2011	Charges for collection and analysis of the Samples by the State Board Laboratories.	293
2	F.14(1)/Mine/Group-2/ 2012	09.02.2012	Regarding control of Illegal Mining.	309

S.No.	Order Reference	Date	Subject	Page No.
3	F14/Tech_Gen(34)/RSPCB/MUID/7055-7081	02.03.2015	Regarding all building construction and township projects to obtain CTE prior starting of construction and CTO for operation.	311
4	F.12(PSC-10)RPCB/PSC/592 to 625	31.08.2015	State Board not to seek comments regarding compliance of conditions of FCA, NPV value deposition etc. from the Department of Forest, GoR.	312
5	F.14(56-B)Policy/RPCB Plg/536-570	30.09.2015	Regarding online fee submission with consent application.	313
6	CD & SCMG (Gen-3)/RPCB/1274 to 1307	16.10.2015	Directions to Regional Offices for forwarding application or sending verification report in case of Stone Crushers.	315
7	F.13(05)/RPCB/ITS/EE/605-719	04.11.2015	Regarding online submission of the applications for consent and authorization.	317
8	F.12(PSC-1)RSPCB/PSC/1440 to 1470	17.11.2015	Procedure for disposal of consent applications for Green Category industries having investment up to Rs. 5 Crore.	318
9	F.12(PSC-1)RSPCB/PSC/1471 to 1503	17.11.2015	The consent applications submitted in the State Board to be disposed off without insisting for NOC from CGWA.	322
10	F.17(25)/Energy/2011	10.12.2015	Regarding release of power connections to new industries without CTE from RSPCB.	323
11	F.12(PSC-1)RSPCB/PSC/89 to 124	03.05.2016	Regarding autogeneration of the inspection requisitions.	324
12	F.12(PSC-1)RSPCB/PSC/17 to 52	03.05.2016	Directions for not keeping CTO/CTE applications pending where proponents have failed to submit necessary documents despite issuance of deficiency letters.	325
13	F.12(PSC-1)RSPCB/PSC/53 to 88	03.05.2016	Directions that Consent/Authorization to be provisionally issued with condition that deficient fee shall be submitted by the proponent within 15 days	327

S.No.	Order Reference	Date	Subject	Page No.
14	F.12(PSC-1)/RSPCB/ PSC/144 to 181	16.05.2016	Regarding auto renewal of CTO/CTE for industries/processes/activities.	328
15	F.12(PSC-1)/RSPCB/ PSC/398 to 435	31.05.2016	Acceptance of consent/authorization application along with required documents in soft copy from 01.06.2016.	333
16	F.12(PSC-1)/RSPCB/ PSC/760 to 798	24.06.2016	Directions that the consent application, if complete in all respects shall be treated as deemed consent, if not granted or refused with 4 months after submission for complete application.	334
17	F.12(Gen-8)/RPCB/ Gr. Mines/821-835	08.07.2016	Regarding renewal of consent to operate of mines having production in excess of consent capacity.	335
18	F.12(Gen-8)/RPCB/ Gr. Mines/1356-1377	23.08.2016	Regarding EIA Notification, 2006 (Mines).	336
19	F.12(Gen-16)/RPCB/ Textile	02.01.2017	Stipulation of additional condition in respect of textile units, Units of Cotton/Woolen/ Carpets/Polyester, units having printing/ Dyeing/Bleaching process or manufacturing and garment units.	340
20	F.12(Gen-8)/RPCB/ Gr. Mines/2990-3012	23.01.2017	Regarding mining units submitting fresh consent applications after refusal of earlier consent applications.	342
21	CD&SCMG (Gen-03)/ RPCB/1235 to 1271	24.01.2017	Requirement of EC for stone crusher located on mining lease.	344
22	F.12(Gen-8)RPCB/ Gr. Mines/82-111	12.04.2017	Regarding CTE/CTO for mine and mineral processing plants.	345
23	F.14 (8A)RSPCB/Plg 217 to 256	13.06.2017	Regarding submission of receipt of application for abstraction of ground water from CGWA.	346
24	F.14(37)Legal/Plg/ RSPCB/5907-5949	15.06.2017	Regarding Pet Coke to be considered as an approved fuel.	347

S.No.	Order Reference	Date	Subject	Page No.
25	F.12(PSC-1)/RPCB Gen/312 to 349	05.07.2017	Solar power plants exempted form obtaining CTE/CTO	348
26	F.12(PSC-1)RSPCB PSC/845 to 887	14.12.2017	All concerning groups and Regional Officers to obtain documents of legal source of raw material for SCMG units.	350
27	F.14(37)Legal/Plg/ RSPCB/7415-7452	27.12.2017	Regional Offices to take strict action against industries for using pet coke and furnace oil despite the ban imposed.	351
28	F.11(495)RPCB/Lab/ 1937-1964	27.12.2017	Contributory amount for continuous emission/effluent monitoring system.	352
29	F.12(PSC-1)RSPCB/ PSC/902 to 942	02.01.2018	Industries having residential colonies/ townships for residential purpose of their employees are required to obtain separate environmental clearance.	354
30	F.(Tech)RSPCB/CPM/ Gen-7/1956-1995	22.01.2018	Cement plants permitted to use pet coke as a fuel.	355
31	F.12(Karu-29)/RPCB/ Gr. Mines/2674-2688	30.01.2018	Requirement of Rider agreement for reduction in lease area by the mining leases.	356
32	F.14(Tech-Gen(101)/ RSPCB/MUID/ 1444-1570	01.02.2018	Regarding use of Pet coke in lime kilns.	357
33	F.14/Tech-Gen(101)/ RSPCB/MUID/1573- 1593	05.02.2018	Regarding use of Pet coke in lime kilns. 5 more lime kiln units allowed to use pet coke as fuel	375
34	F.14/Tech-Gen(101)/ RSPCB/MUID/1216- 1223	07.02.2018	Regarding use of Pet coke in lime kilns. 6 more lime kiln units allowed to use pet coke as fuel	377
35	F.Tech(Gen-07)RPCB/ CPM/2332	15.03.2018	Format of registration for cement plants and lime kilns.	379
36	F.14/Tech/(85-STP)/ RPCB/Plg./2549-98	23.04.2018	Periodic Sampling of Common facilities	383

S.No.	Order Reference	Date	Subject	Page No.
37	F.12(PSC-8)RSPCB/ PSC/1444 to 1485	24.04.2018	Regarding submission of details of ozone depleting substances along with application seeking CTO/CTE	384
38.	Accounts/Circular/2018-19/512-566	22.06.2018	Regarding verification of consent fee and any other financial matters from accounts section.	385
39	F.12(BHRT-08)/RPCB/ Gr.Mines/761-774	10.07.2018	Mine lease located within one Kilometre of the National Parks/Sanctuary.	387
40.	F12(Gen-19)/RPCB/ Gr.Mines/1226-1240	10-09-2018	Mine lease located within one kilometre of the National Parks/Sanctuary.	388
41.	F.14 (56-B) Policy/plg/ RSPCB 584 to 628	14-09-2018	Regarding extension of Special dispensation scheme.	389
42.	F.12 (Gen-104) RPCB/ Gr. Mines/1322-1355	20-09-2018	Recommendations made by the committee regarding EIA notification.	390
43.	F.12 (PSC-8) RSPCB/ PSC/ 1487 to 1523	27-09-2018	Tatkal Scheme for obtaining CTE/CTO under revision.	392
44.	F12(GEN-08)/RPCB/ Mines/5012-5026	09-10-2018	Mines located within 1 to 10 km of boundary of National Parks and Wildlife Sanctuaries.	393
45.	F12(GEN-12)/RPCB/ Mines/6367-6382	02-11-2018	Mines located within 1 to 10 km of boundary of National Parks and Wildlife Sanctuaries.	394
46.	F.12/PSC-8/ RSPCB/ PSC/ 859 to 897	17-12-2018	Constitution of the committee for the evaluation of the project and its adequacy.	395
47.	F.12 /PSC-8/ RSPCB/ PSC/ 1078 to 1108	30.01.2019	Regarding grant/refusal of pending applications of CTE where EC has been granted.	397
48.	SCMG & D.S. (Gen-03)/RPCB/1166	14-02-2019	Regarding withdrawal of office order related to CD&SCMG dated 24.01.2017.	398

S.No.	Order Reference	Date	Subject	Page No.
49.	F14(CETP-14)/RSPCB/ Plg. 2672-2720	11-03-2019	Regarding standards prescribed by the State Board for the inlet quality of the CETPS.	399
50.	F.14 (Gen-3)/Tech/ RSPCB/Plg/21-CETP/ 35-45	02-04-2019	No CTE will be issued or CTE for expansion to any existing industrial unit in Balotra, Bithuja and Jasol which generate trade effluent.	401
51.	F.12(PSC-1)RPCB/ PSC/57 to 59	29.04.2019	Regarding change of name in consent letters.	402
52.	F.12(PSC-1)RPCB/ PSC/273	13.06.2019	Inspection carried out by the Board officials to be as per the checklist and in prescribed formats only.	404
53.	F.14/Tech_Gen(117)/ RSPCB/MUID/345	25.06.2019	Regarding conversion of brick kilns to zig-zag technology.	405
54.	F.14(5)Adm./RSPCB/ Plg./1599-1639	22.07.2019	Regarding Constitution of Pollution Control and Vigilance Squads (PCVS)	406
55.	F-14(5-Adm.)/RPCB/ Plg/ 1657-82	26-07-2019	Regarding CTE for Polluted Clusters.	408
56.	F-(E-Comp-17) RPCB/ECC/ 431 to 463	03-09-2019	Regarding procedure for forwarding proposals for EC imposition	409
57.	F-14(Tech-Gen-34)/ RSPCB/MUID/899-906	17-10-2019	To ensure compliance of Plastic waste Management Rules, 2018, SWM Rules, 2016 in all shopping malls/ complexes/ business centres etc.	413
58.	F:11 (557)/RPCB/Lab/ 2668	31-10-2019	Regarding OCEMS for lead parameter not mandatory in Red Category Air Polluting industries in NCR sub-region of Rajasthan.	414
59.	F. 14 (99-Corres)/ RSPCB/Plg./2229	31-10-2019	Mechanism for environmental management of critically and severelly Polluted Areas and consideration of activities/projects	416

S.No.	Order Reference	Date	Subject	Page No.
60.	F.16 (Gen-43)/ RPCB/ BMW 463-502	01-11-2019	Regarding exemption to Health Care Facilities from depositing back fees while seeking Authorization/CTO.	423
61.	F14/(56-B)/Policy/ RSPCB/Plg/1063-95	13-11-2019	No separate EC or amendment in EC is required for setting up activities which does not attract the provisions of EIA Notification, 2006.	425

विषय:- स्थापना हेतु सम्मति, संचालन हेतु सम्मति, नवीनीकरण एवं अन्य प्रकरणों की स्वीकृतियां व अनापत्ति प्रमाण पत्रों के क्रम में।

उपरोक्त विषयान्तर्गत लेख है कि राजस्थान राज्य प्रदूषण नियंत्रण मण्डल द्वारा जल/वायु अधिनियमों एवं अन्य संबंधित अधिनियमों एवं प्रावधानों के तहत विभिन्न प्रकार की स्वीकृतियां जारी की जाती है। इन स्वीकृतियों को जारी करने की समय सीमा हर स्तर पर तय होनी चाहिये। साथ ही विभिन्न स्तरों से इस प्रकार के प्रकरणों को डील करने के लिये एक चैक लिस्ट जारी होनी चाहिये।

यदि क्षेत्रीय कार्यालयों द्वारा प्रकरण का अपने स्तर पर निस्तारण किया जाता है तो भी वे इस प्रक्रिया की पालना करेंगे तथा साथ ही यदि मुख्यालय द्वारा इस प्रकार के प्रकरणों की निस्तारण किया जाता है तो क्षेत्रीय कार्यालयों द्वारा मुख्यालय को जो भी रिपोर्ट भेजी जाती है वह निर्धारित चैक लिस्ट में स्पष्ट अनुशंषा के साथ भेजी जानी चाहिये। मुख्यालय में विभिन्न अनुभागों/समक्ष अधिकारियों द्वारा प्रकरण डील करते समय नोटशीट में भी चैक लिस्ट टाइप करवाई जानी चाहिये तथा नोटशीट में यह भी स्पष्ट उल्लेख किया जाना चाहिये कि चैक लिस्ट के विभिन्न प्रावधानों की पूर्ति हो रही है या नहीं यदि हो रही है तो कैसे?

यदि पहले से कोई चैक लिस्ट व टाइम लाईन तय है तो अद्योहस्ताक्षरकर्ता को प्रस्तुत करवायें। अन्यथा चैक लिस्ट व ड्राफ्ट टाइम लाईन बनाकर दिनांक 01.10.2019 तक प्रस्तुत करावें।

प्रायः यह देखा गया है कि अद्योहस्ताक्षरकर्ता के अधीन शाखा में पत्रावलियों के संधारण व प्रस्तुतीकरण की प्रक्रिया सही नहीं है। अतः PUC के समय पर प्रस्तुतीकरण, पत्रावलियों के उचित संधारण व विभागीय कार्य व्यवस्था को सुचारु करने के लिये निम्न निर्देश दिये जाते हैं:-

1. सभी अधिकारी व कार्मिक समय पर कार्यालय में आना सुनिश्चित करेंगे व कार्यालय समय में अपनी सीट पर बैठकर राजकीय कार्य का निस्तारण करेंगे।
2. पत्रावलियों को सही तरीके से संधारण किया जाये ताकि नोटशीट व PUC फटे नहीं।
3. अद्योहस्ताक्षरकर्ता को पत्रावली प्रस्तुत करते समय निम्न बातों को सुनिश्चित किया जावे:—
 - (i) नोटशीट के प्रत्येक पेज पर पत्रावली नम्बर अंकित किया जावे।
 - (ii) पत्रावली के ऊपर पत्रावली के नम्बर व पत्रावली की विषय वस्तु आवश्यक रूप से अंकित की जावें।
 - (iii) पत्रावली नम्बर में भी पत्रावली विषय वस्तु का संक्षिप्त रूप से अंकन किया जावे।
 - (iv) पत्रावली की प्रत्येक PUC पर PUC नम्बर अंकित होना चाहिये।
 - (v) नोटशीट पर अधिकारी या कर्मचारी टिप्पणी करते हैं तो उनके हस्ताक्षर के नीचे उनका नाम व पदनाम आवश्यक रूप से अंकित होना चाहिए।
 - (vi) मण्डल से जारी होने वाले प्रत्येक पत्र, परिपत्र तथा यूओनोट पर हस्ताक्षर के नीचे संबंधित अधिकारी का नाम व पदनाम आवश्यक रूप से अंकित होना चाहिये।
 - (vii) नोटशीट के नीचे आवश्यक रूप से यथेष्ट जगह रिक्त छोड़ी जावे अर्थात् नोट को नोटशीट के अंत तक नहीं चलाया जाकर नोटशीट के अन्त में कुछ स्थान रिक्त छोड़कर शेष नोट अगली नोटशीट पर ले जाया जावे।
 - (viii) पत्रावली ऊपर मार्क करते समय दो अधिकारियों की मार्किंग के मध्य कम से कम डेढ़ इंच का स्थान रिक्त छोड़ा जावे ताकि ऊपर वाले अधिकारी द्वारा नोटशीट पर टिप्पणी किये जाने व उनके हस्ताक्षर व सील लगाये जाने के लिये पर्याप्त स्थान उपलब्ध हो सके।
 - (ix) नोटशीट के प्रत्येक पैरा पर पैरा नम्बर आवश्यक रूप से अंकित किये जावे।
 - (x) पत्रावली में दो से तीन पेज खाली नोटशीट के आवश्यक रूप से लगाये जावे।
 - (xi) प्रत्येक PUC संबंधित पत्रावली पर ही प्रकरण का पूर्व संदर्भ, वस्तुस्थिति, नियमों की स्थिति व प्रस्तावित कार्यवाही सहित अद्योहस्ताक्षरकर्ता को प्रस्तुत की जावे।

- (xii) जिन PUC व पत्रावलियों पर अद्योहस्ताक्षरकर्ता द्वारा PUC UP करने के निर्देश दिये गये हैं, उन PUC's व पत्रावली पर कोई भी कार्यवाही अद्योहस्ताक्षरकर्ता के निर्देश लेकर ही की जावे, अर्थात् अनुभाग स्तर पर ऐसे प्रकरण में कोई पत्र व्यवहार नहीं किया जावे।
- (xiii) यह सुनिश्चित किया जावे कि विभिन्न राज्य सरकार के विभाग/बोर्ड/निगम/एजेन्सीज व अन्य अधीनस्थ कार्यालयों से प्राप्त प्रकरणों में कोई भी अग्रिम कार्यवाही करने, आवश्यक सूचना मंगवाने इत्यादि कार्यवाही अद्योहस्ताक्षरकर्ता से उचित निर्देश प्राप्त करने के पश्चात् ही की जावे, क्योंकि कई प्रकरणों में यह देखा गया है कि इनमें अनुभाग स्तर पर ही लम्बे समय तक कार्यवाही की जाती रही है तथा अद्योहस्ताक्षरकर्ता को कई बार एक-एक वर्ष तक भी प्रकरण प्रस्तुत नहीं होते हैं।
- (xiv) जिन प्रकरणों में कोई नीतिगत निर्णय किया जाना है वे प्रकरण उसी पत्रावली पर प्रस्तुत होने चाहिये जिस पत्रावली पर पूर्व में उक्त नीतिगत निर्णय लिया गया है। अगर यह पत्रावली भारी है या प्रक्रियाधीन है तो कम से कम संबंधित मूल पत्रावली की नोटशीट व संबंधित आदेश/परिपत्र या उसकी फोटो प्रति आवश्यक रूप से प्रस्तुत की जावे।
- (xv) किसी भी व्यक्तिगत प्रकरण की पत्रावली पर नीतिगत निर्णय हेतु प्रकरण प्रस्तुत नहीं होनी चाहिये।
- (xvi) प्रत्येक महत्वपूर्ण प्रकरण की पत्रावली पर नीतिगत निर्णय हेतु प्रकरण प्रस्तुत नहीं होनी चाहिये।
- (xvii) PUC प्रस्तुत करते समय प्रशासनिक सुधार विभाग के परिपत्र F6(2)AR/Gr-1/2014 दिनांक 17.03.2015 के निर्देशों की पालना की जाये व प्रत्येक संबंधित अधिकारी द्वारा PUC को Process कर वांछित नोट प्रस्तुत किया जाये (प्रति संलग्न)।
4. अधीनस्थ कार्यालयों से प्राप्त होने वाली व अन्य कोई भी PUC व अद्योहस्ताक्षरकर्ता को प्रस्तुत करते समय नोटशीट पर निम्न तथ्य आवश्यक रूप से अंकित किये जावें :-
- (i) PUC किसके द्वारा व किसको लिखी गई है?
- (ii) PUC की दिनांक व पेज नम्बर।
- (iii) उक्त PUC द्वारा किससे व क्या चाहा गया है? अर्थात् कोई अनुमोदन शिथिलन या निर्णय, क्या चाहा गया है।
- (iv) यदि राज्य सरकार से कोई शिथिलन/अनुमोदन/स्वीकृति चाही गयी है तो यह स्पष्ट रूप से नोटशीट पर अंकित किया जाये कि शिथिलन/अनुमोदन/स्वीकृति किस प्रावधान के तहत अपेक्षित है व उसका औचित्य क्या है?
- (v) सामान्यतया अधीनस्थ कार्यालयों को प्रचलित नियमों, कानूनों व राज्य सरकार द्वारा जारी दिशा निर्देशों के तहत स्वयं निर्णय लेने चाहिये। अनुमोदन/स्वीकृति/शिथिलन आदि के प्रकरणों का गुणावगुण के आधार पर परीक्षण कर पूर्ण औचित्य व नियमों के परिपेक्ष्य में ही प्रस्ताव प्रस्तुत किये जावे।
5. अन्तर मण्डलीय पत्र व्यवहार करने व कार्मिक विधि, वित्त व अन्य Referral Departments को पत्र पत्रावली/प्रकरण भेजने से पूर्व अद्योहस्ताक्षरकर्ता की अनुमति अवश्य ली जाये।

6. यदि किसी भी शाखा द्वारा कोई मीटिंग प्रस्तावित की जाती है तो पत्रावली निम्न तथ्यों सहित प्रस्तुत किया करें:-
- पिछली बैठक के निर्णयों की क्रियान्विति रिपोर्ट।
 - प्रस्तावित एजेन्डा बिन्दु व बिन्दुसार एजेन्डा नोट।
 - आमंत्रित किये जाने वाले महानुभावों की सूची।
 - ड्राफ्ट मीटिंग नोटिस।
 - बैठक किसकी अध्यक्षता में आयोजित होनी है?
7. न्यायिक प्रकरणों/अवमानना प्रकरणों में समय रहते सक्षम स्तर से अनुमोदित करवाकर न्यायालय में जवाब प्रस्तुत कराया जाना सुनिश्चित किया जाये
8. जिन न्यायिक प्रकरणों में मण्डल के विरुद्ध किसी सक्षम न्यायालय द्वारा कोई Stay दिया गया है तो Early hearing का प्रार्थना पत्र न्यायालय में लगवाकर या तो Stay Vacate कराया जाये या ऐसे प्रकरण का शीघ्र अंतिम निर्णय करवाकर सक्षम न्यायालय में नियमानुसार अपील करवायी जाये।
9. सक्षम न्यायालयों द्वारा पारित निर्णयों के विरुद्ध यदि आवश्यक व उचित हो तो अपील की कार्यवाही की जाये या राज्य सरकार द्वारा समय-समय पर जारी निर्देशानुसार पालना की जाये ताकि अवमानना की स्थिति ना बनें।
- यह सुनिश्चित किया जावे कि सभी अधिकारी उक्त निर्देशों की कड़ाई से पालना सुनिश्चित करेंगे।

फोन : 5101871, 5101872, ईपीबीएक्स: 5159600, 5159699 फैक्स: 5159694-97

विषय:- राज्य प्रदूषण नियंत्रण मण्डल के प्रकरण प्रस्तुत करने के संबंध में।

अद्योहस्ताक्षरकर्ता द्वारा यह महसूस किया गया है कि विभिन्न प्रकार के प्रकरणों, जिनमें अंतिम निर्णय लेने का अधिकार अद्योहस्ताक्षरकर्ता को है, को कई बार लम्बे समय तक संबंधित अनुभागों में लम्बित रखा जाता है और बार-बार शाखा प्रभारी अपने स्तर पर उनमें क्वेरी करते रहते हैं। उक्त स्थिति अच्छी नहीं कही जा सकती है।

अतः सभी संबंधितों को निर्देशित किया जाता है कि वे सभी प्रकरण, जिनमें अंतिम रूप से अनुमोदन/निर्णय अद्योहस्ताक्षरकर्ता के स्तर से होना है, में किसी भी प्रकार की कोई कमी पूर्ति करवाने/आपत्ति लगाने से पूर्व प्रकरण अद्योहस्ताक्षरकर्ता के समक्ष आवश्यक रूप से प्रस्तुत किया जावे। इसी प्रकार नीतिगत निर्णयों से संबंधित सभी प्रकरण हर बार अवश्य रूप से अद्योहस्ताक्षरकर्ता को प्रस्तुत किये जायें। यह भी निर्देशित किया जाता है कि राज्य सरकार, केन्द्र सरकार, केन्द्रिय प्रदूषण नियंत्रण मण्डल, एन.जी.टी. आदि से कोई भी पत्र व्यवहार अद्योहस्ताक्षरकर्ता के अनुमोदन से ही किया जावे।

इसे सर्वोच्च प्राथमिकता दी जावे।

विषय:-विभिन्न प्रकार की निविदायें जारी करने के क्रम में।

उपरोक्त विषयान्तर्गत राजस्थान राज्य प्रदूषण नियंत्रण मण्डल के अधीन समय-समय पर विभिन्न सामग्री, सेवाओं, सलाहकार सेवाओं इत्यादि की निविदायें जारी की जाती हैं। यहा देखा गया है कि कई बार उक्त निविदाओं, संबंधी प्रकरण काफी विलम्ब से प्रस्तुत होते हैं व मजबूरन पुराने निविदादाताओं का समय बढ़ाना पड़ता है, उक्त स्थिति अच्छी नहीं कही जा सकती है।

अतः निर्देश दिये जाते हैं कि राज्य मण्डल के अधीन जो भी सामग्री, सेवायें, सलाहकार सेवायें इत्यादि बाजार/निजी क्षेत्र से ली जानी हैं उनकी निविदा प्रक्रिया पुरानी निविदा की तिथि समाप्ति से कम से कम तीन माह पूर्व प्रारम्भ कर दी जावे व ड्राफ्ट निविदा डाक्यूमेन्ट, आर.टी.पी.पी. एक्ट के तहत गठित की जाने वाली कमेटी इत्यादि समय रहते अनुमति हेतु अद्योहस्ताक्षरकर्ता को प्रस्तुत की जावे।

इस प्रक्रिया में किसी भी प्रकार के विलम्ब के लिये संबंधित अधिकारी जिम्मेदार होंगे।

फोन : 5101871, 5101872, ईपीबीएक्स: 5159600, 5159699 फैक्स: 5159694-97

विषय:- नवीन प्रोजेक्ट्स स्थापना हेतु सम्मति (CTE), संचालन हेतु सम्मति (CTO) तथा नवीनीकरण के प्रकरणों तथा Closure Direction संबंध में।

उपरोक्त विषयान्तर्गत अद्योहस्ताक्षरकर्ता द्वारा यह महसूस किया गया है कि:—

1. उपरोक्त प्रकार के प्रकरण लम्बे समय तक क्षेत्रीय कार्यालयों व मुख्यालय के बीच या मुख्यालय तथा संबंधित पी.पी. के मध्य चलते रहते हैं।
2. प्रकरण नोटशीट पर चैक लिस्ट के साथ प्रस्तुत नहीं होते हैं।
3. नोटशीट पर प्रकरण की पूरी History नहीं होती है।
4. जिन प्रकरणों में अंतिम निर्णय लिये जाने हेतु अद्योहस्ताक्षरकर्ता सक्षम है वे प्रकरण अद्योहस्ताक्षरकर्ता तक पहुँचने से पूर्व कई बार महीनों-महीनों तक अनुभाग स्तर पर लम्बित रहते हैं।
5. स्थापना हेतु सम्मति, संचालन हेतु सम्मति तथा Closure की जो स्वीकृतियाँ जारी की जाती हैं। उनमें अनेक शर्तें भी लगायी जाती हैं, लेकिन उन शर्तों की पालना कब तक होनी है व पालना सुनिश्चित करवाने हेतु कौन जिम्मेदार होगा, इसका उल्लेख संबंधित स्वीकृतियों में नहीं होता है।
6. Closure Direction व Environment Compensation की गणना हेतु भी कोई समय सीमा संबंधित को नहीं दी जाती है।

उपरोक्त परिस्थितियों के मध्यनजर विभिन्न स्वीकृतियां जारी करने, शर्तों तथा Closure Direction की समयबद्ध पालना करवाने हेतु निम्न निर्देश दिये जाते हैं:—

1. उपरोक्त प्रकार के प्रकरणों में प्रकरण प्रस्तुत करते समय नोटशीट पर प्रकरण से संबंधित समस्त सूचनायें, वांछित शर्तों की पालना किस तरह से हो रही है इत्यादि की समस्त जानकारी एक चैक लिस्ट के रूप में नोटशीट पर प्रस्तुत की जावें।
2. यदि बोर्ड के किसी क्षेत्रीय अधिकारी या अन्य किसी निरीक्षण दल द्वारा Unit का निरीक्षण किया गया है तो निरीक्षण रिपोर्ट की Main Findings तथा अभिशंषा का नोटशीट पर स्पष्ट रूप से उल्लेख किया जावे।
3. प्रकरण में कोई भी जानकारी प्राप्त करने हेतु पत्र लिखने या OBH का अवसर दिये जाने से पूर्व पत्रावली पर अद्योहस्ताक्षरकर्ता से अनुमति ली जावें।
4. प्रकरण की पूरी Brief History यथा आवेदन पत्र कब प्राप्त हुआ, कमी पूर्ति करने के लिये पत्र कब लिखा गया, अनुभाग में कब प्रकरण प्रस्तुत हुआ व प्रत्येक के द्वारा कब कितना समय लिया गया, निरीक्षण के लिये कब लिखा गया, निरीक्षण रिपोर्ट कब प्राप्त

हुई, OBH का निर्णय कब हुआ, OBH कितनी तारीख को हुई व किसके समक्ष हुई इत्यादि हर स्टेज की प्रगति Chronological Order में नोटशीट पर प्रस्तुत की जावें।

5. उपरोक्त प्रकरणों को प्रस्तुत करने के लिये जिस स्तर के लिये जो Time Line नियत है, संबंधित स्तर द्वारा उस नियत समयावधि में प्रकरण को Process कर आगे बढ़ाया जावें।
6. PP/RO से जो भी जानकारी लेनी हो, वह एक बार में ही मांग ली जावें। यदि CTE/CTO से संबंधित किसी प्रकरण में नितिगत निर्णय लिया जाना है तो प्रकरण को अनुभाग स्तर पर अथवा अन्य स्तर पर लंबित नहीं रखा जावे। प्रकरण नितिगत निर्णय लिये जाने हेतु अद्योहस्ताक्षरकर्ता को प्रस्तुत किया जावे।
7. जिन प्रकरणों में नवीन CTE/CTO जारी करने, Renewal करने, Closure EC लगाने का निर्णय हो गया है उनमें अद्योहस्ताक्षरकर्ता द्वारा उपरोक्त अनुमोदन के अधिकतम 4 दिन से संबंधित स्वीकृति पत्र या निर्देश जारी हो जाने चाहिये। सभी संबंधित उक्त निर्देशों की कड़ाई से पालना सुनिश्चित करवायेंगे।

विषय:-OBH (Opportunity of Being Heard) के संबंध में।

उपरोक्त विषयान्तर्गत प्रदूषण नियंत्रण मंडल में की जाने वाली विभिन्न OBH के संबंध में निम्न निर्देश दिये जाते हैं—

1. OBH अद्योहस्ताक्षरकर्ता के कक्ष में आयोजित की जाने व OBH दिये जाने से पूर्व पत्रावली पर अद्योहस्ताक्षरकर्ता के समय व तिथि ली जावे।
2. OBH के लिये भेजे जाने वाले पत्र में पी.पी. से संबंधित समस्त कमियों का उल्लेख किया जावे जिसकी पूर्ति आवेदक द्वारा की जानी है।
3. OBH के लिये जारी होने वाले पत्र में प्रार्थी को यह स्पष्टरूप से निर्देशित किया जावे कि OBH के दौरान अपनी कमीपूर्ति से संबंधित सभी दस्तावेज व अपने पक्ष में जो भी बात कहनी है उसके लिखित अभिलेख लेकर उपस्थित हो।
4. पत्र में यह भी स्पष्ट उल्लेख किया जावे कि यदि OBH के लिये संबंधित फर्म/यूनिट में अधिकृत व्यक्ति उपस्थित नहीं होता है तो प्रकरण में एकतरफा नियमानुसार कार्यवाही कर अंतिम निर्णय लिया जावेगा।
5. OBH के लिये जारी होने वाले पत्र की प्रति संबंधित क्षेत्रीय अधिकारी को भी दी जावे। यदि उनसे कोई निरीक्षण रिपोर्ट या अन्य रिपोर्ट चाहिये तो वह रिपोर्ट OBH की तिथि से पूर्व आवश्यक रूप से मंगवा ली जावे।
6. यदि आवश्यकता हो तो OBH के दौरान संबंधित क्षेत्रीय अधिकारी (RO) को भी वांछित अभिलेखों के साथ उपस्थित होने के लिये पाबन्द किया जावे।
7. OBH के दौरान सदस्य सचिव/संबंधित अनुभाग प्रभारी पत्रावली व वांछित दस्तावेजों के साथ अद्योहस्ताक्षरकर्ता के कक्ष में उपस्थित रहे।

उक्त निर्देशों की कड़ाई से पालना की जावे।

विषय:- नीतिगत निर्णयों के अभाव में लम्बित प्रकरणों के संबंध में।

विषयान्तर्गत अद्योहस्ताक्षरकर्ता को यह ध्यान में आया है कि राज्य मण्डल में विभिन्न नीतिगत निर्णयों के लम्बित रहने के कारण CTE, CTO व अन्य कई प्रकरण निर्णित नहीं हो पा रहे हैं। अतः निर्देश दिये जाते हैं कि इस प्रकार के सभी प्रकरणों से संबंधित पत्रावलियाँ सम्पूर्ण वस्तुस्थिति के नोट के साथ अद्योहस्ताक्षरकर्ता को दिनांक 16.10.2019 तक प्रस्तुत करें।

विषय:- अद्योहस्ताक्षरकर्ता से अनुमोदित स्थापना हेतु सम्मति, संचालन हेतु सम्मति, Closure Direction, Show Cause Notice व OBH (Opportunity of Being Heard)

उपरोक्त विषयान्तर्गत लेख है कि अद्योहस्ताक्षरकर्ता द्वारा यह महसूस किया गया है कि जिन पत्रावलियों पर अद्योहस्ताक्षरकर्ता द्वारा स्थापना हेतु सम्मति, संचालन हेतु सम्मति, Closure Direction, Show Cause Notice व OBH (Opportunity of Being Heard) आदि अनुमोदित हो गये हैं उनके अनुमोदन के कई-कई दिन बाद तक इससे संबंधित पत्र/आदेश जारी नहीं होते हैं। उक्त स्थिति अत्यन्त गम्भीर है तथा अद्योहस्ताक्षरकर्ता द्वारा इस संबंध में पूर्व में जारी निर्देशों के उल्लंघन की श्रेणी में आता है।

पुनः निर्देश दिये जाते हैं कि इस प्रकार के सभी प्रकरणों में उक्त अनुमोदन आदेश/पत्र अधिकतम सात दिवस में जारी हो जाने चाहिये तथा OBH से संबंधित पत्र अनुमोदन के अधिकतम तीन दिवस के अन्दर जारी हो जाने चाहिये। संबंधित शाखा प्रभारी का यह दायित्व है कि उक्त अनुमोदित पत्र/आदेश निर्धारित अवधि में जारी हो जावें। यह सुनिश्चित किया जाय कि अभी तक के जितने भी इस तरह के आदेश जारी होने से शेष है वे सभी दिनांक 25.10.2019 तक आवश्यक रूप से जारी हो जावें।

विषय:-Closure Direction की पालना के क्रम में।

उपरोक्त विषयान्तर्गत यह देखा गया है कि राजस्थान प्रदूषण नियंत्रण मण्डल द्वारा समय-समय पर Closure Directions जारी किये जाते हैं। उनकी अनुपालन की मोनिटरिंग करने का कोई सिस्टम वर्तमान में मण्डल में विद्यमान नहीं है।

विभिन्न अनुभागों द्वारा समय-समय पर जारी Closure Direction से संबंधित सूचनायें निम्न प्रपत्र में दिनांक 20.11.2019 तक अद्योहस्ताक्षरकर्ता को प्रस्तुत करवाये:-

Name of Group.....

S.No.	Name of the PP	Date & No. of the Closure direction	Location of the Project	R.O. Concerned	By When the closure direction were to be Implemented	Date of electricity disconnection	If direction not complied than reason thereof
1.	2.	3.	4.	5.	6.	7.	8.

इस संबंध में जिससे जो भी सूचनायें लेनी है अपने स्तर पर लें।

भविष्य के लिये यह व्यवस्था सुनिश्चित की जावें।

1. Closure Direction के जो भी नये प्रकरण क्षेत्रीय अधिकारी से मुख्यालय को प्राप्त होते हैं उनका परीक्षण कर अधिकतम 10 दिवस में प्रकरण पत्रावली पर अद्योहस्ताक्षरकर्ता को प्रस्तुत करावें।
2. Closure Direction जारी करते समय निर्देशों की पालना हेतु अंतिम तिथि दी जाये व प्रति तत्काल संबंधित P.P., R.O. तथा विद्युत वितरण निगम के संबंधित अधिशाषी अभियन्ता को भी मेल एवं रजिस्टर्ड AD से भेजी जाये।
3. प्रत्येक अनुभाग स्तर पर Direction की पालना की सूचना Compile कर मासिक सूचना प्रत्येक माह की 5 तारीख को अद्योहस्ताक्षरकर्ता को प्रस्तुत करने की व्यवस्था सुनिश्चित की जाये।
4. Closure Direction जारी करते समय संबंधित क्षेत्रीय अधिकारी व संबंधित पी.पी. को दूरभाष से भी सूचना दिया जाना सुनिश्चित किया जाये।

यू.ओ. नोट

विषय:- कार्यालय प्रक्रिया के संबंध में।

सन्दर्भ:- 1. U.O. Note No. PS/CP/RSPCB/48-61 Dated 10.1.2019

2. अ.शा. टीप संख्या:नि.स. अध्यक्ष/रा.प्र.नि.मं./87-101 दिनांक 07.10.2019

3. अ.शा. टीप संख्या:नि.स. अध्यक्ष/रा.प्र.नि.मं./119-133 दिनांक 09.10.2019

उपरोक्त विषयान्तर्गत उपरोक्त संदर्भित यू.ओ. नोटस की निरन्तरता में निम्न निर्देश दिये जाते हैं:-

1. अद्योहस्ताक्षरकर्ता द्वारा जिन पी.यू.सी./पत्रावलियों पर एक निश्चित तिथि तक प्रस्तुत करने के निर्देश दिये जाते हैं उन्हें उस निश्चित तिथि तक आवश्यक रूप से प्रस्तुत किया जावे। इस प्रकार के प्रकरणों को किसी भी स्तर पर अनावश्यक रूप से लम्बित नहीं रखा जावे।
2. पत्रावलियों के प्रस्तुतीकरण के संबंध में अ.शा. टीप संख्या:नि.स. अध्यक्ष/रा.प्र.नि.मं./33 दिनांक 26.09.2019 एवं अ.शा. टीप संख्या:नि.स. अध्यक्ष/रा.प्र.नि.मं./119-133 दिनांक 09.10.2019 द्वारा दिये गये निर्देशों की अक्षरशः पालना की जावे।
3. किसी भी यूनिट को Closure, show cause एवं OBH के नोटिस वाले पत्रों में इस संबंध में पूर्व में यूनिट को लिखे गये सभी पत्रों का संदर्भ दे। साथ ही प्रस्तावित पत्र में उन सभी कमियों का भी उल्लेख किया जावे जिसकी पूर्ति यूनिट द्वारा की जानी है। साथ ही-
 - पत्र में यूनिट को यह भी स्पष्ट से निर्देशित किया जावे कि उनके द्वारा किस तारीख तक उक्त कमियों की पूर्ति कर अपना लिखित जवाब वांछित अभिलेख सहित मण्डल कार्यालय में प्रस्तुत करना है।
 - पत्र में यह भी स्पष्ट रूप से उल्लेख किया जावे कि यूनिट द्वारा लिखित जवाब प्रस्तुत नहीं करने/OBH के लिये उपस्थित नहीं होने की स्थिति में यूनिट के विरुद्ध Closure/Revocation of consent/EC लगाने व Prosecution आदि की कार्यवाही की जा सकेगी।
 - उक्त पत्र की प्रति संबंधित क्षेत्रीय अधिकारी को भी निश्चित रूप से दी जावे व यदि आवश्यक हो तो उन्हें भी निश्चित तिथि तक यूनिट का निरीक्षण कर कमिपूर्ति के संबंध में अपनी स्पष्ट बिन्दुवार रिपोर्ट निर्धारित तिथि तक प्रस्तुत करने के निर्देश दिये जावे।
 - OBH के पत्र की एक प्रति M.S./CEE को भी OBH के समय आवश्यक रूप से उपस्थित होने के लिये दी जावे।

- OBH के कम से कम दो दिवस पूर्व संबंधित शाखा प्रभारी OBH के संबंध में एक संक्षिप्त नोट बनाकर अद्योहस्ताक्षरकर्ता को पत्रावली सहित प्रस्तुत करेंगे।
- 4. जो Consent/Direction अद्योहस्ताक्षरकर्ता से अनुमोदित हो गये हैं उन्हें तत्काल जारी कर संबंधित को तामिल करवाने की व्यवस्था सुनिश्चित की जावे।
- 5. Consent के पुराने लम्बित प्रकरणों का भी तत्परता से निस्तारण किया जावे।
- 6. Consent/Revocation/SCN के प्रकरणों में सामान्यतया जारी किये जाने वाले पत्रों का ड्राफ्ट भी पत्रावली के साथ प्रस्तुत किया जायें।

विषय:-अवकाश पर तथा राजकीय यात्रा पर मुख्यालय छोड़ने के क्रम में।

उपरोक्त विषयान्तर्गत लेख है कि अद्योहस्ताक्षरकर्ता द्वारा यह महसूस किया गया है कि राजस्थान राज्य प्रदूषण मण्डल के विभिन्न अधिकारी/कर्मचारियों द्वारा अवकाश प्रार्थना-पत्र/दौरे की अनुमति के जो प्रार्थना पत्र प्रस्तुत किये जाते हैं, वे यात्रा/अवकाश की प्रस्तावित तिथि से एक दो दिन पूर्व ही प्रस्तुत किये जाते हैं। उक्त स्थिति स्वकार्य नहीं है। अतः सभी संबंधितों को निर्देशित किया जाता है कि:—

1. यदि उनके द्वारा किसी भी प्रकार के अवकाश का उपभोग किया जाना प्रस्तावित है तो अवकाश प्रार्थना पत्र अवकाश की प्रस्तावित तिथि से कम से कम 4 दिवस पूर्व नियंत्रक अधिकारी के माध्यम से अद्योहस्ताक्षरकर्ता को प्रस्तुत किये जाये।
2. इसी प्रकार मुख्यालय से बाहर दौरे के संबंध में अनुमति हेतु जो नोट प्रस्तुत किये जाते हैं वे भी दौरे की प्रस्तावित तिथि से कम से कम 4 कार्य दिवस पूर्व अपने नियंत्रक अधिकारी के माध्यम से प्रस्तुत किये जावे।
3. उपार्जित अवकाश (पी.एल.) प्रार्थना पत्र प्रस्तावित तिथि से कम से कम 10 कार्य दिवसों पूर्व अपने नियंत्रक अधिकारी के माध्यम से अद्योहस्ताक्षरकर्ता को प्रस्तुत किये जावे। ऐसे प्रकरणों में नियंत्रक अधिकारी यह भी प्रस्तावित करेंगे कि उपार्जित अवकाश के दौरान उक्त अधिकारी का कार्य कौन देखेगा।

सभी अधिकारी व कर्मचारी उक्त निर्देशों की कड़ाई से पालना करेंगे तथा अद्योहस्ताक्षरकर्ता की अनुमति के बिना अवकाश/राजकीय यात्रा पर प्रस्थान नहीं करेंगे।

ध्यान रहें कि केवल अवकाश/यात्रा प्रार्थना पत्र प्रस्तुत करना ही पर्याप्त नहीं है, अपितु उसकी सक्षम स्वीकृति भी अनिवार्य है। अतः अवकाश/राजकीय यात्रा पर प्रस्थान तभी करेंगे जबकि उक्त आशय के प्रार्थना पत्र को अद्योहस्ताक्षरकर्ता द्वारा अनुमोदित कर दिया गया है।

उक्त निर्देशों की अवहेलना करने वाला के विरुद्ध नियमानुसार कठोर अनुशासनात्मक कार्यवाही की जावेगी।

विषय:-मण्डल द्वारा जारी किये जाने वाले विभिन्न पत्र, आदेश, परिपत्र व स्वीकृतियां आदि के संबंध में।

उपरोक्त विषयान्तर्गत यह देखा गया है कि मण्डल द्वारा जारी किये जाने वाले लगभग सभी पत्र, परिपत्र, स्वीकृतियाँ व आदेश आदि अंग्रेजी भाषा में जारी किये जाते हैं। राजस्थान जैसे हिन्दी भाषी राज्य के लिए यह स्थिति अच्छी नहीं कहीं जा सकती है। अतः निर्देश दिये जाते हैं कि मण्डल द्वारा जारी किये जाने वाले पत्र, आदेश, परिपत्र व स्वीकृतियाँ सामान्यतया हिन्दी भाषा में ही जारी किये जावें (केवल केन्द्र सरकार व केन्द्रीय प्रदूषण नियंत्रण मण्डल को जारी किये जाने वाले पत्रों के अलावा)। जहाँ कोई तकनीकी शब्दों या भाषा का या केन्द्रीय सरकार, एन.जी.टी., केन्द्रीय प्रदूषण नियंत्रण मण्डल द्वारा जारी कोई Specific निर्देश उल्लेखित किये जाने है, तो उन्हें अंग्रेजी भाषा में उल्लेखित किया जा सकता है।

सभी संबंधित उक्त निर्देशों की कड़ाई से पालना करना सुनिश्चित करेंगे।

विषय:- न्यायिक प्रकरणों के संबंध में।

उपरोक्त विषयान्तर्गत अद्योहस्ताक्षरकर्ता के सम्मुख अनेक न्यायिक प्रकरण निर्णयार्थ, ओआईसी नियुक्त करने, पालना एवं अपील आदि करने के लिए प्रस्तुत होते हैं। उपरोक्त प्रकरणों से संबंधित कुछ भी जानकारी नोटशीट पर नहीं होती हैं। अतः किसी भी प्रकार के न्यायिक प्रकरण को नोटशीट पर प्रस्तुत करते समय नोटशीट पर निम्न तथ्य आवश्यक रूप से प्रस्तुत किये जायें:—

1. प्रकरण किस न्यायालय में चल रहा है?
2. प्रकरण में कौन पक्षकार है?
3. प्रकरण का प्रदूषण नियंत्रण मण्डल से क्या संबंध है?
4. यदि प्रदूषण नियंत्रण मण्डल के खिलाफ संबंधित न्यायालय में अपील दायर की गई है या केस दायर किया गया है, तो नोटशीट पर यह स्पष्ट किया जावे कि केस/अपील किस निर्णय/आदेश के विरुद्ध दायर की गई है? साथ ही प्रदूषण नियंत्रण मण्डल से क्या राहत चाही गई है?
5. यदि किसी सक्षम न्यायालय द्वारा कोई निर्णय पारित किया गया है तो इस संबंध में निम्न तथ्य नोटशीट पर स्पष्ट रूप से प्रस्तुत किया जाये:-
 - (a) क्या प्रकरण में प्रदूषण नियंत्रण मण्डल/राज्य सरकार पक्षकार थे?
 - (b) यदि प्रदूषण नियंत्रण मण्डल पक्षकार था तो निर्णय मण्डल के किस निर्णय/आदेश के विरुद्ध पारित किया गया है?
 - (c) प्रकरण में मण्डल से क्या राहत चाही गई थी?
 - (d) न्यायिक आदेश में प्रदूषण नियंत्रण मण्डल/राज्य सरकार को क्या specific आदेश/निर्देश दिये गये हैं?
 - (e) उक्त आदेशों की पालना किसके द्वारा की जानी है?
 - (f) आदेश की अपील क्यों नहीं की जा सकती है?
 - (g) यदि आदेश की पालना की जाती है तो प्रदूषण नियंत्रण मण्डल पर इसके क्या नीतिगत/आर्थिक प्रभाव होंगे?
 - (h) प्रकरण में आगामी तारीख पेशी कब है?

6. यदि प्रकरण न्यायालय में अभी भी विचाराधीन है तो यह स्पष्ट किया जावे कि पिछली तारीख पेशी कब थी व उसमें क्या निर्णय/ आदेश हुआ? अब आगामी तारीख पेशी कब हैं व किस प्रयोजनार्थ है? प्रकारण में हमारी तरफ से क्या जवाब दिया गया था।

सभी संबंधित उक्त निर्देशों की कड़ाई से पालना करना सुनिश्चित करेंगे।

विषय:-OBH के दौरान लिये गये निर्णयों को संबंधित पत्रावलियों में नोटशीट पर प्रोसेस करने के संबंध में।

यह देखा गया है कि परियोजना प्रस्तावकों की OBH के दौरान लिये गये निर्णयों के संबंधित बिन्दुओं को पत्रावलियों की नोटशीट पर प्रोसेस नहीं किया जाता है। अपितु, शाखा प्रभारियों द्वारा अपने स्तर से ही परियोजना प्रस्तावक को निर्देशित कर दिया जाता है। अतः सभी संबंधित शाखा प्रभारियों/अधिकारियों को निर्देशित किया जाता है कि OBH के दौरान लिये गये निर्णयों को संबंधित पत्रावली की नोटशीट पर प्रोसेस कर प्रस्तावित कार्यवाही सहित अद्योहस्ताक्षरकर्ता को प्रस्तुत करना सुनिश्चित करेंगे। परियोजना प्रस्तावक को OBH के दौरान लिये गये निर्णयों के संबंध में नोटिस/पत्र अद्योहस्ताक्षरकर्ता से अनुमोदन के पश्चात् ही जारी किये जायेंगे।

सभी संबंधित उक्त निर्देशों की कड़ाई से पालना करना सुनिश्चित करेंगे।

यू.ओ. नोट

विषय:- केन्द्रीय प्रयोगशाला तथा क्षेत्रीय कार्यालयों में कार्यरत प्रयोगशालाओं में जल/वायु के नमूनों के विश्लेषण में विलम्ब के संबंध में।

प्रायः यह देखा गया है कि मण्डल की केन्द्रीय प्रयोगशाला तथा क्षेत्रीय कार्यालयों में स्थित प्रयोगशालाओं में जल व वायु अधिनियमों के प्रावधानों के अन्तर्गत एकत्रित नमूनों का विश्लेषण निर्धारित समयावधि में नहीं किया जाता है तथा नमूने लम्बे समय तक विश्लेषण हेतु प्रयोगशालाओं में लम्बित रखे जाते हैं, जिससे उनके विश्लेषण परिणाम भी प्रभावित हो सकते हैं। उक्त प्रकरण की गम्भीरता को दृष्टिगत रखते हुये निर्देशित किया जाता है कि सभी प्रयोगशाला प्रभारी मण्डल प्रयोगशालाओं में विश्लेषण हेतु लम्बित नमूनों की सूचना निम्न प्रपत्र में दिनांक 27.12.2019 तक अद्योहस्ताक्षरकर्ता को प्रस्तुत करना सुनिश्चित करेंगे:—

क्र. सं.	प्रयोगशाला	प्रयोगशाला प्रभारी का नाम	दिनांक 01.01.2019 से 22.12.2019 तक एकत्रित जल नमूनों की संख्या	दिनांक 01.01.2019 से 22.12.2019 तक एकत्रित वायु नमूनों की संख्या	दिनांक 22.12.2019 तक लम्बित नमूनों की संख्या	
					जल	वायु

यह भी निर्देशित किया जाता है कि सभी प्रयोगशाला प्रभारी जल/वायु के नमूनों के एकत्रिकरण के पश्चात् अधिकतम दस कार्य दिवसों में विश्लेषण कर विश्लेषण रिपोर्ट जारी किया जाना सुनिश्चित करेंगे तथा मुख्य वैज्ञानिक अधिकारी केन्द्रीय प्रयोगशाला तथा सभी क्षेत्रीय प्रयोगशालाओं में लम्बित नमूनों की समेकित प्रगति रिपोर्ट प्रति माह 5 तारीख से पूर्व अद्योहस्ताक्षरकर्ता को प्रस्तुत करना सुनिश्चित करेंगे।

यू.ओ. नोट

विषय:-उद्योग/परियोजना/होटल/हॉस्पिटल से संबंधित पत्रावलियों के नामकरण अंकित करने के संबंध में।

प्रायः यह देखा गया है कि उद्योग/परियोजना/होटल/हॉस्पिटल से संबंधित पत्रावलियों पर संक्षेप में केवल प्रमोटर/ग्रुप का नाम अंकित किया जाता है, जिसमें परियोजना के संबंध में स्पष्ट जानकारी का अभाव होता है। अतः सभी शाखा प्रभारियों को निर्देशित किया जाता है कि सभी पत्रावलियों पर उद्योग का नाम, कम्पनी/प्रमोटर का नाम, व्यावसायिक नाम, पता तथा उद्योग के उत्पादन के संबंध में सूचनाओं का स्पष्ट रूप से अंकन किया जाना सुनिश्चित करें। जिससे पत्रावली के मुख्य पृष्ठ पर ही उद्योग से संबंधित महत्वपूर्ण समस्त जानकारी स्पष्ट हो सके।

सभी संबंधित उक्त निर्देशों की कड़ाई से पालना करना सुनिश्चित करेंगे।

विषय:-अवकाश पर तथा राजकीय यात्रा पर मुख्यालय छोड़ने के क्रम में।

पूर्व में जारी आदेश संख्या अ.प्र.नि./रा.रा.प्र.नि.मं./2019/322-349 दिनांक 25.11.2019 की निरन्तरता में निर्देशित किया जाता है कि:—

1. शाखा प्रभारी एवं क्षेत्रीय अधिकारियों के आकस्मिक अवकाश, उपाजित अवकाश, मुख्यालय से बाहर दौरे की अनुमति से संबंधित प्रकरण अद्योहस्ताक्षरकर्ता को प्रस्तुत किये जायेंगे।
2. मुख्यालय में कार्यरत शाखा प्रभारियों के अधीनस्थ अधिकारियों/कर्मचारियों के 5 दिवस से अधिक उपाजित अवकाश के प्रार्थना पत्र अद्योहस्ताक्षरकर्ता को प्रस्तुत किये जायेंगे।
3. शाखा प्रभारियों के अधीनस्थ अधिकारियों/कर्मचारियों के आकस्मिक अवकाश, उपाजित अवकाश (5 दिवस से कम) एवं मुख्यालय छोड़ने से संबंधित प्रकरण नियंत्रक अधिकारी की अनुशंसा पर सदस्य सचिव के स्तर पर ही स्वीकृत किये जायेंगे।
4. क्षेत्रीय अधिकारियों के अधीनस्थ अधिकारियों/कर्मचारियों के आकस्मिक अवकाश, उपाजित अवकाश (5 दिवस से कम) एवं मुख्यालय छोड़ने से संबंधित प्रकरण क्षेत्रीय अधिकारी के स्तर पर ही स्वीकृत किये जायेंगे, तथापि 5 दिवस से अधिक उपाजित अवकाश के प्रार्थना पत्र क्षेत्रीय अधिकारी द्वारा टिप्पणी कर अद्योहस्ताक्षरकर्ता को स्वीकृति हेतु प्रस्तुत किये जायेगे।
शेष निर्देश यथावत रहेंगे।

विषय:-विभिन्न प्रकरणों/पत्रावलियों को समय पर प्रस्तुत करने के संबंध में।

उपरोक्त विषयान्तर्गत लेख है कि अद्योहस्ताक्षरकर्ता द्वारा यह महसूस किया गया है कि विभिन्न प्रकरणों/पत्रावलियों/PUCs को अद्योहस्ताक्षरकर्ता को प्रस्तुतीकरण में विभिन्न स्तर पर अत्यधिक समय लिया जाता है। PUCs/संबंधित पत्रावलियों पर अद्योहस्ताक्षरकर्ता द्वारा समय सीमा दिये जाने के बावजूद प्रकरण नीचे के स्तर पर लौटा फेरी में ही चलते रहते हैं। उक्त स्थिति नितान्त अस्वीकार्य है।

अतः सभी संबंधितों को पुनः निर्देशित किया जाता है कि संबंधित PUCs/पत्रावलियों को निर्धारित समय सीमा में अद्योहस्ताक्षरकर्ता को प्रस्तुत किया जाना सुनिश्चित करें व अनावश्यक लौटा फेरी से बचे। यदि संबंधित पत्रावलियाँ समय पर अद्योहस्ताक्षरकर्ता को प्रस्तुत नहीं की तो मजबूरन अद्योहस्ताक्षरकर्ता को पत्रावलियाँ को Call कर सीधे अपने स्तर पर ही वांछित निर्देश जारी करने पड़ेंगे, जिसके लिये संबंधित अधिकारी स्वयं जिम्मेदार होंगे।

विषय:-मण्डल में गठित विभिन्न कमेटियों की रिपोर्ट के संबंध में।

उपरोक्त विषयान्तर्गत लेख है कि मण्डल में समय-समय पर विभिन्न प्रकरणों में सुझाव/रिपोर्ट देने के लिये विभिन्न कमेटियों का गठन किया जाता है। उक्त कमेटियों की कार्य प्रणाली के संबंध में निम्न निर्देश दिये जाते हैं:—

1. प्रत्येक प्रकरण की कमेटी की रिपोर्ट कमेटी अध्यक्ष/समन्वयक द्वारा यू.ओ. नोट के माध्यम से सीधे अद्योहस्ताक्षरकर्ता को प्रस्तुत की जाये। अद्योहस्ताक्षरकर्ता के निर्देशानुसार ही रिपोर्ट को संबंधित पत्रावली पर संबंधित ग्रुप इन्चार्ज द्वारा आगामी कार्यवाही हेतु प्रोसेस (Process) किया जाये।
2. कमेटी की रिपोर्ट किसी को भी पृष्ठांकित कर Minutes के रूप में जारी नहीं की जाये।
3. कमेटी की रिपोर्ट निर्धारित समय अवधि में प्रस्तुत की जाये।
4. अद्योहस्ताक्षरकर्ता के पत्रावली पर अनुमोदन उपरान्त यदि आवश्यक हो तो वांछित निर्देश/परिपत्र/पत्र आदि नीतिगत निर्णय वाली पत्रावली से जारी किये जायें।

उक्त निर्देशों के उल्लंघन को गम्भीरता से लिया जायेगा।

यू.ओ. नोट

विषय:-क्षेत्रीय कार्यालय से प्राप्त निरीक्षण प्रतिवेदनों को प्रस्तुत करने में विलम्ब बाबत।

प्रायः यह देखा गया है कि क्षेत्रीय कार्यालयों से प्राप्त निरीक्षण प्रतिवेदन, closure directions की अनुशंसा व अन्य महत्वपूर्ण प्रकरण मुख्यालय की शाखाओं में लम्बे समय तक प्रोसेस नहीं किये जाते हैं, जिससे जल, वायु व पर्यावरण (संरक्षण) अधिनियमों का उल्लंघन करने वाले उद्योगों पर नियमानुसार त्वरित कार्यवाही समय सीमा में नहीं हो पाती है, जो कि एक गम्भीर विषय है।

अतः सभी संबंधित शाखा प्रभारियों/अधिकारियों को निर्देशित किया जाता है कि क्षेत्रीय कार्यालयों से प्राप्त निरीक्षण प्रतिवेदन, closure directions की अनुशंसा व अन्य महत्वपूर्ण प्रकरण मुख्यालय में प्राप्त के अधिकतम 10 कार्यदिवसों में प्रस्तुत करना सुनिश्चित करें। महत्वपूर्ण प्रकरणों को निर्धारित समय सीमा में प्रस्तुत नहीं करने पर संबंधित शाखा प्रभारी व संबंधित अधीनस्थ अधिकारी/कर्मचारी उत्तरदायी होंगे।

इसके अतिरिक्त, क्षेत्रीय अधिकारियों को भी निर्देशित किया जाता है कि निरीक्षण के दौरान नियमों का उल्लंघन पाये जाने पर निरीक्षण प्रतिवेदन सम्पूर्ण वांछित सूचनाओं/फोटोग्राफ्स व प्रस्तावित कार्यवाही के औचित्य सहित अविलम्ब मुख्यालय को प्रस्तुत करें तथा प्रकरण में निर्धारित समय सीमा में कार्यवाही न होने पर संबंधित शाखा से follow up करना भी सुनिश्चित करें।

सभी संबंधित उक्त निर्देशों की कड़ाई से पालना करना सुनिश्चित करें।

विषय:-मुख्यालय को प्राप्त शिकायतों व Public Grievances के क्रम में।

उपरोक्त विषयान्तर्गत अद्योहस्ताक्षरकर्ता द्वारा यह महसूस किया गया है कि मण्डल मुख्यालय को विभिन्न माध्यमों से प्राप्त होने वाले जन अभाव अभियोगों/शिकायतों को एक ही पत्रावली पर Deal किया जाता है। उक्त प्रक्रिया उचित नहीं है। इस संबंध में निम्नानुसार प्रक्रिया की पालना की जाये:—

1. शिकायत VTR Cell के मार्क की जाये।
2. इस शाखा द्वारा प्राप्त शिकायत तत्काल संबंधित क्षेत्रीय कार्यालय को नियमानुसार निरीक्षण, परीक्षण व अन्य कार्यवाही करने हेतु प्रेषित की जाये व प्रति संबंधित गुप इन्चार्ज को पृष्ठांकित की जाये।
3. संबंधित क्षेत्रीय कार्यालय द्वारा अधिकतम 15 दिवस में मौका निरीक्षण (यदि आवश्यक हो) कराकर प्रस्तावित कार्यवाही व इसके औचित्य सहित रिपोर्ट संबंधित गुप इन्चार्ज को भेजी जाये व उसका पृष्ठांकन VTR Cell को भी किया जाये।
4. यदि क्षेत्रीय कार्यालय से प्राप्त रिपोर्ट में संबंधित P.P. द्वारा कोई अनियमिततायें/संबंधित किसी भी प्रावधान का उल्लंघन किया जाना दर्शाया गया है तो संबंधित शाखा द्वारा ऐसे प्रत्येक प्रकरण के लिए पृथक पत्रावली खोलकर कार्यवाही प्रारम्भ की जाये।
5. संबंधित अनुभाग द्वारा यह भी परीक्षण किया जाये कि क्या संबंधित P.P. की किसी प्रकार की Consent/Authorization application प्रक्रियाधीन है, कोई closure direction दिये हुये हैं या अन्य कोई कार्यवाही प्रक्रियाधीन है?
6. इसके पश्चात् समग्र परिपेक्ष्य में ही शाखा द्वारा प्रकरण का परीक्षण कर कार्यवाही प्रस्तावित की जाय व की गई कार्यवाही की सूचना समय-समय VTR Cell पर को भी दी जाये।

सभी संबंधित अधिकारीगण उक्त निर्देशों का सख्ती से पालना करेंगे।

यू.ओ. नोट

विषय:- मुख्यालय तथा क्षेत्रीय कार्यालयों में चार माह से अधिक समय से लम्बित सम्मति आवेदनों के त्वरित निस्तारण बाबत ।

मुख्यालय व क्षेत्रीय कार्यालय स्तर पर दिनांक 27.1.2020 को कुल लम्बित 6100 सम्मति आवेदनों में से 4148 आवेदन (68 प्रतिशत) 4 माह की निर्धारित निस्तारण समय सीमा को पार कर चुके हैं जो कि चिन्ता का विषय है। राज्य मण्डल में सम्मति आवेदनों को निस्तारण हेतु 120 दिन निर्धारित समय सीमा है परन्तु खेद का विषय है कि शाखा प्रभारियों व क्षेत्रीय अधिकारियों द्वारा इसकी पालना नहीं की जा रही है।

अतः सभी संबंधित शाखा प्रभारियों व क्षेत्रीय अधिकारियों को निर्देशित किया जाता है कि सम्मति व प्राधिकार आवेदनों का निर्धारित समय सीमा में निस्तारण करा सुनिश्चित करें तथा 4 माह से अधिक समय से लम्बित आवेदनों का 15 दिवस में निस्तारण कर पालना रिपोर्ट अद्योहस्ताक्षरकर्ता को प्रस्तुत करना सुनिश्चित करें। सम्मति व प्राधिकारी आवेदनों का निर्धारित समय सीमा में निस्तारण नहीं करने पर संबंधित प्रभारी व क्षेत्रीय अधिकारी उत्तरदायी होंगे।

सभी संबंधित उक्त निर्देशों की कड़ाई से पालना करना सुनिश्चित करें।

संलग्न: लम्बित आवेदनों का विवरण।

परिपत्र

विषय:-विधानसभा से संबंधित पत्रावलियों/प्रकरणों के अनुमोदन व अन्य बिन्दुओं के संबंध में।

1. यह देखा गया है कि मण्डल में विधानसभा से संबंधित प्रकरण यथा ध्यानाकर्षण/स्थगन प्रस्ताव/अतारांकित/तारांकित प्रश्न सामान्य प्रक्रिया के तहत ही अनुमोदन हेतु अद्योहस्ताक्षरकर्ता को प्रस्तुत किये जा रहे हैं, जो कि उचित नहीं है। इससे विधानसभा प्रश्नों आदि का उत्तर समय पर प्रशासनिक विभाग को नहीं जा पा रहा है। अतः सभी संबंधितों को निर्देशित किया जाता है कि विधानसभा से संबंधित प्रकरण/पत्रावलियाँ व्यक्तिशः संबंधित/अद्योहस्ताक्षरकर्ता से अनुमोदित करवाकर राज्य सरकार में संबंधित अधिकारी को समय पर प्रस्तुत करना सुनिश्चित करावें।
2. विधानसभा सत्र के दौरान कोई भी अधिकारी व कर्मचारी सक्षम अधिकारी से स्पष्ट अनुमति प्राप्त किये बिना न तो मुख्यालय छोड़ेगा तथा न ही किसी प्रकार के अवकाश का उपभोग करेगा।
3. सक्षम अधिकारियों को भी निर्देशित किया जाता है कि वे अपने अधीनस्थों को अतिआवश्यक होने पर ही मुख्यालय छोड़ने/अवकाश पर रहने की अनुमति प्रदान करें व वैकल्पिक व्यवस्था करें।
4. जब भी मण्डल से संबंधित कोई भी तारांकित प्रश्न, स्थगन/ध्यानाकर्षण प्रस्ताव इत्यादि विधानसभा में सूचीबद्ध हो तो सदस्य सचिव व मुख्य पर्यावरण अभियन्ता संबंधित अधिकारियों के साथ विधानसभा में उपस्थित होना सुनिश्चित करेंगे व आवश्यकता पडने पर प्रमुख शासन सचिव/शासन सचिव/माननीय मंत्री से भी विचार-विमर्श हेतु जायेंगे।
5. तारांकित प्रश्नों के जवाब के साथ यथेष्ट पूरक सामग्री भी समय रहते संकलित कर राज्य सरकार को प्रस्तुत की जाये।
उक्त आदेशों की कड़ाई से पालना की जावें।

यू.ओ. नोट

विषय:-प्रदूषण नियंत्रण मण्डल द्वारा करवाये जा रहे विभिन्न (Study) अध्ययनों के क्रम में

उक्त विषयान्तर्गत अद्योहस्ताक्षरकर्ता के ध्यान में आया है कि मण्डल में कतिपय विषयों पर समय-समय पर बाह्य संस्थान से (Study) अध्ययन करवाया जाता है। उक्त अध्ययनों पर मण्डल का काफी पैसा व्यय होता है। परन्तु प्रथमतया तो समय पर उक्त अध्ययन रिपोर्ट प्राप्त ही नहीं होती हैं और यदि रिपोर्ट प्राप्त भी हो जाती हैं तो उन पर कोई प्रभावी कार्यवाही नहीं होती है जो कि मण्डल के पैसे की अपव्यय की श्रेणी में आता है।

उक्त परिपेक्ष्य में 1 जनवरी, 2014 से अब तक मण्डल द्वारा करवाये गये विभिन्न अध्ययनों के संबंध में गुप वाइज सूचनायें निम्न प्रपत्र में दिनांक 05.03.2020 तक प्रस्तुत करना सुनिश्चित करें:—

गुप का नाम:

क्र.सं.	अध्ययन की विषय वस्तु	कार्यदिश का दिनांक	कार्यदिश की राशि	अध्ययन कर्त्ता संस्था का नाम	रिपोर्ट कब तक प्राप्त होनी थी?	रिपोर्ट वास्तव में कब प्राप्त हुई?	रिपोर्ट यदि प्राप्त नहीं हुई तो कारण	अब तक भुगतान की गई राशि	प्राप्त रिपोर्ट पर क्या कार्यवाही हुई	रिपोर्ट पर कार्यवाही नहीं हुई तो क्यों नहीं	अन्तिम रिपोर्ट कब तक प्राप्त होना संभावित

परिपत्र

विषय:- मण्डल द्वारा इकाईयों के सम्मति आवेदन निरस्त (Refuse/Revoke) करने के पश्चात् इकाईयों पर कार्यवाही नहीं किये जाने के संबंध में।

अद्योहस्ताक्षरकर्ता द्वारा महसूस किया गया है कि मण्डल की विभिन्न शाखाओं में तथा क्षेत्रीय कार्यालय स्तर पर इकाईयों के सम्मति आवेदन Refuse/Revoke करने के पश्चात् भी कतिपय इकाईयाँ संचालित रहती हैं जो कि विभिन्न अधिनियमों/नियमों/प्रावधानों का उल्लंघन है। यह भी देखा गया है कि सम्मति आवेदन Refuse/Revoke करने के पश्चात् कई-कई वर्षों तक संबंधित पत्रावलियाँ द्वारा प्रभारियों/क्षेत्रीय अधिकारियों के द्वारा Process ही नहीं की जाती है तथा इकाई बिना सम्मति लिये एवं अपूर्ण प्रदूषण नियंत्रण वयवस्था के ही संचालित होती रहती है। उक्त स्थिति अत्यन्त गम्भीर है।

अतः निर्देशित किया जाता है कि:—

1. इकाईयों के सम्मति आवेदन Refuse/Revoke होने के साथ ही संबंधित इकाई को बन्द करने हेतु कारण बताओ नोटिस भी संबंधित शाखा प्रभारी/क्षेत्रीय अधिकारी सक्षम अधिकारी से जारी कराना सुनिश्चित करेंगे। कारण बताओ नोटिस के पश्चात् इकाई का सम्मति आवेदन मय प्रत्युत्तर प्राप्त नहीं होने की स्थिति में इकाई को बन्द करने की कार्यवाही करने हेतु पत्रावली तत्काल प्रस्तुत की जावे।
2. इकाईयों के सम्मति आवेदन Refuse/Revoke करने के पश्चात् भी यदि इकाई संचालित रहती है तो इस उल्लंघन हेतु इकाई के साथ संबंधित शाखा प्रभारी व क्षेत्रीय अधिकारी भी उत्तरदायी होंगे।
3. यह भी देखा गया है कि शाखा प्रभारियों एवं क्षेत्रीय अधिकारियों द्वारा संबंधित पत्रावलियों पर तथा निरीक्षण रिपोर्ट में इकाई के संचालित अथवा बन्द होने की स्थिति भी स्पष्ट नहीं की जाती है। अतः निर्देशित किया जाता है कि प्रत्येक पत्रावली व निरीक्षण रिपोर्ट में इसका स्पष्ट रूप से उल्लेख किया जाये कि इकाई संचालित है अथवा बन्द व केवल उतना ही उत्पादन कर रही है, जितनी कि उसने CTE/CTO ले रखी है व इकाई के विरुद्ध न तो Closure Directions जारी हो रखे हैं व न ही उसकी Consent application Refuse/Revoke हुई है।
4. उक्त परिप्रेक्ष्य में सभी शाखा प्रभारी व क्षेत्रीय अधिकारी ऐसे प्रकरणों की सूचनायें निम्न प्रपत्र में दिनांक 20.03.2020 तक अद्योहस्ताक्षरकर्ता को संबंधित पत्रावली पर प्रस्तुत करना सुनिश्चित करें:—

ग्रुप/क्षेत्रीय कार्यालय का नाम

क्र.सं.	इकाई का नाम व पूर्ण विवरण	सम्मति आवेदन Refuse/ Revoke करने की दिनांक	सम्मति Refuse/ Revoke के पश्चात् दिये गये नोटिस की दिनांक	नोटिस के पश्चात् की गयी कार्यवाही का विवरण	मण्डल द्वारा जारी इकाई बन्द करने के निर्देश (Closure Direction) की दिनांक	इकाई के वास्तविक रूप से बन्द होने की दिनांक (Date of Actual Closure)	सम्मति निरस्त करने के पश्चात् ईकाई द्वारा पुनः आवेदन प्रस्तुत करने का दिनांक	इकाई के नवीनतम निरीक्षण का दिनांक	इकाई की निरीक्षण के दौरान स्थिति (संचालित /बन्द)	यदि इकाई बिना सम्मति लिये संचालित है तो उसके कारण

सभी संबंधित उक्त निर्देशों की कड़ाई से पालना करना सुनिश्चित करें।

परिपत्र

विषय:- मण्डल द्वारा जारी OBH नोटिस, Closure Direction व अन्य महत्वपूर्ण नोटिसों की तामील (Service) सुनिश्चित करने के संबंध में।

प्रायः यह देखा गया है कि मण्डल द्वारा कतिपय इकाईयों को जारी OBH नोटिस, Closure Direction, show cause notices, deficiencies letters व अन्य महत्वपूर्ण नोटिसों की तामील (Service) समय पर सुनिश्चित नहीं की जाती है। जिसका लाभ लेकर नियमों का उल्लंघन करने वाली इकाईयां मण्डल को निर्धारित समय में पालना प्रस्तुत नहीं करती है। फलस्वरूप विचाराधीन प्रकरणों में सक्षम स्तर पर निर्णय लेने में भी विलम्ब होता है जो कि नितान्त अस्वीकार्य है।

अतः निर्देशित किया जाता है कि:—

1. मण्डल द्वारा जारी OBH नोटिस, Closure Direction व अन्य महत्वपूर्ण नोटिस सक्षम स्तर से अनुमोदन के पश्चात् तत्काल जारी किये जावे। शाखा प्रभारी द्वारा जिस दिन नोटिस जारी किया जावे, उसी दिन उसकी प्रति संबंधित इकाई को, संबंधित क्षेत्रीय अधिकारी को व अन्य विभागों को ई-मेल/फैक्स के माध्यम से प्रेषित की जावें।
2. निर्धारित समय में तामील नहीं हो पाने की स्थिति में संबंधित शाखा प्रभारी एवं क्षेत्रीय अधिकारी ही उत्तरदायी होंगे। इस संबंध में लापरवाही पाये जाने पर संबंधित के विरुद्ध विभागीय कार्यवाही भी अमल में लायी जावेगी।
3. संबंधित क्षेत्रीय अधिकारी को स्पष्ट रूप से निर्देशित किया जावे कि नोटिस की तामील निर्धारित समय से पूर्व सुनिश्चित करें। यथा सम्भव नोटिस इकाई के अधिकृत प्रतिनिधि को ही सुपुर्द किया जावे तथा प्रतिनिधि के मोबाईल नम्बर, पद, नाम, सील इत्यादि का अंकन भी प्राप्ति पर लेना सुनिश्चित किया जावे।

सभी संबंधित उक्त निर्देशों की कड़ाई से पालना करना सुनिश्चित करें।

परिपत्र

विषय:- मण्डल द्वारा उद्योगों को जारी Closure Directions की समयबद्ध पालना सुनिश्चित करने के संबंध में।

सन्दर्भ:- यू.ओ. नोट क्रमांक 241-245 दिनांक 05.11.2019

मण्डल मुख्यालय द्वारा जल अधिनियम, वायु अधिनियम व पर्यावरण (संरक्षण) अधिनियम के अन्तर्गत कतिपय इकाइयों को बन्द करने के निर्देश (Closure Directions) जारी किये जाते हैं। पर्यावरण नियमों का लगातार उल्लंघन करने वाली इकाइयों पर ही अन्तिम विकल्प के रूप में उक्त कार्यवाही की जाती है यह खेद का विषय है कि Closure Directions जारी होने के पश्चात् संबंधित क्षेत्रीय अधिकारियों द्वारा संबंधित इकाई को तत्काल बन्द करने की कार्यवाही के स्थान पर विद्युत आपूर्ति विच्छेद होने की प्रतीक्षा की जाती है। फलस्वरूप गम्भीर प्रकरणों में भी मण्डल के निर्देश अप्रभावी रहते हैं व उल्लंघनकर्ता इकाइयों Closure Directions की अवहेलना में संचालित रहकर पर्यावरण को निरन्तर क्षति पहुँचाती रहती हैं। इस संबंध में उक्त संदर्भित यू.ओ. नोट द्वारा भी विभिन्न निर्देश दिये गये थे, जिसकी निरन्तरता में ही निर्देशित किया जाता है कि:-

1. मण्डल द्वारा जारी Closure Directions की अविलम्ब पालना सुनिश्चित करना संबंधित क्षेत्रीय अधिकारी का ही दायित्व है। Closure Directions की समयबद्ध पालना सुनिश्चित नहीं किये जाने पर संबंधित क्षेत्रीय अधिकारी पर विभागीय कार्यवाही अमल में लायी जावेगी।
2. प्रायः देखा गया है कि Closure Directions जारी होने के पश्चात् शाखा प्रभारियों एवं क्षेत्रीय अधिकारियों द्वारा उल्लंघन करने वाली इकाइयों के सम्मति आवेदनों को Process किया जाता है परन्तु पत्रावली पर तथा निरीक्षण रिपोर्ट में Closure Directions की पालना के संबंध में टिप्पणी नहीं की जाती है। उक्त स्थिति अस्वीकार्य है। अतः सभी शाखा प्रभारियों व क्षेत्रीय अधिकारियों को निर्देशित किया जाता है कि ऐसे प्रकरणों में सर्वप्रथम यह सुनिश्चित किया जाये कि राज्य मण्डल द्वारा जारी Closure Directions की पालना कर ली गई है अथवा नहीं। यदि संबंधित इकाई Closure Directions की अवहेलना कर संचालित है तो उसे बन्द कराने के उपरान्त ही सम्मति संबंधी पत्रावली Process की जावे।
3. मण्डल मुख्यालय द्वारा Closure Directions जारी करने के पश्चात् संबंधित शाखा प्रभारी द्वारा इसकी सूचना संबंधित इकाई, संबंधित क्षेत्रीय अधिकारी एवं विद्युत/जल आपूर्ति करने वाले विभाग को ई-मेल द्वारा तत्काल भेजी जाये। तत्पश्चात् संबंधित क्षेत्रीय अधिकारी 7 दिवस में Closure Directions की पालना सुनिश्चित करा पालना रिपोर्ट मण्डल मुख्यालय को ई-मेल के माध्यम से प्रस्तुत करेंगे। पालना कराने/रिपोर्ट प्रस्तुत करने में विलम्ब होने पर संबंधित क्षेत्रीय अधिकारी उत्तरदायी होंगे।

4. क्षेत्रीय अधिकारी अपने स्तर पर ही Closure Directions की पालना सुनिश्चित करेंगे। Closure Directions की पालना सुनिश्चित करने के संबंध में किसी विभाग/स्थानीय प्रशासन से मदद लेने हेतु पत्राचार क्षेत्रीय अधिकारी के स्तर पर ही किया जावे।
5. समस्त शाखा प्रभारी एवं क्षेत्रीय अधिकारी आवश्यक रूप से प्रत्येक माह की 5 तारीख तक Closure Directions की पालना संबंधी सूचना, शाखा प्रभारी (पी.सी.वी.) को उपलब्ध करवायेंगे। शाखा प्रभारी (पी.सी.वी.) प्रत्येक माह की 10 तारीख तक Closure Directions की पालना का शाखावार व क्षेत्रीय कार्यालयवार समेकित विवरण अद्योहसताक्षरकर्ता को संलग्न प्रपत्र में प्रस्तुत करेंगे।
6. समस्त शाखाप्रभारी एवं क्षेत्रीय अधिकारी प्रारम्भ में दिनांक 01.01.2017 से आज दिनांक तक जारी Closure Directions की सूचना संलग्न प्रपत्र में प्रस्तुत करेंगे तथा प्रत्येक माह पुराने व नवीन Closure Directions की पालना की स्थिति का मासिक प्रगति प्रतिवेदन में उल्लेख करते रहेंगे।

सभी संबंधित अधिकारीगण उक्त निर्देश को कड़ाई से पालना करना सुनिश्चित करेंगे। निर्देशों का उल्लंघन करने वाले अधिकारियों के विरुद्ध नियमानुसार कार्यवाही की जावेगी।

विषय:- विभिन्न Consent Applications पर आवश्यक सूचनायें प्रस्तुत करने के संबंध में।

उपरोक्त विषयान्तर्गत अद्योहस्ताक्षरकर्ता द्वारा यह महसूस किया गया है कि मण्डल में विभिन्न प्रकार के सम्मति आवेदनों के संबंध में जो पत्रावलियां प्रस्तुत होती हैं, उनमें आवश्यक सूचनाओं का अभाव रहता है।

उपरोक्त स्थितियों में यह निर्देश दिये जाते हैं कि किसी भी इकाई पर किसी भी प्रकार का सम्मति आवेदन या अन्य कोई प्रकरण प्रस्तुत हो तो Note Sheet पर निम्न सूचनायें आवश्यक व स्पष्ट रूप से अंकित की जाये:—

1. क्या पूर्व में यूनिट को कोई Closure Direction जारी हो रखे है?
2. यदि हाँ, तो उसका विवरण, Closure Direction जारी करने के कारण, जारी होने की तिथि व पालना की स्थिति।
3. प्रस्तावित सम्मति आवेदन नई Consent के संबंध में है या पुरानी Consent के Renewal के संबंध में?
4. यूनिट वर्तमान में चालू है या नहीं?
5. पूर्व में क्या यूनिट का Consent to Operate Revoke हुआ है, यदि हाँ तो Revoke करने के कारण, Revoke होने की तिथि, कारण व Revoke order के पालना की स्थिति।
6. क्या यूनिट का किसी प्रकार का सम्मति आवेदन पूर्व में Refuse हुआ है, यदि हाँ, तो विवरण, Refuse Direction जारी करने के कारण, जारी होने की तिथि, पालना की स्थिति?
7. क्या यूनिट को पूर्व में किसी प्रकार का Show Cause Notice/Deficiency नोटिस दिया गया है? यदि हाँ तो Show Cause Notice/Deficiency का विवरण जारी करने के कारण, जारी होने की तिथि, पालना की स्थिति।
8. सभी क्षेत्रीय अधिकारी किसी भी यूनिट के संबंध में किसी भी प्रकार की रिपोर्ट भेजते समय अपनी रिपोर्ट में उक्त सभी बिन्दुओं का आवश्यक रूप से समावेश करेंगे।

निर्देशों के उल्लंघन को गंभीरता से लिया जावेगा।

सभी अधिकारी उक्त निर्देशों की पालना करेंगे।

क्रमांक : नि.स./अध्यक्ष/रा.प्र.नि.मं./2020/74

जयपुर, दिनांक : 05.05.2020

कार्यालय आदेश

विषय:-निविदा कमेटियों व अन्य कमेटियों की प्रक्रिया में विलम्ब के संबंध में।

सन्दर्भ:-अद्योहस्ताक्षरकर्ता की अ.शा. टिप्पणी क्रमांक: निस/अध्यक्ष/राप्रनिमं/2020/474 दिनांक 12.01.2020.

मण्डल में समय-समय पर विभिन्न सेवाओं, सामग्रियों, उपकरणों, जन शक्ति के क्रय/procurement के लिये निविदायें आमंत्रित की जाती हैं। निविदा प्रक्रिया को अन्तिम रूप देने के लिए विभिन्न प्रकार की कमेटियों का गठन किया जाता है जिनमें लेखा सेवा के व्यक्ति भी शामिल होते हैं।

अद्योहस्ताक्षरकर्ता द्वारा यह महसूस किया गया है कि इनमें से कतिपय कमेटियाँ सही तरीके से व समय पर कार्य नहीं कर रही हैं व निर्धारित तिथि तक निविदाओं को अन्तिम रूप दिये जाने हेतु प्रकरण सक्षम अधिकारी तक प्रस्तुत नहीं होते हैं व नीचे के स्तर पर ही सवाल-जवाब में अधिकांश समय जाया कर दिया जाता है। इस लापरवाही की वजह से कतिपय प्रकरणों में निविदाओं की वैधता तिथि lapse होने की स्थिति आ गई है जो कि अत्यन्त आपत्तिजनक है।

समय-समय पर यह भी निर्देश दिये गये हैं कि अद्योहस्ताक्षरकर्ता द्वारा जिन कमेटियों का गठन किया जाता है, उन कमेटियों की रिपोर्ट पहले सीधे अद्योहस्ताक्षरकर्ता को प्रस्तुत की जाये व अद्योहस्ताक्षरकर्ता द्वारा संबंधित ग्रुप इन्चार्ज को मार्क (Mark) करने के पश्चात् अन्तिम निर्णय हेतु पत्रावली through proper channel अद्योहस्ताक्षरकर्ता को प्रस्तुत की जाये। इन निर्देशों का भी अधिकांश प्रकरणों में उल्लंघन हो रहा है।

उपरोक्त परिस्थितियों में निर्देश दिये जाते हैं कि:—

1. अद्योहस्ताक्षरकर्ता के अनुमोदन से गठित प्रत्येक कमेटी की रिपोर्ट निर्धारित समय सीमा में अद्योहस्ताक्षरकर्ता को सीधे ही प्रस्तुत की जाय।
2. अद्योहस्ताक्षरकर्ता द्वारा कमेटी की रिपोर्ट पर दिये गये निर्देशानुसार संबंधित ग्रुप इन्चार्ज द्वारा पत्रावली पर प्रोसेस (Process) कर समय रहते अद्योहस्ताक्षरकर्ता को through proper channel अन्तिम निर्णय हेतु प्रस्तुत की जाये।
3. पत्रावली अद्योहस्ताक्षरकर्ता को प्रस्तुत करते समय किसी भी स्तर पर आपत्तियाँ लगाकर नीचे वापस नहीं लौटाई जाये। यदि किसी स्तर के अधिकारी के कोई Observations हो तो वे Observations Note Sheet पर अंकित कर पत्रावली अद्योहस्ताक्षरकर्ता को प्रस्तुत करेंगे।

4. कमेटी के सदस्य/संयोजक का यह भी उत्तरदायित्व होगा कि वह यह सुनिश्चित करें कि यदि प्रकरण निविदा प्रक्रिया से संबंधित है तो निविदा की वैद्यता तिथि से यथेष्ट समय पूर्व निर्णयार्थ अद्योहस्ताक्षरकर्ता को प्रसतुत की जाये।
5. यदि इस प्रक्रिया के दौरान निविदा की वैद्यता तिथि उत्पन्न होने की आशंका पैदा होती है तो समय रहते निविदा की वैद्यता तिथि बढ़ाने की कार्यवाही की जाये।

उक्त निर्देशों की सभी संबंधित द्वारा कड़ाई से पालना की जाये।

विषय:-पत्रावलियों के उचित रूप से संधारण व प्रस्तुत करने के संबंध में।

सन्दर्भ:-इस कार्यालय के पत्र क्रमांक: निस/अध्यक्ष/राप्रनिमं/19/48-61 दिनांक 01.10.2019

उपरोक्त विषयान्तर्गत अद्योहस्ताक्षरकर्ता की उक्त संदर्भित अर्द्ध शासकीय टिप्पणी द्वारा पत्रावलियों के सही रूप से संधारण प्रस्तुतीकरण के संबंध में कतिपय निर्देश दिये गये थे। अद्योहस्ताक्षरकर्ता द्वारा यह देखा गया है कि उक्त निर्देशों की पालना कम व अवहेलना ज्यादा हो रही है।

- अद्योहस्ताक्षरकर्ता द्वारा यह भी महसूस किया गया है कि कतिपय पत्रावलियाँ व पीयूसी (PUCs) अद्योहस्ताक्षरकर्ता को प्रस्तुत होने से पूर्व सदस्य सचिव/ग्रुप इंचार्ज/अधिनस्थ अधिकारियों के मध्य महिनो-महिनों चलती रहती है व काफी समय गुजर जाने के बाद पत्रावली अद्योहस्ताक्षरकर्ता को अनुमोदनार्थ/निर्णयार्थ/FTL के अनुमोदन के लिये प्रस्तुत होती है। ऐसी अधिकांश पत्रावलियों में वरिष्ठ अधिकारियों की नोटिंग (Noting) देखने पर पता लगाना मुश्किल होता है कि:—

- (i) प्रकरण आखिर है क्या?
- (ii) प्रकरण किस पीयूसी (PUCs) पर चला है?
- (iii) प्रकरण में किसके द्वारा मण्डल से क्या अपेक्षित है व अद्योहस्ताक्षरकर्ता से किस बाबत अनुमोदन चाहा जा रहा है?

उक्त स्थिति नितान्त आपत्तिजनक है व अधिकांश प्रकरणों में निर्णय लेने में विलम्ब का कारण होती है। अतः उपरोक्त परिस्थितियों में सभी संबंधितों को निर्देश दिये जाते हैं कि उक्त संदर्भित अर्द्ध शासकीय टिप्पणी में दिये गये निर्देशों की कड़ाई से पालना करने के साथ ही पत्रावलियों के समय पर व सही तरीके से प्रस्तुतिकरण के संबंध में निर्देशों की पालना की जाये:—

1. प्रत्येक पीयूसी (PUCs)/पत्रावली अद्योहस्ताक्षरकर्ता द्वारा दी गई निर्धारित तिथि तक आवश्यक रूप से अद्योहस्ताक्षरकर्ता को प्रस्तुत की जाये:—
2. अद्योहस्ताक्षरकर्ता को प्रस्तुत होने वाली अन्तिम टिप्पणी में संबंधित पीयूसी (PUCs) की विस्तार से जानकारी अंकित की जाये कि (a) पत्र किसने, किसको लिखा है, (b) पत्र कितनी तारीख का है (c) पत्र मण्डल में कब प्राप्त हुआ है (d) पत्र के माध्यम से मण्डल से किसके द्वारा क्या अपेक्षा की गई है?
3. नियम-कानूनों के परिपेक्ष्य में मण्डल द्वारा क्या कार्यवाही की जानी प्रस्तावित है? (पत्रावली केवल एफ.टी.एल. (FTL) अनुमोदन हेतु प्रस्तुत नहीं की जाये।)

4. अद्योहस्ताक्षरकर्ता को वही प्रकरण/पत्रावली अनुमोदन हेतु प्रस्तुत की जाये जिनमें अद्योहस्ताक्षरकर्ता का अनुमोदन आवश्यक है।
5. पत्रावलियों पर नीचे के स्तर पर बार-बार Quarries नहीं की जाये। जो भी Quarries की जानी है, वे एक बार ही की जाये। दूसरी बार तो पत्रावली संबंधित अधिकार द्वारा Note Sheet पर अपनी टिप्पणी कर आगे बढ़ा दी जावे। यदि डी.एफ.ए. (DFA) में कोई संशोधन अपेक्षित है तो वे भी हाथ से कर दिये जावें व पत्रावली सक्षम स्तर पर प्रस्तुत कर दी जाय।

जयपुर, दिनांक : 14.05.2020

आदेश

विषय:-पत्रावलियों के उचित रूप से संधारण व प्रस्तुत करने के संबंध में।

सन्दर्भ:-आदेश क्रमांक: नि.स./अध्यक्ष/रा.प्र.नि.मं./2020/75 दिनांक 05.05.2020

उपरोक्त विषयान्तर्गत अद्योहस्ताक्षरकर्ता द्वारा उक्त संदर्भित आदेश द्वारा पत्रावलियों के उचित रूप से संधारण एवं प्रस्तुत करने के संबंध में विभिन्न निर्देश दिये गये थे।

अद्योहस्ताक्षरकर्ता द्वारा महसूस किया गया है कि कतिपय पत्रावलियों में शाखा प्रभारी/अधिकारीगण द्वारा नोटशीट पर अद्योहस्ताक्षरकर्ता द्वारा पूर्व में दिये गये निर्देशों की पालना निर्धारित समय में प्रस्तुत नहीं की जाती है या नये प्रकरण बीच में ही उसी नोटशीट पर शुरू कर दिये जाते हैं या पूर्व निर्देशों को Ignore कर वही प्रकरण नये रूप में प्रस्तुत किया जाता है। उक्त स्थिति नितान्त अस्वीकार्य है। अतः निर्देशित किया जाता है:-

- (i) सभी शाखा प्रभारी/अधिकारीगण यह सुनिश्चित करें कि अद्योहस्ताक्षरकर्ता द्वारा नोटशीट पर जो सूचनायें/जानकारी चाही गयी है अथवा जो निर्देश दिये गये हैं, उक्त निर्देशों की बिन्दुवार पालना वांछित सूचनायें नोटशीट पर निर्धारित समय में प्रस्तुत करना सुनिश्चित करते हुये ही नया प्रकरण पत्रावली की नोटशीट पर प्रस्तुत किया जाये।
- (ii) अद्योहस्ताक्षरकर्ता द्वारा नोटशीट पर दिये गये निर्देशों की अनदेखी कर पत्रावली पर वहीं प्रकरण या नये प्रकरण को प्रोसेस किये जाने की स्थिति को गम्भीरता से लिया जावेगा।

सभी संबंधित उक्त निर्देशों की कड़ाई से पालना सुनिश्चित करेंगे।

जयपुर, दिनांक : 03.06.2020

आदेश

विषय:- विभिन्न प्रकार के लम्बित प्रकरणों/पत्रावलियों को अद्योहस्ताक्षरकर्ता को प्रस्तुत करने के संबंध में।

सन्दर्भ:- 1. आदेश क्रमांक F.14(5-Adm)/RPCB/Plg./48-85 dated 01.05.2020.

2. आदेश क्रमांक F.14(5-Adm)/RPCB/Plg./4061-4094 dated 02.06.2020.

3. यू.ओ. नोट क्रमांक: निस/अध्यक्ष/राप्रनिमं/2020/473 दिनांक 12.01.2020

उपरोक्त विषयान्तर्गत अद्योहस्ताक्षरकर्ता द्वारा यह महसूस किया गया है कि मण्डल की जिन विभिन्न पत्रावलियों/प्रकरणों में अन्तिम निर्णय अद्योहस्ताक्षरकर्ता के स्तर से होना है, वे लम्बे समय तक या तो संबंधित अनुभागों में प्रक्रियाधीन रहते हैं या अद्योहस्ताक्षरकर्ता के पास आने तक सदस्य सचिव व अनुभाग के मध्य प्रक्रियाधीन रहते हैं, उक्त स्थिति अच्छी नहीं कही जा सकती है।

इस संबंध में पूर्व में भी अद्योहस्ताक्षरकर्ता द्वारा समय-समय पर लिखित निर्देश दिये गये हैं। इसी प्रकार पत्रावलियों/प्रकरण जिनका अन्तिम निर्णय अद्योहस्ताक्षरकर्ता से होना है, वे समय-समय पर अद्योहस्ताक्षरकर्ता को प्रस्तुत होती रहनी चाहिये।

अतः पुनः निर्देश दिये जाते हैं कि Lock Down, OBH, नीतिगत निर्णयों के अभाव में व सदस्य सचिव व मुख्य लेखाधिकारी आदि द्वारा किसी क्वेरी (Query) की वजह से यदि कोई पत्रावली/प्रकरण प्रक्रियाधीन है वे समस्त प्रकरण तथा चार माह से पुराने लम्बित सम्मति आवेदन पत्रों की सभी पत्रावलियाँ नियमानुसार कार्यवाही प्रस्तावित कर/वस्तु स्थिति सहित दिनांक 15.6.2020 तक आवश्यक रूप से अद्योहस्ताक्षरकर्ता को प्रस्तुत की जाये।

आदेश

विषय:- विभिन्न प्रकार की निविदाओं के संबंध में।

संदर्भ:- अद्योहस्ताक्षरकर्ता का अ.शा. टीप संख्या : नि.स. अध्यक्ष/राप्रनिमं/102-117 दिनांक 9.10.2019

उपरोक्त विषयान्तर्गत उक्त संदर्भित आदेश अ.शा. टीप संख्या : नि.स. अध्यक्ष/राप्रनिमं./102-117 दिनांक 9.10.2019 के क्रम में लेख है कि मण्डल में टेण्डर प्रक्रिया अभी भी सही तरीके से संचालित नहीं हो रही है व प्रत्येक टेण्डर में प्रक्रिया पूर्ण करने में अत्यधिक समय लगता है। अतः निर्देश दिये जाते हैं कि :-

1. वर्तमान में प्रभावी निविदाओं की अवधि समाप्त होने के कम से कम 3 माह पूर्व नई निविदा की प्रक्रिया प्रारम्भ कर दी जावे।
2. निविदा प्रक्रिया प्रारम्भ करने के लिये जो भी पत्रावली प्रस्तुत की जाये उसमें निविदा प्रक्रिया के लिए वांछित सभी चरणों (Stage) का उल्लेख किया जावे व साथ ही एक कलेण्डर (समय सारिणी) भी प्रस्तावित की जाये ताकि निविदाप्रक्रिया की सही मोनितरिंग की जा सके।
3. यदि निविदा प्रक्रिया पूर्ण करने के लिए कोई कमेटी इत्यादि बनानी है तो प्रारम्भिक अवस्था में ही कमेटी गठित करवा ली जावे।
4. निविदा प्रक्रिया में RTPP के प्रावधानों की पूर्ण पालना सुनिश्चित की जावे।

उक्त निर्देशों की सभी संबंधित अधिकारीगण कड़ाई से पालना सुनिश्चित करेंगे

जयपुर, दिनांक : 26.06.2020

आदेश

विषय:- प्राप्त PUCs/प्रक्रियाधीन पत्रावलियों के समय पर प्रस्तुतिकरण के संबंध में।

सन्दर्भ:- अद्योहस्ताक्षरकर्ता का कार्यालय आदेश क्रमांक: निस/अध्यक्ष/राप्रनिमं/2020/75 दिनांक 05.05.2020

उपरोक्त विषयान्तर्गत उक्त संदर्भित यू.ओ. नोट के क्रम में लेख है कि समय-समय पर अद्योहस्ताक्षरकर्ता द्वारा यह निर्देश जारी किये गये हैं कि मण्डल में प्राप्त PUCs व प्रक्रियाधीन पत्रावलियां समय पर सक्षम अधिकारियों को निर्णय/अनुमोदन हेतु प्रस्तुत की जाये। अत्यधिक चिन्ता का विषय है कि बार-बार निर्देश दिये जाने के बावजूद कई PUCs महिनो-महिनो तक पत्रावली पर Put up नहीं होती है। यह भी देखा गया है कि कई बार एक लेवल से दूसरे लेवल पर पत्रावली के प्रस्तुतिकरण में भी महिनो लगा दिये जाते हैं।

जब विलम्ब का कारण पूछा जाता है तो संबंधित अनुभाग अधिकारियों द्वारा अधीनस्थ कार्मिकों को जिम्मेदार बताया जाता है। यह सही है कि अधीनस्थ कार्मिक ऐसे विलम्ब के लिए जिम्मेदार है परन्तु गुप प्रभारी अपने दायित्व से नहीं बच सकते। यह अनुभाग अधिकारियों का दायित्व है कि वे अपने अनुभाग में प्राप्त PUCs तथा प्रक्रियाधीन पत्रावलियों का समय पर प्रस्तुतीकरण करावें। इसके लिए अनुभाग अधिकारी स्वयं समीक्षा करें। यह सुनिश्चित करें कि मण्डल में प्राप्त कोई भी PUC एक सप्ताह से अधिक पत्रावली पर बिना प्रस्तुतीकरण के नहीं रहे। साथ ही एक स्तर से दूसरे स्तर पर पत्रावली के प्रस्तुतीकरण में भी अधिकतम 3 दिवस से अधिक समय नहीं लगे।

सभी अधिकारीगणउक्त निर्देशों की कड़ाई से पालना करते हुए प्राप्त PUCs व पत्रावलियों को समय पर सक्षम स्तर पर प्रस्तुत करना सुनिश्चित करेंगे। विलम्ब या लापरवाही के लिये जिम्मेदार अधिकारियों/कार्मिकों के विरुद्ध सख्त कार्यवाही की जावेगी।

Dated : 08.07.2020

आदेश

विषय:- विभिन्न इकाईयों से ली जाने वाली बैंक गारण्टी के संबंध में निर्देश।

उपरोक्त विषयान्तर्गत लेख है कि विभिन्न प्रोजेक्ट प्रोपोनेन्ट से विभिन्न प्रावधानों के तहत बैंक गारण्टी लिये जाने के संबंध में मण्डल द्वारा समय-समय पर कार्यालय आदेश जारी किये गये हैं। उक्त बैंक गारण्टी लेने, उसका सत्यापन करने, उक्त गारण्टी की समाप्ति (Expiry) तिथि के यथेष्ट समय पूर्व उसका नवीनीकरण करवाने तथा आवश्यकता पडने पर बैंक गारण्टी जब्त करने की प्रक्रिया काफी दोष पूर्ण है व संभवताया जिम्मेदार आदमी समय रहते इस पर ध्यान नहीं देते हैं।

उक्त खामियों को दूर करने के लिये मण्डल द्वारा पूर्व में जारी आदेशों दिनांक 23.06.2006 व 17.08.2006 की निरन्तरता में निम्न निर्देश दिये जाते हैं:—

1. बैंक गारण्टी का सत्यापन करने, बैंक गारण्टी को safe custody में रखने, नवीनीकरण तथा expiry से पूर्व जब्त करने की समस्त प्रक्रिया लेखा शाखा द्वारा ही सम्पादित की जावेगी।
2. संबंधित शाखाओं द्वारा प्राप्त बैंक गारण्टी को उसी दिन लेखा शाखा में स्थानान्तरित किया जावे।
3. बैंक गारण्टी के दस्तावेज मण्डल को प्राप्त होते ही उसी दिन संबंधित बैंक शाखा से सत्यापन करवाया जावे।
4. बैंक गारण्टी समाप्ति की तिथि से कम से कम 1 माह पूर्व संबंधित पी.सी. (Project Propenent) को उक्त बैंक गारण्टी को नवीनीकरण कराने हेतु निर्देशित किया जावे।
5. यदि बैंक गारण्टी समाप्ति की तिथि से पूर्व उसका नवीनीकरण नहीं करवाया जाता है तो उक्त राशि को समय रहते encash करवाकर मण्डल के बैंक खाते में जमा कराया जावे।
6. सक्षम स्तर पर बैंक गारण्टी की राशि जब्त करने का निर्णय होते ही जब्त होने के अधिकतम 7 दिवस या बैंक गारण्टी की समाप्ति की तिथि जो भी पहले हो, उस तिथि तक उसे मण्डल के बैंक खाते में हस्तान्तरित करवा लिया जावे।
7. मण्डल के पूर्व में जारी आदेश दिनांक 24.05.2007 के अनुसार बैंक गारण्टी के स्थान पर मण्डल को Guarantee Money के रूप में डिमाण्ड ड्राफ्ट (सदस्य सचिव, रा.प्र.नि.मं., जयपुर के पक्ष में) भी जमा किया जा सकता है जिसका सम्पूर्ण रिकार्ड लेखा शाखा/संबंधित शाखा द्वारा संधारित किया जावे।
8. जिन शाखाओं में उद्योगों से प्राप्त बैंक गारण्टी लम्बित है, शाखा प्रभारियों को निर्देशित किया जाता है कि सूची बनाकर बैंक गारण्टी मूल प्रति में ही मुख्यालय की लेखा शाखा को safe custody में रखने व अग्रिम कार्यवाही हेतु दिनांक 20.07.2020 तक प्रस्तुत करें। बैंक गारण्टी की फोटो प्रति शाखा की संबंधित पत्रावली में भी आवश्यक रूप से लगावें।

9. प्रत्येक शाखा में बैंक गारण्टी के संबंध में उद्यतन जानकारी निम्न प्रपत्र में दिनांक 20.07.2020 तक अद्योहस्ताक्षरकर्ता को प्रस्तुत करें:—

क्र.सं.	उद्योग का नाम व पता	बैंक गारण्टी जिये जाने का कारण	बैंक गारण्टी लिये जाने की तिथि	बैंक गारण्टी की राशि	बैंक शाखा का नाम व पता	बैंक गारण्टी की वैद्यता तिथि	सत्यापन की तिथि	जिस कारण से बैंक गारण्टी प्रस्तुत की गई है, उसके पूर्ण होने की समयावधि	शर्तों की पालना की वर्तमान स्थिति	यदि वैद्यता तिथि निकल गयी तो उसके नवीनीकरण /Encashment की स्थिति	यदि नवीनीकरण /Encashment नहीं करवाया गया तो कौन जिम्मेदार है?
1	2	3	4	5	6	7	8	9	10	11	12

10. लेखा शाखा में बैंक गारण्टी के संबंध में सूचना रजिस्टर में निम्न प्रारूप में संधारित की जावेगी तथा सूचनाओं को विभिन्न शाखाओं से संकलित कर अद्यतन स्थिति इसी प्रारूप में अद्योहस्ताक्षरकर्ता को दिनांक 20.07.2020 तक प्रस्तुत की जावे:—

क्र.सं.	उद्योग का नाम व पता	बैंक गारण्टी लिये जाने की तिथि	बैंक गारण्टी की राशि	बैंक शाखा का नाम व पता	बैंक गारण्टी की वैद्यता तिथि	सत्यापन की तिथि	यदि वैद्यता तिथि निकल गयी तो उसके नवीनीकरण /Encashment की स्थिति	यदि नवीनीकरण /Encashment नहीं करवाया गया तो कौन जिम्मेदार है?	मुख्यालय की संबंधित शाखा

यू.ओ. नोट

विषय:- भवन निर्माण परियोजनाओं (Group Housing & Area Development Projects) द्वारा स्थापना/संचालन से पूर्व राजस्थान राज्य प्रदूषण नियंत्रण मण्डल की सम्मति (Consent) नहीं लिये जाने बाबत।

प्रायः यह देखा गया है कि भवन निर्माण परियोजनाओं (Group Housing & Area Development Projects) में जल अधिनियम, 1974, वायु अधिनियम, 1981 एवं पर्यावरण (संरक्षण) अधिनियम, 1986 के प्रावधानों की अनदेखी की जा रही है, जो कि नितान्त अस्वीकार्य है।

अधिकतर भवन निर्माण परियोजनाओं (Group Housing & Area Development Projects) प्रदूषण मण्डल से स्थापना व संचालन सम्मति लिये बिना ही स्थापित हो जाती हैं तथा कार्यारम्भ भी कर देती हैं। कतिपय परियोजनाओं द्वारा स्थापना सम्मति प्राप्त करने के पश्चात् संचालन सम्मति हेतु आवेदन प्रस्तुत कर दिया जाता है परन्तु संचालन सम्मति जारी करने से पूर्व ही परियोजना में रिहायशी कार्य हेतु फ्लैट/मकान का आवंटन कार्य शुरू कर दिया जाता है, जो कि जल अधिनियम, 1974, वायु अधिनियम, 1981 एवं पर्यावरण (संरक्षण) अधिनियम, 1986 के प्रावधानों का उल्लंघन है।

अतः निर्देशित किया जाता है कि:-

1. मण्डल स्तर पर भवन निर्माण परियोजनाओं (Group Housing & Area Development Projects) के सम्मति आवेदन (consent applications) लम्बे समय से process करने के अभाव में लम्बित हैं, परियोजना पूर्ण होकर संचालित होने की स्थिति तक भी सम्मति आवेदनों पर निर्णय नहीं किया गया, जो कि एक गम्भीर विषय है। आवेदनों को अकारण लम्बित रखे जाने पर शाखा प्रभारी व संबंधित अधिनस्थ अधिकारी पर नियमानुसार कठोर कार्यवाही की जावेगी।
2. मण्डल मुख्यालय स्तर पर भवन निर्माण परियोजनाओं (Group Housing & Area Development Projects) के समस्त लम्बित स्थापना (CTE) एवं संचालन (CTO) सम्मति आवेदनों को दिनांक 31.07.2020 से पूर्व process किया जाना सुनिश्चित करें।
3. जिन सम्मति आवेदनों के निस्तारण हेतु क्षेत्रीय अधिकारियों से निरीक्षण रिपोर्ट लम्बित हैं, उनकी सूची बनाकर संबंधित क्षेत्रीय अधिकारियों को दिनांक 31.07.2020 से पूर्व निरीक्षण रिपोर्ट भिजवाने हेतु सूचित करें।
4. भवन निर्माण परियोजना (Group Housing & Area Development Projects) जो मण्डल में चिन्हित हैं, परन्तु सम्मति प्रबन्धन में नहीं है, उन्हें कारण बताओं नोटिस जारी कर सम्मति प्रबन्धन में लाना सुनिश्चित करें।
5. शाखा प्रभारी (बी एण्ड सी) यह सुनिश्चित करें कि कोई भी भवन निर्माण परियोजना मण्डल की स्थापना सम्मति के बिना स्थापित

न हो एवं ना ही मण्डल की संचालन सम्मति लिये बिना संचालित हों। इस संबंध में क्षेत्रीय अधिकारियों को भी आवश्यक निर्देश जारी किये जा सकते हैं।

6. शाखा प्रभारी (बी. एण्ड सी.) प्रस्तावित, निर्माणाधीन एवं संचालित भवन निर्माण परियोजनाओं (Group Housing & Area Development Projects) की सूचना प्राप्त करने हेतु यू.आई.टी./विकास प्राधिकरण/SEIAA/रेरा व अन्य संबंधित संस्थाओं को जाने वाले पत्र का DFA दिनांक 21.07.2020 तक प्रस्तुत करें। पूर्व पत्रों के संदर्भ में क्षेत्रीय अधिकारियों को भी अपने स्तर पर आवश्यक follow up करने हेतु भी निर्देशित किया जावे।
7. यू.आई.टी./विकास प्राधिकरणों को मण्डल की संचालन सम्मति के बिना अधिवास प्रमाण पत्र (Completion Certificate) जारी नहीं करने हेतु निर्देशित किया जाये। इसके लिये जारी होने वाले पत्र का तत्काल DFA प्रस्तुत करें।

परिपत्र

विषय:- मण्डल द्वारा विभिन्न औद्योगिक इकाईयों (Project Proponents) के सम्मति आवेदन निरस्त (Refuse/Revoke) करने के पश्चात् इकाईयों पर कार्यवाही नहीं किये जाने के संबंध में।

अद्योहस्ताक्षरकर्ता द्वारा महसूस किया गया है कि मण्डल की विभिन्न शाखाओं में तथा क्षेत्रीय कार्यालयों में विभिन्न Project Proponents के सम्मति आवेदन Refuse/Revoke करने के पश्चात् भी कतिपय इकाईयाँ संचालित रहती हैं जो कि विभिन्न अधिनियमों/नियमों/प्रावधानों का उल्लंघन है। यह भी देखा गया है कि सम्मति आवेदन Refuse/Revoke करने के पश्चात् कई-कई वर्षों तक संबंधित पत्रावलियाँ शाखा प्रभारियों/क्षेत्रीय अधिकारियों के द्वारा Process ही नहीं की जाती है तथा संबंधित units बिना सम्मति लिये एवं अपूर्ण प्रदूषण नियंत्रण व्यवस्था के साथ ही संचालित होती रहती है। उक्त स्थिति अत्यन्त गम्भीर है।

अतः निर्देशित किया जाता है कि:—

1. Project Proponents के सम्मति आवेदन Refuse/Revoke होने के साथ ही संबंधित इकाई को बन्द करने हेतु “Intended direction of closure” का कारण बताओ नोटिस भी संबंधित शाखा प्रभारी/क्षेत्रीय अधिकारी सक्षम अधिकारी से जारी कराना सुनिश्चित करेंगे। कारण बताओ नोटिस के पश्चात् निश्चित अवधि में इकाई का सम्मति आवेदन मय प्रत्युत्तर प्राप्त नहीं होने की स्थिति में इकाई को बन्द करने की कार्यवाही करने हेतु पत्रावली तत्काल प्रस्तुत की जावे।
2. औद्योगिक इकाईयों (Project Proponents) के closure की कार्यवाही भी Refusal/Revocation की कार्यवाही के साथ ही सम्पादित होनी चाहिये।
3. Project Proponents के सम्मति आवेदन Refuse/Revoke करने के पश्चात् भी यदि इकाई संचालित रहती है तो इस उल्लंघन हेतु इकाई के साथ संबंधित शाखा प्रभारी व क्षेत्रीय अधिकारी भी उत्तरदायी होंगे। सभी संबंधित उक्त निर्देशों की कड़ाई से पालना करना सुनिश्चित करें।

परिपत्र

विषय:- विभिन्न औद्योगिक इकाईयों (Project Proponents) को जारी स्थापना व संचालन सम्मतियों में अधिरोपित विशिष्ट शर्तों (Specific Conditions) तथा Emission/Effluent Standards के अनुमोदन बाबत।

अद्योहस्ताक्षरकर्ता द्वारा महसूस किया गया है कि मण्डल की विभिन्न शाखाओं में शाखा प्रभारियों द्वारा स्थापना व संचालन सम्मतियों को प्रस्ताव सक्षम स्तर पर अनुमोदन हेतु प्रस्तुत करते समय अधिरोपित की जानेवाली विशिष्ट शर्तों (Specific Conditions) तथा Emission/Effluent Standards के संबंध में स्वीकृति नहीं ली जाती है अपितु शाखा प्रभारी के स्तर पर ही विशिष्ट शर्तों (Specific Conditions) तथा Emission/Effluent Standards का अधिरोपण सम्मति पत्र में कर दिया जाता है। यह भी संज्ञान में आया है कि कतिपय एक ही समान प्रकृति के प्रकरणों में शाखा प्रभारियों द्वारा अलग-अलग (Specific Conditions) तथा Emission/Effluent Standards अधिरोपित किये गये हैं जो कि नितान्त अस्वीकार्य है।

अतः निर्देशित किया जाता है कि:—

1. सभी शाखा प्रभारी सम्मति जारी करते समय सम्मति पत्रों में अधिरोपित की जानी वाली विशिष्ट शर्तों (Specific Conditions) का उल्लेख सम्मति जारी करने के प्रस्ताव के साथ ही पत्रावली की नोटशीट पर अनुमोदन हेतु प्रस्तुत करना सुनिश्चित करेंगे।
2. सभी शाखा प्रभारी सम्मति जारी करते समय सम्मति पत्रों में अधिरोपित की किये जाने वाले Emission/Effluent Standards का उल्लेख भी सम्मति जारी करने के प्रस्ताव के साथ ही पत्रावली की नोटशीट पर अनुमोदन हेतु प्रस्तुत करना सुनिश्चित करेंगे।
3. यदि किसी विशिष्ट प्रकार के उद्योग जैसे:-सीमेन्ट, पावर प्लान्ट आदि हेतु केन्द्र सरकार अथवा राज्य सरकार द्वारा विशिष्ट शर्तें (Specific Conditions) तथा Emission/Effluent Standards निर्धारित हैं तो केन्द्र सरकार अथवा राज्य सरकार द्वारा जारी अधिसूचना के प्रावधानों का विवरण भी नोटशीट पर प्रस्तुत करना सुनिश्चित करेंगे। यह भी Specify किया जावे कि अधिसूचना में उल्लेखित प्रावधानों के अनुसार इकाई पर कौनसी विशिष्ट शर्तें (Specific Conditions) तथा Emission/Effluent Standards अधिरोपित किये जाने हैं?
4. यदि किसी प्रकरण में पूर्व में जारी सम्मति में उल्लेखित विशिष्ट शर्तें (Specific Conditions) तथा Emission/Effluent Standards में परिवर्तन (Stringent or Relax) किया जाता है तो इसका उल्लेख भी सम्मति जारी करने के प्रस्ताव के साथ ही परिवर्तन के कारणों सहित नोटशीट पर किया जावे। किसी भी प्रकरण में सक्षम स्वीकृति लिये बिना विशिष्ट शर्तें (Specific Conditions) तथा Emission/Effluent Standards में परिवर्तन (Stringent or Relax) नहीं किया जावे।

सभी अधिकारीगण उक्त निर्देशों की कड़ाई से पालना करना सुनिश्चित करेंगे।

विषय:-O.B.H. व अन्य प्रकरणों में अन्तिम Show Cause Notice से संबंधित पत्रावलियाँ प्रस्तुत करने के संबंध में।

उपरोक्त विषयान्तर्गत कतिपय पत्रावलियों में पूर्व में O.B.H. हेतु समय व तिथि निश्चित की गयी थी लेकिन Lock Down की वजह से अधिकांश प्रकरणों से संबंधित यूनिटों के पदाधिकारियों को O.B.H. के लिए नहीं बुलाया जा सका।

ऐसे प्रकरणों में यूनिट्स को एक निश्चित समयावधि का अन्तिम नोटिस देने के निर्देश दिये गये थे। अधिकांश प्रकरणों में अन्तिम नोटिस का जवाब देने की समय सीमा 31 जुलाई, 2020 को या अगस्त माह में खत्म हो रही है।

अतः सभी ग्रुप इन्चार्ज (GICs) को निर्देशित किया जाता है कि अन्तिम नोटिस की समय सीमा समाप्त होने के अधिकतम 10 दिवस में पत्रावली प्रस्तावित कार्यवाही सहित (यदि Project Proponent का जवाब प्राप्त हुआ है तो प्राप्त जवाब का विश्लेषण कर अद्योहसताक्षरकर्ता को) प्रस्तुत करें।

पत्रावली समय पर प्रस्तुत करने की जिम्मेदारी संबंधित ग्रुप इन्चार्ज की होगी।

विषय:- निविदा प्रक्रिया के क्रम में।

संदर्भ:- अद्योहस्ताक्षरकर्ता की अ.शा. टिप्पणी क्रमांक नि.स./अध्यक्ष/रा.प्र.नि.मं./102-117, दिनांक : 09.10.2019, 230-32 दिनांक 01.11.2019, कार्यालय आदेश क्रमांक F.14(5)Adm./RSPCB/Plg./3562-3601 Dated : 20.02.2020, नि.स./अध्यक्ष/रा.प्र.नि.मं./2020/74, दिनांक : 05.05.2020 एवं नि.स./अध्यक्ष/रा.प्र.नि.मं./2020/105, दिनांक : 22.06.2020.

उपरोक्त विषयान्तर्गत मण्डल में विभिन्न सेवाओं, सामग्री, उपकरणों, फर्नीचर, Man Power इत्यादि के क्रय/संविदा पर लेने के लिए समय-समय पर निविदायें आमंत्रित की जाती हैं यह देखा गया है कि उक्त निविदा प्रक्रिया अत्यन्त धीमी व जटिल होती है। निविदा प्रक्रिया को सुगम व कम समय लेने वाली बनाने के लिए निम्न निर्देश दिये जाते हैं:—

1. उक्त संदर्भित यू.ओ. नोट्स/परिपत्रों द्वारा दिये गये सभी निर्देशों की अक्षरशः पालना की जाये।
2. निविदा प्रक्रिया पूर्ण करने के लिए जिन भी कमेटियों का गठन आवश्यक हो, उनका गठन निविदा आमंत्रित करने से पहले ही करवाया जाये।
3. प्रत्येक निविदा के लिए पृथक कमेटी का गठन सक्षम स्तर से करवाया जावे।
4. निविदा प्रक्रिया प्रारम्भ करते समय ही इसका एक Time Bound Calander नोटशीट पर प्रस्तुत किया जाये।
5. निविदा प्रक्रिया की प्रत्येक स्टेज पर यथा: Draft Bid Document, Negotiation तकनीकी कमेटी की रिपोर्ट, वित्तीय निविदा खोलना इत्यादि प्रत्येक स्टेज पर सक्षम स्तर से अनुमोदन करवाया जावे।
6. निविदा प्रक्रिया में RTPP Act के समस्त प्रावधानों की पालना सुनिश्चित की जावे।
7. यह भी ध्यान रखा जावे कि निविदा की Validity अवधि के दौरान ही निविदा प्रक्रिया पूर्ण कर ली जावे। यदि अपरिहार्य कारणों से निविदा प्रक्रिया validity period में पूर्ण नहीं हो पाती है तो समय रहते सक्षम स्तर से अनुमोदन लेकर validity period बढ़वा लिया जावे।
8. RTPP Act के प्रावधानों के अनुसार Bid Document बनाते समय ही यह ध्यान रखा जावे कि निविदा में पर्याप्त प्रतिस्पर्धा हो परन्तु साथ ही साथ कुछ योग्य प्रस्ताव भी आये व पर्याप्त bid प्रस्ताव के अभाव में निविदा प्रक्रिया निरस्त (cancel) नहीं करनी पड़े।

9. RTPP Act के प्रावधानों के अनुसार Negotiation यथा संभव avoid किया जावे।

10. एकल निविदा प्राप्त होने की स्थिति में, केवल इस आधार पर कि एक ही निविदा प्राप्त हुई है, निविदा निरस्त करने की कार्यवाही नहीं की जावे। इस संबंध में गुणावगुण के आधार पर तथा RTPP Act के प्रावधानों के आधार पर कार्यवाही प्रस्तावित की जावे।

उक्त निर्देशों की सभी अधिकारीगण कठोरता से पालना सुनिश्चित करेंगे। उल्लंघन की स्थिति में संबंधित ग्रुप इन्चार्ज की व्यक्तिगत जिम्मेदारी निश्चित की जावेगी।

फोन : 5101871, 5101872, ईपीबीएक्स: 5159600, 5159699 फैक्स: 5159694-97

विषय:- Board द्वारा जारी की जाने वाली निविदाओं के संबंध में।

संदर्भ:- अ.शा. टिप्पणी क्रमांक: नि.स. अध्यक्ष/राप्रनिमं/102-117, दिनांक : 09.10.2019.

Board द्वारा समय-समय पर विभिन्न प्रकार की सलाहकार सेवाओं व सामग्री इत्यादि के लिये निविदायें आमंत्रित की जाती हैं।

अद्योहस्ताक्षरकर्ता द्वारा यह महसूस किया गया है कि:—

1. उक्त निविदायें समय पर जारी नहीं की जाती हैं व कई बार पुरानी निविदा की समय अवधि समाप्त होने के पश्चात् नयी निविदायें आमंत्रित करने की प्रक्रिया प्रारम्भ की जाती है।
2. निविदा पत्र जारी करते समय काफी अस्पष्टताये छोड़ी जाती है व निविदा की शर्तें स्पष्ट नहीं होती हैं।
3. कई बार निविदा प्रपत्रों में निविदा के मूल्यांकन का आधार स्पष्ट नहीं होता है।
4. Pre Bid Meeting में प्राप्त सुझावों का विश्लेषण कर निविदा की शर्तें आवश्यकतानुसार संशोधित नहीं की जाती है।
5. RTTP Act के प्रावधानों की कई बार पालना नहीं की जाती है।
6. कई बार निविदा के लिये वांछित न्यूनतम समय अवधि नहीं दी जाती है।

उक्त परिस्थितिया उक्त सन्दर्भित UO Note की निरन्तरता में निर्देश दिये जाते हैं कि :—

1. पुरानी निविदा/Contract अवधि समाप्त होने से पर्याप्त समय पूर्व (कम से कम 3 माह पूर्व) नयी निविदा जारी करने की प्रक्रिया प्रारम्भ कर दी जाये।
2. आवश्यकतानुसार कमेटी गठन के प्रस्ताव भी साथ ही प्रस्तुत किये जाये।
3. Tender Document बनाते समय यह विशेष रूप से ध्यान में रखा जावे कि Tender Documents में सभी संभावित परिस्थितियों का समावेश किया जाये व प्रत्येक शर्त Self Speaking हो।
4. Tender Documents RTTP Act व अन्य संबंधित सभी प्रावधानों की पालना करते हुये बनाये जाये।
5. निविदा प्रपत्र भरने के लिये RTTP Act में वर्णित न्यूनतम समय अवधि दी जाये।
6. यदि न्यूनतम समय अवधि में अति आवश्यक परिस्थितिवश शिथिलन की आवश्यकता हो तो सक्षम स्तर से शिथिलन किया जाये।
7. निविदा प्रपत्र में निविदा के मूल्यांकन का आधार बिल्कुल स्पष्ट किया जाये।
8. आवश्यकता होने पर Pre Bid Meeting के प्रस्ताव प्रस्तुत किये जाये।
9. RTTP Act के प्रावधानों के अनुरूप यदि Negotiation वांछित हो तो ही Negotiation प्रस्तावित किया जाये अन्यथा नहीं?

10. निविदा शर्तों के अनुरूप ही कार्यदेश (Workorder) दिया जाये।
11. कार्यदेश में निविदा शर्तों अनुमोदित दरों, अनुमोदित मात्रा, अनुमोदित समय अवधि व अन्य सभी शर्तों का स्पष्ट रूप से उल्लेख किया जाये।
12. RTTP Act के प्रावधानों के अनुरूप यदि आवश्यक हो तो Time Excalation, Time Extention इत्यादि के प्रस्ताव निविदा प्रपत्र में स्पष्ट रूप से सम्मिलित किया जाये।
13. निविदा की शर्तों में भुगतान की प्रक्रिया व भुगतान की Stages के प्रावधानों को RTTP Act के प्रावधानों के अनुरूप समावेशित किया जाये।
14. निविदा की शर्तों में RTTP Act के प्रावधानों के अनुसार Earnest Money/Security Deposit इत्यादि के स्पष्ट प्रावधान रखे जाये व संबंधित प्रावधानों के अनुरूप वांछित राशि जमा होने पर ही निविदा स्वीकार की जाये।
15. यदि निविदा Two Envelope System से आमंत्रित की जानी है तो इसकी प्रक्रिया/प्रावधानों की अक्षरक्ष: पालना की जाये।
16. सामग्री व सेवाओं की आपूर्ति लेते वक्त सक्षम स्तर द्वारा इनकी गुणवत्ता, मेक, मात्रा, साईज व अन्य सभी बिन्दुओं का प्रमाणीकरण सुनिश्चित किया जाये।
17. भुगतान भी निविदा शर्तों व RTTP Act के प्रावधानों के अनुरूप भी यथेष्ट प्रमाणीकरण के पश्चात् एवं भुगतान करते समय यदि कोई पेनल्टी आदि लगायी जानी है या अन्य कोई राशि काटी जानी है तो वह काटकर ही किया जाये व यह भी सुनिश्चित किया जाये कि किये गये कार्य या आपूर्ति की गई मात्रा से अधिक भुगतान किसी भी स्थिति में नहीं हो व Board के पास आवश्यकता पड़ने पर Risk & Cost पर कार्य करवाने के लिये निविदादाता का पर्याप्त पैसा जमा हो।

सभी संबंधित उक्त निर्देशों की कड़ाई से पूर्ण पालना सुनिश्चित करेंगे।

OFFICER ORDER

State Board is in receipt of number of representations regarding considerable hardship being faced by Kumhars (Potters) who have been traditionally involved in manufacturing earthen pots, toys, bricks, kawelus etc. by Ava-Kajawa method. Further, Hon'ble National Green Tribunal, through its various orders has also directed the State Government for framing policy for such marginalized community. Accordingly, after due approval of the State Government, "Guidelines for Manufacturing of Earthen Pots, Bricks and other items through the Traditional process of Ava-Kajawa by Kumhars (Potters) of Rajasthan" are being issued for necessary action and compliance of all the concerned.

**Guidelines for Manufacturing of Earthen
Pots, Bricks and other items through the
Traditional process of Ava-Kajawa by
Kumhars (Potters) of Rajasthan**

July, 2016

Published by

Rajasthan State Pollution Control Board

1. INTRODUCTION :

In rural area of Rajasthan Kumhars (Potters) have been perusing their traditional occupation of manufacturing of earthen pots, bricks, kawelus etc. This community prepares these items through traditional process of “Ava-Kajawa” i.e. open non-continuous Bhattas without using any form of chimney. Basic raw materials used by Kumhars in this process include topsoil, coal, paddy husk, fly ash and to some extent locally available agro wastes.

Under provisions of Rule 9 (2) of the Rajasthan Land Revenue (Conversion of Agricultural Land for Non-Agricultural Purposes in Rural Areas) Rules, 2007, as amended vide notification dated 11.05.2016, application for conversion is not required where a tenant is desirous of establishing small kiln (Kajawa) on a piece of land held by him up to an area not exceeding one acre and this land is deemed to have been converted for such small kiln (Kajawa).

Further, on proposal of Government of Rajasthan, Government of India has exempted the extraction of ordinary clay or sand, manually, by the Kumhars to prepare earthen pots, lamp, toys etc, as per their customs.

Rajasthan Land Revenue (Allotment of Land for Establishment of Brick Kilns) Rules, 1987 also has specific provisions for allotment of land for establishment of Kajawa with certain conditions. As per the provisions of the Rules, the land classified as barani or unirrigated shall be available for allotment for the establishment of brick kilns provided that where the application is only for establishment of Kajawa (small brick kiln) on unoccupied Government land falling in the catchment area of a talab, nadi or embankment of a river or pasture, land on an area not exceeding 5/8 of an acre, the collector may after making such enquiry as he deems necessary and in the case of pasture land in consultation with Gram Panchayat, allot land for establishment of Kajawa for a period not exceeding one year on payment of rent at the rate of 50% of the rate prescribed in rule 8 of the Rules.

2. OBJECTIVES FOR THE PRESENT GUIDELINES:

State Board is in receipt of number of representations regarding considerable hardship being faced by Kumhars who have been traditionally involved in manufacturing of earthen pots, toys, bricks, Kawelus etc. by Ava-Kajawa method for generations. Further, Hon’ble National Green Tribunal, vide its orders dated 21/04/2014, 13/11/2014 & 30/03/2015 has also directed the State Government for framing a policy for such marginalized community that usages traditional Bhatti without chimneys.

It is in this context, that the present guidelines are issued by State Board with the approval of the Government of Rajasthan so as to ameliorate the hardship being caused to the people of Kumhar community.

3. LOCATION CRITERIA :

Kumhars involved in the traditional occupation of manufacturing of earthen pots, bricks, kawelus etc. through “Ava-Kajawa” process may establish their small kilns (Kajawa) in such a way that it does not cause nuisance to the nearby habitation and wildlife. Accordingly, the following borad siting guidelines may be followed :—

- a. Distance from village abadi : one kilometer.
- b. Distance from notified Wildlife Sanctuary/National Park : one kilometer
- c. Distance from National/State High ways : 100m
- d. Other Roads : 50 m

4. REQUIREMENT FOR MINING LEASE LICENSE :

As per requirement and definition under Clause 3 (vii) of Rule 58 of the Rajasthan Minor Mineral Concession Rules, 1986, nor rent, royalty or fee is charged for excavation of clay used by these Kumhars for manufacturing of earthen ware pots, bricks, kawelus etc. through process of “Ava-Kajawa”. Therefore, lease deed is not executed for such excavation of clay.

5. CATEGORIZATION :

Department of Environment, Government of Rajasthan vide notification dated 26.05.2016 has categorized the process of “Ava-Kajawa” under “White” category. Based on the location of the unit with respect to coal/lignite based thermal power plant, exemption under the white category has been granted to the following :—

- Production of earthen pots, bricks (using fly ash), kawelu etc. having maximum capacity of three lac numbers per year, manufactured through Ava-Kajawa process located within a radius of 300 kms from any coal/lignite based thermal power plant
- Production of earthen pots bricks, kawelu etc. having maximum of three lac numbers per year, manufactured through Ava-Kajawa process located beyond a radius of 300 kms. from any coal/lignite based thermal power plant.

Therefore, the aforesaid categories of units will not be required to obtain consent under provisions of Air (Prevention and Control of Pollution) Act, 1981 & Water (Prevention and Control of Pollution) Act, 1974 from the State Board, Only, intimation in this regard will have to be given to the State Board.

6. OTHER REQUIREMENTS :

- a. The Kumhars traditional involved in occupation of manufacturing of earthen pots, bricks, kawelus etc. through “Ava-Kajawa” process and working within radius of 300 km. from any Coad/Lignite based Thermal Power Plant shall utilize Fly Ash in prescribed proportion, as mentioned in the Fly Ash Notification, 1999 and amendments issued till date. Further, Coal/Lignite based Thermal Power plants and rice mills located within radius of 300 Km. from such Ava-Kajawa will supply fly ash free of cost to these Kumhars.
- b. All efforts shall be made to adopt cleaner technology, ultimately resulting in minimal pollution load.
- c. Green belt shall be developed around premises of land in two rows. For this purpose, vacant area between the boundary wall and the kiln shall be used.
- d. In order to distinguish between the traditional manufacturing being carried out by the Kumhars and the regular kilns and to protect their livelihoods, the capacity of such traditional manufacture shall not exceed beyond 300000 no. of products per annum per unit.

- e. That provisions of these guidelines shall not absolve Kumhars from making such compliances as required under any other statutory obligation prescribed under any other law or directions of courts or any other instrument for the time being in force.

7. PROPOSED FACILITATION FOR THE KUMHARS :

- a. Concerned district administration may allot Government land for excavation of soil and for making clay bricks as per the provisions of the Rajasthan Land Revenue (Allotment of Land for Establishment of Brick Kilns) Rules, 1987.
- b. Panchayati Raj department/Department of Local Bodies may identify earmarked areas for selling their products.
- c. Revenue Department/Panchayati Raj Department may register traditional Kumhars for their proper identification so that the proposed guideline may be made applicable to them.
- d. District Collector/Revenue Department may look into the possibility of getting facility for group insurance of Awa-Kajawa units to compensate the khumars in case of natural calamity.
- e. Industries Department may formulate a scheme for granting facility for granting loans to kumhars for establishment of such units.

ORDER

In compliance of GOR (Home Department) order dated 02.05.2020, the presence of Staff has to be ensured as per order GOR, (Home Department) order no. F33 (2)/Home/Gr. 9/2019, dated 15.04.2020. The order dated 15.04.2020 mentions the following :—

1. All offices shall close latest by 6 pm or such earlier time to enable the staff and others to reach back home by 7 pm.
2. As per order following officers will be present in office :
 - (i) Secretariat and HOD offices : All India, State and sub-ordinate Services up to the rank of Dy. Secretary and one-third of Ministerial and other staff on rotation basis.
 - (ii) District Level-DLO, immediate subordinate Officials and remaining on one third basis.

Therefore, in coherence to GOR orders dated 02/05/2020 and 15/04/2020 and in continuation to this office orders no. F-1 (50)/RPCB/Estt./2020-21/Covid-19/8-25, dated 17/04/2020, F-1 (50) /RPCB/Estt./2020-21/ Covid-19/26-44, dated 20/04/2020, it hereby directed that following will remain present in State Board offices :—

- a. RSPCB Head Quarters : CEE, CSO, CAO, All SEEs and Su.Sos (officers in and above GP 7600 i.e. Level-19) shall remain present in the office. All other officers including Subordinate and Ministerial staff shall remain present on 1/3 strength on rotation basis.
- b. Regional Offices : Regional Officers and their immediate subordinate officials shall remain present in the office. All other officers including Subordinate and Ministerial staff shall remain present on 1/3 strength on rotation basis.

HOO & ROs are authorized to issue and maintain rosters for calling the 1/3 staff accordingly.

Rest orders and directions will remain as mentioned in the order dated 17.4.2018 and 20.4.2018.

These orders will be effective immediately and will remain in force till further orders.

All concerned to comply with these orders and noncompliance in any form would be viewed seriously. Officers who remain absent from duty without taking due approval may be treated as being willfully absent from duty and action may be initiated against them which may include treating the period of absence as break in service. Application for grant of leave shall be entertained only in writing and duly forwarded with recommendation by the GIC/RO for approval from competent authority.

Date : 19.05.2020

ORDER

Sub : Lock Down 4.0 Implementation Orders for the period May 18th to May 31st, 2020

Ref : Govt. of Rajasthan Home Department's order no. F. 33 (2) /Home/Gr. 9/2019, dated 18.05.2020

In reference to above and in suppression to all earlier orders regarding implementation of lockdown due to COVID-19, the presence of staff in the offices has to be ensured. Accordingly :—

1. All offices shall close latest by 6 pm or such earlier time to enable the staff and others to reach back home by 7 pm.
2. As per the order following officers will be present in office as follows :—
 - (i) **Red Zone :** Departments/offices dealing with important and essential work—full strength; others with full strength of officers and 50% staff and remaining staff on work-from-home basis.
 - (ii) **Orange & Green Zones :** All Government offices with up to 2/3 staff; rest on work from home basis.

Therefore, in coherence to GOR orders dated 18/05/2020, it is hereby directed as regards presence of officers/staff in State Board offices :—

- a. **RSPCB Head Quarters :** All officers equivalent to the rank of JEE, JSO, ASO and above shall remain present in the office. All other staff shall remain present on 50% strength on rotation basis.
- b. **Regional Offices in Red Zone :** All Regional Officers and All officers equivalent to the rank of JEE, JSO and above shall remain present in the office. All other staff shall remain present on 50% strength on rotation basis.
- c. **Regional Offices in Orange & Green Zones :** All Regional Officers and all other officers equivalent to the rank of JEE, JSO and above shall remain present in the office. All other staff shall remain present on 2/3 strength on rotation basis.

All GICs & ROs are authorized to maintain rosters for calling the staff accordingly. All GICs to prepare roster and submit the details by 5.00 PM on 19.05.2020 to PS to CP and GIC (Estt.).

1. In addition to above, GICs and ROs may call other staff/employees as per requirement.
2. While recommending/granting leave to any staff/employees (except in unavoidable situation), it should be kept in mind that absence of that staff/employees should not affect the work.
3. Any employees residing in curfew area, Hot-spot, Home quarantine/Isolation will have to submit a written application regarding their absence.
4. All GICs shall submit daily information regarding absence/presence of staff/employees as per roster to PS to CP.

All other relevant directions mentioned in the above referred GOR order dated 18.05.2020, should be followed.

These orders will be effective with immediate effect and will remain in force till further orders.

All concerned to comply with these orders and non-compliance in any form would be viewed seriously. Officers who remain absent from duty without taking due approval might be treated as being willfully absent from duty and action may be initiated against them which may include treating the period of absence as break in service. Application for grant of leave shall be entertained only if it is in writing and is duly forwarded with recommendation by the GIC/RO for approval from competent authority.

This bears the approval of competent authority.

OFFICE ORDER

The State Board is utilizing Management Information System (MIS) for its various activities like consent, Authorisation Management, Store management, Accounts, Establishment section etc. During its operation, several occasions arise due to various reasons wherein the MIS needs correction/modification/changes/amendments/addition. Since the changes to be done in the MIS are of grave significance, the changes proposed to be done need thorough examination and consideration. A Change Management Committee is hereby constituted to examine and recommend the changes which are to be made in the MIS and also approve the changes made by developer team at the instance of the Board.

1. CEE, RSPCB - Head.
2. GIC (IT), RSPCB - Coordinator
3. GIC (Project), RSPCB-Member
4. Representative of RISL - Member
5. Project Manager (through NICSI) - Member
6. GIC as per requirement and whose matter is being discussed.

To make the changes in MIS, following steps shall be followed :—

1. All ROs/GICs shall submit a written request with detail to the GIC (IT) for any desired change in MIS.
 2. GIC (IT) would get the meeting of CMC convened as per requirement, if changes are to be approved by CMC.
 3. CMC will examine and give its recommendations.
 4. GIC (IT) will put-up the recommendations for approval to CP through CEE.
 5. After due approval, GIC (IT) will communicate the changes to developer team.
- This bears the approval of the competent authority.

OFFICE ORDER

The State Board has associated interns for a period of one year at Head Office and Regional Offices under its Young Intern Policy-2016.

In order to effectively implement this programme, following procedure is being laid upon regarding this internship at the State Board :—

- (a) Interns selected under the Young Intern Policy-2016 of RSPCB, may be allowed to assist the Group In-charge/Regional officers/ other technical and scientific staff of the Board in processing of note sheet and files. However, the interns should put up the files to the concerned technical/scientific officers and not directly to the Group In-charges/Regional officers.
- (b) The service of the interns may be used in inventorization of the industries in the Regional offices. They may also assist in inspection/verification of industries/field visits along with Board officials.
- (c) All Group In-charge/Regional officers are advised to provide hands on training to the interns working under their supervision.

This bears approval of the competent authority.

8.	Chlor Alkali.
9.	Chlorates, perchlorates and peroxides.
10.	Chlorine, fluorine, bromine, iodine and their compounds.
11.	Coal Washerries.
12.	Cooper smelter.
13.	Coke making, liquefaction, coal tar distillation or fuel gas making.
14.	Common treatment and disposal facilities (CETP, TSDF, E-Waste recycling, CBMWTF, Effluent conveyance project, incinerators, Solvent/Acid recovery plant, MSW Sanitary landfill sites, STP).
15.	Distillery including Fermentation industry.
16.	Dyes and Dye-Intermediates.
17.	Dry coal processing/mineral processing, industries involving ore sintering, palletisation, grinding, Pulverization.
18.	Emulsion of oil & water.

19.	Fermentation industry including manufacture of yeast, beer, distillation of alcohol (ENA).
20.	Fertilizer (basic) (excluding formulation).
21.	Ferrous and Non ferrous metal extraction involving different furnaces through melting, refining, reprocessing, casting and alloy making.
22.	Fibre glass production and processing (Excluding moulding).
23.	Fire crackers manufacturing and bulk storage facilities.
24.	Flakes from rejected PET Bottle.
25.	Fly ash export, transport and disposal facilities.
26.	Health care establishment (As defined in BMW Rules).
27.	Heavy engineering including Ship Building (With investment on Plant & Machineries more than Rs. 10 Crores).
28.	Hot mix plants.
29.	Hotels (3 Star & Above) and Hotels having 100 rooms and above.
30.	Hydrocyanic acid and its derivatives.
31.	Industrial carbon including electrodes and graphite blocks, activated carbon, carbon black.
32.	Industrial estates/parks/complexes/areas/export processing zones/SEZs/Biotech parks/leather complex.
33.	Industrial inorganic gases namely :— (a) Chemical gases : Acetylene, hydrogen, Chlorine, fluorine, ammonia, sulphur dioxide, ethylene, hydrogen sulphide, phosphine, (b) Hydrocarbon gases : Methane, Ethane, propane.
34.	Industries engaged in recycling/reprocessing/recovery/reuse of Hazardous Waste under schedule IV of Hazardous Waste (M, H & TBM) Rules, 2008 and its amendments.
35.	Industry or process involving foundry operations.
36.	Industry or process involving metal surface treatment or process such a pickling/plating/electroplating/paint stripping/heat treatment/phosphating or finishing and anodising/enameling/galvanizing.
37.	Iron and Steel (involving processing from ore/integrated steel plants and or Sponge Iron Industries.
38.	Isolated storage of Hazardous chemicals (as per schedule of Manufacture, Storage & Import of Hazardous Chemical Rules, 1989 as amended).
39.	Lead acid battery manufacturing (excluding assembling & charging of acid lead battery in micro scale [$<$ Rs. 25 lakhs]).
40.	Lime manufacturing (Using Lime Kiln)
41.	Manufacturing of Explosives, detonators, fuses including management and handling activities.
42.	Manufacturing of Glass.
43.	Manufacturing of Glue and Gelatin.
44.	Manufacturing of Lubricating oils, greases or petroleum based products.
45.	Manufacturing of Paints, Varnishes, pigments and intermediate (excluding blending/mixing).
46.	Manufacturing of Starch/Saggo.

47.	Milk processing and dairy products (integrated project).
48.	Mineral Stack yards/Railways sidings.
49.	Mining and ore beneficiation.
50.	New Highway construction projects.
51.	Non-alcoholic beverage (soft drink) & bottling of alcoholic/non-alcoholic products (capital investment on plant & machinery < Rs. 1 Crore).
52.	Nuclear Power Plants.
53.	Oil & Gas extraction including CBM (offshore & onshore extraction through drilling wells).
54.	Oil and gas transportation pipeline.
55.	Organic chemicals manufacturing.
56.	Oil Refinery (Mineral Oil or Petro Refineries).
57.	Parboiled rice mills (more than 10 TPD).
58.	Pesticides (Technical) (Excluding formulation).
59.	Petrochemicals (Manufacture of and not merely use of as raw material).
60.	Pharmaceuticals (excluding formulation).
61.	Pulp and Paper (paper manufacturing with or without pulping).
62.	Phosphate rock processing plant.
63.	Phosphorous and its compounds.
64.	Photographic films and its chemicals.
65.	Ports & Harbours, Jetties and Dredging Operations.
66.	Power Generation Plants [Except Wind, Solar and Mini Hydel Power plants of capacity <25 MW) and DG set of capacity > 5 MVA].
67.	Processes involving chlorinated hydrocarbons.
68.	Railway Locomotive workshops/Integrated Road transport workshop/Authorised Service Centers.
69.	Reprocessing of used oils and waste oils.
70.	Ship breaking activities.
71.	Slaughter houses (As per the notification S.O. 270 (E), dated 26.03.2001) and meat processing industries, bone mill, processing of animal horns, hoofs and other body parts.
72.	Steel and Steel products using various furnaces like blast furnaces/open hearth furnace/induction furnace/arc furnace/submerged arc furnace/basic oxygen furnace/hot rolling using reheating furnace.
73.	Stone crushers.
74.	Sugar (excluding Khandsari).
75.	Surgical and medical products involving prophylactics and latex.
76.	Synthetic detergents and soaps (excluding formulation).
77.	Synthetic fibres including rayon, tyre cord, polyester filament yarn.
78.	Synthetic resins.

79.	Synthetic rubber excluding molding.
80.	Tanneries.
81.	Thermal Power Plants.
82.	Tobacco products including cigarettes and tobacco/opium processing.
83.	Vegetable oils including solvent extraction and refinery/hydrogenated oils.
84.	Yarn/textile processing involving any effluent/emission-generating process, bleaching, dyeing, printing and scouring.
85.	Zinc Smelter.
86.	Aerial rope way.
87.	Clinker grinding unit.
88.	Halogenated Hydrocarbons.
89.	Heavy Water.
90.	Ink, Pigment and Intermediates other than formulation.
91.	LPG Bottling plant.
92.	Mineral grinding (except asbestos industries).
93.	Pesticide specific intermediates.
94.	Processing of nuclear fuel.
95.	River Valley Project.
96.	Synthetic leather and related products except isolated moulding.
97.	Any industry/industrial activity which is not covered in above list having coal fired boiler with steam generation capacity more than 5 T/hour.

Annexure II

Orange Category

S.No.	Type of Industries/projects/processes/activities
1.	Almirah, Gril Manufacturing.
2.	Aluminum and copper extraction from scrap using oil fired furnace.
3.	Automobile servicing, repairing and painting (excluding only fule dispensing).
4.	Ayurvedic and Homeopathic medicine.
5.	Bakery & confectionery industries with production capacity > 1 tpd].
6.	Bi-axially oriented PP film along with metalising operation.
7.	Brickfields (exclding fly ash brick manufacturing using lime process).
8.	Building and construction project > 20,000 Sq. M built up Area.
9.	Cashew nut processing.
10.	Chanachur and ladoo from puffed and beaten rice (muri and chira) using husk fired oven.
11.	Chilling plant, cold storage and Ice making.

12.	Coffee seed processing.
13.	Coke briquetting (sun drying).
14.	Cotton spinning and weaving (medium and large scale).
15.	Cutting, sizing and polishing of marble stones.
16.	Dairy and dairy products (small scale) (capital investment on plant & machinery < Rs. 1 crore).
17.	Dal Mills.
18.	DG Set of capacity >1 MVA but < 5 MVA).
19.	Digital printing on PVC Cloth.
20.	Dismantling of rolling stocks (wagons/coaches).
21.	Dry cell battery (excluding manufacturing of electrodes) & assembling & charging of acid lead battery in micro scale [< Rs. 25 lakhs].
22.	Emery powder (fine dust of sand) manufacturing.
23.	Engineering and fabrication units (With investment on Plant & Machineries < Rs. 10 Crores).
24.	Excavation of sand from the river bed (excluding manual excavation).
25.	Facility of handling, storage and transportation of food grains in bulk.
26.	Fertilizer (granulation and formulation only).
27.	Fish feed, poultry feed and cattle feed.
28.	Fish processing and packaging (excluding chilling of fish).
29.	Foam manufacturing.
30.	Food & food processing including fruits & vegetable processing.
31.	Forging of ferrous & non-ferrous metal (using oil or gas fired boilers).
32.	Formulation/paletization of camphor tablets, naphthalene balls from camphor/naphthalene powders.
33.	Glass, ceramic, earthen potteries and tile manufacturing using oil or gas fired kiln, Coating on glasses using cerium fluoride, magnesium fluoride etc.
34.	Glue from starch (physical mixing).
35.	Gravure printing, digital printing on flex, vinyl.
36.	Heat treatment using oil fired furnace (excluding cyaniding).
37.	Hotels (Less than 3 Star) or Hotels having more than 20 rooms and less than 100 rooms.
38.	Ice Cream.
39.	Infrastructure development project.
40.	Jute processing without dyeing.
41.	Liquid floor cleaner, black phenyl, liquid soap, glycerol monostearate manufacturing.
42.	Manufacture of mirror from sheet glass.
43.	Manufacturing of iodized salt from crude/raw salt.
44.	Manufacturing of mosquito repellent coil.

45.	Manufacturing of toothpowder, toothpaste, talcum powder and other cosmetic items.
46.	Mechanized laundry using oil fired boiler.
47.	Modular wooden furniture from particle board, MDF, swan timber etc, Ceiling tiles/ Partition board from saw dust, wood chips etc. & other agricultural waste using syntehtic adhesive resin, wooden box making.
48.	Packing materials manufacturing from non asbestos fibre, vegetable fibre yarn.
49.	Paint blending & mixing (Ball mill).
50.	Pharmaceutical formulation and for R & D purpose (for sustained release/extended release of drugs only and not for commercial purpose).
51.	Plyboard manufacturing (including vineer & laminate) with oil fired boiler/thermic fluid heater (without resin plant).
52.	Potable alcohol (IMFL) by blending, bottling of alcoholic products (capital investment on plant & machinery < Rs. 1 crore.)
53.	Power press.
54.	Printing ink manufacturing.
55.	Printing or etching of glass sheet using hydrofluric acid.
56.	Producer gas plant using conventional up-drift coal gasificaiton (linked to rolling mills, glass and ceramic industry, refractories for dedicated fuel supply).
57.	Pulverisation of bamboo and scrap wood.
58.	Repairing of electric motor & generator.
59.	Reprocessing of waste plastic (excluding PVC).
60.	Rice mill less than 10 TPD & Rice hullers.
61.	Rolling Mill (oil or gas fired) and cold Rolling mill.
62.	Saw mill.
63.	Seasoning of wood in steam heated chamber.
64.	Silk screen printing, saree printing by wooden blocks.
65.	Spice grinding (< 20 HP motor).
66.	Spray painting, paint baking, paint stripping.
67.	Tamarind powder manufacturing.
68.	Tea processing.
69.	Thermocol manufacturing.
70.	Thermometer making.
71.	Transformer repairing/manufacturing.
72.	Tyres and tubes vulcanization/hot retreading.
73.	Wire drawing & Wire netting.
74.	CFL, tube light, bulb and so on.
75.	Computer software development and business promotion centers employing more than 50 persons.

76.	Cutting, sizing and polishing of granite, Kota Stone and other stones.
77.	Food additives
78.	Footwear other than leather footwear.
79.	Formulation of Pesticides, agro chemicals and so on.
80.	Gems and jewellery except tiny unit.
81.	Glass and fiber glass moulding.
82.	Guar and guar gum.
83.	Gypsum board.
84.	Institutions for training, education, capacity building.
85.	Manufacturing of Varnishes, pigments and intermediate (blending/mixing only).
86.	Metal handicraft unit having furnaces or chemical treatment facility.
87.	Non alcoholic beverage (soft drink) & bottling of alcoholic/non-alcoholic products (Capital investment on plan and machinery \leq Rs. 1 Crore).
88.	Parboiled rice mill (Upto 10 TPD).
89.	Plaster of paris.
90.	Restaurant > 25 seats.
91.	Stone carving unit using power more than 10 hp.
92.	Synthetic rubber and foam moulding.
93.	Township and area development project > 5 ha and or dwelling units > 50.
94.	Water treatment plant.
95.	Wet mix macadam.
96.	Yarn and textile manufacturing/processing not involving scouring, beaching, dyeling, printing or any effluent/emission generation process including spinning/weaving unit.

Annexure III

Green Category

S.No.	Type of Industries/projects/processes/activities
1.	Aluminium utensils from aluminium circles.
2.	Assembling of Acid lead battery (up to 10 batteries per day excluding lead plate casting).
3.	Assembly of air coolers/conditioners, repairing and servicing.
4.	Assembly of bicycles, baby carriage and other small non-motorised vehicles.
5.	Automobile fuel outlet (only dispensing).
6.	Ayurvedic and Homeopathic medicine (without boiler).
7.	Bailing (hydraulic press) of waste papers.
8.	Bakery/confectionery/ Sweets production (with production capacity < 1 tpd with oil, gas or electrical oven).

9.	Bio Fertilizer & bio-pesticide without using inorganic chemicals.
10.	Biomass Briquettes (sun drying) without using toxic or hazardous wastes.
11.	Biscuit trays etc. from rolled PVC sheet (using automatic vacuum forming machine).
12.	Blending and packaging of Tea.
13.	Blending of melamine resins & different powder, additives by physical mixing.
14.	Block making for printing without foundry (excluding wooden block making).
15.	Brass & Bell metal utensils manufacturing from circle (without re-Rolling facility).
16.	Candy.
17.	Cardboard or corrugated box and paper products (excluding paper or pulp manufacturing and without using boiler).
18.	Carpentry and wooden furniture manufacturing (excluding saw mill) with the help of electrical (motorized) machines such as electric wood planner, steel saw cutting circular blade etc.
19.	Cement products (without using Asbestos) like pipe, pillar, jafri, well ring, blocks/tiles etc. (should be done under closed covered shed to control fugitive emissions).
20.	Ceramic colour manufacturing (not using boiler and wastewater recycling process).
21.	Chalk making from plaster of paris.
22.	Chilling plant and Ice making without use of ammonia.
23.	Coated electrode manufacturing.
24.	Compact disc, computer floppy & cassette manufacturing.
25.	CO ₂ recovery.
26.	Compressed Oxygen gas from crude liquid oxygen.
27.	Cotton and woollen hosiery making (SSI & Cottage industries).
28.	Cotton Spinning & weaving (small scale).
29.	Decoration of ceramic cups & plates by electric furnace.
30.	Diesel Generator sets (15 KVA to 1 MVA).
31.	Diesel pump repairing & servicing.
32.	Distilled water.
33.	Electric lamp (bulb) manufacturing (small scale).
34.	Electrical & Electronic items assembling.
35.	Flavoured betel nut production/grinding.
36.	Flour mills (dry process).
37.	Fly ash bricks/blocks manufacturing.
38.	Fountain pen manufacturing.
39.	Glass ampules & vials making from glass tubes.
40.	Glass putty and sealant.

41.	Glass, ceramic, earthen potteries and tile manufacturing using electrical kiln or not involving fossil fuel kilns.
42.	Gold and Silver smithy (purification with acid, smelting operation and sulfuric acid polishing operation) Using < 1 litre of Sulphuric Acid/Nitric Acid per month).
43.	Groundnut decorticating (dry).
44.	Handloom/Carpet weaving (without dyeing and bleaching operation).
45.	Hotel (upto 20 rooms).
46.	Insulation and other coated papers (excluding paper or pulp manufacturing) manufacturing.
47.	Jobbing and machining.
48.	Leather cutting and stitching (more than 10 machines and using motor).
49.	Lather footwear and leather products (excluding tanning and hide processing) (except cottage scale).
50.	Lubricating oils, greases or petroleum based products (only blending at normal temperature).
51.	Manufacturing of coir items from coconut husk.
52.	Manufacturing of metal caps, containers etc.
53.	Manufacturing of optical lenses (using electrical furnace).
54.	Manufacturing of pasted veneers without using boiler or Thermic Fluid Heater or by sundrying.
55.	Manufacturing of shoe brush & wire brush.
56.	Manufacturing of silica gel (without furnace).
57.	Medical oxygen.
58.	Mineralized water.
59.	Oil mill ghani & extraction (no hydrogenation/refining).
60.	Organic and inorganic nutrients (by physical mixing).
61.	Organic manure (manual mixing).
62.	Paints and varnishes (mixing and blending) (without ball mill).
63.	Packing of powdered milk.
64.	Paper pins and U-clips.
65.	Phenyl/Toilet cleaner formulation & Bottling.
66.	Reel manufacturing.
67.	Polythene & plastic processed products manufacturing (virgin plastics).
68.	Poultry, hatchery, Piggery.
69.	Power looms (without dyeing and bleaching).
70.	Printing press.
71.	Puffed rice (muri) (using oil, gas or electrical heating system).
72.	Ready mix cement concrete.
73.	Reprocessing of waste cotton.
74.	Rope (Cotton & Plastic).

75.	Rubber goods industry (with baby boiler only).
76.	Scientific and mathematical instruments manufacturing.
77.	Soap manufacturing (handmade without steam boiling).
78.	Solar module (Non conventional energy apparatus) manufacturing unit.
79.	Solar power generation through solar photovoltaic cell, wind power & mini hydel power (< 25 MW).
80.	Spice grinding (< 20 HP motor).
81.	Steel furniture without spray painting.
82.	Steeping and processing of grains.
83.	Surgical and medical products not involving effluent/emission generating processes.
84.	Synthetic detergent formulation.
85.	Teflon based products.
86.	Tyres and tubes retreading (without boiler).
87.	Building and construction project > 2,500 Sq. M and > 20,000 Sq. M. built up area.
88.	All those industries/projects processes/activities which are not covered under the list of Red or Orange or Green category and are discharging waste water and or air emissions.

Notes :

1. In coherence with the directions issued by Central Pollution Control Board vide letter no. B-29014/1/90/PCI-I/17793, dated 21.10.1992 for the small/tiny scale industries with investment upto Rs. 5.00 crores, which are covered under the Green category, the acknowledgement, by the State Board, of the receipt of the Consent application form duly filled up and accompanied by the prescribed fee shall serve the purpose of Consent and there would also be no need for the industry to obtain periodic renewal of the Consent to Operate till such time that the unit modifies/changes its process.
2. The classification of industries in Large/Medium/Small/Tiny scale shall be as notified by the Industry Department.
3. The State Board may revise this list as and when the circumstances so warrant.

Office Order

The industries/processes/activities which are compliant with the provisions of relevant environmental laws vis-a-vis Water (Prevention and Control of Pollution) Act, 1974, Air (Prevention and Control of Pollution) Act, 1981, Environment (Protection) Act, 1986, and various rules made thereunder, except industries listed at Annexure- 'A', will be entitled for Auto-renewal of Consent (Establish and Operate). The entitlement for auto-renewal will be subject to complying with following conditions :—

1. Application for renewal is made 120 days before expiry of consent.
2. There is no expansion/modernisation/change in process/product/raw material/fuel or change in pollution load.
3. There are no pending prohibitory directions from Courts/Appellate Authority/National Green Tribunal/other Judicial Authority.
4. All requisite compliance report of earlier consent alongwith supporting documents have been submitted.
5. Environmental Statement report as prescribed under the rules have been submitted.
6. That during last inspection, industry/process/activity is found compliant of earlier conditions of consent and analysis report shows all parameters within permissible limits.
7. There are not directions under 33 (A) of Water (Prevention and Control of Pollution) Act, 1974 and 31 (A) of Air (Prevention and Control of Pollution) Act, 1981 and section 5 of EP Act during last five years.

The proponent shall apply with following documents for auto renewal of the consent :—

1. Prescribed fee.
2. Project Report (Financial part, in case of Consent to Establish)/Certificate of capital investment in the project as on the date of application/end of financial year, in the prescribed format, certified by the Chartered Accountant (In case of Consent to Operate).
3. Affidavit cum Self Certification with declaration in the prescribed format enclosed as Annexure-B.

Applicant shall file application for Consent to Establish/Operate online which will be verified for adequacy of fees, as may be applicable and submission of documents as prescribed above and will be renewed online by the concerning Group Head/Regional Officers within 10 working days. The documents of consent letter will be sent online which can be downloaded. In the case of non fulfilling of auto renewal requirements, the project proponent shall be informed accordingly and the consent application shall be processed in normal course.

Following conditions shall be incorporated in the consent while granting consents under auto renewal policy :—

- a. “This consent is issued under the auto renewal **consent policy of the Board vide letter no.** dated as per self certificate submitted by Mr. (Designation :), authorized signatory.”
- b. “The Rajasthan State Pollution Control Board reserves the rights to revoke/cancel the consent and issue directions under section 33 (A) of Water (Prevention and Control of Pollution) Act, 1974 and 31 (A) of Air (Prevention and Control of Pollution) Act, 1981, any time without any notice in the matter for:—
 - i. Any violation/non-compliance of Conset conditions.
 - ii. Submission of any false/incorrect/incomplete/forged facts and documents.

The State Board can also initiate appropriate legal/criminal action for the violation.”

This office order will come in force with effect from 1st June, 2016.

Sector in negative list for the purpose of Auto-renewal of Consent to Establish/Operate

S.No.	Name of Sector
1.	Common Bio-Medical Waste Treatment and Disposal Facility (CB WTDF).
2.	Common Disposal Facility (Marble and other Waste Slurry).
3.	Common Effluent Treatment Plant (CETP).
4.	Common hazardous waste treatment, storage and disposal facility (TSDF).
5.	Common Municipal Solid waste management & Disposal Facility (CMSWMDF) and Municipal Solid Waste processing unit.
6.	Sewage Treatment plant (STP).
7.	Asbestos and asbestos based Industries.
8.	Explosives, fire crackers and allied.
9.	Milk processing and dairy products (integrated project).
10.	Railway Locomotive Workshops/Integrated Road Transport Workshop/Authorized Service Centers.
11.	Vegetable (Refinery, Extraction) oil, hydrogenation and allied (small and tiny scale unit)
12.	Vegetable oils including solvent extraction and refinery/hydrogenated oils other than small and tiny scale units.
13.	Yarn and textile processing involving any effluent/emission generating process, beaching, dyeing, printing and scouring.
14.	Leather skin/hide processing industry.
15.	Tanneries.
16.	Industry or process involving metal surface treatment or process (processing of stainless steel sheets i.e. Patta-Patti units) such as pickling/plating/electroplating/paint stripping/ heat treatment/phosphating or finishing and anodising/enameling/galvanizing.
17.	Industries engaged in recycling/reprocessing/recovery/reuse of HW under Schedule IV of Hazardous waste (MH and TBM) Rules, 2008 and its amendments.
18.	Reprocessing of used oils and waste oils.
19.	Waste lead acid batteries, other ferrous/non ferrous metal containing waste, waste/spent oil reprocessing/ recycling and other unit requiring registration/approval under HW (MH and TM) Rules, 2008 for processing/ co-processing of hazardous waste.
20.	Industrial carbon black from waste tyre pyrolysis.
21.	Stone crusher.

Annexure-B
Affidavit in support of obtaining
Auto Renewal of Consent to Establish/Operate

I, S/o Shri, aged years, Authorized signatory, (Designation) of M/s. (Unit ID.....) am submitting this affidavit in favour of Member Secretary, Rajasthan State Pollution Control Board, Jaipur for obtaining auto renewal of Consent to Establish/Consent to Operate under the provisions of Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981 and do, hereby take oath and state as under :—

1. That the Consent to Establish/Consent to Operate under the provisions of Water (prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981 was issued vide order No. dated
2. That the said Consent to Establish/Consent to Operate is valid upto
3. That we have not carried out any expansion/modernisation/change in process/product/raw material/fuel or change in pollution load.
4. That we are complying with conditions of previous consent and submitting requisite compliance report of earlier consent alongwith supporting documents as per schedule.
5. That we have submitted Environmental Statement report as prescribed application form submitted for obtaining earlier consent to operate.
6. There is no change in information provided in the prscribed application form submitted for obtaining earlier consent to operate.
7. That no directions were issued during last five years by the State Board under the provisions of section 33 (A) of Water (Prevention and Control of Pollution) Act, 1974 or 31 (A) of Air (Prevention and Control of Pollution) Act, 1981 or 5 of Environment (Protection) Act, 1986.
8. There are not prohibitory directions from Courts /Appellate Authority/National Green Tribunal/other judicial/ Quassi Judicial Authority.
9. We undertake to comply with the conditions and standards stipulated in consent order and with any additional condition/direction which may be stipulated by the Board in future and also to pay additional fee/charges demanded by the Board in future.
10. That I have understood that any wrong, partial, forged information/document submitted by me or any false affirmation made by the undersigned, I shall be liable for legal action including the prosecution under the provisions of Water (Prevention and Control of Pollution) Act, 1974, Air (Prevention and Control of Pollution) Act, 1981 and Information Technology Act, 2002 alongwith the provisions of indian Penal Code.

DEPONENT

Declaration

I, the above named deponent do hereby attest and verify that the contents of para No. 1 to 8 of this affidavit are true and correct to the best of my knowledge. Nothing material has been concealed therein nor any part of it its false. SO Help Me God.

DEPARTMENT OF ENVIRONMENT

NOTIFICATIONS

Jaipur, May 26, 2016

G.S.R. 13.- In exercise of the powers conferred by section 54 of the Air (Prevention and Control of Pollution) Act, 1981 (Central Act No. 14 of 1981), the State Government, after consultation with the Rajasthan State Pollution Control Board, hereby makes the following rules further to amend the Rajasthan Air (Prevention and Control of Pollution) Rules, 1983, namely:—

1. Short title and commencement.- (1) These rules may be called the Rajasthan Air (Prevention and Control of Pollution) (Amendment) Rules, 2016.

(2) They shall come into force on the date of their publication in the Official Gazette.

2. Amendment of Rule 5. - In rule 5 of the Rajasthan Air (Prevention and Control of Pollution) Rules, 1983 hereinafter referred to as the said rules,—

- (i) In sub-rule (2), for the existing expression “50%”, the expression “25%” shall be substituted;
- (ii) In sub-rule (3), for the existing expression “50%”, the expression “25%” shall be substituted;
- (iii) After the existing sub-rule (3) and before the existing sub-rule (4), the following new sub-rule (3A) shall be inserted, namely :—
“(3A) where an applicant makes an application for consent to operate after expiry of period of earlier consent, the application for consent to operate shall be accompanied with an additional fee of 50% as specified in Schedule.”
- (iv) In sub-rule (4), for the existing expression “sub-rule (2) and (3)”, the expression “sub-rule (2), (3) and (3A)” shall be substituted;
- (v) After the existing sub-rule (5) and before the existing sub-rule (6), the following new sub-rule (5A) and (5B) shall be inserted, namely :—

“(5A) Any industry or activity or operation or process which are non polluting and categorized as White Category in Part IV of Schedule shall not be required to obtain consent to operate and Consent to Establish, but shall have to intimate the State Board prior to commisioning of industry or activity or operation or process.

(5B) The State Board shall issue consent to operate for a priod of 5 years in case of Red category, 10 years in case of Orange category and 15 years in case of Green category. The Red, Orange and Green category shall be as per categorization decided by the State Board from time to time”, and

(vi) The existing sub-rule (8) shall be substituted by the following, namely :—

“(8) The prescribed fee shall be paid to the Member Secretary, Rajasthan State Pollution Control Board in the manner specified by the State Board, from time to time.”

3. Substitution of SCHEDULE. - The existing Schedule appended to the said rules, shall be substituted by the following namely :—

“SCHEDULE

(See rule 5)

Part-I

Fee for Industries/Process/Projects/Activities other than Mining, Quarrying and Health Care Facilities (in rupees)

S. No.	Capital Investment (In rupees)	For Consent to Establish			For Consent to Operate	For Acknowledgement

10.	More than 25 Crore Upto 50 Crores	37500	25000	12500	72000	
11.	More than 50 Crore	Rs. 50000 + Rs. 1000 per Crore or part thereof, of incremental investment above 50 crores	70% of applicable fees for Red Category	35% of applicable fees for Red Category	Rs. 72000 + Rs. 1500 per Crore or part thereof, of incremental investment above 50 crore	

Part-II

A. Fee for Mining & Short Term Permits (in rupees)

S. No.	Lease Area of the mines	For Consent to Establish		For Consent to Operate	
		Major	Minor	Major	Minor
1	2	3	4	5	6
1.	Less than 1 Hectare	15000	8000	33000	24000
2.	1 Hectare to 5 Hectare	17000	12000	37500	33000
3.	Above 5 Hectare	17000+ Rs. 1000 per incremental hectare above 5 hectares	12000 + Rs. 400 per incremental hectare above 5 hectares	90000 + Rs.1500 per incremental hectare above 5 hectares	37500 + Rs.750 per incremental hectare above 5 hectares

B. Fee for Quarry Licenses (in rupees)

S. No.	Lease area of the mines	For Consent to Establish	For Consent of Operate	
1.	Upto 1.0 Hectare	-	2000	
2.	More than 1.0 Hectare	8000	For 1 Year (annual)	For 3 Year
			4000	11000

Part-III
**Fee for Hospital, Health Care Facility and Common Bio-
 Medical Waste Treatment Facility (in rupees)**

S. No.	Description	Amount in Rs.	
		Consent to Establish	Consent to Operate
1.	Hospitals, Nursing Homes and Health care Establishments upto 10 beds; Non-bedded Health Care Facilities (Clinics); Pathological/ Forensic/Research Laboratories and Blood Banks; Veterinary Institutions, Dispensaries and Animal Houses; Drug vendor/Drug ware house.	5000/-	10000/-
2.	Operator of the Common Bio-Medical Waste Treatment Facility.	30,000/-	1,00,000/-
3.	Hospitals, Nursing Homes and Health Care Establishments		
	(i) More than 10 beds and upto 25 beds	10000/-	20000/-
	(ii) More than 25 beds and upto 50 beds	20000/-	40000/-
	(iii) More than 50 Beds.	20000/- + Rs. 500/- per incremental bed above 50 beds	40000/- + Rs. 500/- per incremental bed above 50 beds

Part-IV
White Category

S.No.	Type of Unit
1.	Assembly of air coolers/conditioners, repairing and servicing.
2.	Assembly of bicycles, baby carriages and other small non motorizing vehicles.
3.	Bailing (hydraulic press) of waste papers.
4.	Bio fertilizer and bio-pesticides without using inorganic chemicals.
5.	Biscuits trays etc. from rolled PVC sheet (using automatic vacuum forming machines)
6.	Blending and packing of tea.

7.	Block making for printing without foundry (excluding wooden block making)
8.	Chalk making from Plaster of Paris (only casting without boilders etc. (sun drying/electical oven)
9.	Compressed oxygen gas from curde liquid oxygen (without use of any solvents and by maintaining pressure & temperature only for separation of other gases).
10.	Cotton and woolen hosiers making (Dry process only without any dyeing/washing operation).
11.	Diesel pump repairing and servicing (complete mechanical dry process).
12.	Electric lamp (bulb) and CFL manufacturing by assembling only.
13.	Electrical and electronic item assembling (completely dry process).
14.	Engineering and fabrication unit (dry process without any heat treatment/metal surface finishing operations/painting)
15.	Flavoured betel nuts production/grinding of Spices (completely dry mechanical operations).
16.	Fly ash bricks/block manufacturing.
17.	Fountain pen manufacturing by assembling only.
18.	Glass ampules and vials making from glass tubes.
19.	Glass putty and sealant (by mixing with machine only).
20.	Ground nut decorticating.
21.	Handlooms/carpet weaving (without dyeing and bleaching operation).
22.	Leather cutting and stitching (more than 10 machine and using motor).
23.	Manufacturing of coir items from coconut husks.
24.	Manufacturing of metal caps containers etc.
25.	Manufacturing of shoe brush and wire brush.
26.	Medical oxygen.
27.	Organic and inorganic nutrients (by physical mixing).
28.	Organic manure (manual mixing)
29.	Packing of powdered milk.
30.	Paper pins and u clips.
31.	Repairing of electric motors and generators (dry mechanical process).
32.	Rope (plastic and cotton).
33.	Scientific and mathematical instrument manufacturing.
34.	Solar module non conventional energy appratus manufacturing unit.
35.	Solar power generation through solar photovoltaic cell and wind power.
36.	Mini hydel power (less than 25 MW).
37.	Surgical and medical products assembling only (not involving effluent/emission generatring processes).
38.	Flour Mill (Atta Chaki) without washing.
39.	Furniture making units (without mechanized paint booth, anodizing, pickling, galvanizing, furnace and boiler).

40.	Wax Candles (excluding manufacturing of wax).
41.	Agarbati making units.
42.	Blue potteries
43.	General wire industries like wire drawing, Barbed wire, Chain links making units (dry process without any heat treatment/metal surface finishing operations/painting).
44.	Gems and jewelry units (without furnace and metal finishing operations).
45.	Cold Storage.
46.	Production of earthen pots, bricks (using fly ash), kawelu etc. having maximum capacity of three lac numbers per year, manufactured through Ava-Kajawa process located beyond a radius of 300 kms. from any coal/lignite based thermal power plant.
47.	Production of earthen pots, bricks, kawelu tc. having maximum capacity of three lac numbers per year, manufactured through Ava-Kajawa process located beyond a radius of 300 kms. from any coal/lignite based thermal power plant.

Note :

1. For facility as listed at serial number 1 of Part-III of Schedule, the State Board will issue one time Consent to Operate.
2. In case of mines, the Consent period shall be coterminous with the validity of lease subject to maximum period as per sub-rule (5 B) of rule 5.
3. In case of quarry licenses the consent to operate will be granted normally for one year but can be granted upto 3 years on deposition of adequate fees provided Quarry License is valid for 3 years.
4. In case of mines which apply for consent to establish/consent to operate for additional/enhanced production or addition of new mineral within the validity period of consent to operate without any increase in lease area, the applicable fees shall be 20% of the prescribed fee. In such cases the consent to establish/consent to operate shall be validated upto the period of validity of existing consent to operate.
5. In addition to fee mentioned in Schedule, all industries or processes or projects or activities requiring Environmental Clearance under the Environment Impact Assessment Notification, 2006, except quarry license, shall pay an additional amount of Rs. 25000/- as onetime fee with the first consent to establish or consent to operate application, as the case may be.
6. The classification of industries in Large/Medium/Small/Tiny scale shall be as notified by the Department of Industries.
7. The State Board shall issue consent to establish for a period of 5 years. In case Project Proponent requires extension in validity then a request for the same should be made atleast four months before the expiry of validity of consent to establish along with reasons for the same. In case Project Proponent fails to apply for extension four months before the expiry of validity of consent then fresh consent application alongwith requisite fees will have to be submitted for extension in validity of consent.

8. That in case of quarry licences upto 1.0 hectares, only obtaining of acknowledgement as per sub-rule (6) of rule 5 is sufficient subject to compliance of Environment Impact Assessment Notification, 2006, as amended from time to time. The quarry licence holder upto 1.0 hectares shall not be asked for separate consent to establish and consent to operate.”

Jaipur, May 26, 2016

G.S.R. 14.- In exercise of the powers conferred by section 64 of the Water (Prevention and Control of Pollution) Act, 1974 (Central Act No. 6 of 1974), the State Government, after consultation with the Rajasthan State Pollution Control Board, hereby makes the following rules further to amend the Rajasthan Water (Prevention and Control of Pollution) Rules, 1975, namely :—

1. Short title and commencement.- (1) These rule may be called the Rajasthan Water (Prevention and Control of Pollution) (amendment) rules, 2016

(2) They shall come into force on the date of their publication in the Official Gazette.

2. Amendment of Rule 29. - In rule 29 of the Rajasthan Water (Prevention and Control of Pollution) Rules, 1975 hereinafter referred to as the said rules,—

- (i) In sub-rule (3), for the existing expression “50%”, the expression “25%” shall be substituted;
- (ii) In sub-rule (4), for the existing expression “50%”, the expression “25%” shall be substituted;
- (iii) After the existing sub-rule (4) and before the existing sub-rule (5), following new sub-rule (4A) shall be inserted, namely:—

“(4A) Where an applicant, makes an application for consent to operate, after expiry of period of earlier consent, the application for consent to operate shall be accompanied with an additional fee of 50% as specified in Schedule IV.”.

- (iv) In sub-rule (5), for the existing expression “sub-rule (3) and (4)”, the expression “sub-rule (3), (4) and (4A)” shall be substituted;
- (v) After the existing sub-rule (6) and before the existing sub-rule (7), following new sub-rule (6A) and (6B) shall be inserted, namely:—

“(6A) Any industry or activity or operation or process which are non polluting and categorized as White Category in part-IV of Schedule IV shall not be required to obtain Consent to Operate and Consent to Establish, but shall have to intimate the State Board prior to commissioning of industry or activity or operation or process.

(6B) The State Board will issue consent to operate for a period of 5 years in case of Red category, 10 years in case of Orange category and 15 years in case of Green category. The Red, Orange and Green category shall be as per categorization decided by the State Board from time to time”; and

- (vi) The existing sub-rule (9) shall be substituted by the following, namely:—

“(9) The prescribed fee shall be paid to the Member Secretary, Rajasthan State Pollution Control Board in the manner specified by the State Board, from time to time.”

3. Substitution of Schedule IV.- The existing Shedule IV appended to the said rules, shall be substituted by the following, namely :—

“SCHEDULE IV

(See rule 29)

Part-I

Fee for Industries/Process/Projects/Activities other than Mining, Quarrying and
Health Care Facilities (in rupees)

S. No.	Capital Investment (In rupees)	For Consent to Establish			For Consent to Operate	For Acknowledgement
		Red	Orange	Green		
1	2	3	4	5	6	7
1.	Up to 5 Lacs	3000	2000	1000	7500	1000
2.	More than 5 Lacs Upto 10 lacs	4500	3000	1500	12000	1500
3.	More than 10 Lacs Upto 25 Lacs	6000	4000	2000	16500	2000
4.	More than 25 Lacs Upto 50 Lacs	9000	6000	3000	24000	3000
5.	More than 50 Lacs Upto 1 Crore	15000	10000	5000	28500	5000
6.	More than 1 Crore Upto 2 Crores	18000	12000	6000	37500	6000
7.	More than 2 Crore Upto 5 Crores	21000	14000	7000	42000	7000
8.	More than 5 Crore Upto 10 Crores	24000	16000	8000	48000	Acknowledgement is not applicable
9.	More than 10 Crore Upto 25 Crores	30000	20000	10000	57000	
10.	More than 25 Crore Upto 50 Crores	37500	25000	12500	72000	
11.	More than 50 Crore	Rs. 50000 + Rs. 1000 per Crore or part thereof, of incremental investment above 50 crores	70% of applicable fees for Red Category	35% of applicable fees for Red Category	Rs. 72000 + Rs. 1500 per Crore or part thereof, of incremental investment above 50 crore	

Part-II

A. Fee for Mining and Short Term Permits (in rupees)

S. No.	Lease Area of the mines	For Consent to Establish		For Consent to Operate	
		Major	Minor	Major	Minor
1	2	3	4	5	6
1.	Less than 1 Hectare	15000	8000	33000	24000
2.	1 Hectare to 5 Hectare	17000	12000	37500	33000
3.	Above 5 Hectare	17000+. Rs 1000 per incremental hectare above 5 hectares	12000 + Rs. Rs 400 per incremental hectare above 5 hectares	90000 + Rs 1500 per incremental hectare above 5 hectares	37500 + Rs 750 per incremental hectare above 5 hectares

B. Fee for Quarry Licenses (in rupees)

S.	Lease area of the mines	For Consent to Establish	For Consent of Operate	
			For 1 Year (annual)	For 3 Year
1.	Upto 1.0 Hectare	-	2000	
2.	More than 1.0 Hectare	8000	For 1 Year (annual)	For 3 Year
			4000	11000

Part-III

Fee for Hospital, Health Care Facility and Common Bio-Medical Waste Treatment Facility (in rupees)

S. No.	Description	Amount in Rs.	
		Consent to Establish	Consent to Operate
1.	Hospitals, Nursing Homes and Health care Establishments upto 10 beds; Non-bedded Health Care Facilities (Clinics); Pathological/Forensic/Research Laboratories and Blood Banks; Veterinary Institutions, Dispensaries and Animal Houses; Drug vendor/Drug warehouse.	5000/-	10000/-

2.	Operator of the Common Bio-Medical Waste Treatment Facility	30,000/-	1,00,000/-
3.	Hospitals, Nursing Homes and Health Care Establishments		
	(i) More than 10 beds and upto 25 beds	10000/-	20000/-
	(ii) More than 25 beds and upto 50 beds	20000/-	40000/-
	(iii) More than 50 Beds	20000/- + Rs. 500/- per incremental bed above 50 beds	40000/- + Rs. 500/- per incremental bed above 50 beds

Part-IV

White Category

S.No.	Type of Unit
1.	Assembly of air coolers/conditioners, repairing and servicing.
2.	Assembly of bicycles, baby carriages and other small non-motorizing vehicles.
3.	Bailing (hydraulic press) of waste papers.
4.	Bio fertilizer and bio-pesticides without using inorganic chemicals.
5.	Biscuits trays etc. from rolled PVC sheet (using automatic vacuum forming machines).
6.	Blending and packing of tea.
7.	Block making for printing without foundry (excluding wooden block making).
8.	Chalk making from Plaster of Paris (only casting without boilers etc. (sun drying/electrical oven).
9.	Compressed oxygen gas from crude liquid oxygen (without use of any solvents and by maintaining pressure & temperature only for separation of other gases).
10.	Cotton and woolen hosiery making (Dry process only without any dyeing/washing operation).
11.	Diesel pump repairing and servicing (complete mechanical dry process).
12.	Electric lamp (bulb) and CFL manufacturing by assembling only.
13.	Electrical and electronic item assembling (completely dry process).
14.	Engineering and fabrication unit (dry process without any heat treatment/metal surface finishing operations/painting)
15.	Flavoured betel nuts production/grinding of Spices (completely dry mechanical operations).
16.	Fly ash bricks/block manufacturing.
17.	Fountain pen manufacturing by assembling only.
18.	Glass ampules and vials making from glass tubes.
19.	Glass putty and sealant (by mixing with machine only).

20.	Ground nut decorticating.
21.	Handlooms/carpet weaving (without dying and bleaching operation).
22.	Leather cutting and stitching (more than 10 machine and using motor).
23.	Manufacturing of coir items from coconut husks.
24.	Manufacturing of metal caps containers etc.
25.	Manufacturing of shoe brush and wire brush.
26.	Medical oxygen.
27.	Organic and onorganic nutrients (by physical mixing).
28.	Organic manure (manual mixing)
29.	Packing of powdered milk.
30.	Paper pins and u clips.
31.	Repairing of electric motors and generators (dry mechanical process).
32.	Rope (plastic and cotton).
33.	Scientific and mathematical instrument manufacturing.
34.	Solar module non conventional energy apparatus manufacturing unit.
35.	Solar power generation through solar photovoltaic cell and wind power.
36.	Mini hydel power (less than 25 MW).
37.	Surgical and medical products assembling only (not involving effluent/emission generating processes).
38.	Flour Mill (Atta Chaki) without washing.
39.	Furniture making units (without mechanized paint booth, anodizing, pickling, galvanizing, furnace and boiler).
40.	Wax Candles (excluding manufacturing of wax).
41.	Agarbati making units.
42.	Blue potteries
43.	General wire industries like wire drawing, Barbed wire, Chain links making units (dry process without any heat treatment/metal surface finishing operations/painting).
44.	Gems and jewelry units (without furnace and metal finishing operations).
45.	Cold Storage.
46.	Production of earthen pots, bricks (using fly ash), kawelu etc. having maximum capacity of three lac numbers per year, manufactured through Ava-Kajawa process located within a radius of 300 kms. from any coal/lignite based thermal power plant.
47.	Production of earthen pots, bricks, kawelu etc. having maximum capacity of three lac numbers per year, manufactured through Ava-Kajawa process located beyond a radius of 300 kms. from any coal/lignite based thermal power plant.

Note :

1. For facility as listed at serial number 1 of Part-III of Schedule IV, the State Board will issue one time Consent to Operate.
2. In case of mines, the Consent period shall be coterminous with the validity of lease subject to maximum period as per sub-rule (6 B) of rule 29.
3. In case of quarry licenses the consent to operate will be granted normally for one year but can be granted upto 3 years on deposition of adequate fees provided Quarry License is valid for 3 years.
4. In case of mines which apply for consent to establish/consent to operate for additional/enhanced production or addition of new mineral within the validity period of consent to operate without any increase in lease area, the applicable fees shall be 20% of the prescribed fee. In such cases the consent to establish/consent to operate shall be validated upto the period of validity of existing consent to operate.
5. In addition to fee mentioned in Schedule IV, all industries or processes or projects or activities requiring Environmental Clearance under the Environment Impact Assessment Notification, 2006, except quarry license, shall pay an additional amount of Rs. 25000/- as onetime fee with the first consent to establish or consent to operate application, as the case may be.
6. The classification of industries in Large/Medium/Small/Tiny scale shall be as notified by the Department of Industries.
7. The State Board shall issue consent to establish for a period of 5 years. In case Project Proponent requires extension in validity then a request for the same should be made atleast four months before the expiry of validity of consent to establish along with reasons for the same. In case Project Proponent fails to apply for extension four months before the expiry of validity of consent then fresh consent application alongwith requisite fees will have to be submitted for extension in validity of consent.
8. That in case of quarry licences upto 1.0 hectares, only obtaining of acknowledgement as per sub-rule (7) of rule 29 is sufficient subject to compliance of Environment Impact Assessment Notification, 2006, as amended from time to time. The quarry licence holder upto 1.0 hectares shall not be asked for separate consent to establish and consent to operate.”

OFFICE ORDER

The Rajasthan Water (Prevention and Control of Pollution) Rules, 1975 and Rajasthan Air (Prevention and Control of Pollution) Rules, 1983 have been amended, vide Notification dated 26.05.2016. In the said rules “white category” has been inserted.

The following industries mentioned herein in the white category are not required to obtain consent to establish and consent to operate under the provisions of Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981:—

S.No.	Type of Unit
1.	Assembly of air coolers/conditioners, repairing and servicing.
2.	Assembly of bicycles, baby carriages and other small non-motorizing vehicles.
3.	Bailing (hydraulic press) of waste papers.
4.	Bio fertilizer and bio-pesticides without using inorganic chemicals.
5.	Biscuits trays etc. from rolled PVC sheet (using automatic vacuum forming machines).
6.	Blending and packing of tea.
7.	Block making for printing without foundry (excluding wooden block making).
8.	Chalk making from Plaster of Paris (only casting without boilders etc. (sun drying/electical oven).
9.	Compressed oxygen gas from crude liquid oxygen (without use of any solvents and by maintaining pressure & temperature only for separation of other gases).
10.	Cotton and woolen hosiers making (Dry process only without any dyeing/washing operation).
11.	Diesel pump repairing and servicing (complete mechanical dry process).
12.	Electric lamp (bulb) and CFL manufacturing by assembling only.
13.	Electrical and electronic item assembling (completely dry process).
14.	Engineering and fabrication unit (dry process without any heat treatment/metal surface finishing operations/painting)
15.	Flavoured betel nuts production/grinding of Spices (completely dry mechanical operations).
16.	Fly ash bricks/block manufacturing.
17.	Fountain pen manufacturing by assembling only.
18.	Glass ampules and vials making from glass tubes.
19.	Glass putty and sealant (by mixing with machine only).
20.	Ground nut decorticating.
21.	Handlooms/carpet weaving (without dyeing and bleaching operation).
22.	Leather cutting and stitching (more than 10 machine and using motor).

23.	Manufacturing of coir items from coconut husks.
24.	Manufacturing of metal caps containers etc.
25.	Manufacturing of shoe brush and wire brush.
26.	Medical oxygen.
27.	Organic and inorganic nutrients (by physical mixing).
28.	Organic manure (manual mixing)
29.	Packing of powdered milk.
30.	Paper pins and u clips.
31.	Repairing of electric motors and generators (dry mechanical process).
32.	Rope (plastic and cotton).
33.	Scientific and mathematical instrument manufacturing.
34.	Solar module non conventional energy appratus manufacturing unit.
35.	Solar power generation thorough solar photovoltaic cell and wind power.
36.	Mini hydel power (less than 25 MW).
37.	Surgical and medical products assembling only (not involving effluent/emission generating processes).
38.	Flour Mill (Atta Chaki) without washing.
39.	Furniture making units (without mechanized paint booth, anodizing, pickling, galvanizing, furnace and boiler).
40.	Wax Candles (excluding manufacturing of wax).
41.	Agarbati making units.
42.	Blue potteries
43.	General wire industries like wire drawing, Barbed wire, Chain links making units (dry process without any heat treatment/metal surface finishing operations/painting).
44.	Gems and jewelry units (without furnace and metal finishing operations).
45.	Cold Storage.
46.	Production of earthen pots, bricks (using fly ash), kawelu etc. having maximum capacity of three lac numbers per year, manufactured through Ava-Kajawa process locatd beyond a radius of 300 kms. from any coal/lignite based thermal power plant.
47.	Production of earthen pots, bricks, kawelu etc. having maximum capacity of three lac numbers per year, manufactured through Ava-Kajawa process located beyond a radius of 300 kms. from any coal/lignit based thermal power plant.

The industries mention hereinabove are deleted from the office order No. F-14 (23) Policy/RPCB/Plg./10548-10587, dated 07.03.2013 and subsequent orders forthwith.

OFFICE ORDER

In compliance of the direction of CPCB issued under the section 18 (1) (b) of the Water (Prevention and Control of Pollution) Act, 1974 and under section 18 (1) (b) of the Air (Prevention and Control of Pollution) Act, 1981 the State Board issued direction to 17 category of highly polluting industries, GPI and CTDF's etc. for ensuring establishment of online effluent/emission quality monitoring systems and their integration with the CPCB server and SPCB servers. The State Board established online Emission/Effluent quality monitoring server to facilitate entities required to comply with direction and a nominal fee as per table below was to be charged to recover the cost of the system.

Capital Investment in Crores (Rs.)				
	Upto 50 Crores (Rs.)	More than 50 to 200 Crores (Rs.)	More than 200 to 500 Crores (Rs.)	More than 500 Crores (Rs.)
Contribution in Rs. Per Year	25,000	40,000	60,000	90,000
Total Amount (Rs.) to be deposited for Five years	1,25,000	2,00,000	3,00,000	4,50,000

The entities are to deposit the amount for a period of five years according to their capital investment. All such existing 17 category Highly Polluting Industries, CTDFs and Grossly Polluting industries that have not yet connected with the State Board server shall submit an additional 50% of the Stipulated fee. The fee applicable to the any new industry/other than the industry covered under the CPCB direction shall be as per the table. It shall be mandatory to each unit covered, to deposit 5 year fee at the time to seeking connectivity.

It bears approval of the competent authority.

Yours sincerely,

Sd/-

OFFICE ORDER

Categorization of industries/projects/processes/activities/mines

In compliance with the directions issued under section 18 (1) (b) of the Water (Prevention and Control of Pollution) Act, 1974 by Central Pollution Control Board, vide letter dated 04/06/2012, regarding classification of the industries into Red/Orange and Green category and the recommendations by the committee constituted by the State Board, vide office order No. F14 (57) Policy/RPCB/Plg./Vol. II/7537-55, Dated 21/06/2012, the State Board has reviewed all the earlier office orders regarding the categorization of the industries/projects/processes/activities/mines for the purpose of consent mechanism and in supersession of all the previous orders, the new categorization for consent mechanism shall be as follows :—

- | | |
|--|----------------|
| 1. Red Category of industries/projects/processes/activities/mines | - Annexure I |
| 2. Orange Category of industries/projects/processes/activities/mines | - Annexure II |
| 3. Green category of industries/projects/processes/activities/mines | - Annexure III |

This revised categorization shall come into effect from 1st April, 2018

This bears the approval of the competent authority.

ANNEXURE-A

S.No.	Industry Sector-Red Category
1.	Aerial rope way.
2.	Airports and commercial Air Strips
3.	Any industry / industrial activity/process/operation/facility not covered in any of the categorization and having coal fired boiler with steam generation capacity capacity more than 5 T/hr.
4.	Asbestos and asbestos based industries.
5.	Automobiles Manufacturing (Integrated Facilities).
6.	Basic Chemicals and electro chemicals and its derivatives including manufacture of acids.
7.	Cement/Clinker Manufacturing.
8.	Chemical Fertilizer (excluding formulation).
9.	Chlor Alkali.
10.	Chlorates, perchlorates and peroxides.
11.	Chlorine, fluorine, bromine, iodine and their compounds.
12.	Code making, liquefaction, coal tar distillation or fuel gas making.
13.	Coke oven plant.
14.	Common treatment and disposal facilities (CETP, TSDF, E-Waste recycling, CBMWTF Effluent conveyance project, incinerators, MSW sanitary landfill sites, STP).
15.	Dairy and dairy products-large and medium scale.
16.	DG set of capacity of ≥ 5 MVA Capacity.
17.	Dry coal processing/mineral processing, industries involving ore sintering, palletisation, grinding, pulverization.
18.	Dyes and Dye-Intermediates.
19.	Emulsion of oil & water.
20.	Fermentation industry including manufacture of yeast, Malt, beer, distillation of alcohol (ENA) distillery-Large & Medium Scale.
21.	Ferrous and nonferrous metal extraction involving different furnaces through melting, refining, reprocessing, casting and alloy making.
22.	Fiber glass production and processing (Excluding moulding).
23.	Fire crackers manufacturing and bulk storage facilities.
24.	Halogenated hydrocarbons.
25.	Handloom/Carpet weaving (with dyeing and bleaching operation).
26.	Health care establishment (As defined in BMW Rules).
27.	Heavy engineering including Ship Building (With investment on Plant & Machineries more than Rs. 10 Crores).
28.	Heavy Water.

29.	Hot mix plants.
30.	Hotels (3 Star & Above) and/or Hotels having 100 rooms and above.
31.	Industrial carbon including electrodes and graphite blocks, activated carbone, carbon black.
32.	Industrial Estate/Parks/Complexes/Areas/Export processing Zones/SEZs/Biotech Parks/Leather Complexes (except solar and wind Industrial Estate/Parks/Complexes having areas upto 500 hectares).
33.	Industrial inorganic gases namely :— (a) Chemical gases : Acetylene, hydrogen, chlorine, fluorine, ammonia, sulphur dioxide, ethylene, hydrogen sulphide, phosphine; (b) Hydrocarbon gases : Methane, ethane, propane.
34.	Industries engaged in recycling/reprocessing/recovery/reuse of Hazardous Waste under Schedule IV and other schedule of Hazardous Waste (M, H & TBM) Rules, 2016 and its amendments and Municipal Solid Waste (M & H) Rules, 2000 and its amendments.
35.	Industry or process involving foundry operations.
36.	Industry or process involving metal surface treatment or process such as pickling/plating/electroplating/heat treatment/phosphating or finishing and anodising/enameling/galvanizing.
37.	Ink, Pigment and Intermediates other than formulation.
38.	Iron and Steel (Involving processing from ore/integrated steel plants) and or Sponge Iron industries.
39.	Isolated storage of hazardous chemicals (as per schedule of Manufacture, Storage & Import of Hazardous Chemicals Rules, 1989 as amended).
40.	Lead acid bettery manufacturing (excluding assembling & charging of acid lead battery).
41.	LPG bottling plant.
42.	Manufacturing of explosives, detonators, fuses including management and handling activities.
43.	Manufacturing of Glass.
44.	Manufacturing of Glue and Gelatin (excluding Glue from Starch).
45.	Manufacturing of lubricating oils, greases or petroleum based products (excluding blending only).
46.	Manufacturing of Paints, Varnishes, pigments and intermediate (excluding blending/mixing).
47.	Mineral grinding.
48.	Mining and/or ore beneficiation.
49.	Non-alcoholic beverages (soft drink) & bottling of alcohol/non alcoholic products-Large & Medium.
50.	Nuclear power plants.
51.	Oil & Gas extraction including CBM (Offshore & onshore extraction through drilling wells).
52.	Oil and gas transportation pipeline (having DG set of more than or equal to 5 MVA).
53.	Oil refinery (Mineral oil or Petro Refineries).
54.	Organic chemicals manufacturing.
55.	Pesticide specific intermediates.
56.	Pesticides (Technical) (Excluding formulation).
57.	Petrochemicals (Manufacture of and not merely use of as raw material).

58.	Pharmaceuticals (excluding formulation).
59.	Phosphate rock processing plant.
60.	Phosphorous and its compounds.
61.	Photographic films and its chemicals.
62.	Ports & Harbours, Jetties and Dredging Operations.
63.	Power Generation plants (excluding Solar and Wind Renewable Power Plant of all capacity and mini hydal plant of less than 25 MW).
64.	Primary metalurgical units such as aluminium, copper, iron, zinc, lead etc.
65.	Processes involving clorinated hydrocarbons.
66.	Processing of nuclear fuel.
67.	Pulp and/or paper manufacturing.
68.	Pyrolysis Plant.
69.	Railway Locomotive workshops/integrated Road transport workshop.
70.	River valley project.
71.	Ship breaking activities.
72.	Slaughter houses (as per the notification S.O. 270 (E), dated 26.03.2001) and meat processing industries, bone mill, processing of animal borns, hoofs and other body parts.
73.	Stone crushers.
74.	Sugar (excluding Khandsari).
75.	Synthetic detergents and soaps (large and medium scale).
76.	Synthetic fibers including rayon, tyre cord, ployster filament yarn.
77.	Synthetic leather, foam and related products except isolated moulding.
78.	Synthetic Rubber, Tyre and tube manufacturing-Large & Medium.
79.	Tanneries.
80.	Yarn/textile processing involving any effluent/emission-generating process, bleaching, dyeing, printing and scouring.
81.	Vegetable oil including solvent extraction and refinery/hydrogenated oils.

ANNEXURE-B

S.No.	Industry Sector - Orange Category
1.	Aluminium and copper extraction from scarp using oil/gas fired furnace.
2.	Any industry/industrial activity/process/operation/facility which is not covered in Red or Green category but having coal fired boiler with steam generation capacity less than 5 T/hr.
3.	Assembly and charging of acid lead battery/Dry cell battery (more than 10 battery per day).
4.	Automobile servicing, repairing and painting (with washing).
5.	Ayurvedic and Homeopathic medicine (with Boiler).
6.	Bakery/Confectionery/Sweets production (with production capacity \geq 1 tpd with oil, gas or electrical oven).
7.	Bio Fuel (with Boiler and/or using organic solvent).
8.	Brickfields (excluding fly ash brick manufacturing using lime process).
9.	Bi-axially oriented PP Film along with metalising operation.
10.	Candy Manufacturing - Large & Medium Scale.
11.	Cashew nut processing.
12.	Ceramic, Refractories.
13.	CFL, tube light bulb and so on.
14.	Chanachur and laddoo from puffed and beaten rice (muri and chira) using husk fired oven.
15.	Coal Washeries.
16.	Coated electrode manufacturing.
17.	Coffee seed processing.
18.	Compact disc, computer floppy & cassette manufacturing.
19.	Dairy and dairy products (small scale).
20.	DG Set of capacity $>$ 1 MVA but $<$ 5 MVA).
21.	Dismantling of rolling stocks (wagons/coaches).
22.	Fermentation industry including manufacture of yeast, malt, beer, distillation of alcohol (ENA) distillery)- Small Scale.
23.	Fertilizer (granulation and formulation only).
24.	Fish feed, poultry feed and cattle feed.
25.	Fish processing and packaging.
26.	Flakes from rejected PET bottle.
27.	Flour mills (with washing).
28.	Food & food processing including fruits & vegetable processing, food additives.
29.	Footwears without leather footwears.
30.	Forging of ferrous & non-ferrous metal (using any fuel including oil or gas-fired furnaces).
31.	Formuation of Pesticides, agro chemicals and so on and R & D Facilities.

32.	Formulation/paletization of camphor tablets, naphthalene balls from camphor/naphthlene powders.
33.	Gems and jewellery (using furnace and metal finishing).
34.	Glass and fiber glass moulding.
35.	Gravure printing, digital printing on flex, vinyl.
36.	Guar and guar gum.
37.	Gypsum Board.
38.	Handloom/Carpet weaving (Dry process-Large & Medium scale).
39.	Heavy engineering including Ship Building (with invstment on Plant & Machineries less than Rs. 10 Crores).
40.	Hotels (Less than 3 Star) and/or Hotels having more than 20 rooms and less than 100 rooms.
41.	Ice cream manufacturing.
42.	Jute processing without dyeing.
43.	Lime manufacturing (Using Lime Kiln).
44.	Liquid floor cleaner, black phenyl, liquid soap, glycerol monostearate manufacturing.
45.	Manufacture of mirror from sheet glass.
46.	Manufacture of Starch/Saggo.
47.	Manufacturing of iodized salt from crude/raw salt.
48.	Manufacturing of mosquito repellent coil.
49.	Manufacturing of Paints, Varnishes, Pigments and intermediate (blending/mixing only).
50.	Manufacturing of silica gel.
51.	Manufacturing of toothpowder, toothpaste, talcum powder and other cosmetic items.
52.	Mechanized laundry using oil fired boiler.
53.	Metal fabrication with painting operation.
54.	Modular wooden furniture from particle board, MDF, Swan timber etc., Ceiling tiles/partition board from saw dust, wood chips etc. & other agricultural waste using synthetic adhesive resin, wooden, box making (with Boiler).
55.	New highway construction projects.
56.	Non-alcoholic beverages (soft drink) & bottling of a alcohol/non alcoholic products-Small Scale.
57.	Oil and gas transportation pipeline (having DG set of more than 1 MVA and less than 5 MVA) and/or having gas based power plant of more than 5 MW.
58.	Parboiled rice mill.
59.	Pharmaceutical formulation and for R & D purpose (for sustained release/extended release of drugs only and not for commercial purpose).
60.	Plaster of Paris.
61.	Ply board manufacturing including veneer & laminate using boiler/thermic fluid heater.
62.	Potable alcohol (IMFL) by blending, bottling of alcoholic products.

63.	Power press.
64.	Printing Ink manufacturing (Formulation).
65.	Printing or etching of glass sheet using hydrofluoric acid.
66.	Printing press.
67.	Producer gas plant using conventional up-drift coal gasification (linked to rolling mills, glass and ceramic industry, refractories for dedicated fuel supply).
68.	Pulverisation of bamboo and scrapwood.
69.	Ready mix cement concrete.
70.	Reprocessing of waste plastic.
71.	Restaurant > 25 Seats.
72.	Spinning & weaving and yarn doubling - Large & Medium Scale.
73.	Spray painting, paint baking, paint stripping.
74.	Surgical and medical products including prophylactics and latex.
75.	Synthetic detergents and soaps [excluding soap manufacturing (handmade without steam boiling) and synthetic detergents formulation] - small scale.
76.	Synthetic resins.
77.	Synthetic rubber and foam moulding.
78.	Synthetic Rubber, Tyre and tube manufacturing - Small Scale.
79.	Teflon based products.
80.	Thermocol manufacturing (with Boiler).
81.	Thermometer making.
82.	Tobacco products including cigarettes and tobacco/opium processing.
83.	Transformer repairing / manufacturing.
84.	Tyres and tubes vulcanization/hot retreading.
85.	Vegetable oils including solvent extraction and refinery/hydrogenated oils.
86.	Water treatment plant.
87.	Wet mix macadam.
88.	Wire drawing & Wire netting.
89.	Coke briquetting.
90.	Cutting, sizing and polishing of marble, granite, kota stone and other stones (Except edge cutting & Chowkhat making).
91.	Seasoning of wood in steam heated chamber.
92.	Industry not covered in any other category and having source of Air and/or Water pollution.

Sd/-

ANNEXURE-C

S.No.	Industry Sector - Green Category
1.	All those industries/projects/processes/activities which are not covered under the list of Red or Orange or Green category and are discharging waste water and or air emission will be covered under Green category.
2.	Assembling of Acid lead battery (up to 10 batteries per day excluding lead plate casting).
3.	Automobile fuel outlet (only dispensing).
4.	Automobile servicing & repairing (without washing).
5.	Ayurvedic and Homeopathic medicine (without Boiler).
6.	Bakery/Confectioner/Sweets production (with production capacity < 1 tpd with oil, gas or electrical oven).
7.	Bio Fuel (without Boiler and/or using organic solvent).
8.	Biomass Briquettes (sun drying) without using toxic or hazardous wastes.
9.	Blending of melamine resins & different power, additives by physical mixing.
10.	Candy Manufacturing (SSI).
11.	Cardboard or corrugated box and paper produces (excluding paper or pulp manufacturing and without using boiler).
12.	Capentry and wooden furniture manufacturing with the help of electrical (motorized) machines such as electric wood planner, steel saw cutting circular blade etc.
13.	Cement products (without using Asbestos) like pipe, pillar, jali, well ring, block/tiles etc.
14.	Cold Rolling Mill.
15.	Dal Mills.
16.	Decoration of ceramic cups & plates by electric furnace.
17.	Diesel Generator set (15 KVA to 1 MVA) (isolated).
18.	Distilled water (without boiler).
19.	Facility of handling, storage and transportation of food grains in bulk.
20.	Fly ash export, transport and disposal facilities.
21.	Garment manufacturing (washing without detergent)
22.	Glass, ceramic, earthen potteries and tile manufacturing using electrical kiln or not involving fossil fuel kilns.
23.	Glue from starch (Physical mixing).
24.	Handicrafts Unit without furnace and surface treatment.
25.	Handloom/Carpet weaving (Dry process-SSI).
26.	Hotels (upto 20 rooms).
27.	Insulation and other coated papers (excluding paper or pulp manufacturing) manufacturing.
28.	Jobbing and machining.
29.	Leather footwear and leather products (excluding tanning and hide processing).
30.	Lubricating oils, greases or petroleum based products (only blending at normal temperature).

31.	Manufacturing of optical lenses (using electrical furnace).
32.	Manufacturing of pasted veneers without using boiler or Thermic Fluid Heater or by sundering.
33.	Metal utensils (Dry mechanical operations only).
34.	Mineral stack yards/Railway sidings.
35.	Mineralized Water.
36.	Modular wooden furniture from particle board, MDF, Swan timber etc, Ceiling tiles/partition board from saw dust, wood chips etc. & other agricultural waste using synthetic adhesive resin, wooden box making (with out Boiler).
37.	Modular wooden furniture from particle board, MDF, Swan timber etc, Ceiling tiles/partition board from saw dust, wood chips etc. & other agricultural waste using synthetic adhesive resin, wooden box making (Without Boiler).
38.	Oil and gas transportation pipeline (having small gas based power plant up to 5 MWs and/or upto D.G. sets of 1 MVA).
39.	Oil mill ghani & extraction (no hydrogenation/refining/solvent extraction).
40.	Packing materials manufacturing from non asbestos fibre, vegetable fibre yarn.
41.	Phenyl/Toilet cleaner formulation & Bottling.
42.	Polythene & plastic processed products manufacturing (virgin plastics).
43.	Poultry, hatchery, Piggery.
44.	Power looms (without dyeing and bleaching).
45.	Puffed rice (murl) (using oil, gas or electrical heating system).
46.	Reel manufacturing.
47.	Reprocessing of waste cotton.
48.	Restaurant (≤ 25 seats).
49.	Rice Mill (Rice hullers only).
50.	Rubber goods industry (with baby boiler only).
51.	Saw mill.
52.	Soap manufacturing (handmade without steam boiling).
53.	Spinning & weaving, yarn doubling (SSI).
54.	Fabrication.
55.	Steeping and processing of grains.
56.	Stone carving unit.
57.	Storage of ice-cream.
58.	Tea processing.
59.	Tyre retreading by cold process.
60.	Edge cutting and Choukhat making.
61.	Bio Fertilizer.

Office-Order

In supersession to earlier office order no. F.14 (23) Policy/RPCB/Plg./1312 to 1357, dated 16/03/2018, the State Board regarding the categorization of the industries/projects/processes/activities/mines for the purpose of consent mechanism, revised categorization for consent mechanism shall be as follows :—

1. Red category of industries/projects/processes/activities/mines: — Annexure A
2. Orange category of industries/projects/processes/activities/mines: — Annexure B
3. Green category of industries/projects/processes/activities/mines: — Annexure C

This bears approval of the competent authority.

ANNEXURE-A

S.No.	Industry Sector-Red Category
1.	Aerial rope way.
2.	Airports and commercial Air Strips.
3.	Any industry / industrial activity/process/operation/facility not covered in any of the categorization and having coa fired boiler with steam generation capacity capacity more than 5 T/hr.
4.	Asbestos and asbestos based industries.
5.	Automobiles Manufacturing (Integrated Facilities).
6.	Basic Chemicals and electro chemicals and its derivatives including manufacture of acids.
7.	Cement/Clinker Manufacturing.
8.	Chemical Fertilizer (excluding formulation).
9.	Chlor Alkali.
10.	Chlorates, perchlorates and peroxide.
11.	Chlorine, fluorine, bromine, iodine and their compounds.
12.	Coke making, liquefaction, coal tar distillation or fuel gas making.
13.	Coke oven plant.
14.	Common treatment and disposal facilities (CETP, TSDF, E-Waste recycling, CBMWTF Effluent conveyance project, incinerators, MSW sanitary landfill sites, STP).
15.	Dairy and dairy products-large and medium scale.
16.	DG set of capacity of ≥ 5 MVA Capacity.
17.	Dry coal processing/mineral processing, industries involving ore sintering, palletisation, grinding, pulverization.
18.	Dyes and Dye-Intermediates.
19.	Emulsion of oil & water.
20.	Fermentation industry including manufacture of yeast, Malt, beer, distillation of alcohol (ENA) distillery-Large & Medium Scale.
21.	Ferrous and non-ferrous metal extraction involving different furnaces through melting, refining, reprocessing, casting and alloy making.
22.	Fiber glass production and processing (Excluding moulding).
23.	Fire crackers manufacturing and bulk storage facilities.
24.	Halogenated hydrocarbons.
25.	Handloom/Carpet weaving (with dyeing and bleaching operation).
26.	Health care establishment (As defined in BMW Rules).
27.	Heavy engineering including Ship Building (With investment on Plant & Machineries more than Rs. 10 Crores).
28.	Heavy Water.

29.	Hot mix plants.
30.	Hotels (3 Star & Above) and/or Hotels having 100 rooms and above.
31.	Industrial carbon including electrodes and graphite blocks, activated carbone, carbon black.
32.	Industrial Estate/Parks/Complexes/Areas/Export processing Zones/SEZs/Biotech Parks/Leather Complexes (except solar and wind Industrial Estate/Parks/Complexes having areas upto 500 hectares).
33.	Industrial inorganic gses namely :— (a) Chemical gases : Acetylene, hydrogen, chlorine, fluorine, ammonia, sulphur dioxide, ethylene, hydrogen sulphide, phosphine; (b) Hydrocarbon gases : Methane, ethane, propane.
34.	Industries engaged in recycling/reprocessing/recovery/reuse of Hazardous Waste under Schedule IV and other schedule of Hazardous Waste (M, H & TBM) Rules, 2016 and its amendments and Municipal Solid Waste (M & H) Rules, 2000 and its amendments.
35.	Industry or process involving foundry operations.
36.	Industry or process involving metal surface treatment or process such as pickling/plating/electroplating/heat treatment/phosphating or finishing and anodising/enameling/galvanizing.
37.	Ink, Pigment and Intermediates other than formulation.
38.	Iron and Steel (Involving processing from ore/integrated steel plants) and or Sponge Iron industries.
39.	Isolated sotrage of hazardous chemicals (as per schedule of Manufacture, Storage & Import of Hazardous Chemicals Rules, 1989 as amended).
40.	Lead acide bettery manufacturing (excluding assembling & charging of acid lead battery).
41.	LPG bottling plant.
42.	Manufacturing of explosives, detonators, fuses including management and handling activities.
43.	Manufacturing of Glass.
44.	Manufacturing of Glue and Gelatin (excluding glue from starch).
45.	Manufacturing of lubricating oils, greases or petroleum based products (excluding blending only).
46.	Manufacturing of Paints, Varnishes, pigments and intermediate (excluding blending/mixing).
47.	Meineral grinding.
48.	Mining and/or ore beneficiation.
49.	Non-alcoholic beverages (soft drink) & bottling of alcohol/non alcoholic products-Large & Medium.
50.	Nuclear power plants.
51.	Oil & Gas extraction including CBM (Offshore & onshore extraction through drilling wells).
52.	Oil and gas transportation pipeline (having DG set of more than or equal to 5 MVA).
53.	Oil refinery (Mineral oil or Petro Refineries).
54.	Organic chmicals manufacturing.
55.	Pesticide specific intermediates.
56.	Pesticides (Technical) Excluding formulation).
57.	Petrochemicals (Manufacture of and not merely use of as raw material).

58.	Pharmaceuticals (excluding formulation).
59.	Phosphate rock processing plant.
60.	Phosphorous and its compounds.
61.	Photographic films and its chemicals.
62.	Ports & Harbours, Jetties and Dredging Operations.
63.	Power Generation plants (excluding Solar and Wind Renewable Power Plant of all capacity and mini hydal plant of less than 25 MW).
64.	Primary metalurgical units such as aluminium, copper, iron, zinc, lead etc.
65.	Processes involving chlorinated hydrocarbons.
66.	Processing of nuclear fuel.
67.	Pulp and/or paper manufacturing.
68.	Pyrolysis Plant.
69.	Railway Locomotive workshops/integrated Road transport workshop.
70.	River valley project.
71.	Ship breaking activities.
72.	Slaughter houses (as per the notification S.O. 270 (E), dated 26.03.2001) and meat processing industries, bone mill, processing of animal borns, hoofs and other body parts.
73.	Stone crushers.
74.	Sugar (excluding Khandsari).
75.	Synthetic detergents and soaps (large and medium scale).
76.	Synthetic fibers including rayon, tyre cord, ployster filament yarn.
77.	Synthetic leather, foam and related products except isolated moulding.
78.	Synthetic Rubber, Tyre and tube manufacturing-Large & Medium.
79.	Tanneries.
80.	Yarn/textile processing involving any effluent/emission-generating process, bleaching, dyeing, printing and scouring.
81.	Vegetable oil including solvent extraction and refinery/hydrogenated oils.

(Member Secretary)

ANNEXURE-B

S.No.	Industry Sector - Orange Category
1.	Aluminium and copper extraction from scarp using oil/gas fired furnace.
2.	Any industry/industrial activity/process/operation/facility which is not covered in Red or Green category but having coal fired boiler with steam generation capacity less than 5 T/hr.
3.	Assembly and charging of acid lead battery/Dry cell battery (more than 10 battery per day).
4.	Automobile servicing, repairing and painting (with washing).
5.	Ayurvedic and Homeopathic medicine (with Boiler).
6.	Bakery/Confectionery/Sweets production (with production capacity \geq 1 tpd with oil, gas or electrical oven).
7.	Bi-axially oriented PP Film along with metalising operation.
8.	Bio Fuel (with Bilerand/or using organic solvent).
9.	Brickfields (excluding fly ash brick manufacturing using lime process).
10.	Building and construction project more than 20,000/- sq. mt. township and area development project 5 hectare and more/dwelling units 50 and more.
11.	Candy Manufacturing - Large & Medium Scale.
12.	Cashew nut processing.
13.	Ceramic, Refractories.
14.	CFL, tube light bulb and so on.
15.	Chanachur and laddoo from puffed and beaten rice (muri and chira) using husk fired oven.
16.	Coal Washeries.
17.	Coated electrode manufacturing.
18.	Coffee seed processing.
19.	Coke briquetting.
20.	Compact disc, computer floppy & cassette manufacturing.
21.	Cutting, sizing and polishing of marble, granite, kota stone and other stones (Except edge cutting & Chowkhat making).
22.	Dairy and dairy products (small scale).
23.	DG Set of capacity $>$ 1 MVA but $<$ 5 MVA).
24.	Dismantling of rolling stocks (wagons/coaches).
25.	Fermentation industry including manufacture of yeast, malt, beer, distillation of alcohol (ENA) distillery)- Small Scale.
26.	Fertilizer (granulation and formulation only).
27.	Fish fee, poultry feed and cattle feed.
28.	Fish processing and packaging.
29.	Flakes from rejected PET bottle.

30.	Flour mills (with washing).
31.	Food & food processing including fruits & vegetable processing, food additives.
32.	Footwears without leather footwears.
33.	Forging of ferrous & non-ferrous metal (using any fuel including oil or gas-fired furnaces).
34.	Formulation of Pesticides, agro chemicals and so on and R & D Facilities.
35.	Formulation/paletization of camphor tablets, naphthalene balls from camphor/naphthlene powders.
36.	Gems and jewellery (using furnace and metal finishing).
37.	Glass and fiber glass moulding.
38.	Gravure printing, digital printing on flex, vinyl.
39.	Guar and guar gum.
40.	Gypsum Board.
41.	Handloom/Carpet weaving (Dry process-Large & Medium scale).
42.	Heavy engineering including Ship Building (with invstment on Plant & Machineries less than Rs. 10 Crores).
43.	Hotels (Less than 3 Star) and/or Hotels having more than 20 rooms and less than 100 rooms.
44.	Ice cream manufacturing.
45.	Industry not covered in any other category and having source of Air and/or Water pollution.
46.	Jute processing without dyeing.
47.	Lime manufacturing (Using Lime Kiln).
48.	Liquid floor cleaner, black phenyl, liquid soap, glycerol monostearate manufacturing.
49.	Manufacture of mirror from sheet glass.
50.	Manufacture of Starch/Saggo.
51.	Manufacturing of iodized salt from curde/raw salt.
52.	Manufacturing of mosquito repellent coil.
53.	Manufacturing of Paints, Varnishes, Pigments and intermediate (blending/mixing only).
54.	Manufacturing of silica gel.
55.	Manufacturing of toothpowder, toothpaste, talcum powder and other cosmetic items.
56.	Mechanized laundry using oil fired boiler.
57.	Metal fabrication with painting operation.
58.	Modular wooden furniture from particle board, MDF, Swan timber tc, Ceiling tiles/partition board from saw dust, wood chips etc. & other agricultural waste using synthetic adhesive resin, wooden, box making (with Boiler).
59.	New highway construction projects.
60.	Non-alcoholic beverages (soft drink) & bottling of a alcohol/non alcoholic products-Small Scale.
61.	Oil and gas transportation pipeline (having DG set of more than 1 MVA and less than 5 MVA) and/or having gas based power plant of more than 5 MW.

62.	Parboiled rice mill.
63.	Pharmaceutical formulation and for R & D purpose (for sustained release/extended release of drugs only and not for commercial purpose).
64.	Plaster of Paris.
65.	Ply board manufacturing including veneer & laminate using boiler/thermic fluid heater.
66.	Potable alcohol (IMFL) by blending, bottling of alcoholic products—Small Scale.
67.	Power press.
68.	Printing Ink manufacturing (Formulation).
69.	Printing or etching of glass sheet using hydrofluoric acid.
70.	Printing press.
71.	Producer gas plant using conventional up-drift coal gasification (linked to rolling mills, glass and ceramic industry, refractories for dedicated fuel supply).
72.	Pulverisation of bamboo and scrapwood.
73.	Ready mix cement concrete.
74.	Reprocessing of waste plastic.
75.	Restaurant > 25 Seats.
76.	Seasoning of wood in steam heated chamber.
77.	Spinning & weaving and yarn doubling - Large & Medium Scale.
78.	Spray painting, paint baking, paint stripping.
79.	Surgical and medical products including prophylactics and latex.
80.	Synthetic detergents and soaps [excluding soap manufacturing (handmade without steam boiling) and synthetic detergents formulation] - small scale.
81.	Synthetic resins.
82.	Synthetic rubber and foam moulding.
83.	Synthetic Rubber, Tyre and tube manufacturing - Small Scale.
84.	Teflon based products.
85.	Thermocol manufacturing (with Boiler).
86.	Thermometer making.
87.	Tobacco products including cigarettes and tobacco/opium processing.
88.	Transformer repairing / manufacturing.
89.	Tyres and tubes vulcanization/hot retreading.
90.	Water treatment plant.
91.	Wet mix macadam.
92.	Wire drawing & Wire netting.

Sub : Regarding dealing with applications and consent fees calculations for the Drug Ware House units in the State.

Sir,

It is inform you that the drug ware houses have applied for consent to establish/consent to operate under Water Act, 1974/Air Act, 1981 and authorization under Bio Medical Waste Management Rules, 2016, to seek one time authorization & consent from the State Board, as such units are not having beds hence falls under serial no. 01 of Part-III of Schedule of State Government Notification dated 26.05.2016. It has come to the notice of undersigned that the calculations of applicable consent fees are different for case to case in Regional Offices. Therefore, you are directed to calculate the applicable consent fees as per the method mentioned below under the provisions of Water & Air Acts (whichever is applicable), to maintain uniformity in fee calculation and dealing with the applicable:—

S. No.	Case type	Applicable consent fees for content to Establish under (Water/Air Act, as the case may be)	Applicable consent fees for consent to operate under (Water/Air Act, as the case may be)	Applicable consent fees for back period up to 26.05.2016*
01.	If unit applied first time	Rs. 5000/-	Rs. 10,000/- + 25% Additional Fee.	Rs. 1000/- per Annum in accordance with notification no. S.O. 344, dated 31.01.2002. * After 25.05.2016 applicable fees as per Part-III of Schedule.
02.	If unit applied for renewal	NA	Rs. 10,000/- + 50% Additional (If applied after expiry) OR 25% Additional if Applied before expiry but within 120 days period.	Rs. 1000/- per Annum in accordance with notificaiton no. S.O. 344, dated 31.01.2002. (If applicable) *After 25.05.2016 applicable fees as per Part-III of Scheule.

Please also ensure that the consent to operate and authorization to such units be issued with condition that “this consent/authorization need not to be renewed till any addition/modification/expansion/alteration in process”. It is also directed that the decision on pending applications of drug ware hous should be taken on priority.

Yours sincerely,

Office Order

**Fee Schedule for Authorization under the Hazardous and Other
Waste (Management and Transboundary Movement) Rules, 2016**

Under the provisions of Hazardous and Other Wastes (Management & Transboundary Movement) Rules, 2016 the project proponent apply for obtaining authorisation under Rule 6, one time authorisation under rule 13 and thereafter, for amendment/modification of the authorization for various reasons including inclusion for additional vehicle for transportation/additional category of waste for co-processing/increasing quantity of wastes etc.

It has been decided to impose processing fee for applications for authorization/one time authorization for hazardous waste as follows :—

S.No.	Type of Application	Fee
1.	Application for Authorisation under Rule 6 for generation, collection, storage, packaging, transportation, use, treatment, processing, recycling recovery, pre-processing, recycling recovery, pre-processing, co-processing utilisation, offering for sale of hazardous waste and other waste or its renewal.	Rs. 5,000 (Rupees five thousand) for each category of Hazardous or other waste.
2.	One time authorisation for import and export of hazardous or other waste under Rule 13.	Rs. 20,000 (Rupees Twenty thousand)
3.	Authorisation for transportation or inclusion of additional vehicle in already valid authorisation.	Rs. 5,000 (Rupees five thousand) per vehicle.
4.	Authorisation for inclusion of additional waste for co-processing in valid authorization.	Rs. 5000 (Rupees five thousand) for each category of waste.

It is further directed that :—

1. The application for authorization should be made atleast 120 days before the commissioning of the plant failing to which the application for authorization shall be accompanied with an additional fee of 25% of the prescribed fee.
2. The applications for renewal of authorization should be made atleast 120 days before the expiry of validity of authorization failing which the application for renewal of authorization shall be accompanied with an additional fee of 25% of the applicable fee.

3. Where an application for renewal of authorization is made after expiry of the validity of authorization, the application shall be accompanied with an additional fee of 50% of the prescribed fee.

This order shall come into force with immediate effect and shall be applicable to all applications for authorisation and one time authorisation which are received after this order comes into force.

This bears approval of the competent authority.

S.No.	Industry Sector-Red Category
1.	Aerial rope way.
2.	Airports and commercial Air Strips
3.	Any industry / industrial activity/process/operation/facility not covered in any of the categorization and having coal fired boiler with steam generation capacity capacity more than 5 T/hr.
4.	Asbestos and asbestos based industries.
5.	Automobiles Manufacturing (Integrated Facilities).
6.	Basic Chemicals and electro chemicals and its derivatives including manufacture of acids.
7.	Cement/Clinker Manufacturing.
8.	Chemical Fertilizer (excluding formulation).
9.	Chlor Alkali.
10.	Chlorates, perchlorates and peroxides.
11.	Chlorine, fluorine, bromine, iodine and their compounds.
12.	Coke making, liquefaction, coal tar distillation or fuel gas making.
13.	Coke oven plant.
14.	Common treatment and disposal facilities (CETP, TSDF, E-Waste recycling, CBMWTF Effluent conveyance project, incinerators, MSW sanitary landfill sites, STP and Fecal Sludge Treatment Plant).
15.	Dairy and dairy products-large and medium scale.
16.	DG set of capacity of ≥ 5 MVA Capacity.
17.	Dyes and Dye-Intermediates.
18.	Emulsion of oil & water.
19.	Fermentation industry including manufacture of yeast, Malt, beer, distillation of alcohol (ENA) distillery-Large & Medium Scale.
20.	Fiber glass production and processing (Excluding moulding).
21.	Fire crackers manufacturing and bulk storage facilities.
22.	Halogenated hydrocarbons.
23.	Handloom/Carpet weaving (with dyeing and bleaching operation).
24.	Health care establishment (As defined in BMW Rules).
25.	Heavy engineering including Ship Building (With investment on Plant & Machineries more than Rs. 10 Crores).
26.	Heavy Water plant.
27.	Hotels (3 Star & Above) and/or Hotels having 100 rooms and above.
28.	Industrial carbon including electrodes and graphite blocks, activated carbon, carbon black.
29.	Industrial Estate/Parks/Complexes/Areas/Export processing Zones/SEZs/Biotech Parks/Leather Complexes (except solar and wind Industrial Estate/Parks/Complexes having areas upto 500 hectares).

30. Industrial inorganic gases namely :— (a) Chemical gases : Acetylene, hydrogen, chlorine, fluorine, ammonia, sulphur dioxide, ethylene, hydrogen sulphide, phosphine; (b) Hydrocarbon gases : Methane, ethane, propane.
31. Industries engaged in recycling/reprocessing/recovery/reuse of Hazardous Waste under Schedule IV and other schedule of Hazardous Waste (M, H & TBM) Rules, 2016 and its amendments and Municipal Solid Waste (M & H) Rules, 2000 and its amendments.
32. Industry or process involving foundry operations having capacity ≥ 5 MT/hr.l
33. Industry or process involving metal surface treatment or process such as pickling/plating/electroplating/heat treatment/phosphating or finishing and anodising/enameling/galvanizing.
34. Ink, Pigment and Intermediates other than formulation.
35. Iron and Steel (Involving processing from ore/integrated steel plants) and or Sponge Iron industries.
36. Isolated storage of hazardous chemicals (as per schedule of Manufacture, Storage & Import of Hazardous Chemicals Rules, 1989 as amended).
37. Lead acid battery manufacturing (excluding assembling & charging of acid lead battery).
38. LPG bottling plant.
39. Manufacturing of explosives, detonators, fuses including management and handling activities.
40. Manufacturing of Glue and Gelatin.
41. Manufacturing of Lead Glass.
42. Manufacturing of lubricating oils, greases or petroleum based products (excluding blending only).
43. Manufacturing of Paints, Varnishes, pigments and intermediate (excluding blending/mixing).
44. Mining and/or ore beneficiation.
45. Non-alcoholic beverages (soft drink) & bottling of alcohol/non alcoholic products-Large & Medium.
46. Nuclear power plants.
47. Oil & Gas extraction including CBM (Offshore & onshore extraction through drilling wells).
48. Oil and gas transportation pipeline (having DG set of more than or equal to 5 MVA).
49. Oil refinery (Mineral oil or Petro Refineries).
50. Organic chemicals manufacturing (Excluding formulation).
51. Pesticide specific intermediates.
52. Pesticides (Technical) (Excluding formulation).
53. Petrochemicals (Manufacture of and not merely use of as raw material).
54. Pharmaceuticals (excluding formulation).
55. Phosphate rock processing plant.
56. Phosphorous and its compounds.
57. Photographic films and its chemicals.
58. Ports & Harbours, Jetties and Dredging Operations.

59. Power Generation plants (excluding Solar and Wind Renewable Power Plant of all capacity and mini hydal plant of less than 25 MW).
 60. Primary metalurgical units such as aluminium, copper, iron, zinc, lead etc.
 61. Processes involving chlorinated hydrocarbons.
 62. Processing of nuclear fuel.
 63. Pulp and/or paper manufacturing.
 64. Pyrolysis Plant.
 65. Railway Locomotive workshops/integrated Road transport workshop.
 66. Railway Stations (Outward passenger handled \geq 10 million per year).
 67. River valley project.
 68. Ship breaking activities.
 69. Slaughter houses (as per the notification S.O. 270 (E), dated 26.03.2001) and meat processing industries, bone mill, processing of animal horns, hoofs and other body parts.
 70. Sugar (excluding Khandsari).
 71. Synthetic detergents and soaps (large and medium scale).
 72. Synthetic fibers including rayon, tyre cord, ployster filament yarn.
 73. Synthetic leather, foam and related products except isolated moulding.
 74. Synthetic Rubber, Tyre and tube manufacturing-Large & Medium.
 75. Tanneries.
 76. Vegetable oil including solvent extraction and refinery/hydrogenated oils.
 77. Yarn/textile processing involving any effluent/emission-generating process, bleaching, dyeing, printing and scouring.
 78. Ferrous and nonferrous metal extraction involving different furnaces through melting, refining, reprocessing, casting and alloy making.

S.No.	Industry Sector - Orange Category
1.	Aluminium and copper extraction from scarp using oil/fired furnace.
2.	Any industry/industrial activity/process/operation/facility which is not covered in Red or Green category but having coal fired boiler with steam generation capacity upto 5 T/hr.
3.	Assembly and charging of acid lead battery/Dry cell battery (more than 10 battery per day).
4.	Automobile servicing, repairing and painting (with washing).
5.	Ayurvedic and Homeopathic medicine (with Boiler).
6.	Bakery/Confectionery/Sweets production (with production capacity \geq 1 tpd with oil, gas or electrical oven).
7.	Bio Fuel (with Boiler and/or using organic solvent).
8.	Brickfields (excluding fly ash brick manufacturing using lime process).
9.	Building and construction project > 20000 Sq. M township and area devepoment project 5 hectare and more/dwelling units 50 and more.
10.	Candy Manufacturing - Large & Medium Scale.
11.	Cashew nut processing.
12.	Ceramic, Refractories.
13.	CFL, tube light bulb and so on.
14.	Chanachur and laddoo from puffed and beaten rice (muri and chira).
15.	Coal Washeries.
16.	Coated electrode manufacturing.
17.	Coffee seed processing.
18.	Coke briquetting (except sun-drying).
19.	Compact disc, computer floppy & cassette manufacturing.
20.	Cotton ginning & processing (Large and Medium Scale units).
21.	Cutting, Sizing and polishing of marble, granite, Kota stone and other stones (Except edge cutting & Cowkhat making).
22.	Dairy and dairy products (small scale).
23.	DG Set of capacity > 1 MVA but < 5 MVA) (Isolated).
24.	Dismantling of rolling stocks (wagons/coaches).
25.	Dry coal processing industries involving ore sintering, palletisation, grinding, pulverization.
26.	Fermentation industry including manufacture of yeast, malt, beer, distillation of alcohol (ENA) distillery)- Small Scale.
27.	Fertilizer (granulation and formulation only).
28.	Fish feed, poultry feed and cattle feed.
29.	Fish processing and packaging.

30. Flakes from rejected PET bottle.
31. Flour mills (with washing).
32. Food & food processing including fruits & vegetable processing, food additives.
33. Footwears without leather footwears.
34. Forging of ferrous & non-ferrous metal (using oil or gas-fired furnaces).
35. Formulation of Pesticides, agro chemicals and so on and R & D Facilities.
36. Formulation/paletization of camphor tablets, naphthalene balls from camphor/naphthalene powders.
37. Gems and jewellery (using furnace and metal finishing).
38. Glass and fiber glass moulding.
39. Gravure printing, digital printing on flex, vinyl.
40. Guar and guar gum.
41. Gypsum Board.
42. Handloom/Carpet weaving (Dry process-Large & Medium scale).
43. Heavy engineering including Ship Building (with investment on Plant & Machineries less than Rs. 10 Crores).
44. Hot mix plants.
45. Hotels (Less than 3 Star) and/or Hotels having more than 20 rooms and less than 100 rooms.
46. Ice cream manufacturing.
47. Industry not covered in any other category and having source of Air and/or Water pollution.
48. Industry or process involving foundry operations having capacity < 5 MT/hr.
49. Jute processing without dyeing.
50. Lime manufacturing (Using Lime Kiln).
51. Liquid floor cleaner, black phenyl, liquid soap, glycerol monostearate manufacturing.
52. Manufacture of mirror from sheet glass.
53. Manufacture of Starch/Saggo.
54. Manufacturing of Glass (Except Lead Glass).
55. Manufacturing of iodized salt from crude/raw salt.
56. Manufacturing of mosquito repellent.
57. Manufacturing of Paints, Varnishes, Pigments and intermediate (blending/mixing only).
58. Manufacturing of silica gel.
59. Manufacturing of toothpowder, toothpaste, talcum powder and other cosmetic items.
60. Marriage Gardens/Lawns with land area more than 2500 sq. m.
61. Mechanized laundry using oil fired boiler.
62. Metal fabrication with painting operation.
63. Mineral grinding (including hydrated lime without kiln).
64. Mineral Processing / Separation plant (crushing, screening and washing).

65. Modular wooden furniture from particle board, MDF, Swan timber etc., Ceiling tiles/partition board from saw dust, wood chips etc. & other agricultural waste using synthetic adhesive resin, wooden, box making (with Boiler).
66. New highway construction projects.
67. Non-alcoholic beverages (soft drink) & bottling of alcohol/non alcoholic products-Small Scale.
68. Oil and gas transportation pipeline (having DG set of more than 1 MVA and less than 5 MVA) and/or having gas based power plant of more than 5 MW.
69. Organic chemicals manufacturing (formulation).
70. Parboiled rice mill.
71. Pharmaceutical formulation and for R & D purpose (for sustained release/extended release of drugs only and not for commercial purpose).
72. Plaster of Paris.
73. Ply board manufacturing including veneer & laminate using boiler/thermic fluid heater.
74. Potable alcohol (IMFL) by blending, bottling of alcoholic products.
75. Power press.
76. Printing Ink manufacturing (Formulation).
77. Printing or etching of glass sheet using hydrofluoric acid.
78. Printing press.
79. Producer gas plant using conventional up-drift coal gasification (linked to rolling mills, glass and ceramic industry, refractories for dedicated fuel supply).
80. Railway Stations (Outward passenger handled > 1 million to < 10 million per year).
81. Reprocessing of waste plastic.
82. Restaurant > 25 Seats.
83. Scrapping centres (for end of life of vehicles and other scraps such as plant and machineries, structural material, railway coaches and wagons etc.)
84. Spinning & weaving and yarn doubling - Large & Medium Scale.
85. Spray painting, paint baking, paint stripping.
86. Stone crushers.
87. Surgical and medical products including prophylactics and latex.
88. Synthetic detergents and soaps [excluding soap manufacturing (handmade without steam boiling) and synthetic detergents formulation] - small scale.
89. Synthetic resins.
90. Synthetic rubber and foam moulding.
91. Synthetic Rubber, Tyre and tube manufacturing - Small Scale.
92. Teflon based products.
93. Thermocol manufacturing (with Boiler).

94. Thermometer making.
 95. Tobacco products including cigarettes and tobacco/opium processing.
 96. Transformer repairing / manufacturing.
 97. Tyres and tubes vulcanization/hot retreading.
 98. Water treatment plant.
 99. Wet mix macadam.
 100. Wire drawing & Wire netting.

S.No.	Industry Sector - Green Category
1.	All types of Commercial testing laboratories (except diagnostic centres).
2.	Assembling of Acid lead battery (up to 10 batteries per day excluding lead plate casting).
3.	Automobile fuel outlet (only dispensing) having adequate arrangements for vapor collection during dispensing.
4.	Automobile servicing & repairing (without washing).
5.	Ayurvedic and Homeopathic medicine (without Boiler).
6.	Bakery/Confectionery/Sweets production (with production capacity < I tpd with oil, gas or electrical oven).
7.	Bamboo & Cane product including Manufacturing from cane and bamboo of shopping bags, ornaments boxes (only dry operations).
8.	Bi-axially oriented PP film along with metalising operation.
9.	Bio Fertilizer.
10.	Bio Fuel (without Boiler and/or using organic solvent).
11.	Bio/agro waste based briquettes by dry pressing only (sun drying) without using toxic or hazardous wastes.
12.	Blending of melamine resins & different power, additives by physical mixing.
13.	Book Binding.
14.	Building and construction project from 2,500 to < 20,000 sq.m. built up area.
15.	Candy Manufacturing (SSI).
16.	Cardboard or corrugated box and paper produces (excluding paper or pulp manufacturing and without using boiler).
17.	Capentry and wooden furniture manufacturing with the help of electrical (motorized) machines such as electric wood planner, steel saw cutting circular blade etc.
18.	Cement products (without using Asbestos) like pipe, pillar, jali, well ring, block/tiles etc.
19.	Coke briquetting (sun drying).
20.	Cold Rolling Mill.
21.	Compressed Biogas/Biogas plants except domestic biogas digester.
22.	Cottage Industry for manufacturing of pickle, papad, badi, mangodi etc.
23.	Cottage Industry for manufacturing of spices (Spices Mills).
24.	Cotton ginning & processing (small scale units).
25.	Dal Mills.
26.	Decoration of ceramic cups & plates by electric furnace.
27.	Diesel Generator set (15 KVA to 1 MVA) (isolated).
28.	Distilled water (without boiler).
29.	Edge cutting and Choukhat making.

30. Engineering and Fabrication units (without metal treatment).
31. Facility of handling, storage and transportation of food grains in bulk.
32. Fly ash export, transport and disposal facilities.
33. Garment manufacturing (washing without detergent)
34. Glass, ceramic, earthen potteries and tile manufacturing using electrical kiln or not involving fossil fuel kilns.
35. Glue from starch (Physical mixing).
36. Handicrafts Unit without furnace and surface treatment.
37. Handloom/Carpet weaving (Dry process-SSI).
38. Hotels (upto 20 rooms).
39. Insulation and other coated papers (excluding paper or pulp manufacturing) manufacturing.
40. Jobbing and machining.
41. Leather footwear and leather products (excluding tanning and hide processing).
42. Lubricating oils, greases or petroleum based products (only blending at normal temperature).
43. Manufacturing of handicrafts/decorative/fancy items, only dry processes with no source of air emissions.
44. Manufacturing of optical lenses (using electrical furnace).
45. Manufacturing of pasted veneers without using boiler or Thermic Fluid Heater or by sundering.
46. Marriage Gardens/Lawns with land area ≤ 2500 sq. m.
47. Metal utensils (Dry mechanical operations only).
48. Mineral stack yards/Railway sidings.
49. Mineralized Water.
50. Modular wooden furniture from particle board, MDF, Swan timber etc, Ceiling tiles/parition board from saw dust, wood chips etc. & other agricultural waste using synthetic adhesive resin, wooden box making (with out Boiler).
51. Oil and gas transportation pipeline (having small gas based power plant up to 5 MWs and/or upto D.G. sets of 1 MVA).
52. Oil mill ghani & extraction (no hydrogenation/refining/solvent extraction).
53. Packing materials manufacturing from non asbestos fibre, vegetable fibre yarn.
54. Phenyl/Toilet cleaner formulation & Bottling.
55. Polythene & plastic processed products manufacturing (virgin plastics).
56. Poultry, hatchery, Piggery.
57. Power looms (without dyeing and bleaching).
58. Puffed rice (murl) (using oil, gas or electrical heating system).
59. Pulvensation of bamboo and scrapwood.
60. Railway Stations (Outward (passenger handled < 1 million per year).
61. Ready mix cement concrete.
62. Reel manufacturing.
63. Reprocessing of waste cotton.

64. Restaurant (≤ 25 seats).
 65. Rice Mill (Rice hullers only).
 66. Rubber goods industry (with baby boiler only).
 67. Saw mill.
 68. Seasoning of wood in steam heated chamber.
 69. Soap manufacturing (handmade without steam boiling).
 70. Spinning & weaving, yarn doubling (SSI).
 71. Steeping and processing of grains.
 72. Stone carving (non-power operated tools).
 73. Storage of ice-cream.
 74. Tea processing.
 75. Tyre retreading by cold process.
 76. Personal Protective Gears such as face masks, personnel protective equipment (PPEs) etc.

Date : 28.07.2020

Office Order

In partial modification to State Board's earlier office order no. F.14 (23) Policy/RPCB/Plg./153-189, dated 02.06.2020, the categorization of the following sectors is decided as under :—

S.No.	Sector of Industry	New Category
1.	Dairy Farm	Orange
2.	Gaushalas (effluent generation more than 100 KLD)	Orange
3.	Gaushalas (effluent generation less than 100 KLD)	Green

Rest of the categorization of industries will remain same as categorized vide office order F. 14 (23) Policy/RPCB/Plg./153-189, dated 02.06.2020. This will come into force with immediate effect.

This bears approval of the competent authority.

OFFICE ORDER

The inspections are to be done by the officials of the State Board, as prescribed under the various Acts, being implemented by the State Board. These inspections are being carried out time to time by officials of the State Board in discharge of their duties. The inspection reports are to be submitted by the inspecting officials to the Regional Offices/Head Office and as per the requirement of the Board. The reports are presently being submitted offline.

In this context, it is brought to the notice of all the concerned that an online system has been implemented in MIS for requisitioning and submitting inspection reports. Therefore, it is directed that henceforth all inspection report shall be submitted through MIS in online mode and offline reports will be dispensed with from 22.11.2015.

It is further directed that, inspection shall be carried out in such a manner that, as far as possible, consecutive inspections of an entity/industry/mines shall not be done by the same person.

OFFICE ORDER

The applicants, while applying for the consent/authorisation, sometimes deposits fee in excess than actually required. The Board has already issued necessary orders for refund of such excess fee, in case demanded by the applicant. The Board has developed and implemented a complete system for online submission of the application. The fee is being deposited in account maintained at head office.

Looking to the requirement of refund of the excess fee deposited for the application dealt at the Regional Offices and the Head Office, following procedure has to be followed for the refund of the excess fee.

1. The applicant shall make an application for refund of excess fee deposited in the State Board with relevant details.
2. The complete case shall be processed by the concerned Regional office (in case of the industries/projects in his purview) and shall be forwarded to the concerned technical/scientific group along with the supporting documents and clear & specific recommendation.
3. The relevant group shall process the request and the documents for the industries/projects of head office purview or cases as received from the Regional Offices, and shall submit to the appropriate competent authority for decision on the refund.
4. After approval of competent authority, a sanction order for refund shall be prepared by the relevant grp in the prescribed format.
5. The accounts section will prepare the refund instrument and sent to the Regional Office or the group as the case may be. In case of online transfer, it shall be done by the Accounts section only.
6. The record shall be kept by the group in the file and by the accounts section in the Guard file.

This bears the approval of the competent authority.

Sub.:- Regarding disposal of consent applications of the Brick kilns unit Situated in your jurisdictions.

Ref.:- Meeting held on 11.05.2016

Sir,

With reference to above, the issue related to Brick kiln units situated in your respective jurisdictions was discussed on 11.05.2016 in a meeting chaired by Chairperson. In the meeting it was discussed that most of the Regional Officer after refusal of CTE & CTO applications related to brick kilns are being forwarded to HO without checking for mandatory documents i.e. land conversion letter from competent authority, valid soil mining license, source of water, DIC Certificate, CA certificate adequate fees & applicable bank guarantee, detail of plantation, details of gravitational settling chamber, adequate monitoring facilities, readdressal of the reasons due to which earlier consent was refused at their level and latest inspection report with clear comments/recommendations for disposal of consent applications.

In this regards to maintain uniformity in consent, your are authorized to dispose off the consent applications pertaining to brick kilns on merit basis and report to this office accordingly. A list of respective units of your jurisdiction is enclosed for your reference.

Yours Sincerely

OFFICE ORDER

In continuation to this office order No. F 12(PSC-1)/RSPCB/PSC/473-510 dated 01.06.2016 it is clarified that:-

- (i) Green category industries which have been compliant for the last 5 years with the provisions of various Environmental Acts/Laws are here by exempted from inspection by the board. Self certification of such industries will be sufficient.
- (ii) In order to facilitate industries with medium pollution risk (Orange category) and which have also been compliant during last 5 years with the provisions of various Environmental Acts/Laws, an inspection cum audit report prepared by third party i.e. Inspection Bodies accredited by National Accreditation Board for Certification Bodies (NABCB) of Quality Council of India/recognized by Ministry of Environment, Forests & Climate Change/Central Pollution Control Board/Rajasthan State Pollution Control Board/any other state Pollution Control Board for the purpose will be recognized. Inspections by Board officials will not be required in such cases.

This bears approval of the competent authority.

Sub.:- Regarding disposal of consent applications of the Brick kiln unit Situated in your jurisdictions wherein closure directions have been issued by HO.

Ref.:- Office Order No. 585 to 630 11.05.2016 and Letter No. 111 dated 23.05.2016.

Sir,

With reference to above, Brick kilns fall in orange category as per office order of categorization and falls in jurisdiction of Regional Officers as per office order regarding delegation of Powers to Regional Officer issued by HO vide letter no. F.14(23)Policy/RPCB/Plg/10548-10587 and No. 10588-10631 dated 07.03.2013 respectively. As per subsequent office order no 585 to 630 dated 15.06.2016 and HO letter no. 111 dated 23.05.2016, the decision on fresh pending consent applications submitted after refusal may also be taken at RO level. No such fresh applications for brick kilns be forwarded to HO in future to avoid any delay in disposal of consent applications.

In the regards, to maintain uniformity in consent, you are authorized to dispose off the consent applications pertaining to brick kilns wherein closure directions have been issued under sections-31(A) of Air Act 1981 by HO on merit basis, after ensuring the compliances of the issues/reasons for earlier refusal of consent and the closure directions after checking for mandatory documents i.e. land conversion letter from competent authority, valid soil mining license, source of water, boundary wall, sign board, DIC certificate, CA certificate, adequate fees & applicable bank guarantee, details of plantain, details of gravitational settling chamber, adequate monitoring facilities etc. After ensuring with completeness of documents & complete addressal of reasons/issues and issuance of fresh consent to operate under Air Act 1981 at RO level a letter that the closure directions cease to remain in force may also be issued by respective Regional Officers in enclosed format as earlier practice by RO Jaipur in cases pertaining to Kaladera, Jaipur (Copy Enclosed)

Yours Sincerely

Ph 5101871, 5101872 EPBX : 5159600, 5159699 Fax : 5159694-97 www.rpcb.nic.in

No. F-12(CC-69)/RPCB/Gr. Mines/2846 to 2882

Dated 12.01.2017

OFFICE ORDER

The Hon'ble Supreme Court has directed the Board vide order dated 23.08.2016, in the matter of Writ Petition (Civil) No. 110/2006, People's Rights & Social Res. Centre & Others V/s Union of India and others, to take steps to close down non-complaint quartz grinding industries after inspection and verification of the action taken regarding implementation of the recommendations made by Central Pollution Control Board (CPCB). The Hon'ble Supreme Court had allowed time of ten weeks for the same.

Accordingly, the work of inspection of quartz grinding industries is going on priority basis. As per prevailing delegation of powers, Regional Officers are competent to revoke/refuse consent to establish and consent to operate of the quartz grinding industries whereas, powers to confirm directions under section 31A/33A are delegated to the Chairperson.

The number of quartz grinding industries is very large (approx. 1800) and time available for completing the task to ensure compliance of the directions of the Hon'ble Supreme Court is short. As per present delegation of powers, the procedure of confirmation of directions at the Head Office level, after refusal/revocation of consent to operate by Regional Officer, may be time consuming.

In order to ensure compliance of Hon'ble Supreme Court order dated 23.08.2016 in time and to avoid procedural delay, in supersession to all previous orders, the powers to revoke/refuse CTO and issue directions under section 31A/33A to quartz grinding industries is hereby delegated to Regional Officers for the compliance of directions dated 23.08.2016 of the Hon'ble Supreme Court in the matter of Writ Petition (Civil) No. 110/2006, People's Rights & Social Res. Centre & Others V/s Union of India and others.

This bears approval of the competent authority.

RAJASTHAN STATE POLLUTION CONTROL BOARD

4, Institutional Area, Jhalana Doongri, Jaipur-302004

Ph 5101871, 5101872 EPBX : 5159600, 5159699 Fax : 5159694-97 www.rpcb.nic.in

No. F-12(CC-69)/RPCB/Gr. Mines/3450-3486

Dated 21.03.2017

OFFICE ORDER

The powers to revoke/refuse CTO and issue directions under section 31A/33A to quartz grinding industries were delegated to Regional Officers for the compliance of directions dated 23.08.2016 of the Hon'ble Supreme Court in the matter of Writ Petition (Civil) No. 110/2006, People's Rights & Social Res. Centre & Others V/s Union of India and others, vide this office order no. F-12(CC-69)/RPCB/Gr. Mines/2846-2882, dated 12.01.2017.

Accordingly, Regional Officers have been issuing directions under section 31A/33A of Air/Water Acts against the defaulter units.

Powers to decide the consent applications filed after issuance of directions under section 31A/33A are vested in the Head Office. As the number of directions confirmed is very large, this practice would increase work load on the Head Office many folds. In additions, the verification of PCM by RO and subsequent processing of consent applications and decision at the level of the Head Office would necessitate longer time, due to large number of consent applications.

In view of above the powers to process/decide first application for CTO submitted after refusal/revocation of CTO and/or confirmation of directions under section 31A/33A in case of quartz grinding industries are being delegated to Regional Officers of the State Board. This power shall, however, be restricted in case of quartz grinding industries in which directions have been issued by RO in exercise of powers conferred vide office order dated 12.01.2017.

The details of pollution control measures which are required to installed by quartz grinding industries (as per recommendations of CPCB as stated in the Hon'ble Supreme court order dated 23.08.2016) have already been communicated to the Regional Offices and has to be ensured after conducting detailed inspection and verification before grant of consent.

This bears approval of the competent authority.

Guideline for establishment of captive ETP, RO Plant by textile units located in cluster, where CETP facilities are available

The State Board vide decision taken in the meeting held on 21.03.2014, directed all the units of Pali, Jodhpur and Balotra having discharge more than 100 KLD to install their own effluent treatment plant and recycling system so that load on the existing CETPs is reduced and the treated effluent can meet the prescribed norms.

The State Board is regularly receiving proposals from the units of Balotra and Jodhpur to install ETP and RO Plants with forced evaporation system to dispose the RO rejects. These units are involved in part processing of cloth, resulting increase in production capacity and waste water generation.

Looking to the facts and for having a uniform policy in the State, installation of ETPs, RO plant and reject disposal system in individual textile units may be considered as per the following guidelines :

- a. The unit shall have intergrated process i.e. complete process will be done within the premises of the industry. No unit will be allowed to carry out any of the process outside the premises or in another unit. A bank guarantee of Rs. 5.00 lacs may be taken at the time of obtaining consent to operate to ensure this.
- b. The unit shall surrender its connectivity with CETP forever after obtainning consent to operate i.e. after surrender of CETP connectivity; industry shall not be permitted for re-connectivity in future. The surrendered discharge will be re-allotted by the CETP Trust in a trasparent manner as per the guidelines of the State Board.
- c. For the purpose of ETP establishment (amalgamation)/merger of any adjacent unit of same grup will be only allowed.
- d. ETP will be allowed only in the units having discharge 100 KLD or more. Treatment capacity of the ETP/ recycling plant will be restricted to either presently allotted discharge or the discharge for which plant and machinery is proposed to be installed for integrated processing for those units only. For addition of any machinery, CTE will be obtained first before going for any up-gradation. In case of present allotted discharge, 20-25% additional capacity may be considered on case to case basis to take care of the variations in production/waste water generation.
- e. As biological treatment is one of the important component of ETP, which requires ample sunlight, ETP's will be allowed to establish only in such open space.
- f. The unit will source water from any authorized sources.

- g. The existing units may be asked to submit an action plan to implement the decision within a period of one year with bank guarantee.

OFFICE ORDER

The Government of India, vide its Taxation Laws Amendment Act, 2017, has abolished the water cess levied under provision of water (Prevention & Control of Pollution) Cess Act, 1977, effective from date of implementation of GST i.e. 1st July, 2017. Therefore in view of the abolishment, the water cess shall not be assessed and collected for period 1st July 2017 onwards.

However, it is clarified that the Water Cess of the period prior to abolishment of the Water Cess i.e. 30th June 2017 is to be collected and all the Regional Officers shall verify the returns of the Water Cess for period upto June 2017 and also shall ensure collection of the Water cess due for the past period.

This bears approval of competent authority.

Dated 23.10.2017

ORDER

Commissioner Industries, Government of Rajasthan has informed vide letter no. F. 33()CI/EODB/20017 dated 11.10.2017 that a Central Inspection System (CIS) has been institutionalized in reference to BRAP-2017 reform point Nos. 86, 87 and 88, for streamlining the inspections of Labour, Rajasthan State Pollution Control Board and Factories & Boilers Inspection Department.

It was also informed that central Inspection System has been developed by Department of Information Technology & Communication, Government of Rajasthan on Single Window System portal <http://swcs.rajasthan.gov.in> to integrate the departmental inspection system with Central Inspection System (CIS) for synchronization of inspections and implementation of criteria described in Implementation Guide of BRAO-2017 for above reform points.

In continuation to office order number F.12(PSC-1)RSPCB/PSC/473-510 dated 01.06.2016, it is hereby directed that the inspections be carried out in accordance with the Central Inspection System developed by Department of Information Technology & Communication, Government of Rajasthan.

- a. The CIS inspections shall be conducted in synchronization with Labour and/or Factories & Boilers departments wherever jointly scheduled in Central Inspection system.
- b. The scheduling of CIS inspections will be done through automated randomized manner based on computerized risk assessment by the online system.
- c. The computerized risk assessment will be done as per the risk assessment logic of the respective departments.
- d. Inspection reports shall be submitted online within 48 hours on the CIS.
- e. Same Inspector shall not perform two consecutive inspections of the same industry/project/process/activity.

OFFICE ORDER

F14(23)Policy/Plg/Vol IV/2335 to 2372

Dated 29.03.2018

In supersession to all the earlier orders/circulars/guidelines, the competent authority for grant or refusal of consent to establish/operate under the provision of the Water (Prevention and Control of Pollution) Act, 1974/Air (Prevention und Control of Pollution) Act, 1981 and authorization under Bio-Medical Waste (Management and Handling) Rules, 1998 shall be the Regional Officers of the State Board for industries/projects/ processes/ activities/ mines located within their territorial jurisdiction as follows:

A. All industries/projects/processes/activities covered under Green Category.

B. All industries/projects/processes/activities covered under Orange Category, except the following:—

1.	Bakery/Confectionery/Sweets production (with production capacity 1tpd and more)
2.	Building and construction project more than 20000 Sq. M
3.	Townships & Area Development projects 5 hactare and more/dwelling units 50 and more
4.	Food & food processing including fruits & vegetable processing, food additives other than small and tiny units
5.	Printing Ink maufacturing (Formulation)
6.	Fertilizer (granulation and formulation only)
7.	Formulation/paletization of camphor tablets, naphthalene balls from camphor/naphthalene powders
8.	Formulation of Pesticides, agro chemicals and so on and R&D Facilities
9.	Pharmaceutical formulation and for R&D purpose(for sustained release/extended release of drugs only and not for commercial purpose

C. Following industries/projects/processes/activities/mines covered under Red Category:—

1.	Mining in area less than 5 Ha except schedule major mineral (irrespective of applicability of EIA notification, 2006)
2.	Basic Chemicals and electro chemicals and its derivatives including manufacture of acids small and tiny scale units which have storage within threshold quantity indicated in Column 3 of schedule 2 and 3 of MSIHC Rules, 1989

3.	Chlorates, Perchlorates and peroxides small and tiny scale units which have storage within threshold quantity indicated in Column 3 of schedule 2 and 3 of MSIHC Rules, 1989
4.	Chlorine, fluorine, bromine, iodine, and their compounds small and tiny scale units which have storage within threshold quantity indicated in Column 3 of schedule 2 and 3 of MSIHC Rules, 1989
5.	Ferrous and nonferrous metal extraction involving different furnaces through melting, refining, reprocessing, casting and alloy making having capacity less than 5 Tones per Heat (TPH)
6.	Fiber glass production and processing (Excluding moulding)
7.	Fire crackers manufacturing and bulk storage facilities small and tiny scale units
8.	Health care establishment (As defined in BMW Rules) upto 100 Beds
9.	Halogenated hydrocarbons small and tiny scale units which have storage within threshold quantity indicated in Column 3 of schedule 2 and 3 of MSIHC Rules, 1989
10.	Industrial carbon including electrodes and graphite blocks, activated carbon, carbon black small and tiny scale units
11.	Industrial inorganic gases namely :-a) Chemical gases: Acetylene, hydrogen, chlorine, fluorine, ammonia, sulphur dioxide, ethylene, hydrogen sulphide, phosphine; b) Hydrocarbon gases: Methane, ethane, propane small and tiny scale units which have storage within threshold quantity indicated in Column 3 of schedule 2 and 3 of MSIHC Rules, 1989
12.	Industry or process involving metal surface treatment or process such as pickling/plating/ electropolishing/ heat treatment phosphating or finishing and anodising/enameling/ galvanizing small and tiny scale units
13.	Manufacturing of explosives, detonators, fuses including management and handling activities small and tiny scale units
14.	Manufacturing of Glass
15.	Manufacturing of Glue and Gelatin (excluding glue from starch)
16.	Manufacturing of lubricating oils, greases or petroleum based products small and tiny scale units
17.	Industry or process involving foundry operations less than 5 Tons per Heat
18.	Pulp and/or paper manufacturing small and tiny scales units
19.	Phosphate rock processing plant small and tiny scales units
20.	Phosphorous and its compounds small and tiny scale units which have storage within threshold quantity indicated in Column 3 of schedule 2 and 3 of MSIHC Rules, 1989

21.	Processes involving chlorinated hydrocarbons small and tiny scale units which have storage within threshold quantity indicated in Column 3 of schedule 2 and 3 of MSIHC Rules, 1989
22.	Railway Locomotive workshops/ integrated Road transport workshop
23.	Slaughter houses (as per the notification S. O. 270(E) dated 26.03.2001) and meat processing industries, bone mill, processing of animal horns, hoofs and other body parts
24.	Stone crushers
25.	Yarn/ textile processing involving any effluent/ emission-generating process, bleaching, dyeing, printing and scouring located in cluster (having discharge upto 50 KLD and are connected with CETP)
26.	Vegetable oils including solvent extraction and refinery/ hydrogenated oils small and tiny scale units
27.	Mineral grinding
28.	Synthetic leather, foam and related products except isolated moulding
29.	Any industry/ industrial activity/ process/ operation/ facility not covered in any of the categorization and having coal fired boiler with steam generation capacity more than 5 P/hr

Note:—

1. The consent applications of all industry/ project/process/ activity etc. covered under EIA notification, 2006 and Aravali Notification, 1992 shall be dealt at RSPCB Head Office irrespective of the delegation of power noted above.
2. The Consent Applications of all mines covered under Aravali Notification, 1992 shall be dealt at the Head Office.
3. The classification of industries in large/ medium/ small/ tiny scale shall be as notified by the Industry Department. In case any application is refused at the Regional Office level, the decision on the application submitted subsequently by the unit shall be taken by RSPCB at Head Office level. However, the Consent Applications submitted after refusal on grounds of deficient documents shall continue to be decided by the concerning Regional Office.
4. Whenever any industry/ project/process/ activity/ mines falls in two categories or any part falls in higher category then higher category shall be taken for decision making and in case of dual jurisdiction, the Head Office jurisdiction shall prevail.

OFFICE ORDER

Common Effluent Treatment Plants (CETPs) have been installed at Balotra, Bithuja, Jasol, Jodhpur and Bhiwadi which are treating the effluent generated from the member units. However, it has been observed that most of the industries in these industrial clusters have not installed scientifically designed Primary Treatment Plants (PTPs) due to which the CETPs are not able to function properly.

In view of the above, all the member units of the CETPs in which quantity of effluent generated is 100 KLD or above are directed to install scientifically designed Primary, Treatment Plants (PTPs) within one month of issuing the aforesaid office order and submit compliance to the Respective Regional Officer failing which the State Board will initiate action for closure of all such industries. Concerned Regional Officer will verify the reply submitted by each unit and submit report to H.O.. ROs will also submit status of compliance of these directions every fortnight.

OFFICE ORDER

A. Guidelines for imposition of environment Compensation on polluters

1. The imposition of the environment Compensation will be guided by the principle given in various Court orders and the principle of POLLUTER PAYS.
2. The objective and spirit of imposition of Environmental Compensation would be to prevent further Environment damage due to pollution and to act as a deterrent for any act future omission/commission of any act which would lead to pollute the environment.

B. Procedure to be followed would largely as follows

1. The Regional Officer, RSPCB shall submit a detailed report of pollution matters/incidents to the Environment Compensation Cell not exceeding 07 days from the date of identification of violation/incidence of pollution by the individuals/units/industries/mines/institution/entities etc.
2. The Environment Compensation Cell constituted by the State Board shall put up the case before the Environment Compensation Committee, RSPCB within 07 days of receipt of report from Regional Officer's.
3. The Environment Compensation Committee will examine and submit its report along with its recommendations for imposition of Environment Compensation on defaulting individuals/units/industries/mines/institution/entities etc., to the competent authority i.e. Chairperson for final approval.
4. The authority for issuing the direction for imposition and deposition of environmental compensation will be Member Secretary, RSPCB as prescribed for issuing the direction under section 5 of Environment (Protection) Act, 1986; Section 33-A of the Water (Prevention & Control of Pollution) Act, 1974; Section 31-A of Air (Prevention & Control of Pollution) Act, 1981.
5. The environment compensation shall be deposited in the Environment Compensation Fund by any mode except cash. The account of which shall be maintained by the Accounts section.

C. Actions to be taken in case of failure for deposition of Environment Compensation

1. Consent to Establish and Consent to Operate of the defaulter shall be refused without any prior notice.
2. Legal actions/prosecution/contempt of Hon'ble Court's order & Tribunal's order against the defaulter in accordance with law. The Legal action may include filing of Execution Application before the Hon'ble Tribunal.

3. No new/renewal Consent to Establish and Consent to Operate of the defaulter shall be entertained until and unless the Environment Compensation is being deposited.
4. The defaulting individuals/units/industries/mines/institution/entities etc., shall pay the Environmental Compensation within 45 days from the receipt of order. In case of failure to do so, the defaulting individuals/units/industries/mines/institution/entities etc., shall be liable to pay additional 10% of the total environmental compensation per month till such payment is made.
5. After expiry of six months by the defaulter in depositing the Environment Compensation, the concerned District Collector shall be requested to recover the Environment Compensation amount in accordance With law i.e. Rajasthan Public Demand Recovery Act, 1952 or any other Act for the time being in force.

Office Order

It has been brought to the notice of the State Board that District Collectors of some districts are seeking an opinion/comment in certain land conversion matters for industrial purposes from the Regional Officers of the State Board.

It is clarified that District Administration has to take a decision on the conversion issues on the basis of existing laws and rule especially Rajasthan Land Revenue (Conversion of Agriculture Land for non agriculture purposes in rural area) Rules, 2007 and its amended rules, 2015 under Rajasthan Land Revenue Act, 1956, and any amendments therein. The State Pollution Control Board has no role as far as any land conversion matter is concerned. All the District Collectors may be informed accordingly.

This bears approval of the competent Authority.

Office Order

The State Board is accepting analysis reports of third parts MoEF & CC approved laboratories submitted by the industry.

To ensure the reliability of such data being generated by the MoEF & CC approved laboratories, Central laboratory or concerned Regional Laboratory of RSPCB will randomly cross check at least 10% of the report submitted by all the MoEF & CC approved laboratories to ensure data credibility. All Group In-Charge and respective Regional Officers will do cross verification of the reports with concerned labs and send quarterly reports Head Office.

Further, following committees of the State Board officials are constituted to carry out inspections of laboratory and cross check rand only 5% of the report generated in every six months. These committees are also directed to submit first report by 31.12.2019 and subsequent reports on half yearly basis to the Chief Scientific Officer.

S.No.	Committee Members	Jurisdiction
1.	Sh. S.N. Tikkiwal, SSO, Central Lab, Jaipur Ms. Praspalita Nanda, JSO Dr. Vimal Poswal, JSO	Jaipur (South) Jaipur (North) Sikar, Kishangarh
2.	Sh. Vikram Parihal, SO Dr. Manoj Kr. Meena, JSO Sh. Devender Kumar Bikundia, JSO	Jodhpur, Bikaner, Pali, Balotra
3.	Sh. K.K. Jetliya, SSO Dr. Sanjeev Kumar Sharma, SO Sh. Rinku Singhal, JSO	Kota, Chittorgarh

Office Order

F. 14 (5) Adm./RPCB/Plg./

Date :

As per prevalent practice in the State Board, Regional Officers revoke the Consent to Operate and Authorization of the units under their jurisdiction at their level. The matter has been examined in details and it is decided that henceforth all matters of revocation of Consent of Operate/Authorization shall now be dealt at RSPCB Head Quarter level only and would be done only after due approval of the Chairperson, RSPCB.

The Procedure and steps for revocation of Consent to Operate/Authorization shall be exactly similar to the procedure being followed in the State Board for issuance of closure directions to any Industry/Project/Health Care Facility/Activity/Process etc. as under section 33 (A)/31(A) or the relevant provisions of Rules/Acts.

In case, wherein the non-compliances of CTE/CTO/Authorization are so grave that in the opinion of the Regional Officer it mandates revocation of CTE/CTO/Authorization and so also, in all cases of grave damage being caused by the unit to the environment where the Regional Officer deems it fit that the Consent/Authorization should be revoked to prevent further damage to the environment, in all such cases the Regional Officer shall submit the case to RSPCB, Headquarters along with clear recommendations for revocation of Consent/Authorization. The matter should be sent with all relevant documents i.e. Inspection Report, Water sampling report,, Air monitoring report (if sampling or monitoring done), photographs etc. along with evidence based reasons/recommendations.

The delegation of power to Grant and Refuse applications for Consent to Establish, Consent to Operate and Authorization under relevant Acts would continue to be with the Regional Officers as per State Boards office order no. F. 14/(23) Policy/Planning/VI/2335-2372, dated 29.03.2018 and all related subsequent orders issued by the Board from time to time.

This bears approval of the competent authority.

Office Order

F. 14 (5) Adm./RPCB/Plg./2896-2931

Date : 10.01.2020

In compliance to decisions taken in meeting held on 13.12.2019 under the Chairmanship of the Chairperson and in order to stream line the procedure at Head office for speedy disposal of matter received through CMIS and other VIP reference, all Group Incharges and Regional officers are directed to follow the below mentioned mechanism with immediate effect :—

- Step No. 1** : All matters received in the Board related to CMIS and other VIP references shall be received and dealt at Vigilance, Complaint and VIP Reference Cell.
- Step No. 2** : The Vigilance, Complaint and VIP Reference Cell shall transfer the matter to concerning Group Incharge who shall deal the matter and obtain necessary information from concern Regional Office, if required.
- Step No. 3** : After obtaining necessary comments from concern Regional Officer, concerned Group Incharge shall prepare the information/documents/reply in the matter, get it approved from the Member Secretary and Chairperson and send a copy to Department of Environment, GoR.
- Steps No. 4** : Reply to the Department of Environment, GoR should be submitted within 7 days of receipt of the matter. A copy of the same shall also be endorsed to Vigilance, Complaint Cell and Member Secretary Cell.
- Step No. 5** : If the matter pertain to more than one GIC/R.O., then the final reply shall be prepared and sent by GIC (vigilance, Complaint and VIP Reference Cell) after obtaining replies from all concerning GIC's.

All Matter related to CMIS, other VIP references and CMO/PMO reference shall be monitored on weekly basis by the CMIS monitoring cell at M.S. Cell.

This bears approval of the competent authority.

Office Order

**Delegation of powers to Regional officers under Hazardous and Other Wastes
(Management and Transboundary Movement) Rules, 2016.**

The State Board grants authorization to industries/projects/activities/processes under Rule 6 of Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016.

The State Board vide its earlier orders had delegated powers to Regional Officers to grant/refuse authorization applications in respect of textile industries connected with Common Effluent Treatment Plant (CETP) at Pali, Balotra, Bithuja, Jasol and Jodhpur and steel industries connected with Common Effluent Treatment Plant (CETP) vide office orders dated 14/07/2015 and 18/07/2019 respectively.

In addition to the above mentioned industries, the Regional Officers are hereby delegated powers to grant/refuse authorization to All industries/projects/processes/activities for which they have the powers to grant/refuse the consent to establish/consent to operate under Air (Prevention and Control of Pollution) Act, 1981 and Water (Prevention and Control of Pollution) Act, 1974.

However, the powers to revoke/cancel/withdraw authorization to All industries/projects/processes/activities irrespective of powers to grant/refuse authorization shall continue to vest with the RSPCB Head Quarter, as per the office order dated 10/01/2020.

This order shall come into force with immediate effect.

This bears approval of the competent authority.

F. 14 (5) Admn/RSPCB/Plg/3463-3505

Date : 7.2.2020

Office Order

In order to streamline the procedure of taking a decision on filing an appeal/no appeal against any impugned order of any court or tribunal before a competent appellate court a Pre-appeal standing Committee is hereby constituted comprising of following :—

- | | | |
|--|---|----------------------------------|
| 1. Member Secretary, RSPCB, Jaipur | - | Chairman |
| 2. Chief Environmental Engineer, RSPCB, Jaipur | - | Member |
| 3. Financial Advisor/Chief Accounts Officer, RSPCB, Jaipur | - | Member |
| 4. Group I/C of the concerned matter, RSPCB, Jaipur | - | Member |
| 5. Officer In-Charge of the case | - | Member |
| 6. Regional Officer, RSPCB or any other officer (as special invitee on case to case basis, as per requirement) as decided by MS/CP of RSPCB. | - | Member |
| 7. Group I/C (Legal), RSPCB, Jaipur | - | Member Secretary
of Committee |

A. The committee shall undertake the following functions :—

- a. To make recommendations regarding SLP/No. SLP before the Supreme Court against the judgment of the High Court or Appeal/No Appeal before the Divisional Bench of the High Court against the Judgement of Learned Single Judge of the High Court.
- b. To make recommendations regarding Appeal/No Appeal before an appropriate adjudicating body against the judgement of Civil Services Appellate Tribunal or National Green Tribunal or District & Sessions Court or any other tribunal/commission/Adjudicating body.
- c. The Committee while making a recommendation shall consider the rulings of the Courts, observations and opinion of the Board's Advocate/Counsels as well as cost of litigation on Board.

B. The Group incharge (Legal) will obtain the following documents from OIC of the case/concerned group and submit before the committee.

- a. Certified copy of the decision.
- b. Opinion of the advocate of the Board.
- c. Chronological facts of the case and the previous decisions/Judgments.
- d. Similar type of cases and the decision taken in those cases.

- e. Relevant Act, Rules, Guidelines, Circulars, Office orders appropriate to the case under consideration.
 - f. Opinion of Officer In-Charge of the case regarding appeal or no appeal.
 - g. Any other material relevant to the case under consideration.
- C. The Officer In-Charge/relevant group I/C, as the case may be of the case shall ensure:—
- a. That the request for convening the meeting shall be made to GIC (Legal) within 7 days of the receipt of the certified copy of the judgement.
 - b. That complete relevant material shall be made available to the GIC (Legal) at least 5 days prior to the time fixed for the meeting.
- D. The certified copy of judgement shall not be mandatory for convening the meeting. The copy of the judgement downloaded from the website of the Supreme Court/High Court/NGT would be sufficient for convening the meeting of committee.
- E. The Counsel/Advocate of the Board, while giving their opinion for filing appeal/further appeal shall mention the sustantial question of law involved in the case, where appeal lies only upon substantial question of law and not otherwise.
- F. Absence of any member of committee except the chairperson of the committee shall not vitiate the proceedings and/or recommendations of meeting.

The recommendations of the committee shall be submitted to the Chairperson, RSPCB, for final decision on going for an appeal/not.

This bears approval of competent authority.

क्रमांक : एफ. 11 (594) रा.प्र.नि.मं./प्रयोगशाला/3716-3717

दिनांक : 18.03.2020

राजस्थान राज्य में कार्यरत निजी प्रयोगशालाओं की विश्लेषण रिपोर्टों के संबंध में सूचना

राज्य में स्थापित एवं कार्यरत समस्त निजी प्रयोगशालाओं को सूचित किया जाता है कि राजस्थान राज्य प्रदूषण नियंत्रण मण्डल ने दिनांक 14.10.2014 की अधिसूचना द्वारा अधिसूचित किया था कि "राजस्थान राज्य प्रदूषण नियंत्रण मण्डल उन प्रयोगशालाओं की विश्लेषण रिपोर्ट को स्वीकार करेगा जो वन पर्यावरण एवं जलवायु परिवर्तन मंत्रालय, भारत सरकार, नई दिल्ली द्वारा मान्यता प्राप्त है।"

राज्य मण्डल की जानकारी में आया है कि कई मान्यता प्राप्त निजी प्रयोगशालाओं द्वारा प्रस्तुत विश्लेषण रिपोर्टों की गुणवत्ता सही नहीं है एवं कई आँकड़े विरोधाभासी प्रतीत होते हैं।

अतः समस्त निजी प्रयोगशालाओं को चेतावनी दी जाती है कि यदि राज्य मण्डल को यह ज्ञात होता है कि प्रयोगशालाएँ नियम-विरुद्ध/गैर-अनुपालना में कार्य कर रही हैं या जिनके द्वारा अवैधानिक विश्लेषण रिपोर्ट जारी की जा रही है एवं सम्बन्धित उद्योग द्वारा इन रिपोर्टों को राज्य मण्डल में प्रस्तुत किया जा रहा है तो राज्य मण्डल द्वारा प्रयोगशाला/ सम्बन्धित उद्योग के खिलाफ निम्न कार्यवाही प्रारम्भ कर दी जाएगी :—

1. राज्य मण्डल द्वारा प्रयोगशाला की मान्यता रद्द करने हेतु सम्बन्धित एजेंसी यथा (MoEF & CC/NABL/CPCB) को सिफारिश कर दी जायेगी।
2. राज्य मण्डल द्वारा ऐसी प्रयोगशालाओं को राजस्थान राज्य/राज्य मण्डल हेतु ब्लैक लिस्ट कर दिया जायेगा एवं सम्बन्धित एजेंसी (MoEF & CC/NABL/CPCB) को भी उन प्रयोगशालाओं को ब्लैक लिस्ट करने हेतु सिफारिश कर दी जायेगी।
3. उक्त प्रयोगशाला/सम्बन्धित उद्योग को जल अधिनियम, 1974 की धारा 33ए और वायु अधिनियम, 1981 की धारा 31ए के तहत क्लोजर आदेश जारी किये जा सकेंगे।
4. पर्यावरण क्षतिपूर्ति (Environment Compensation) भी लगाया जा सकेगा।
5. प्रयोगशाला संचालक एवं प्रयोगशाला स्वामी (Owner) के विरुद्ध पर्यावरण अधिनियमों के तहत न्यायालय में अपराधिक मुकदमा दायर करने की कार्यवाही की जा सकेगी।
6. अन्य कोई भी नियमसंगत विधिक कार्यवाही की जा सकेगी।

Subject : Compliance of Guidelines issued by Central Pollution Control Board (CPCB) for Handling, Treatment and Disposal of Waste Generated during Treatment/Diagnosis/Quarantine of COVID-19 Patients.

Reference : CPCB Guidelines-March, 2020

Sir,

With reference to above it is submitted that CPCB has issued Guidelines for Handling, Treatment and Disposal of Waste Generated during Treatment and Disposal of Waste Generated during Treatment/Diagnosis/Quarantine of COVID-19 Patients. Copy of guideline is enclosed as Annexure-1.

The Guidelines specify responsibilities of various stake holders i.e. Health Care Facilities (COVID-19 isolation wards), Sample collection centres & Laboratories for COVID-19 suspected patients, Quarantine Camps/Home care for COVID-19 suspected patients, Common Bio-Medical Waste Treatment and Disposal Facilities (CBWTF), SPCBs/PCCs etc. for the safe Handling, Treatment and Disposal of Waste Generated during Treatment/Diagnosis/Quarantine of COVID-19 Patients

You are requested to kindly issue necessary directions to all concerned under your jurisdiction for ensuring strict compliance of these Guidelines and report opening or operation of COVID-19 Ward/Sample collection centre & Laboratories to this office on weekly basis.

Encls : As Above.

Yours sincerely,

**Guidelines for Handling, Treatment and Disposal of Waste Generated during
Treatment/Diagnosis/Quarantine of COVID-19 Patients**

March, 2020

**Central Pollution Control Board
(Ministry of Environment, Forest & Climate Charge)
Parivesh Bhawan, East Arjun Nagar
Delhi-110032**

Guidelines for handling, Treatment and Disposal of Waste Generated during Treatment/Diagnosis/Quarantine of COVID-19 Patients

In order to deal with COVID-19 pandemic, State and Central governments have Initiated various steps, which include setting up of quarantine centres/camps, Isolation wards, sample collection centers and laboratories.

Following specific guidelines for management of waste generated during diagnostics and treatment of COVID-19 suspected/confirmed patients, are required to be followed by all the stakeholders including Isolation wards, quarantine centers, sample collection centers, laboratories, ULBs and common biomedical waste treatment and disposal facilities, in addition to existing practices under BMW Management Rules, 2016.

These guidelines are based on current knowledge on COVID-19 and existing practices in management of infectious waste generated in hospitals while treating viral and other contagious diseases like HIV, H1N1 etc. These guidelines will be updated if need arises.

Guidelines brought out by WHO, MoH & FW, ICMR and other concerned agencies from time to time may also be referred.

Guidelines for handling, treatment and disposal of COVID-19 waste at Healthcare Facilities, Quarantine Camps/Home-care, Sample Collection Centers, Laboratories, SPCBs/PCCs, ULBs and CBWTFs :

(a) COVID-19 Isolation wards :

Healthcare Facilities having Isolation wards for COVID-19 patients needs to follow these steps to ensure safe handling and disposal of biomedical waste generated during treatment;

- Keep separate color coded bins/bags/containers in wards and maintain proper segregation of Waste as per BMW Rules, 2016 as amended and CPCB guidelines for Implementation of BMW Management Rules.
- As precaution double layered bags (using 2 bags) should be used for collection of waste from COVID-19 isolation wards so as to ensure adequate strength and no-leaks;
- Collect and store biomedical waste separately prior to handing over the same CBWTF. Use a dedicated collection bin labelled as “COVID-19” to store COVID-19 waste and keep separately in temporary storage room prior to handing over to authorized staff of CBWTF. Biomedical waste collected in such isolation wards can also be lifted directly from ward into CBWTF collection van.
- In addition to mandatory labelling, bags/containers used for collecting biomedical waste from COVID-19 wards, should be labelled as “COVID-19 Waste”. This marking would enable CBWTFs to Identify the waste easily for priority treatment and disposal Immediately upon the receipt.
- General waste not having contamination should be disposed as solid waste as per SWM Rules, 2016;
- Maintain separate record of waste generated from COVID-19 Isolation wards.

- Use dedicated trolleys and collection bins in COVID-19 Isolation wards. A label “COVID-19 Waste” to be pasted on these items also.
- The (inner and outer) surface of containers/bins/trolleys used for storage of COVID-19 waste should be disinfected with 1% sodium hypochlorite solution.
- Report opening or operation of COVID-19 ward to SPCBs.
- Depute dedicated sanitation workers separately for BMW and general solid waste so that waste can be collected and transferred timely to temporary waste storage area.

(b) Sample Collection Centers and Laboratories for COVID-19 suspected patients.

Report opening or operation of COVID-19 sample collection centers and laboratories to concerned SPCB. Guidelines given at section (a) for Isolation wards should be applied suitably in case of test centers and laboratories also.

(c) Quarantine Camps/Home Care for COVID-19 suspected patients.

Less quantity of biomedical waste is expected from quarantine centers. However, quarantine camps/centers/home-care for suspected COVID-19 cases need to follow these steps to ensure safe handling and disposal of waste;

- Treat the routine waste generated from quarantine centers or camps as general solid waste and the same needs to be disposed as per SWM Rules, 2016. However, biomedical waste if any generated from quarantine centers/camps should be collected separately in yellow coloured bags and bins.
- Quarantine camps/centers shall inform CBWTF operator as and when the waste is generated so that waste can be collected for treatment and disposal at CBWTFs.
- In case of home care for suspected patients, biomedical waste should be collected separately in yellow bags and the same shall be handed over to authorized waste collectors engaged by local bodies. ULB should engage CBWTFs to pick-up such waste either directly from such quarantined houses or from identified collection points.

(d) Duties of Common Biomedical Waste Treatment Facility (CBWTF) :

- Report to SPCBs/PCCs about receiving of waste from COVID-19 isolation wards/Quarantine Camps/Quarantined homes/COVID-19 Testing Centers;
- Operator of CBWTF shall ensure regular sanitization of workers involved in handling and collection of biomedical waste;
- Workers shall be provided with adequate PPEs including three layer masks, splash proof aprons/gowns, nitrile gloves/gum boots and safety goggles;

- Use dedicated vehicle to collect COVID-19 ward waste. It is not necessary to place separate label on such vehicles.
- Vehicle should be sanitized with sodium hypochlorite or any appropriate chemical disinfectant after every trip.
- COVID-19 waste should be disposed-off immediately upon receipt at facility.
- In case it is required to treat and dispose more quantity of biomedical waste generated from COVID-19 treatment, CBWTF may operate their facilities for extra hours, by giving information to SPCBs/PCCs.
- Operator to CBWTF shall maintain separate record for collection, treatment and disposal of COVID-19 waste.
- Do not allow any worker showing symptoms of illness to work at the facility. May provide adequate leave to such workers and by protecting their salary.

(e) Duties of SPCBs/PCCs

- Shall maintain records of COVID-19 treatment wards/quarantine centers/quarantines homes in respective States.
- Ensure proper collection and disposal of biomedical waste as per BMW Rules, 2016 and SoPS given in this guidance documents;
- Allow CBWTFs to operate for extra hours as per requirement;
- May not insist on authorisation of quarantine camps as such facilities does not qualify as health facilities. However, may allow CBWTFs to collect biomedical waste as and when required.

F1 (52)/RPCB/Estt./2020-2021/COVID-19/8-25

Date : 17.4.2020

ORDER

Guideline for the Implementation of Lock Down order of Govt. of Rajasthan

(For the compliance of orders declared by ministry of Home Affairs, Government of India Vide order No. 40-3/2020-DM-1 (A), dated 15.04.2020 and Govt. of Rajasthan Home department order no. F-33 (2) Home Gr. 9/2019, Dated 15.04.2020).

The lockdown imposed in the entire country for the period March 25th to April 14th, 2020 has been extended up to May 3rd, 2020 vide order No. 40-3/2020-DM-I (A), dated April 14th, 2020 issued by Ministry of Home Affairs, Government of India, followed by detailed guidelines vide Order dated April 15th, 2020 by the Government of Rajasthan.

In compliance of the above orders and in supersession of office order dated 20.03.2020. It is directed that the State Board Headquarters and Regional offices shall restart operation from 20.04.2020.

The following guidelines are issued in respect of the Lock down to be followed by all concerned during the period April, 20th, 2020 to May 3rd, 2020.

For the RSPCB Head Quarters :—

1. The Head Office shall remain open during working hours and all officers shall observe all the precautions stated in the MHA Govt. of India order dated 15.4.2020 and GOR order dated 15.4.2020.
2. CEE, CSO, CAO, HOO and all GICs, SSOs, EEs, AAOs and ACP shall remain present in the office.
3. All GICs shall call one third of the ministerial and support staff on rotation basis (33%) and may call any individual officer/staff out of turn as per the work requirement/urgency.
4. All GICs will call their subordinate officers (other than ministerial and support staff) as per requirement of work.
5. No Officer/Staff shall leave the Head Quarter without the permission of the competent authority.
6. To avoid unnecessary contact no inspection/field visit shall be under taken during the period of lockdown. In case of urgency such visit can be undertaken only after permission competent authority.
7. There shall be complete ban on the non-essential visitors in the official premises.

8. No OBH shall be issued to any representative of industries at Head Office and RO level.
9. Every officer/Staff shall undergo thermal scanning before entering the office premises.
10. GIC (Admin) shall ensure adequate arrangement for temperature screening and provide sanitizers at convenient places frequent cleaning of common surfaces & availability of hand washing facilities.
11. Frequent cleaning of common surfaces and mandatory hand washing shall be compulsory.
12. The office premises shall be sanitized regularly and one compulsory round of sanitization of entire office building and premise shall be ensured before 20.3.2020.
13. All persons shall ensure social distancing as per guidelines issued by Ministry of Health and Family Welfare. There should be no gathering of 5 or more persons.
14. Spitting in public spaces shall be punishable with fine.
15. Wearing of face cover/effective mask is compulsory for everyone at the work place.
16. Use of Arogya Setu App shall be mandatory for all employees.
17. Any Official/Staff having symptoms of common cold, cough and fever shall abstain from coming to office and immediately bring it to the notice of concerned authority and immediately contact a doctor/hospital earmarked for COVID-19 patients. Information about any infected person found in the office be immediately given to the authority concerned.

For the RSPCB Regional Offices :—

1. The Regional Offices shall remain open during working hours and all officers shall observe all the precautions stated in the MHA Govt. of India order dated 15.4.2020 and GOR order dated 15.4.2020.
2. Regional Officer will call their subordinate officers (other than ministerial and support staff) as per requirement of work.
3. Regional Officer may call the ministerial and support staff as per requirement of work and essential to run the office. Since the number of staff is very less, calling 33% may not be practically feasible.
4. No Officer/Staff shall leave the Head quarter without the permission of the competent of authority.
5. To avoid unnecessary contact no inspection/field visit shall be under taken. In case of urgency such visit can be under taken only after permission of competent authority.
6. There shall be complete ban on the non-essential visitors in the official premises.
7. Every Officer/Staff shall undergo thermal scanning before entering the office premises.
8. Regional Officers shall ensure adequate arrangement for temperature screening and provide sanitizers at convenient places, frequent cleaning of common surfaces & availability of hand washing facilities.

9. Frequent cleaning of common surfaces and mandatory hand washing shall be mandated.
10. The office premises shall be sanitized regularly and one compulsory round of sanitization of entire office building and premise shall be ensured before 20.3.2020.
11. All persons shall ensure social distancing as per guidelines issued by Ministry of Health and Family Welfare. There should be no gathering of 5 or more persons.
12. Spitting in public spaces shall be punishable with fine.
13. Wearing of face cover/effective mask is compulsory for everyone at the work place.
14. Use of Arogya Setu App shall be mandatory for all employees.
15. Any Official/Staff having symptoms of common cold, cough and fever shall abstain from coming to office and immediately bring it to the notice of concerned authority and immediately contact a doctor/hospital earmarked for COVID-19 patients, Information about any infected person found in the office be immediately giving to the authority concerned.

It is clarified that these guideline have been issued with on aim of safety of the Board Officers/staff and their family members. Any direction issue by the District administration separately for Hot spots/Curfew area/cluster etc. shall be effective for those specific areas and shall prevail over these orders to the extent applicable.

Persons residing in curfew bound area are exempted to attend office till the duration of the curfew. Person falling in curfew area shall inform about their inability to attend office through e-mail/whatsapp to the higher officers. No officers/staff shall remain absent without prior permission/approval, otherwise strict action shall be taken against them.

This bears approval of the competent authority.

F1 (52)/RPCB/Estt./2020-21/COVID-19/109

Date : 07.05.2020

ORDER

In compliance of GOR (Home Department) order dated 02.05.2020, the presence of staff has to be ensured as per order GOR, (Home Department) order no. F. 33 (2)/Home/Gr. 9/2019, dated 15.04.2020. The order dated 15/04.04.2020 mentions the followings :—

1. All offices shall close latest by 6 pm or such earlier time to enable the staff and others to reach back home by 7 pm.
2. As per order following officers will be present in office.
 - (i) Secretariat and HOD offices : All India, State and sub-ordinate Services up to the rank of Dy. Secretary and one-third of Ministerial and other staff on rotation basis.
 - (ii) District level-DLO, immediate subordinate officials and remaining on one third basis.

Therefore, in coherence to GOR orders dated 02/05/2020 and 15.04/2020 and in continuation to this office orders no. F-1 (50)/RPCB/Estt./2020-21/Covid-19/8-25, dated 17/04/2020, F-1 (50)/RPCB/Estt./2020-21/Covid-19/26, dated 20/04/2020, it hereby directed that following will remain present in State Board offices :—

- a. **RSPCB Head Quarters** : CEE, DSO, DAO, All SEEs and Su. SOs (officers in and above GP 7600 i.e. Level-19) shall remain present in the office. All other officers including Subordinate and Ministerial staff shall remain present on 1/3 strength on rotation basis.
- b. **Regional Offices** : Regional officers and their immediate subordinate officials shall remain present in the office. All other officers including Subordinate and Ministerial staff shall remain present on 1/3 strength on rotation basis.

HOO & ROs are authorized to issue and maintain rosters for calling the 1/3 staff accordingly.

Rest orders and directions will remain as mentioned in the order dated 17.4.2018 and 20.4.2018. The orders will be effective immediately and will remain in force till further orders.

All concerned to comply with these orders and noncompliance in any form would be viewed seriously. Officers who remain absent from duty without taking due approval may be treated as being willfully absent from duty and action may be initiated against them which may include treating the period of absence as break in service. Application for grant of leave shall be entertained only in writing and duly forwarded with recommendation by the GIC/RO for approval from competent authority.

F.14 (5 Adm.)/RPCB/Plg./4061-4094

Date : 2.6.2020

OFFICE ORDER

Resuming normalcy in routine official work of Head Office & Regional Offices after lockdown 5.0

State Board vide its office order No. F. 14 (5 Adm)/RPCB/Plg./48-85, dated 01.05.2020 has extended the timeline for submission of compliance reports including replies to the show cause notices, compliances of OBH directions, consent conditions and other regulatory compliances which have been issued by the State Board Head Quarter/all Regional Offices till 30.06.2020 in view of the extraordinary circumstances due to the outbreak of COVID-19 pandemic and imposition of lockdown across the country.

Further, Ministry of Home Affairs, Government of India had issued order dated 30.05.2020 and Home Department, Government of Rajasthan had issued order dated 31.05.2020 regarding implementation of lockdown 5.0. State Board had issued an office order dated 01.06.2020 regarding implementation of Lockdown 5.0 in Headquarter & Regional Offices of RSPCB for the period 01.06.2020 to 30.06.2020.

In view of the above and to resume normalcy through adequate precautionary and safety measures, compliance on the following points have to be ensured :—

1. All pending inspections/field visits/Sample collection under NWMP/NAMP may be carried out with adequate precautionary and safety measures and compliance of prevailing guidelines for COVID-19.
2. Now, industries may be directed to submit the compliance reports including replies to the show cause notices, compliances of OBH directions, consent conditions and other regulatory compliances which have been issued by the State Board Head Quarter/all Regional Offices in the stipulated timeline.
3. All matters/files pending due to policy decision or lockdown should be processed and submitted to the competent authority by 09.06.2020 by all GICs. Regional officers should also act, accordingly.

Above directions should be complied in accordance with all other relevant directions mentioned in the above referred orders and all guidelines/restrictions issued by the concerning district administration regarding management of COVI-19.

This bears approval of the competent authority.

मुख्यालय, 4, संस्थानिक क्षेत्र झालाना डूंगरी जयपुर-302004

फोन : 5101871, 5101872, ईपीबीएक्स: 5159600, 5159699 फैक्स: 5159694-97

क्रमांक : एफ. 11 (599)/सप्रनिमं/के.प्रयो./304-356

दिनांक : 09.06.2020

कार्यालय-आदेश

राज्य मंडल की क्षेत्रीय प्रयोगशालाओं के मासिक प्रगति प्रतिवेदन एवं PAC Para(s) के क्रम में यह प्रदर्शित होता है कि राज्य मंडल की क्षेत्रीय प्रयोगशालाओं में नियमित रूप से निर्धारित आवृत्ति अनुरूप नमूना एकत्रीकरण/मोनिटरिंग नहीं की जा रही है जिसे राज्यमंडल द्वारा गम्भीरता से लिया गया है। उल्लेखनीय है कि राज्य में जल/वायु/ध्वनि प्रदूषण की स्थिति, उद्योगों द्वारा स्थापित प्रदूषण नियंत्रण व्यवस्था की उपयुक्तता/पर्याप्तता एवं प्रदूषण की स्थिति, परिवेशी वायु गुणवत्ता, जल स्रोतों की जल गुणवत्ता, OCEMS के प्रति सत्यापन (क्रॉस)-वेरिफिकेशन, बेसलाइन डाटा/आवश्यक सूचना रिपोर्ट तैयार करने तथा माननीय उच्चतम न्यायालय, माननीय राष्ट्रीय हरित अधिकरण, माननीय उच्च न्यायालय, MoEF & CC, CPCB, DOEnv. Raj इत्यादि में लंबित प्रकरणों में अनुपालना रिपोर्ट तैयार करने हेतु निर्धारित आवृत्ति के अनुरूप नमूना एकत्रीकरण/मोनिटरिंग नितांत आवश्यक है।

उक्त को ध्यान में रखते हुए एतद् द्वारा राज्य मंडल के क्षेत्रीय अधिकारियों/क्षेत्रीय प्रयोगशाला प्रभारियों को निर्देशित किया जाता है कि:—

1. क्षेत्रीय कार्यालय के क्षेत्राधिकार में स्थित इकाइयों की श्रेणीवार सैपलिंग एवं मोनिटरिंग की इन्वेंटरी बनाना/नियमित अद्यतन (Update) करना तथा राज्य मंडल ऑपरेटिंग मैनुअल द्वारा वर्तमान में निर्धारित मोनिटरिंग शेड्यूल/फ्रीक्वेंसी अनुसार नमूना एकत्रीकरण/मोनिटरिंग किया जाना सुनिश्चित करें एवं मासिक प्रगति रिपोर्ट प्रतिमाह दिनांक 5 से पूर्व मुख्य वैज्ञानिक अधिकारी को प्रेषित करें।
2. प्रत्येक क्षेत्रीय प्रयोगशाला एकत्रित नमूनों के विश्लेषण उपरान्त क्षेत्रीय कार्यालय के क्षेत्राधिकार स्थित कॉमन फैसिलिटी, CETP/STP, 17 श्रेणी अति प्रदूषणकारी/वृहद् प्रदूषणकारी (GPI), खनन लीज (50 हेक्टेयर से अधिक), चिन्हित माइनिंग क्लस्टर/ईको सेंसेटीव जोन/अभयारण्य (पक्षी/वन्यजीव/बाघ)/राष्ट्रीय पार्क/वेटलैंड, जिलास्तरीय नमूने (भूजल, सरफेस वाटर, एम्बिएंट एयर एवं नोइज मोनिटरिंग) इत्यादि के अपडेटेड तुलनात्मक विश्लेषण प्रतिवेदन (एम.एस. एक्सेल. सॉफ्ट कॉपी एवं प्रमाणित हार्ड कॉपी में) वर्ष में दो बार 31 अक्टूबर एवं 31 मार्च को मय वार्षिक प्रयोगशाला प्रतिवेदन के केन्द्रीय प्रयोगशाला को प्रस्तुत किया जाना सुनिश्चित करें।
3. उल्लेखनीय है कि निर्धारित मोनिटरिंग शेड्यूल/फ्रीक्वेंसी अनुसार नमूना एकत्रीकरण/मोनिटरिंग नहीं किये जाने पर इस आशय की प्रविष्टि सम्बन्धित क्षेत्रीय अधिकारी/क्षेत्रीय प्रयोगशाला प्रभारी के वार्षिक मूल्यांकन प्रतिवेदन में की जा सकती है।

उक्त आदेश सक्षम स्तर से अनुमोदित है।

परिपत्र

अध्यक्ष महोदय के ध्यान में आया है कि राज्य मण्डल के कर्मचारी/अधिकारी बिना अवकाश स्वीकृत कराये/सक्षम स्वीकृति प्राप्त किये, अवकाश पर प्रस्थान कर जाते हैं, जिससे मण्डल कार्य निस्तारण में विपरीत प्रभाव पड़ता है, जबकि अध्यक्ष महोदय की अ.शा. दीप संख्या अप्रनि/राराप्रनिमं/2019/322-349, दिनांक 25.11.2019 एवं दिनांक 26.12.2019 के द्वारा मुख्यतः यह स्पष्टतया निर्देश दिये जाते हैं कि:—

- (1) अवकाश प्रार्थना पत्र अवकाश प्रस्तावित तिथि से कम से कम 4 कार्य दिवस पूर्व नियंत्रक अधिकारी के माध्यम से प्रस्तुत किया जाये।
- (2) उपार्जित अवकाश प्रार्थना पत्र प्रस्तावित तिथि से कम से कम 10 कार्य दिवस पूर्व अपन नियंत्रक अधिकारी के माध्यम से प्रस्तुत कर दिये जाये। नियंत्रक अधिकारी अवकाशकाल में किस अधिकारी द्वारा कार्य सम्पादित किया जायेगा, अवकाश स्वीकृति की अनुशंसा के साथ प्रस्ताव प्रेषित करेंगे।
- (3) क्षेत्रीय अधिकारियों के अधीनस्थ अधिकारियों/कर्मचारियों के 5 दिवस से अधिक के उपार्जित अवकाश प्रार्थना पत्र क्षेत्रीय अधिकारी द्वारा टिप्पणी प्रस्तुत किये जायेंगे।

अतः पुनः निर्देशित किया जाता है कि अध्यक्ष महोदय के निर्देशों का कठोरता से पालन किया जाये। यदि बिना सक्षम स्वीकृति जारी हुए कोई अधिकारी/कर्मचारी किसी भी प्रकार के अवकाश पर प्रस्थान कर गया तो उनके खिलाफ कठोर अनुशासनात्मक कार्यवाही की जायेगी।

No. F. 14 (23) Policy/RSPCB/Plg./779-814

Date : 15/07/2020

Officer Order

DELEGATION OF POWERS TO REGIONAL OFFICER-REGARDING

In supersession to all the earlier orders/circulars/guidelines, the competent authority for grant or refusal of Consent to Establish/Operate under the provisions of the Water (Prevention and Control of Pollution) Act, 1974/ Air (Prevention and Control of Pollution) Act, 1981, Authorization under the Hazardous Waste (Management, Handling and Transboundary Movement) Rules, 2008, Authorization under the Bio-Medical Waste (Management and Handling) Rules, 1998, and Plastic Waste Management Rules, 2016 shall be the Regional Officers of the State Board for industries/projects/processes/activities/mines located within their territorial jurisdiction as follows:—

- A. All industrial/projects/processes/activities covered under Green category.
- B. All industry/Projects/Processes/Activities covered under Orange category, except the following :—

1.	Building & construction projects more than 20,000 Sq. mtr.
2.	Township and area development project 5 Hectare and more/dwelling units 50 and more.
3.	Food & food processing including fruits & vegetable processing, food additives units with capital investment more than Rs. 10 crores.
4.	Printing ink manufacturing and/or formulation units with capital investment more than Rs. 10 crores.
5.	Dry coal processing industries involving ore sintering, palletisation, grinding, pulverization.
6.	Fertilizer (granulation and formulation only) units with capital investment more than Rs. 10 crores.
7.	Formulation of Pesticides, agro chemicals and so on and R & D Facilities with capital investment more than Rs. 10 Crores.
8.	Formulation/paletization of camphor tablets, naphthalene balls from camphor/naphthalene powders units with capital investment more than Rs. 10 crores.
9.	Pharamceutical formulation and for R & D purpose (for sustained release/extended release of drugs only and not for commercial purpose) units with capital investment more than Rs. 10 crores).
10.	Scrapping centres (for end of life of vehicles and other scraps such as plant and machineries, structural material, railway coaches and wagons etc.)

C. Following industries/projects/processes/Activities/mines under Red Category:—

1.	Mining in lease area less than 5 Ha.
2.	Basic chemicals and electro chemicals and its derivatives including manufacture of acids with capital investment upto Rs. 10 crores which have storage within threshold quantity indicated in column 3 of schedule 2 and 3 of MSIHC Rules, 1989.
3.	Chlorates, Perchlorates and Peroxides with capital investment upto Rs. 10 crores which have storage within threshold quantity indicated in column 3 of schedule 2 and 3 of MSIHC Rules, 1989.
4.	Chlorine, fluorine, bromine, iodine and their compounds, with capital investment upto Rs. 10 crores which have storage within threshold quantity indicates in column 3 of schedule 2 and 3 of MSIHC Rules, 1989.
5.	Ferrous and nonferrous metal extraction involving different furnaces through melting, refining, reprocessing, casting and alloy making having capacity less than 2 tonners per Hour.
6.	Fiber glass production and processing (Excluding moulding).
7.	Fire crackers manufacturing and bulk storage facilities with capital investment upto Rs. 10 crores which have storage within threshold quantity indicated in column 3 of schedule 2 and 3 of MSIHC Rules, 1989.
8.	Halogenated hydrocarbons with capital investment upto Rs. 10 crores which have storage within threshold quantity indicated in column 3 of schedule 2 and 3 of MSIHC Rules, 1989.
9.	Health care establishments (as defined in BMW Rules) upto 100 beds.
10.	Industrial carbon including electrodes and graphite blocks, activated carbon, carbon black within capital investment upto Rs. 10 crores.
11.	Industrial gases namely :—(a) Chemical gases : Acetylene, hydrogen, chlorine, fluorine, ammonia, sulphur dioxide, ethylene, hydrogen sulphide, phosphine; (b) Hydrocarbon gases : Methane, ethane, propane with capital investment upto Rs. 10 crores which have storage within threshold quantity indicated in column 3 of schedule 2 and 3 of MSIHC Rules, 1989.
12.	Industry or process involving metal surface treatment or process such as pickling/plating/electroplating/heat treatment/phosphating or finishing and anodising/enameling/galvanizaing with capital investment upto Rs. 10 crores.
13.	Manufacturing of explosives detonators, fuses including management and handling activities with capital investment upto Rs. 10 crores.

14.	Manufacturing of glue and gelatin (excluding glue from starch).
15.	Manufacturing of lubricating oils, greases or petroleum based products with capital investment upto Rs. 10 crores.
16.	Pulp and/or paper manufacturing with capital investment upto Rs. 10 crores.
17.	Phosphate rock processing plant with capital investment upto Rs. 10 crores.
18.	Phosphorous and its compounds with capital investment upto Rs. 10 crores which have storage within threshold quantity indicated in columns 3 of schedule 2 and 3 of MSIHC rules, 1989.
19.	Processes involving chlorinated hydrocarbons with capital investment upto Rs. 10 crores which have storage within threshold quantity indicated in column 3 of schedule 2 and 3 of MSIHC Rules, 1989.
20.	Railway Locomotive workshops/integrated Road transport workshop.
21.	Slaughter houses (as per the notification S. O. 270 (E), dated 26.03.2001) and meat processing industries, bone mill, processing of animal horns, hoofs and other body parts.
22.	Yarn/textile processing involving any effluent/emission-generating process, bleaching, dyeing, printing and scouring located in cluster (having discharge upto 100 KLD and are connected with CETP).
23.	Isolated yarn/textile processing involving any effluent/emission generating process bleaching, dyeing, printing and scouring with capital investment upto its 10 crores having discharge upto 100 KLD.
24.	Vegetable oils including solvent extraction and refinery/hydrogenated oils with capital investment upto Rs. 10 crores.
25.	Synthetic leather, foam and related products except isolated moulding.
26.	Any industry/industrial activity/process/operation/facility not covered in any of the categorization and having coal fired boiler with steam generation capacity more than 5 T/hr.

D. Note:—

1. The consent applications of all the industry/project/process/activity etc. covered under EIA Notification, 2006 and Aravali and Aravali Notification, 1992 shall be dealt at RSPCB Head Office irrespective of the delegation of power noted above.
2. The classification of industries in large/medium/small/tiny scale shall be as notified by the Industry Department.
3. In case any application is refused at the Regional Office level, the decision on the application submitted subsequently by the unit shall be taken by at RSPCB, Head Office level. However, the consent applications submitted after refusal on grounds of deficient documents shall continue to be decided by the concerning Regional Office.

4. Registration under Plastic Waste Management Rules, 2016 shall be issued at the Regional Office level.
5. Regional Offices shall be competent to grant/refuse authorization under HOWMR 2016 in respect of following industries/activities/projects/processes :—
 - a. Textile industries located in clusters and connected with Common Effluent treatment Plant (CETP) at Pali, Balotra, Bithuja, Jasol and Jodhpur.
 - b. Steel industries located in cluster and connected with Common Effluent Treatment Plant (CETP).
 - c. All industries/projects/processes/activities for which they have the powers to grant/refuse the consent to establish/operate under the Air and the Water Acts.
6. However, the powers to revoke/cancel/withdraw CTE, CTO and Authorization to all industries/projects/processes/activities irrespective of powers to grant/refuse consent/authorization shall vest with the RSPCB Head Quarters.
7. Whenever any industry/project/process/activity/mines falls in two categories or any part falls in higher categories shall be taken for decision making and in case of dual jurisdiction, the Head Office jurisdiction shall prevail.

This bears approval of the competent authority.

Rates For Sampling and Analysis Charges of Environmental Samples

(Applicable w.e.f. 1st August 2011)

Note:—

- (i) This schedule supersedes all schedules of sampling and analysis charges notified earlier as such earlier schedules stand cancelled & withdraw.
- (ii) In case of research works/projects of any recognized Universities Engineering Colleges and other Educational Institutions, if the samples are analysed by the State Board and the State Board is allowed to share the data of analysis by the relating agency, in such case the State Board will charge only 25% of the prescribed charges to enhance the data bank of the State Board.
- (iii) In case of sampling and analysis of the environmental samples related to the sponsored joint project of the State Board with any Department/Institution/Organization, no charges will be applicable. The work shall be carried out free of cost with prior approval of the Member Secretary.
- (iv) If RSPCB is assigning any project on payment basis to other Institution/Department/organization/NGO's/ Consultant and it is availing the facilities of RSPCB labs then agency shall pay for the collection and analysis charges, however with prior approval of the Member Secretary.

A. Sampling Charges

(I) Sampling charges for Ambient Air/Fugitive Emission Samples

S.No.	Type of Sampling	Charges (Rs.)
1	Air Monitoring	
(a)	Sampling (up to each 8 hrs.) for Suspended Particulate Matter and Gaseous Pollutions	2000
(b)	Sampling (24 hrs.) for Suspended Particulate Matter and Gaseous Pollutants	6000
(c)	Sampling of Volatile Organic Compounds (VOCs)/Benzene Toluene Xylene (BTX)	2000
(d)	Sampling of Poly Aromatic Hydrocarbons (PAHs)	2500

(II) Source Emission Monitoring/Sampling Charges

S.No.	Type of Sampling	Charges (Rs.)
(a)	Sampling/Measurement of Velocity, Flow Rate, Temperature and Molecular Weight of Flue Gas (each specific location/each sample in duplicate for mentioned parameter)	5500

(b)	Sampling of SO ₂ /NO _x	2000
(c)	Sampling of PAHs	3000
(d)	Sampling of VOCs/BTX	3500
(III) Noise Monitoring		
S.No.	Type of Sampling	Charges (Rs.)
(a)	First Monitoring	4000
(b)	Each Subsequent Monitoring within same premises	2000
(c)	For 08 hrs. continuous monitoring or more	10000
Note : (i) Transportation charges will be separate as per actual basis. (ii) Sample analysis charges of respective parameters will be extra as per list.		
(IV) Sampling Charges for Water & Wastewater Samples		
S.No.	Type of Sampling	Charges (Rs.)
(a)	Grab Sampling	
1	Grab Sampling/Sample/Place	550
2	For every additional Grab Sampling at same palce	250
(b)	Composite Sampling	
1	Composite Sampling/Source/Place up to 8 Hours	1000
	-do- up to 16 Hours	2000
	-do- up to 24 Hours	3000
2	For every additional Composite Sampling/Same place but different source	
	-do- up to 8 Hours	550
	-do- up to 16 Hours	1100
	-do- up to 24 Hours	1650
3	Flow Rate measurement/Source- once	400
	-do- - every additional	150

(V) Sampling Charges for Soil Samples		
S.No.	Type of Sampling	Charges (Rs.)
1	Grab Sampling/Sample/Place	600
2	For additional Grab Sampling/same palce	300
(VI) Hazardous Waste Sample collection charges at the premises of Industry/Import Site/Disposal Site		
S.No.	Type of Sampling	Charges (Rs.)
1	Intergrated Sample collection Charge	1000
Note : (i) Transportation charges will be separate as per actual basis. (ii) Sample analysis charges of respective parameters wil be extra as per list.		
B. Analysis Charges		
1. Analysis Charges for Ambient Air/Fugitive Emissions Samples		
S.No.	Parameters	Analysis Charges per Sample (Rs.)
1	Ammonia	600
2	Analysis Using Dragger (per Tube)	400
3	Benzene Toluence Xylene (BTX)	1000
4	Carbon Monoxide	600
5	Chlorine	600
6	Fluoride (Gaseous)	600
7	Fluoride (Particulate)	600
8	Hydrogen Chloride	600
9	Hydrogen Sulphide	600
10	Lead & Other metals (per metal)	As mentioned in respective group at Clause 4.0
11	NO _x	600
12	Ozone	1000

13	Poly Aromatic Hydrocarbons (PAHs)	As mentioned in respective group at Clause 4.0
14	Suspended particulate Matter (SPM)	600
15	Particulate Matter (PM _{2.5})	1000
16	Respirable Suspended particulate Matter (PM ₁₀)	600
17	Sulphur Dioxide	600
18	Volatile Organic Carbon	2000
19	Organic and Elemental Carbon (OC/EC) on Quartz filter paper	2000
20	Acid Mist	600
21	Mercaptan	600
2. Analysis Charges for Source Emission Parameters		
S.No.	Parameters	Analysis Charges per Sample (Rs.)
1	Acid Mist	600
2	Ammonia	600
3	Carbon Monoxide	600
4	Chlorine	600
5	Fluoride (Gaseous)	600
6	Fluoride (Particulate)	600
7	Hydrogen Chloride	600
8	Hydrogen Sulphide	600
9	Oxides of Nitrogen	600
10	Oxygen	500

राजस्थान सरकार
खान (ग्रुप-2) विभाग

क्रमांक : प. 14 (1) खान/ग्रुप-2/2012

जयपुर, विभाग : 9 फरवरी, 2012

परिपत्र

खनिजों का खनन वैध खनन पट्टा/लाईसेंस/परमिट के अन्तर्गत ही किया जा सकता है। इसके अलावा खनन किया जाना अवैध खनन की परिभाषा में आता है, जिसे रोका जाना एवं दोषी व्यक्तियों के विरुद्ध कार्यवाही किया जाना आवश्यक है। वन क्षेत्रों में खनन, भारत सरकार के अनुरक्षण स्वीकृति के बगैर किया जाना गैर-वानिकी गतिविधियों में आता है। अवैध खनन की रोकथाम के संबंध में अतिरिक्त राजकीय अधिवक्ता डॉ. मनीष सिंघवी को पत्र क्रमांक एमएस/002/एस. 2012, दिनांक 28.01.2017 के क्रम में विभिन्न विभागों में समन्वय स्थापित करने एवं माननीय सर्वोच्च न्यायालय में शपथ-पत्र प्रस्तुत करने हेतु निम्नानुसार दिशा-निर्देश जारी किये जाते हैं:—

1. वन क्षेत्रों में अवैध खनन रोकने की पूर्ण जिम्मेवारी वन विभाग की होगी एवं इसके लिए संबंधित वन क्षेत्र के प्रभारी एवं उप वन के संरक्षक/मण्डल वन अधिकारी पालन किये जाने हेतु जिम्मेदार रहेंगे। न्यायालय में शपथ-पत्र प्रस्तुत करने हेतु संबंधित उप वन संरक्षक/मण्डल वन अधिकारी द्वारा प्रकरण के प्रभारी अधिकारी को शपथ-पत्र भिजवाया जाएगा।
2. गैर-वन क्षेत्रों में अवैध खनन रोकने की जिम्मेदारी खान विभाग की रहेगी एवं इसके लिए खनि. अभियंता/सहायक खनि. अभियंता पालन किये जाने हेतु जिम्मेदार रहेंगे। न्यायालय में शपथ-पत्र प्रस्तुत करने हेतु संबंधित खनि. अभियंता/सहायक खनि. अभियंता द्वारा प्रकरण के प्रभारी अधिकारी को शपथ-पत्र भिजवाया जाएगा।
3. खातेदारी भूमि में अवैध खनन किये जाने पर इसकी सूचना संबंधित तहसीलदार को देने हेतु क्षेत्र का हल्का पटवारी जिम्मेदार होगा। पटवारी/खान विभाग द्वारा सूचना दिये जाने पर तहसीलदार द्वारा खातेदार के खातेदारी अधिकार निरस्त किये जाने की कार्यवाही सुनिश्चित की जाये। तहसीलदार द्वारा अवैध खनन हेतु खान विभाग के नियमों में दी गई शक्तियों का उपयोग कर दोषी व्यक्तियों के विरुद्ध कार्यवाही की जाए।
4. यदि कोई भूमि औद्योगिक/अन्य हेतु रीको/यू.आई.टी./अन्य संस्थाओं को आवंटित कर दी गई हो एवं उसमें अवैध खनन होता हो तो संबंधित संस्था के प्रभारी द्वारा पुलिस में एफ.आई.आर. दर्ज कराई जानी चाहिए। यदि उक्त संस्थाएँ उन्हें जिस कार्य हेतु भूमि आवंटित की गई है, उसे करने में विफल रहती है तथा अवैध खनन होता हो तो ऐसे आवेदन निरस्त किये जाने हेतु जिला कलक्टर/सक्षम अधिकारी द्वारा कार्यवाही की जाए।
5. राज्य सरकार/जिला प्रशासन द्वारा अवैध खनन की रोकथाम हेतु संयुक्त अभियान चलाये जाने पर संयुक्त दल में नामित अधिकारी अवैध खनन रोकथाम हेतु विभागीय नियमों के तहत संयुक्त रूप से कार्यवाही करेंगे।

RAJASTHAN STATE POLLUTION CONTROL BOARD

4, Institutional Area, Jhalana Doongri, Jaipur

Ph. : 5101871, 5101872, PBX : 5159600, Fax : 5159694, 5159695, 5159696, 5159697

Office Order

The building construction and township projects are covered under the Waster Act-1974 and Air Act-1981. The Project proponent is required to obtain Consent to Establish prior starting of construction activity and Consent to Operate for the operation of the project.

It is has been observed that in most of the cases where the project proponent obtained CTE from State Board has not applied for the CTO Besides, the project is either handed over to occupiers or commissioned the project without obtaining CTO. In these cases it is difficult for the Board to monitor the compliances of conditions of the consent to establish or seek prosecution/penal action against the occupier or the operator of the project for the violation of the environment laws.

To over come this problem and proper compliances of the various Environment laws, following Specific conditions shall be imposed in consent to establish:—

- (a) After obtaining consent to Establish under Waster Act, 1974 and Air Act, 1981 the project proponent shall obtain first consent to operate before commisioning of the project or handed over to the occupiers.
- (b) In case project proponent handing over the project to any other registered society for further operation and maintenance then project proponent shall submit transfer deed to State Board and also fix the responsibility of the society for compliances of the environmental laws including obtaining subsequently consent to operate under Water Act-1974 and Air Act, 1981.
- (c) Till the time transfer deed is submited and accepted by the State Board, the project proponent/promoter will be responsible for compliances of chvironmental laws.

This bears the approval of competent authority.

Office Order

A meeting was held in the chamber of Additional Chief Secretary (Environment & Forest, Government of Rajasthan, on 01.05.2015 to discuss matter related to delay in disposal of consent applications in want of comments from APCCF in cases involving forest diversion.

As per decision taken in the meeting, it is directed than in future State Board shall not seek comments regarding compliance of conditions of FAC, NPA value deposition etc. from the Department of Forests, Government of Rajasthan and will dispose consent application on merits as per its rules and regulation.

This bears the approval of the competent authority.

Office Order

The State Board has implemented the system for online submission of the applications for consent and authorisation along with the deposition of applicable fee through online portal provided by the e-mitra. It has been observed that the deposition of fee through Demand Draft is causing delay in disposal of applications. Therefore, in order to reduce the delay in disposal of applications the Board has dispensed with the acceptance of DD for the online applications of consent, authorisation and registration.

- (i) From 5th October, 2015 onwards the DD/cheques shall not be accepted by the e-mitra against the fee for consent, authorisation and registration applications submitted online.
- (ii) Only cash up to Rs. 20,000/- (Rs. Twenty thousand only) or online payments against the online submission of applications for consent, authorisation and registration will be accepted by the e-mitra.
- (iii) No consent fee for online applications shall be accepted by the Board in its office.
- (iv) The Accounts Section of RSPCB shall ensure that reconciliation of accounts between e-Mitra Society and the RSPCB shall be completed every fortnight.
- (v) Only balance fee for applications, which have been submitted in offline mode prior to the implementation of online application system, will be accepted by the State Board in its office, through DD only. The Regional Officers and the In-Charge of Accounts cell at head Office shall ensure that except for fee pertaining to the offline applications no application fee shall be accepted at the State Board Offices.

Officer Order

It has been noted that despite office order No. SCMG (Gen-3)/RPCB/55-103, dated 21.04.2015, the applications forwarded by Regional Offices of Stone Crushers are not complete in all respect which leads to delay in disposal of consent applications.

The Regional offices while forwarding application or sending verification report in cases of Stone Crushers shall ensure that :—

1. That application is completely filled and all enclosures as per check list of documents are enclosed.
2. The documents as required at the time of Consent to Establish as per check list of documents shall also be enclosed while forwarding consent to operate applications.
3. The deposition of fees and its adequacy.
4. The reasons of earlier refusal/directions and rectification of same by units.
5. Compliance of directions (if issued) including disconnection of electricity.
6. The date of first grant of consent to Establish/Operate and compliance of guidelines prevalent at that time including distance certificate obtained at that time.
7. The inspection reports as per format prescribed in Operating Manual.
8. The comments on status of legal case, if any, with especial reference to its implication on disposal of consent application.
9. Clear cut recommendation on grant/refusal of application.

This bears approval of the competent authority.

Office Order

The State Board has implemented the system for online submission of the applications for consent and authorisation. Presently, the consents/authorisations are issued as signed hard copies and unsigned soft copy is sent to the proponent by e-mail. In order to make available a verifiable document. It is directed that these consent/authorisation letters (including refusals) shall be issued with digital signature from 09/11/2015. The digitally signed documents will be sent to the proponent by e-mail.

Office Order

The State Board is responsible under Water Prevention and Control of Pollution) Act, 1974 to ensure disposal of consent application within period of 4 months and the Board is not legally justified to withhold consent application for want of approval/NOC/clearances of other agencies/departments. State board has a legal obligation to decide consent application within stipulated time and can not keep it on hold for want of other clearances.

In view of the above, It has been decided that the consent applications submitted in the State Board shall be disposed off without insisting for NOC from CGWA. A copy of Consent letter shall be endorsed to CGWA for their information and action at their level. The aforesaid process will come into effect immediately.

This bears the approval of the competent authority.

**GOVERNMENT OF RAJASTHAN
(ENERGY DEPARTMENT)**

No. F. 17 (25)/Energy/2011

Date : 10 Dec. 2015

The Chairman & Managing Director,
Jaipur Vidyut Vitran Nigam Limited,
Vidyut Bhawan, Jaipur.

Sub : Regarding release of power connections to new industries without consent to establish from RSPCB.

Ref : Letter no. JPD/CMD/CE (PPM)/XEN (C-1)/F.1 (13) Pt. IV/D. 1766, dated 08.12.2015.

Vide letter of even number dated 31.05.2012, in compliance of decision taken in a meeting held under the chairmanship of Chief Secretary on 18.05.2012, directions were issued for not giving electric connection to any industrial unit which has not obtained consent to establish from Rajasthan State Pollution Control Board (RSPCB).

The matter was reviewed in the meeting of the State Level Standing Committee held on 30.11.2015 under the chairmanship of Chief Secretary. It was decided that the requirement of NOC/consent to establish from RSPCB may be dispensed with for releasing industrial connections in all categories. Accordingly, in modification of letter dated 31.05.2012, the Discoms may release electric connections to industries of all categories without consent to establish from RSPCB. The discoms will provide information to RSPCB regarding the applications received for industrial connections periodically.

Notwithstanding the above, the restriction imposed vide letter dated 31.05.2012 on release of new industrial connections to kapra rangai-Chhapai units in Sanganer, Jaipur area will continue.

Office Order

In order to ensure that Consent to Establish and Consent to Operate applications are decided in mandatory time limit of 120 days, all officers are directed to henceforth not to keep applications pending where proponents have failed to submit necessary documents despite issuance of deficiency letters. The Group Incharge and Regional Officer are directed to dispose all pending Consent to Establish and Consent to Operate applications and update on MIS within 15 days of issue of this order.

It is further directed that all long pending CTE & CTO are to be disposed off in the next 3 weeks. Pre-requirement of inspection will be still mandatory for cases where earlier consent to operate/Authorization was refused/revoked or directions under section 33 (A) of Water Act, 1974, section 31 (A) of Air Act or section 5 of the Environment (Protection) Act, 1986 has been confirmed. All issuance would be subject to post audit of Pollution Control Measures (PCM) and Consent conditions. In case, it is found during post-inspection, the industries have flouted conditions of the consent/authorization/or inadequate PCM, the consent will be revoked and directions for closure will be issued under 33 (A) of Water Act, 1974, section 31(A) of Air Act or section 5 of the Environment (Protection) Act, 1986 without any further notice.

Daily report of disposal is to be updated on MIS, Sh. Sanjay Jain, ACP will prepare a consolidated report of all disposals of Regional office as well as Head office and submit the same for perusal of the Chairperson at 6:00 PM Daily.

This bears approval of the competent authority.

Office Order

The industries/processes/activities which are compliant with the provisions of relevant environmental law vis-a-vis Water (Prevention and Control of Pollution) Act, 1974, Air (prevention and Control of Pollution) Act, 1981, Environment (Protection) Act, 1986, and various rules made thereunder, except industries listed at Annexure- 'A', will be entitled for Auto-renewal of consent (Establish and Operate). The entitlement for auto-renewal will be subject to complying with following conditions:—

1. Application for renewal is made 120 days before expiry of consent.
2. There is no expansion/modernisation/change in process/product/raw material/fuel or change in pollution load.
3. There are no pending prohibitory directions from Courts/Appellate Authority/National Green Tribunal/other judicial Authority.
4. All requisite compliance report of earlier consent alongwith supporting documents have been submitted.
5. Environmental Statement report as prescribed under the rules have been submitted.
6. That during last inspection, industry/process/activity is found compliant of earlier conditions of consent and analysis report shows all parameters within permissible limits.
7. There are no directions under 33 (A) of Water (Prevention and Control of Pollution) Act, 1974 and 31 (A) of Air (Prevention and Control of Pollution) Act, 1981 and section 5 of EP Act during last five years.

The proponent shall apply with following documents for auto renewal of the consent :—

1. Prescribe fee.
2. Project Report (Financial part, in case of consent to Establish)/Certificate of capital investment in the project as on the date of application/end of financial year, in the prescribed format, certified by the Chartered Accountant (In case of Consent to Operate).
3. Affidavit cum Self Certification with declaration in the prescribed format enclosed as Annexure-B.

Applicant shall file application for Consent to Establishment/Operate online which will be verified for adequacy of fees, as may be applicable and submission of documents as prescribed above and will be renewed online by the concerning Group Head/Regional Officers within 10 working days. The documents of consent letter will be sent online which can be downloaded. In the case of non fulfilling of auto renewal requirements, the project proponent shall be informed accordingly and the consent application shall be processed in normal course.

Following conditions shall be incorporated in the consent while granting consents under auto renewal policy :—

- a. “This consent is issued under the auto renewal consent policy of the Board vide letter no. dated as per self certificate submitted by Mr. (Designation :), authorized signatory.”
- b. “The Rajasthan State Pollution Control Board reserves the rights to revoke/cancel the consent and issue directions under section 33 (A) of Water Prevention and Control of Pollution) Act, 1974 and 31 (A) of Air (Prevention and Control of Pollution) Act, 1981, any time without any notice in the matter for:—
 - (i) Any violation/non-compliance of consent conditions.
 - (ii) Submission of any false/incorrect/incomplete/forged facts and documents.

The State Board can also initiate appropriate legal/criminal action for the violation.”

This office order will come in force with effect from 1st June, 2016.

Sub : Regarding renwal of consent to operate of mines having production in excess of consent of consent capacity.

Ref : This office letter no. F-12 (Gen-8) RPCB/Gr. Mines/360-373, dated 12.05.2016

It was directed vide letter under reference that in cases where production exceeds 20% or more of the consented production capacity, prosecution against the lessee should be filed for violation of consent conditions before disposing the application for renewal.

The mater was further reviewed and its observed that prosecution is to be filed for past violation and and consent to operate is to be granted with prospective effect. Therefore, actions for processing/disposal of consent application and filing prosecution may be taken parallely.

In view of above, it has been decided to not wait till filing of prosecution before grant of consent to operate.

Therefore, it is directed that application for consent to operate may be decided on merit and prosecution may be launched afterwards.

OFFICER-ORDER

The conditions of Environmental Clearance (E.C.) issued by the Ministry of Environment, Forest & Climate Change, Government of India or State Environment Impact Assessment Authority, Rajasthan should be strictly complied with by the Project Proponent (PP), Relaxation of and kind in E.C. may only be considered by the issuing authority i.e. MoEF & CC/SEIAA. In case of any violation of the conditions of E.C./provision of the EIA Notification 2006, the PP would be liable for action and at the same time the project proponent may approach the issuing authority for any changes/addition/alterations etc. in E.C. as per the provision of the EIA Notification, 2006 & amendments made therein from time to time.

Consent to establish and consent to operate applications of many mining leases are pending with the State Board for the reasons of changes/deviations noticed subsequent to grant of Environmental Clearance.

A committee of officers was constituted vide office order no. F 12 (Gen-8) RPCB/Gr. Mines/1212-1218, dated 09.08.2016 to examine various issues involving changes/deviations notices subsequent to grant of Environmental Clearance to the mining leases.

After discussions and deliberations, the committee submitted comments/recommendations on each of the issue, which have been accepted. Minutes of the meeting of the committee along with comments and recommendations are enclosed as annexure 'A'.

All concerned are directed to process and decide the consent applications of the mining leases in accordance with the recommendations of the committee.

This bears approval of the competent authority.

Encl : Annexure 'A'

Minutes of meeting of the committee constituted to examine issues related to mining units

A meeting of committee constituted vide office order dated 09.08.2016 to examine various issues related to mining units was held in the chamber of Member Secretary on 11.08.2016. The meeting was attended by the following officers :—

1. Sh. V.K. Singhal, CEE
2. Sh. Ashok Gupta, SEE
3. Sh. T.S. Ranawat, SEE
4. Sh. Niraj Mathur, SEE
5. Sh. R.K. Pareek, Law Officer

All the issues were discussed at length during the meeting. Accordingly, pointwise comments/recommendations of the committee are as under :—

S. No.	Issue/circumstances	Comments/recommendations of the Committee
1.	Mine lease is transferred in favour of new lessee. Para 11 of the EIA Notification requires that in such cases the Environmental Clearance should be got transferred, which has not been done and CTO has been sought.	After the lessee submits evidence of having applied to the competent authority for transfer of EC, Consent to operate may be considered for grant subject to specific condition that the EC shall be got transferred in the name of present lessee within 45 days in case of leases under category 'B' and within 90 days in case of category 'A', failing which the consent to operate shall be deemed to have been revoked automatically.
2.	The lease area is reduced subsequent to grant of EC either due to part surrender or during demarcation of mine lease and CTO is sought for reduced lease area. The EC conditions provide that for any change in the scope of working prior approval of the MoEF/SEIAA should be obtained.	After the lessee submits evidence of having applied to the competent authority for reduction in Lease area (change in scope of working), Consent to operate may be considered for grant subject to the specific condition that the EC shall be got amended for reduction in lease area within 3 months in case of leases under category 'B' and within 6 months in case of category 'A', failing which the consent to operate shall be deemed to have been revoked automatically.

3.	The Environmental Clearance has been issued with observation that manual mining shall be carried out, whereas use of machinery is observed for handling of mine waste or loading/unloading proposes.	In all such case, the consent to operate may be refused.
4.	Overburden dumps have been observed at the site against condition of Environmental Clearance which provides that there should not be any OB dump.	In all such cases, the consent to operate may be refused.
5.	After issue of EC for manual mining, the lessee carried out semi-mechanized mining in past, however, has now resorted to manual mining.	Prosecution may be filed against the lessee for past violation under intimation to the competent authority i.e. MoEF & CC/SEIAA. Besides, Consent to operate may be considered simultaneously subject to the condition that only manual mining shall be carried out.
6.	Deviations from the conditions of Environmental Clearance have been observed at site, which are as under :— a. The number of mine pits have increased. b. The life of mine mentioned in the Environmental Clearance has lapsed and the lessee applies for CTO for continuing mining even thereafter.	a. Consent to operate may be refused in case number of mine pits has increased in violation of EC conditions. b. After the lessee submits evidence of having applied to the competent authority for amendment in EC for extended life of mine, Consent to Operate may be considered for production capacity allowed under EC subject to the specific condition that the EC shall be got amended for extended life of mine within 3 months in case of leases under category 'B' and within 6 months in case of category 'A', failing which the consent to operate shall be deemed to have been revoked automatically.
7.	Production in earlier consent is mentioned in square feet whereas in Environmental Clearance in TPA. (MT per Annum.)	In cases where capacity in consent letters was mentioned in square feet, further Consent to operate may be considered for capacity mentioned in the EC (in TPA) irrespective of the capacity mentioned in the earlier consents, without asking the lessee to seek CTE.

The meeting ended with vote of thanks to the chair.

F.12 (Gen-16) RPCB/Textile/

Date : 02.01.2017

Office Memorandum

Sub : Stipulation of additional condition in respect of textile units, units of Cotton/Woolen/Carpets/Polyester, units having Printing/Dyeing/Bleaching process or manufacturing and garment units.

In accordance with the directions under section 18 (1) (b) of the Water (Prevention and Control of Pollutin) Act, 1974 by Central Pollution Control Board (CPCB) vide letter no. B-400 (T)/PCI-III/2016-17/20072, dated 28.11.2016 and revised effluent discharge standards for textile industries notified vide Gazette Notification No. G.S.R. 35 (E), dated 10.10.2016 under schedule-I of the Environment (Protection) Rules, 1986, it has been decided that henceforth textile units, units of Cotton/Woolen/Carpets/Polyester, units having Printing/Dyeing/ Bleaching process or manufacturing and garments which have already granted consent to establish and consent to operate, besides effectively complying with the conditions stipulated in the consent order issued to the respective units, shall also comply with the following additional condition :

“That the industry shall comply the standards specified in Gazette Notification no. G.S.R. 35 (E), dated 10.10.2016 under Schedule I of Environment (Protection) Rules, 1986. [Available at [http://www.cpcb.nic.in/Industry-Specific-Standards/Effluent .pdf](http://www.cpcb.nic.in/Industry-Specific-Standards/Effluent.pdf)]. This consent shall stand automatically withdrawn if the industry fail to comply the standard”.

This issues with the approval of competent authority.

Sr. Environment Engineer (Textile)

CPCB Recommendation for control of emission from Quartz Grinding unit

- i. Adequate provision of dust extraction system shall be made at potential sources such as jaw crusher hopper, transfer points of materials from conveyer belt, disintegrator, transfer points of materials from bucket elevators to other plant equipment, rotary screens, magnetic separators, vibratory screens etc. The dust extraction system of such potential sources shall be routed through Air Pollution Control Device (APCD). Stacks attached to APCDs are to be equipped with adequate monitoring facility as per CPCB Emission Regulation, Part-III.
- ii. The height of stack shall be maintained minimum 2 meter above the roof level.
- iii. Sheds provided for plant process machineries shall be closed properly and provision of Closed Circuit Television (CCTV) camera shall be made rather than keeping small openings in shed for frequent observations.
- iv. The internal roads shall be made of bitumen/concrete to reduce the fugitive emission by vehicular movement with proper cleaning and wetting mechanism.
- v. Provision of green belt shall be made along the periphery of the individual unit.
- vi. Provision shall be made for systematic water sprinkling at places of dust generation to reduce the fugitive emission and records of water utilization shall be maintained.
- vii. The telescopic chute/any other system shall be adopted to reduce the fugitive emission while loading the products into trucks/fine dust in the bags.
- viii. Provision of Personal Protective Equipment (dust mask, helmet, safety shoes, goggles, ear plugs) and utilization by all the workers during operation of the plant shall be ensured.
- ix. The units shall ensure environmental monitoring and submission of reports to SPCB at regular intervals.
- x. The house keeping shall be improved.
- xi. The units shall submit a time bound action plan to comply with the above measures, within 30 days.

Office Order

A committee of officers was constituted vide office order no. F.12 (Gen-8) RPCB/Gr. Mines/1212-1218, dated 09.08.2016 to examine various issues involving changes/deviations noticed subsequent to grant of Environmental Clearance to the mining leases. After a meeting held on 11.08.2016, the committee recommended 'inter-alia' that in cases where overburden dumps have been observed at the site against condition of Environmental Clearance which provides that there should not be any OB dump, the consent to operate be refused. Accordingly, office order no. F 12 (Gen-8) RPCB/ Gr. Mines/1356-1377, dated 23.08.2016 was issued. Such mining unit are submitting fresh consent applications after refusal of earlier consent application with submission that they have already applied to the competent authority for amendment in the environmental clearance regarding disposal/management/handling of OB dumps.

For taking a view on subsequent applications received after refusal of earlier application, a meeting of the committee was again held in the chamber of Member Secretary on 21.12.2016. The committee has recommended that the lessee should be asked to submit following documents/details:—

1. Copy of complete proposals submitted to the competent authority for amendment in EC.
2. Action plan for management of overburden dumps.
3. Detailed estimate of works involved in management of OB dumps during entire lease period.
4. Bank guarantee for an amount of 10% of the above cost or Rs. 10,000/-, whichever is more and having validity of at least six years.

After the project proponent submits above documents/details, Consent to Operate may be considered for grant subject to following specific conditions :—

1. That the EC shall be got amended within three months in case of projects under category 'B' and within six months in case of category 'A' failing which the consent to operate shall be deemed to have been revoked automatically.
2. That the lessee shall adhere to the action plan for management of the Overburden dumps failing which Bank Guarantee shall be forfeited.
3. For dumping of the overburden in violation of EC conditions, the project proponent will be liable for action under the Environment (Protection) Act, 1986.

All concerned are directed to ensure compliance accordingly.

This bears approval of the competent authority.

Office Order

The applicability of Environmental Clearance to stone crushers located on mining lease was examined and it was concluded that while seeking Environmental Clearance for mining lease on which stone crusher were located, the project proponent should have submitted details of stone crusher in the application submitted for obtaining Environmental Clearance i.e. From No. 1.

In the light of above fact the proponent needs to include the stone crusher in the documents submitted to obtain Environmental Clearance and get the amendment in the Environmental Clearance obtained from competent authority within a period of 6 months, failing which their consent to operate will be treated as revoked.

Meanwhile, application for consent to operate of stone crushers located on mining lease may be considered for renewal subject to specific condition "To obtain and submit amended Environmental Clearance including stone crushing activities within six months to the State Board, failing which the consent to operate accorded will be treated as revoked without any further intimation to the unit."

Subject : CTE/CTO for mine and mineral processing plants reg.

It has been observed that some of the mine leases are engaged in the activities of mineral processing (crushing, screening & washing), mineral grinding and stone crushing etc. for mineral beneficiation.

Looking to the cited activities of the mining units, it is directed that henceforth common consent shall not be considered for mine and mineral processing plants and separate CTE/CTO shall be considered for mine and other such activities mentioned hereinabove.

All Concerned are directed to ensure compliance accordingly.

Office Order

The Hon'ble National Green Tribunal, Central Zonal Bench, Bhopal in the Original Application No. 158/2016, Naveen Sarawat V/s. State of Rajasthan & Ors. has passed order on 20.03.2017 that the office order dated 17.11.2015 shall be kept in abeyance with immediate effect. Subsequently by the order dated 23.05.2017 the Hon'ble NGT has passed order that the office order dated 17.11.2015 which was kept in abeyance is ordered to be vacated.

In view of the orders of the Hon'ble NGT, the consent applications may be disposed of with the condition that the project proponent/industry shall submit receipt of application for abstraction of ground water from CGWA within a period of 30 days positively and thereafter shall obtain NOC within further six months, failing which the consent shall deemed to be revoked.

OFFICE ORDER

In pursuance to the Hon'ble NGT order dated 16.05.2017 in the matter of Original Application No. 471 of 2016, People for Education and Research Scholarship and Outward Nutrition, New Delhi Vs. Union of India & Central Pollution Control Board, the State Government has examined the matter and vide Government Order dated 15.06.2015 has conveyed its decision that the pet coke is considered to be an 'Approved fuel' subject to certain condition.

Accordingly, the State Pollution Control Board has examined the issue and per coke is considered as 'an approved fuel' under section 2 (d) of the Air (Prevention & Control) of Pollution) Act, 1981 subject to following conditions :—

1. That is will be an approved fuel in case of industrial units where consent under the provisions of Air (Prevention & Control of Pollution) Act, 1981 have been specifically issued for utilization of pet coke.
2. The industries will be required to install all the requisite air pollution control measures so as to achieve an emission standard of 400 mg/Nm³ for SO² emission with minimum stack height of 11 m. from the ground as prescribed in schedule-I of EP Act, 1986 as amended from time to time.
3. That industries will comply with all the conditions as laid down in the consent order issued under the provisions of Air (Prevention & Control of Pollution) Act, 1981.

Office Order

The Department of Environment, Government of Rajasthan vide notification dated 26.05.2016 has amended the Rajasthan Water (Prevention and Control of Pollution) Rules, 1975 and Rajasthan Air (Prevention and Control of Pollution) Rules, 1983. In the said notification White category have been inserted and the industries mentioned in white category are not required to obtain consent to establish and consent to operate under the provisions of a aforementioned Acts & Rules. At S.No. 35 “**Solar Power generation through Photovoltaic Cell and Wind Power**” has also been exempted from obtaining consent to establish/operate under the said Acts and Rules.

Therefore, any industry (irrespective of category) which intends to install/establish solar photo-voltaic based solar power plants of any capacity within their existing premises for captive use are exempted from obtaining consent to establish/operate under the aforementioned Acts and Rules. However, the industry shall inform the State Board (format enclosed) before commissioning of the same and the increase in capital investment of the industry/plant due to establishment of the solar power will be included in the overall investment of the industry/plant & fees for consent to establish/operate will be levied as per existing category of the main plant.

This bears the approval of the competent authority.

Yours sincerely

Sub : Intimation regarding installation of solar photo voltaic based power plants in the existing premises of
M/s.

Sir,

With reference to above, it is to inform you that a solar photo voltaic based power plant of
MW capacity has been established/Proposed to be established in the premises of M/s.
for captive use. The total capital investment incurred/Proposed to be incurred on the installation of
MW solar photovoltaic based power plant is Rs. Lacs which includes the cost of
land/building/plant and machinery/miscellaneous fixed assets. The fees for consent to establish applicable on this
additional capital investment, as per the prevailing notification has/will be paid by us at the time of obtaining consent
to operate for our..... plant.

Yours Truly

Office Order

It has been brought to the notice of the State Board that some of the industries in the State are using pet coke and furnace oil despite the ban imposed by hon'ble Supreme Court vide its order dated 24.10.2017 in the matter of WP (Civil) 13029/1985 M.C. Mehta v/s. Union of India & Others.

In view of the above, all the Regional Officers are directed to ensure that pet coke and furnace oil are not used by any industry in compliance with the aforesaid order of the Hon'ble Supreme Court and take strict action against any industry which is found violating the order. The Regional Officers will be personally held responsible for non-compliance of the order of the Hon'ble Supreme Court.

Office Order

In compliance of the direction of CPCB issued under the section 18 (1) (b) of the Water (Prevention and Control of Pollution) Act, 1974 and under section 18 (1) (b) of the Air (Prevention and Control of Pollution) Act, 1981 the State Board issued direction to 17 category of highly polluting industries, GPI and CTDF's etc. for ensuring establishment of online effluent/emission quality monitoring system and their integration with the CPCB server and SPCB servers. The State Board established online Emission/Effluent quality monitoring server to facilitate entities required to comply with directions and a nominal fee as per table below was to be charged to recover the cost of the system.

Capital Investment in Crores (Rs.)				
	Upto 50 Crores (Rs.)	More than 50 to 200 Crores (Rs.)	More than 200 to 500 crores (Rs.)	More than 500 crores (Rs.)
Contribution in Rs. per Year.	25,000	40,000	60,000	90,000
Total Amount (Rs.) to be deposited for five years.	1,25,000	2,00,000	3,00,000	4,50,000

The entities are to deposit the amount for a period of five years according to their capital investment. All such existing 17 category Highly Polluting Industries, CTDFs and Grossly Polluting industries that have not yet connected with the State Board server shall submit an additional 50% of the stipulated fee. The fee applicable to the any new industry/other than the industry covered under the CPCB direction shall be as per the table. It shall be mandatory to each unit covered to deposit 5 year fee at the time of seeking connectivity.

It bears approval of the competent authority.

Yours sincerely,

Office Order

The township/residential colony based projects are listed in the EIA notification dated 14/09/2006. the State Board has also issued office order dated 07.03.2013 regarding categorization of industries. The aforesaid office orders also cover the constructions projects/residential colonies in the various categories for obtaining the consent to establish and consent to operate from the State Board.

Therefore, all industries having residential colonies/townships for residential purpose of their employees whether it is located in the same premises of the unit or outside the premises of the unit are required to obtain separate environmental clearance (in case applicable), as per the provisions of EIA notification, dated 14.09.2006 as amended time to time by the competent authority and will obtain separate consent to establish and consent to operate in accordance with the provisions of Water (Prevention and Control of Pollution), Act 1974 and Air (Prevention and Control of Pollution), Act, 1981 for township/colony with respect to the plot area and built-up area from the State Board.

This bears the approval of the competent authority.

Sub : Requirement of Rider agreement for reduction in lease area by the mining leases.

Sir,

It has been observed that few mining units have been obtaining consent to operate for reduced lease area below 5 hectare (after claiming part surrender) from Regional Offices. However, Surrender Acceptance letter/order or Rider Agreement for reduction in lease area has not been submitted.

In view of above, you are requested to ensure in future that applications for reduced lease area after part surrender are considered only after issue of Surrender Acceptance letter/order by Department of Mines and Geology or execution of Rider Agreement for part surrender.

Yours sincerely,

अति आवश्यक

परिपत्र

क्रमांक : /लेखा/परिपत्र/2018-19/511

दिनांक : 22.06.2018

आंतरिक जाँच प्रतिवेदनों की समीक्षा पर पाया गया कि क्षेत्रीय कार्यालयों द्वारा औद्योगिक इकाईयों को जारी स्थापत्य एवं संचालन समितियों में निर्धारित मापदण्डों के अनुसार सम्मति शुक्ल का सही निर्धारण नहीं किये जाने से इकाईयों से कम फीस वसूली के आक्षेप लिये गये हैं तथा प्रतिवेदनों की पालना समय पर नहीं होने से बोर्ड को हो रही राजस्व की हानि के साथ अनियमितताओं को रोकना भी सम्भव नहीं हो पा रहा है। ऐसा क्षेत्रीय अधिकारियों द्वारा जारी की जाने वाली समस्त प्रकार की समितियों से सम्बन्धित पत्रावलियाँ कार्यालय में पदस्थापित लेखाकर्मियों से बिना जाँच/गणना के सीधे जारी की जा रही हैं। इस सम्बन्ध में महालेखाकार जांच प्रतिवेदन 4/2000 से 3/2005 में भी औद्योगिक इकाईयों को जारी समितियों में कम फीस की राशि की वसूली का आक्षेप गठित कर इसका मुख्य कारण कार्यालय में पदस्थापित लेखाकर्मियों से जाँच नहीं करवाना बताया गया है।

अतः निर्देशित किया जाता है कि समस्त प्रकार की समितियों एवं अन्य वित्तीय प्रकरणों से सम्बन्धित पत्रावलियों की जाँच/परीक्षण कार्यालय में पदस्थापित लेखाकर्मी से कराने के पश्चात ही अग्रिम कार्यवाही की जावे, इन निर्देशों की पूर्ण पालना सुनिश्चित की जावे, यदि भविष्य में इनके विपरीत कार्यवाही किया जाना पाया जाता है तो उसके लिये क्षेत्रीय अधिकारी को व्यक्तिगत रूप से उत्तरदायी माना जावेगा।

यह परिपत्र सक्षम स्तर से अनुमोदित है।

ह0/-

Chittorgarh/Jaipur (North)/Jaipur (South)/Jodhpur/Kota/Pali/Sikar/Udaipur/Kishangarh.

Sub:- Mine lease located within one kilometer of the National Parks/Sanctuary.

Ref.:- This office letter dated 20/04/2016.

Sir,

The Hon'ble Supreme Court in its order dated, 04/08/2006 in the matter of Writ Petition (Civil) No. 202/1995, T.N. Godavarman Thirumulpad v/s. Union of India and others had 'Inter-alia' prohibited any mining activity within the safety zone around National Parks/Sanctuary and as an interim measure ordered that one kilometer safety zone shall be maintained subject to the order that may be passed in I.A. No. 1000 regarding Jamwa Ramgarh Sanctuary. The order dated 04/08/2006 has not been varied subsequently nor any orders made in I.A. No. 1000 regarding Jamwa Ramgarh Sanctuary.

At present a number of consent applications of mines located within 1 km of Wildlife Sanctuaries/National Parks are pending. It may be further observed that Ministry of Environment, Forest & Climate Change and many DEIAA have not been issuing Environmental Clearance for mine leases located within 1 km of National Parks and Wildlife Sanctuaries. For time being, the mines located within 1 km. of National Parks and Wildlife Sanctuaries are not likely to get any relief 1 km of National Parks and Wildlife Sanctuaries are not likely to get any relief from the Hon'ble Supreme Court nor there are changes of getting permission of Standing Committee of NBWL for carrying out mining within 1 km of National Parks and Wildlife Sanctuaries. Therefore, such mines cannot be permitted to be operated.

In view of above, you are requested to take action for refusal of such consent applications pertaining to your jurisdiction, after giving show cause notice.

Yours sincerely,

Officer Order

The State Board had issue following three orders to consider cases of CTE and CTO to the projects, which have carried out some minor changes in the project, involving changes in scope of working etc. after issue of EC :—

1. No. F. 14 (Bhilwara-3) Tech/RPCB/DF/48-77, dated 20.07.2016 (for industries).
2. No. F.12 (Gen-8) RPCB/ Gr. Mines/1356-1377, dated 23.08.2016 (for mines).
3. No. F. 12 (Gen-8) RPCB/Gr. Mines/ 2990-3012, dated 23.01.2017 (for mines).

Subsequently, the MOEF & CC has issued amendment dated 23.11.2016 in EIA Notification, 2006 to address such projects, which have either carried out some minor changes or involve changes in scope of working etc. or intend to do so after issue of E.C. Further, the amendment, dated 14.03.2017 and 18.06.2018 in the EIA Notification, 2006 provides that the expansion or modernisation of existing projects or activities requiring prior EC under the EIA Notification entailing capacity addition with change in process or technology or both undertaken without obtaining prior EC, shall be considered a case of violation of the EIA Notification, 2006 and will be dealt strictly as per the procedure laid down under the Notification and no further CTO will be issued till the project is granted EC.

With a view to review above mentioned three orders in light of amendments in EIA notification 2006, a committee was constituted vide office order no. F.12 (Gen-104) RPCB/Gr. Mines/ 116-124, dated 20.04.2018. The recommendations made by the committee have been accepted and in supersession to aforesaid orders, it is directed that:—

1. In case of minor changes/addition/alteration after grant of EC, consent to operate shall not be granted without prior amendment in EC or issue of “No increase in pollution load certificate” by the competent authority.
2. In case of mines, where life of mine mentioned in EC has lapsed; consent shall not be granted without prior amendment in EC or fresh Ec.
3. However, the Board may continue to grant CTE to such industries in accordance with the prevailing office orders subject to condition that no work/activity related to such changes/modifications shall be initiated without obtaining prior approval of the competent authority (MOEF & CC/SEIAA) and prior consent to operate.

All concerned are directed to ensure compliance accordingly.

This bears approval of the competent authority.

No. F. 12 (GEN-08) RPCB/Mines/5012-5026

Date : 9.10.2018

Regional Officer,
Regional Office,
Rajasthan State Pollution Control Board,
Alwar/Bhiwadi/Bharatpur/Balotra/Bikaner/Bhilwara/
Chittorgarh/Jaipur (North)/Jaipur (South)/Jodhpur/
Kota/Kishangarh/Pali/Sikar/Udaipur.

Sub:- Mines located within 1 to 10 km of boundary of National Parks and Wildlife Sanctuaries-Reg.

Ref.:- This officer letter no. F. 12 (Gen-04) RPCB/ Gr. Mines/103-17, dated 20/04/2016.

Sir,

A copy of the minutes of the meeting held on 02/03/2016 in the chamber of the Additional Chief Secretary, Environment & Forest was forwarded vide letter under reference with request to inter-alia issue consent to operate to the mines located beyond 1 and within 10 km. of National parks and Wildlife Sanctuaries as per decision taken in the meeting.

The issue was again discussed in the meeting held on 17.09.2018 under the chairmanship of the Chief Secretary, when the Chief Wildlife Warden informed that except a couple of mines, most of the mines located within 1-10 km. of boundary of National Parks and Wildlife Sanctuaries have not even applied for permission of the Standing Committee of National Board for Wildlife (NBWL) and continue to operate, which is violation of the directions of the Hon'ble Supreme Court.

In follow up of the decisions taken in the meeting show cause notices for intended revocation of CTO are being issued to the mines located within 1 to 10 km. of boundary of National Parks and Wildlife Sanctuaries to the effect that they should apply for NBWL clearance and inform to the Board within 15 days.

Further, it is directed that henceforth CTO shall not be issued to the mines located within 1 to 10 km. of boundary of National Parks and Wildlife Sanctuaries, if they do not have NBWL clearance.

Yours Sincerely,

No. F. 12 (GEN-12) RPCB/Mines/6367-6382

Date : 2.11.2018

Regional Officer,
Regional Office,
Rajasthan State Pollution Control Board,
Alwar/Bhiwadi/Bharatpur/Balotra/Bikaner/Bhilwara/
Chittorgarh/Jaipur (North)/Jaipur (South)/Jodhpur/Kota/
Kishangarh/Pali/Sikar/Udaipur.

Sub:- Mines located within 1 to 10 km of boundary of National Parks and Wildlife Sanctuaries-Reg.

Ref.:- This officer letter no. F. 12 (Gen-08) RPCB/Gr. Mines/5012-5026, dated 9.10.2018.

Sir,

A copy of the minutes of the meeting held on 17/09/2018 under the chairmanship of the Chief Secretary is enclosed, which is regarding operation of the mines located within 1-10 km. of boundary of National Parks and Wildlife Sanctuaries without permission of the Standing Committee of National Board for Wildlife (NBW) and is violation of the directions of the Hon'ble Supreme Court.

In follow up of the decisions taken in the meeting, it was directed vide letter under reference that henceforth consent to operate shall not be issued to the mines located within 1 to 10 km. of boundary of National Parks and Wildlife Sanctuaries, if they do not have NBWL clearance. Earlier, it had been directed vide letters dated 10/07/2018 and 10/09/2018 that in case of mines located within 1 Km. of National Park/Wildlife Sanctuaries, consent to operate if valid should be revoked and pending applications should be refused.

You are further directed to apply (enforce) similar provisions in respect of mines located within 10 Km. of Critical Tiger Habitats too as per decision taken in the aforesaid meeting.

Yours Sincerely,

Member Secretary

RAJASTHAN STATE POLLUTION CONTROL BOARD

4, Institutional Area, Jhalana Doongri, Jaipur-302004

Ph : 5159600, 5159699, Fax : 5159695, 5159697

Office Order

Central Pollution Control Board vide its letter dated 2.11.2018 has issued direction under section 18 (1) (b) of the Water (Prevention & Control of Pollution) Act, 1974 and Air (Prevention & Control of Pollution) Act, 1981 to the State Board stating that for industries requiring Environmental Clearance (EC), issuing of consent by SPCB/PCC shall be one step process and Environmental Clearance will be deemed as consent to establish (CTE) in all such case. In compliance of the aforesaid directions, necessary order was issued by the State Board vide its officer order dated 14.11.2018

However, to streamline the process and to ensure that the industrial units or processes or operations established all the necessary pollution control measures before it commence its operation, it is directed that all such industries which have been granted Environmental Clearance by the competent authority and do not require separate consent to establish as per the officer order dated 14.11.2018 issued by the State Board, will submit a copy of the environmental clearance along with all the documents to the State Board stating that separate consent to establish is not required in their case. Further, industries or operations or the processes which are covered under category 'A' or category 'B (1)' of Environmental Impact Assessment Notification dated 14.09.2006 will be required to make a presentation on their project so as to ensure that adequacy of the pollution control measures is properly evaluated and the project proponent can take timely action for installation of the pollution control measures. This will ensure that all the pollution control measures are installed before the industries commence their operation and unnecessary delay in the processing of consent to operate application filed by such project proponent is avoided. Accordingly, for the purpose of the evaluation of the project and its adequacy with regards to the pollution control measures, a committee of the following is constituted.

1. Chief Environmental Engineer, RSPCB, Jaipur.
2. Chief Scientific Officer, RSPCB, Jaipur.
3. Concerned Group Incharge, RSPCB, Jaipur.
4. Concerned Regional Officer, RPCB.

However, the committee will be at liberty to invite any other expert or official as and when required.

The aforesaid office order is issued with due approval of the competent authority.

Office Order

In exercise of the powers conferred vide Notification No. S.O. 4 (E), dated 01/01/2016 issued by the Ministry of Environment, Forest and Climate Change, Govt. of India, New Delhi and in compliance of Hon'ble NGT order dated 16.11.2018 in Original Application No. 329/2015 Gram Panchayat Araba Vs. State of Rajasthan & Ors. and other connected matters. The State Board hereby adopts the standards as suggested by the Committee constituted by Hon'ble NGT vide order dated, 23.10.2018 in the aforesaid matters. Accordingly, the State Board prescribes following standards for the inlet quality of the CETPs located in the state :—

Parameter	Steel	Textile and Others
PH	5.5-8.5	6.5-8.5
Oil & Grease	20 mg/l	20 mg/l
Phenolic Compounds	5.0 mg/l	5.0 mg/ l
Ammonical Nitrogen	50 mg/l	50 mg/l
Cynide	2.0 mg/l	2.0 mg/l
Chromium hexavalent	2.0 mg/ l	2.0 mg/l
Chromium (total)	2.0 mg/l	2.0 mg/l
Copper	3.0 mg/l	3.0 mg/l
Lead	1.0 mg/l	1.0 mg/l
Nickel	3.0 mg/l	3.0 mg/l
Zinc	15 mg/l	15 mg/l
Arsenic	0.2. mg/l	0.2 mg/ l
Mercury	0.01 mg/l	0.01 mg/l
Cadmium	1.0 mg/l	1.0 mg/l
Selenium	0.05 mg/l	0.05 mg/l
Fluoride	15 mg/l	2.0 mg/l
Boron	2.0 mg/l	2.0 mg/l
Total Suspended Solids	600 mg/l	600 mg/l

This order will come into force with immediate effect.

Office Order

The State Board grants consents under section 25 of the Water (Prevention & Control of Pollution) Act, 1974 and Section 21 of the Air (Prevention & Control of Pollution) Act, 1981 after receipt of complete application along with prescribed fee and requisite documents. Subsequent to grant of consent, in some cases, requests for change of name in the consent letters are being received from the project proponent by the State Board due to reasons like merger/acquisition/transfer of rights etc.

Water Act contains no provision with respect to change of name in the consent letter granted by the State Board. Whereas, as per the provisions under section 21 (7) of the Air Act “Where a person to whom consent has been granted by the State Board under sub-section (4) transfers his interest in the industry to any other person such consent shall be deemed to have been granted to such other person and he shall be bound to comply with all the conditions subject to which it was granted as if the consent was granted to him originally.

In light of the provisions of the said Act, in case an request for change of name is submitted to the State Board by duly authorized person/project proponent along with valid documents in support of change of name, the Board will issued a letter of acknowledgement of the same and thereafter the new name shall be used for all future correspondences and actions/liabilities.

However, in case project proponent desires to get the Consent letter issued in new name, in such circumstances the project proponent shall submit fresh consent application along with prescribed documents and requisite fee for the said purpose (consent) in accordance with the provisions of section 25 of the Water Act and section 21 of the Air Act.

Similar process shall be followed for various authorization and registrations issued by the State Board under the provisions of the rules notified under the Environment (Protection) Act, 1986, if not provided specifically in the rules.

Office Order

Constitution of Pollution Control and Vigilance Squads (PCVS)

For the compliance of various orders passed by the Hon'ble Courts and Hon'ble National Green Tribunal and to ensure compliance of the provisions of Environment (Protection) Act, 1986, Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981 and the various Rules and Guidelines issued there under and to ensure effective enforcement of the Directions issued by the RSPCB and for the control of Environmental pollution, **five pollution Control and Vigilance Squads (PCV Squads) are hereby constituted** at the Regional Offices of **Bhiwadi, Balotra, Jodhpur, Pali and RSPCB Heaquarter, Jaipur.**

Each vigilance squad shall comprise of 5 members as follows :—

1. One officer from Environment Engineering wing of RSPCB.
2. One officer from Scientific Wing of RSPCB.
3. Two Uniformed Security Guards (Ex-Serviceman hired from Sainik Kalyan Board on a monthly basis).
4. One Driver with Vehicle.

The vigilance squad shall have the following functions/Duties :—

- (1) To keep vigil and surveillance over all kinds of processes/activities in and around their jurisdiction by way of monitoring, inspections, surprise checks, patrolling (including night patrolling) etc. and take all necessary steps to prevent any kind of Environment pollution including discharges of illegal industrial effluent/air emissions, dumping/disposal of any kinds of wastes etc. The jurisdiction of PCV Squad of the Regional offices shall be coterminous with the jurisdiction of the RO Office. The Jurisdiction of PCV Squad of RSPCB Head Quarter will be spread over entire Rajasthan. The PCV Squads of the Regional Offices shall go for vigilance and patrolling duty to areas other than their jurisdiction on the orders of the Member Secretary, RSPCB.
- (2) To verify compliants regarding environmental pollution received by the RSPCB Helpline number/Rajasthan Sampark Portal etc.
- (3) To maintain proper records, books and documents of entire vigilance activity in the prescribed formats.
- (4) To inform the concerned authorities about all cases emergency and matters of grave significance immediately.
- (5) To submit evidence based site inspection report to the concerning higher authorities of the State Board and other competent authorities.
- (6) To submit a detailed Monthly Action Taken Report in prescribed format to the GIC (Environment Vigilance and Pollution Control) through the RO Concerned, which shall be put up for the perusal of Chairperson through proper channel.

The inspections/verifications would be in consonance with the provisions of existing Environmental Laws. The squad shall work in 03 shifts of 08 hours each and accordingly the five membered squad will have rotational duties. The Accounts section shall make separate monthly budget provision for each Regional Office and make funds available to the Regional Office every month.

This order will come into force with immediate effect and it bears approval of the competent authority.

Office Order

The Hon'ble National Green Tribunal, New Delhi in O.A. No. 1038/2018 titled as 'News item published in "The Asian Age" Authored by Sanjay Kaw Titled "CPCB to rank industrial units on pollutin levels' has passed order dated 10.07.2019 as follows which is regarding 5 critically polluted cluster of Rajathan namely 1, Jaipur 2, Pali 3. Jodhpur 4, Bhiwadi 5, Sanganer (Jaipur) :—

"Para No. 28 No. further inddustrial activities or expansion be allowed with regard to 'red' and 'orange' category units till the said areas are brought within the prescribed parameters or till carrying capacity of area is assessed and new units or expansion is found viable having regard to the carrying capacity of the area and environmental norms. Pending assessment of compensation, interim compensation be recovered at the scale adopted by this Tribunal in the case of Vapi Industrial area as mentioned in para 22 above."

To ensure the compliance of the abovementioned orders passed by Hon'ble Tribunal, all the Group Incharges and Regionl Officer's, Jaipur (North); Jaipur (Sourth); Bhiwadi, Pali and Jodhpur are directed not to issue the consent to Establish for new industry or any expansion of the existing industry in the abovementioned industrial Clusters, till further orders. This order shall come into force with immediate effect.

This bears approval of the competent authority.

Yours sincerely,

Sub : Procedure for forwarding proposals for imposing Environmental Compensation (EnCp) under section 33A of the Water (Prevention and Control and Control of Pollution) Act, 1974 and section 31A of the Air (Prevention and Control of Pollution) Act, 1981.

Ref : This office letter no. F-10 (192-Corres)/RPCB/Plg./E.C./1338-1369, dated 25.06.2019.

Sir,

It has been observed that the proposals for imposing Environmental Compensation (EnCp) received from GICs and ROs are often vague and lack essential details required for taking decision by Environment Compensation Committee (ECC).

In order to streamline the process and expedite decision making, it is directed that following procedure shall be adopted by GICs and ROs in cases of EnCp:—

1. The Regional Officer will forward the case for imposing EnCp to the respective GIC with all supporting documents.
2. The respective GIC shall process the case of Group file and obtain approval of the Chairperson for imposing EnCp.
3. The GIC at his level may also initiate cases for imposing EnCp and forward the same to ECC after approval of the Chairperson.

4. The GIC and/or RO will specifically mention the details of violations and grounds for which EnCp is being recommended on the industry mine/hospital, etc. A format of Data Sheet, which should mandatorily be enclosed with each case forwarded to ECC for imposing EnCp. is enclosed.
5. The concerning GIC shall forward the case to ECC alongwith copy of Data Sheet and copy of approval obtained from the competent authority. A soft copy of the proposals with Data Sheet shall also be forwarded by the GIC to ECC.
6. The ECC will consider details furnished in the Data Sheet and take a view on the amount of EnCP to imposed.

All may note for compliance.

Encls—As above.

Yours Sincerely,

Sd/-

Data Sheet for cases forwarded to ECC for imposing Environmental Compensation (EnCp)

A. General information

1.	Name of Establishment/entity	
2.	Site Address	
3.	District	
4.	Correspondence Address	
5.	Unit ID (in MIS, if any)	
6.	E-mail ID	
7.	Category-Red/Orange/Green	
8.	Type (Sector), as per categorization of the Board.	
9.	Size— In case of industry (large/Medium/Small/Micro) In case of hospital (Number of Beds) In case of Hotel (Number of Beds and Star) In case of mine (lease area) In case of CETP/STP (Capacity in MLD) In case of CTDF for HW or BMW or MSW (Total land area and quantity of waste handled as per authorization) In case of building/construction project, total built up area.	
B. Details of violations		
1.	Details of violations for which EnCP is being recommended.	

2.	Period of violation (if period of violation is very long and not exactly known, maximum period may be upto five years).	
3.	Details of NGT/Court orders if any, for imposing EnCp on this entity.	
4.	Whether EnCp imposed in past? (Yes/No)? If yes; please give following details :— i. Date of issuing directions. ii. Amount of enCp imposed.	
5.	Remarks.	

- Please enclose copy of necessary documents such as inspection report, analysis reports of samples, copy of show cause notices/directions issued, etc.

Office Order

The State Board, on the basis of recommendation of the committee constituted vide office order dated 16.05.2019 had decided that all Lead battery recycling Industries having both Mandir Furnace and Rotary Furnace operating in NCR sub-region of Rajasthan to install/configure analysers of PM, SO₂, NO_x and Lead at all applicable emission discharge point of these industries and the same was directed to all such industries vide State Board letter dated 05.09.2018.

In compliance to the CPCB directions dated 18.06.2019, the State Board issued closure direction to all such units which have not yet installed/configured OCEMS with the State Board server on 11.07.2019 under section 31 (a) of Air Act, 1981.

Subsequently, various representations have been received from these industries requesting exemption of lead parameters from OCEMS on the grounds that the total installation cost of the lead analyzer is very high while capital investment of the units are quite low and that these parameters were originally not imposed by CPCB and were decided by the State Board only.

The matter has been re-examined, in light of various representations and it has been decided that henceforth, OCEMS for lead parameter shall not be mandatory in the following Red Category Air Polluting industries located in NCR sub-region of Rajasthan, till further orders.

Sector	Name of the Category
Secondary Lead Refinery	Industries engaged in recycling/reprocessing/recovery/reuse of Hazardous Waste under Schedule iv of HW (M, H & TBM) Rules, 2008-Items namely-Lead acid battery plates and other lead scrap/ashes/residues not covered under Batteries (Management and Handling) Rules, 2000. [*Battery scrap, namely : Lead battery plates covered by ISRI, Code word "Rails" Battery lugs covered by ISRI, Code word "Rakes". Scrap drained/dry while intact, lead batteries covered by ISRI, Code word "rains".

Further, such industries are directed to ensure compliance of installation/complete configuration of the other three parameters i.e. PM, SO₂ and NO_x analyzers with the State Board server on the applicable sources of emission as per valid consent to operate issued by the State Board.

It bears approval of the competent authority.

Yours sincerely,

Sub : Mechanism for environmental management of critically and severelly Polluted Areas and consideration of activities/projects in such areas in compliance to Hon'ble NGT order dated 23.08.2019 in the matter of O.A. No. 1038/2019.

Ref : i. Hon'ble NGT order dated 10/07/2019 & 23/08/2019 in O.A. No. 1038/2019.
ii. CPCB letter dated 25.12.2019. (Copy enclosed).
iii. State Board's order No. F. 14 (5-Adm)/RPCB/Plg./1657-82, dated 26/07/2019.
iv. State Board's letter No. F. Tech (E-140) RPCB/CPM/920-942, dated 18/09/2019.

In compliance to Hon'ble NGT order dated 10/07/2019 in O.A. No. 1038/2019, State Board had issued an order directing, not to grant any CTE/CTO vide letter, dated 26/07/2019. Further, a letter was issued in this regard for issuing of CTE/CTO, to industries which are located outside industrial clusters of 5 CEPI cities. Also, a committee was formed vide State Board's order dated 13/09/2019 to recommend the further course of action for deciding CTE/CTO applications in 5 CEPI clusters. The committee has submitted its recommendations vide letter dated 10/10/2019.

However, in compliance of Hon'ble NGT order dated 23/08/2019 in the matter of O.A. No. 1038/2019, Ministry of Environment, Forest & Climate Change (MOEF & CC), Government of India has issued Mechanism for environmental management evolved for Critically and Severely polluted Areas and Consideration of Activities/projects in such areas. The same has ben forwarded by CPCB vide its letter dated 25/10/2019 to Chief Secretaries of all States and a copy of which has also been endorsed to all State Boards for further necessary actions.

Therefore, superseding State Board's earlier letters dated 26/07/2019 & 18/09/2019, the **“Mechanism evolved by MOEF & CC as forwarded by CPCB is being sent to you for taking necessary action in all cases of CTE/CTO in all 5 CEPI areas in accordance with it.”**

Needless to say, that the recommendations submitted by the committee vide letter dated, 10/10/2019 have become in-fructuous in the light of CPCB letter dated 25/10/2019 and no action needs to be taken on it.

This bears approval from Competent Authority.

Yours Sincerely,

Sd/-

Hon'ble NGT Matter

Dated : 25/10/2019

CPCB/IPC-VII/CEPI/NGT/2019

To

The Chief Secretary of concerned State/UT Govts.

(List as provided)

Sub : Mechanism for environmental management of Critically and Severely Polluted Areas and consideration of activities/Projects in such areas in compliance to Hon'ble NGT order dated 23/8/2019 in the matter of O.A. No. 1038/2018-reg.

Sir,

With reference to the Hon'ble NGT order dated 23/8/2019 in the matter of O.A. No. 1038/2018, based on environmental quality monitoring (CEP) carried out by CPCB during 2017-18, it is directed that.

".....There is no absolute bar to such units being stup If they are found to be viable. This clarification should take care of any possible apprehension that the order of the tribunal will obstruct any legitimate Industrial activity or MoEF & CC can forthwith devise an appropriate mechanism to ensure that new legitimate activity or expansion can take place after due precautions are taken in the areas in question by Red and Orange category of Units".

Accordingly, MoEF & CC has prepared a mechanism and directed and directed CPCB to share with the State/UT Governments and SPCBs/PCCs for implementation. In this regard, I am directed to communicate the mechanism for informaiton and necessary action, please (copy enclosed).

Yours faithfully.

Mechanism evolved after consultation with stakeholders for new activities/expansion by Red & Orange Category of industries in Critically/Severely Polluted areas.

A. Environmental Management of CPAs and SPAs

Protocol to be followed by the State Pollution Control Boards (SPCBs)/Pollution Control Committees (PCCs) for improvement of environmental quality in the Critically Polluted Area (CPAs) and Severely of pollution areas (SPAs).

- i. The CEPI score assessment done by CPCB may be used as warning tool by the State Governments, SPCBs and other concerned to understand the severity of pollution existing in the area and to formulate appropriate action plan.
- ii. The State Govts. Union Territories/SPCBs/PCCs may finalize the time bound action plans within three months for the identified CPAs and SPAs to restore environment quality within norms. Short term and long term action points have to be formulated with time frames of up to one year and more than one year, as may be required, respectively.
- iii. The action plan may be prepared by a committee constituted by Chief Secretary. Representative of Industries association may be included in the committee constituted. the final preparation of action plan including its execution may be overseen by the Chief Secretary of the concerned state. The same may shall be submitted to CPCB for consideration & approval.
- iv. While preparing action plans, the committee constituted by the Chief Secretary shall follow the directors issued by CPCB under section 18 (1) (b) of the Water (Prevention & Control of pollution) Act, 1974 and the Air (Prevention & Control of pollution) Act, 1981 on 26.04.2016, which include (i) environmental quality monitoring in all CPAs, (ii) installation of continuous ambient air quality monitoring stations/Strengthening of manual monitoring stations (iii) installation of continuous water quality monitoring stations, (iv) application of revised CEPI version and (v) action plan & monitoring Long term and short term action plans, along with sector and region wise action points, should be defined clearly with time lines and responsible implementing agencies. Additionally, Source apportionment Studies may be conducted to ascertain contribution from sources including industries for planning actions.
- v. The progress of implementation of action points may be reviewed by district and State Level Monitoring Committees, quarterly. It would be ensured that there is no slippage either in terms of time frame or the activities to be completed relating to the action plan. In case of delay/inefficiency in implementation of action plan, the concerned State Governmentr will take appropriate action against the responsible authorities implementing agencies, industries etc. under the provisions of relevant acts/laws.
- vi. The SPCBs/PCCs may undertake environmental quality monitoring for evaluating CEPI in the critically and severely polluted areas falling under their jurisdiction through an outside third party recognized agency (laboratory) under Environment (Protection) Act, 1986 and Accredited under NABL. The frequency of monitoring may be twice in a year i.e. pre-monsoon season and post-monsoon season.

- vii. The action plans prepared for the CPAs/SPAs, environmental quality monitoring data, evaluated CEPI Scores (as per revised CEPI-2016 concept) and progress reports of committee meetings to be placed in public domain through their respective State Govts./UTs/SPCBs/PCCs websites. CPCB may also review the progress of implementation of action plans of CPAs/SPAs on a quaterly basis.
- viii. In case CEPI scores of a particulars CPA continue to be in critical category for a year, MoEF & CC may review the action plans with the concerned State Govt./Union territory and impose additional safeguards such as revising the time limits for implementation of action points, supplementary action points and may recommend penal action against the authorities responsible for implementation of action plan for environmental managment of CPAs/SPAs.
- ix. CPCB may also carry but re-assessment of CEPI scores in CPAs, with concurrence of MoEF & CC and report outcome for further consideration and decision by MoEF & CC.
- x. Carrying capacity study of the each of the area may be carried out by State Govts./Union Territories/ SPCBs/PCCs based on the protocols prepared by CPCB.
- B. Consideration of proposales for grant of Environmental clearance for new and expansion activities listed in ‘Red’ and ‘Orange Categories located in Critically Polluted Areas and Severely Polluted areas :
 - i. Any project or activity specified in Category B 1 will be appraised at the Central Level, if located in whole or in part within 5 km. form the boundary of Critically Polluted, Areas or Severely Polluted Area. However, Category B 2 Projects shall be considered at state level stipulating Environmental Clearance conditons as applicable for the Category ‘B1’ project/activities.
 - ii. Proposals located in CPAs and SPAs may be examined by the sectoral Expert Appraisal Committee (EAC) during scoping/appraisal based on the CEPI scores of Air/Water/Land Environment as published by CPCB from time to time. In such proposals, appropriate mitigation measures for the environment possessing higher, CEPI score may be made by EAC in the form or recommendations/decision. These recommendations may be explicitly mentioned in the terms of Reference/Environmental Clearance letter and to be ensured by the member secretary concerned.
 - iii. SPCBs/PCCs may prescribe following additional conditions, deemed fit for grant Consent to establish (CTE/ Consent to Operate (CTO) to those projects/activities of Red/Orange Categories located in CPAs/SPAs which are not covered under the provisions of the EIA Notification, 2006.

Environment	Mitigation Measures
Air	<p><u>Stipulation of conditions such as :</u></p> <ul style="list-style-type: none"> i. Stack emission levels should be stringent than the existing standards in terms of the identified critical pollutants. ii. CEMS may be installed in all large/medium red category industries (air polluting) and connected to SPCB and CPCB server. iii. Effective fugitive emission control measures should be imposed in the process, transportation, packing etc.

	<ul style="list-style-type: none"> iv. Transportation of materials by rail/conveyor belt, wherever feasible. v. Encourage use of cleaner fuels (pet coke/furnace oil/ISHS may be avoided). vi. Best available Technology may be used. For example, usage of EAF/Saf/IF in place of Cupola furnace. Usage of Supercritical technology in place of sub-critical technology. vii. Increase of green belt cover by 40% of the total land area beyond the permissible requirement of 33%, wherever feasible. viii. Stipulation of greenbelt outside the project premises such as avenue plantation, plantation in vacant areas, social forestry, etc. ix. Assessment of carrying capacity of transportation load on roads inside the industrial premises. If the roads required to be widened, shall be prescribed as a condition
Water	<p><u>Stipulation of conditions such as:</u></p> <ul style="list-style-type: none"> i. Reuse/recycle of treated wastewater, wherever feasible. ii. Continuous monitoring of effluent quality/quantity in large and medium Red Category Industries (Water polluting). iii. A detailed water harvesting plan may be submitted by the project proponent. iv. Zero liquid discharge whenever techno-economically feasible. v. In case, domestic waste water generation is more than 10 KLD, the industry may install STP.
Land	<p><u>Stipulation of conditions such as :</u></p> <ul style="list-style-type: none"> i. Increase of green belt cover by 40% of the total land area beyond the permissible requirement of 33%, wherever, feasible for new projects. ii. Stipulation of greenbelt outside the project premises such as avenue plantation, plantation in vacant areas, social forestry etc. iii. Dumping of waste (fly ash, slag, red mud, etc.) may be permitted only at designated locations approved by SPCBs/PCCs. iv. More stringent norms for management of hazardous waste. The waste generated should be preferably utilized in co-processing.
Other Condition (Additional) :	<ul style="list-style-type: none"> i. Monitoring of compliance of EC conditions may be submitted with third party audit every year. ii. The of the CHR may be at least 1.5 times the slabs given at the OM dated 01.05.2018 for SPA and 2 times for CPA in cash of Environment Clearance.

Office Order

All health care facilities (All Government and Private Hospitals, Nursing Homes, Clinics, Dispensaries, Veterinary Institutions, Animal Houses, Pathological Laboratories, Blood Banks, Ayush Hospitals, Clinical Establishments etc.) are required to obtain Authorization under Bio-medical Waste (Management and Handling) Rules, 1998 now superseded by Bio-medical Waste (Management and Handling) Rules, 1998 now superseded by Bio-medical Waste Management Rules, 2016 and Consent to Operate under Water (Prevention and control of Pollution) Act, 1974 and/or Air (Prevention and Control of Pollution) Act, 1981. The Principal Bench of the Hon'ble NGT, while hearing on 15.07.2019 in the matter of Original Application No. 710/2017 & others, Shailesh Singh versus Sheela Hospital & Trauma Centre, Shahjahanapur & Ors. and other matters related thereto has 'inter-alia' passed directions to all HCFs to operate only after obtaining authorization/consent from the State Board.

It has come to the notice of the State Board that still many Health Care Facilities (HCFs) in the State have not taken authorization/consent from the State Board. One of the main reasons being the significant amount to be paid by them while applying for Authorization/Consent owing to the gap fees for the past period of operation.

Also many Health Care Facilities (HCFs) have requested from time to time to waive off the back period fee.

The matter has been re-examined and in order to facilitate the HCFs to apply for authorisation/consent and get covered under consent/authorization mechanism of the Board and it has been decided that a onetime waiver opportunity be given to all HCFs and allow them to apply without depositing back fee (gap period fee for operation without authorisation/consent) while submission of application for authorisation under Bio-medical Waste Rules and Consent to operate under the Water (Prevention and control of pollution) Act 1974 and/or Air (Prevention and control of pollution) Act, 1981.

The Board had earlier issued office order no. F-14 (56) Policy/Plg./part-2/100-116, dated 11.04.2007, no. F-12 (PSC-6) RPCB/2892-2924, dated 12.01/2017 and no F-5 (Gen-14) RSPCB/BMW/138-155, dated 13.05.2019 regarding collection of back period fee for consent/Authorization.

It is hereby directed that all Health Care Facilities shall be exempted from depositing back fees (gap period free for operation without authorization/consent) while seeking authorisation under Bio-medical Waste Rules and Consent to Operate under the Water (Prevention and control of pollution) Act, 1974 and/or Air (Prevention and control of pollution) Act, 1981. It is further directed that the aforesaid exemption from deposition of back fee shall be applicable only to Health Care Facilities (HCFs) who apply on or before 31.03.2020. This bears approval of the competent authority.

Office Order

Industries carrying out projects/Processes/Activities which were not covered under the EIA Notification, 2006 but seeking expansion for setting up activities which do not attract the provisions of EIA Notification, 2006, in the premises of project/activities which are operating with prior Environmental Clearance, were being asked to obtain Environmental Clearance/amendment in the existing Environmental Clearance and submit it to the State Board, so that, their application for grant of consent can be processed further.

The State Board had received various requests from the industries in the matter for not insisting on EC/EC amendment and the State Board subsequently sought clarification from the Ministry of Environment Forest and Climate Change.

The MoEF & CC vide its letter dated 05.11.2019 has given a clarification that “no separate environmental clearance or amendment in EC in request for setting up activities which does not attract the provisions of EIA Notification, 2006, in the premises of project/activities which are operating with prior EC. However, such activities shall be required to obtain consent under Air and Water Act, if applicable.”

In accordance with the MoEF & CC clarification, it is hereby directed that henceforth, Environmental clearance or amendment in EC for setting up activities which does not attract the provisions of EIA Notification, 2006, in the premises of project/activities which are operating with prior EC. However, such activities shall be required to obtain consent under Air and Water Act, if applicable.”

In accordance with the MoEF & CC clarification, it is hereby directed that henceforth, Environmental clearance or amendment in EC for setting up of activities which do not attract the provisions of EIA Notification, 2006, in the premises of project/activities which are operating with prior EC shall not be sought. However, such activities shall require to obtain consent under Air and Water Act.

This bears approval of the competent authority.

Dated :

Office Order

It has come to notice of the State Board that in some of the Environmental Clearance letters for mines issued by the SEIAA or DEIAA (Erstwhile), there are omissions or erroneous mention of the name of mineral, lease area and other such typographical errors, which may clearly be adjudged as bonafide errors by mere perusal of the documents and its incoherence with the other valid documents related to the lease.

In order to decide the applications for consent to establish and/or consent to operate of such case of mining leases expeditiously, and to keep a streamlined process in the Head quarter and all Regional Offices of the State Board, the following steps will taken now onwards:—

- (a) The lessee shall be informed in writing about the error apparent in the Environmental Clearance letter and advised to get it rectified from SEIAA.
- (b) The lessee should apply to the State Level Environment Impact Assessment Authority (SEIAA) for rectification/ correction of the typographical error (s) w.r.t. name of mineral/lease area, wrong mention of name of district, etc. in the Environmental Clearance order issued to the mining lease.
- (c) The lessee should then submit a proof of having applied as above, alongwith an undertaking to the effect that he has applied for correction/rectification in the Environmental Clearance letter mutatis-mutandis with the lease agreement signed with the Department of Mines & Geology, Government of Rajasthan.
- (d) After submission of the above documents by the lessee to the State Board, the application for consent to establish/operate may be considered on merit for the same mineral, lease area etc. as mentioned in the lease agreement. A copy of consent to operate letter should be marked to Board's Head Quarter and the SEIAA.

Following additional condition shall be imposed in the consent letter :—

1. That the consent is subject to decision of SEIAA for correction/rectification in the Environmental clearance letter.

This bears approval of the competent authority.

F. 14 (5) Adm./RPCB/Plg./2367-2400

Dated : 27.11.2019

Office Order

Projects or activities mentioned in the Schedule appended to the EIA Notification, 2006 require prior Environmental Clearance (EC). Carrying out such projects/activities or expansion or modernization without prior EC or EC amendment has been considered as violation of E.C. such violation cases are to be dealt strictly as per the procedure laid down in the EIA Notification dated 14/03/2017 and 08/03/2018. These notifications deal with cases in which provisions of EIA notification, 2016 has been violated by an activities/project which was carried out once and is still ongoing and in such cases consent is not to be granted till EC is obtained from the competent authority.

However, the State Board is in receipt of some consent applications cases, whereby the PP has executed/ carried out those activities for a short period and caused EC violation by not seeking prior EC, but has now completely discontinued those activities and requested for grant of consent for the non EC requiring activity and it is noted that such cases are not covered explicitly under the above-mentioned notifications.

The matter has been examined in detail in light of provisions of EIA Notification, 2006 and various orders passed by the Hon'ble Supreme Court/NGT time to time.

The following procedure shall be adopted to decide such applications :—

Step 1 :— Assessment of environment damage :—

- A. The project proponent will be asked to submit details of the activities which were carried-out during the period of EC violation along with details of emissions, effluents and hazardous waste generated/dischARGE in prescribed format.
- B. Concerned Regional Officer will verify the same and will examine whether prima facie there is a gross violation or environmental damage due to discharge of air emission, effluents or hazardous waste in the environment during operation of the unit when it did not have a valid EC.
- C. Regional Officer will forward his recommendation as to whether detailed study for environmental damage assessment, preparation of remedial plan and Natural and Community Resource Augmentation Plan is warranted or not.
- D. Thereafter, Head Office will examine the report so received from R.O. and will decide regarding requirement of detailed study any further or not.

- E. In case the State Board decides that a detailed study is to be done the project proponent will be asked to submit detailed study for environmental damage assessment, preparation of remedial action plan and Natural and Community Resource Augmentation Plan to the RSPCB Head Quarter.
- F. Legal prosecutions against the PP shall be filed for such EC violation in all cases under the provisions of the EIA Notification dated 14/03/2017 and 08/03/2018.

Step 2 :—Legal prosecutions against the PP shall be filed for such EC violation in all cases under the provisions of the EIA Notification dated 14/03/2017 and 08/03/2008.

Step 3 :—Env. Compensation as deemed appropriate shall be imposed by the RSPCB Head Quarter where detailed study is not warranted. In case of project/activities which require detailed study, Env. Compensation will be imposed after receipt of the detailed report from the P.P.

Step 4 :—PP shall submit an affidavit that he shall not continue or carry-out any activity which is in violation of the provisions of EIA Notification, 2006 and any direction/order passed by Hon'ble Supreme Court/NGT/MOEF & CC etc. in this matter shall be strictly complied with, else the consent shall be revoked by the Board without any notice.

Step 5 :—After deposition of the Env. Compensation imposed, Legal prosecution and the affidavit mentioned at step (4) above, consent as per merits shall be considered by the Board imposing the following specific conditions:—

“That this consent is being issued subject to any directions/orders passed by Hon'ble Supreme Court/NGT/MOEF & CC etc. in this matter and PP shall be bound to comply with them.”

This bears approval of the competent authority.

Office Order

Constitution of Pollution Control and Vigilance Squads (PCVS)

To ensure compliance of various orders passed by the Hon'bl courts, Hon'ble National Green Tribunal and the provisions of Environment (Protection) Act, 1986, Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981, and the various Rules and Guidelines there under and to ensure effective enforcement of the Directions issued by the RSPCB and for control of Environmental pollution, four additional pollution Control and Vigilance Squads (PCV Squads) are hereby constituted at the Regional Offices of Bharatpur, Alwar, Udaipur and Kota.

Each vigilance squad shall comprise of members as follows—

1. Two officer from Environment engineering/scientific wing of RSPCB.
2. Two uniformed Security Guards (Ex-Serviceman hired from Sainik Kalyan Board on a monthly basis).
3. One Driver with Vehicle.

The vigilance squad shall have the following functions/duties:—

1. To keep vigil and surveillance over all kinds of processes/activities in and around their jurisdiction by way of monitoring, inspections, surprise checks, patrolling etc. and take all necessary steps to prevent any kind of Environment pollution including discharge of illegal industrial effluent/air emissions, dumping/disposal of any kinds of wastes etc. The jurisdiction of PCV Squad of the Regional Office may go for vigilance and patrolling duty to areas other than their jurisdiction on the orders of the Member Secretary RSPCB.
2. To verify complaints regarding environmental pollution received by the RSPCB Helpline number/Rajasthan Sampark Portal/PCV Cell etc.
3. To maintain proper records, books and documents of entire vigilance activity in the prescribed formats.
4. To inform the concerned authorities about all cases of emergency and matters of grave significance immediately.
5. To submit evidence based site inspection report to the concerning higher authorities of the State Board and other competent authorities with clear recommendations for further course of action by concerning group incharge looking after that particular sector. Timely conclusive action shall be undertaken by the RO/GIC concerned.
6. To submit a detailed Monthly Action Taken Report in prescribed format to the GIC (Pollution control vigilance cell) through the RO concerned, which shall be put up for the perusal of Chairperson through proper channel.

The inspections/verifications would be in consonance with the provisions of existing Environment Laws. The Squad shall work 03 shifts of 08 Hours each and accordingly the five membered squad will have rotational duties. The accounts section shall make separate monthly budget provision for each Regional Office and make funds available to the Regional Office every month. As such bills shall be sent directly to CAO, RSPCB for processing/ disbursement.

This order will come into force with immediate effect and it bears approval of the competent authority.

Office Order

All stone crushers located on mining leases were supposed to get EC amended and submit to the State Board as per the Board's Office Order dated 14.02.2019 (with erstwhile office order dated 24.01.2017).

The MoEF & CC vide its letter dated 05.11.2019 has given a clarification thatr **“no separate environmental clearance or amendment in EC in required for setting up activities which does not attract the provisions of EIA Notification, 2006, in the premises of project/activities which are operating with prior EC, However, such activities shall be required to obtain consent under Air and Water Act, if applicable.”**

In view of above, the State Board has issued an office order vide letter no : F.14 (56-B)/Policy/RSPCB/Plg./1063-99, dated 13/11/2019 stating that henceforth, Environmental clearnace or amendment in EC for setting up of activities which do not attract the provisions of EIA Notification, 2006, in the premises of project/activities which are operating with prior EC shall not be sought. However, such activities shall require to obtain consent under Air and Water Act.

In light of the above, the office order no. SCMG & D.S. (Gen-03/RPCB/1093, dated 14/02/2019 has become infructous and therefore stands withdrawn.

All cases of stone crusher, mineral grinding and other mineral processing units (screening and washing) etc. shall be dealt in accordance with the State Board office order 13/11/2019, henceforth.

This bears approval of the competent authority.

Office Order

It has been observed that despite directions for closure of the brick kilns by the State Board, these continue to operate (as operation of brick kilns do not require electricity). Therefore State Board, as per powers conferred under section 33 (A) of Water (Prevention and Control of Pollution) Act, 1974 and 31 (A) of Air (Prevention and Control of Pollution) Act, 1981, has decided to issue direction to the SDMs of concerned area to close down the Brick kilns and Mining Engineer of concerned area to not to allow mining of brick earth for the Brick Kilns, where closure directions are issued by the State Board for Brick Kiln.

This bears approval of the competent authority.

Date : 20.12.2019

1. Group Incharge, HOPM/Planning/BMW/Hazardous/Testile/ CPP/MUID/Plastic/Mines, SCMG & DS/CD & Project/EC/VTR/DF RSPCB, Jaipur.
2. Regional Officer, Regional Office, RSPCB, Jaipur (South)/Jaipur (North)/Alwar/Bhiwadi/Balotra/Bharatpur/Bhilwara/Bikaner/Jodhpur/Pali/Kota/Chittorgarh/Kishangarh/Sikar/Udaipur.

Subject : Guidelines for Abatement and control of Pollution in Hot Mix Plants (HMP).

In order to have coherent line of action while deciding the applications for consent to establish/consent to operate to Hot Mix Plants, the State Board has framed guidelines for abatement and control of pollution in Hot Mix Plants. Enclosing a copy of the guidelines, you are directed to ensure the compliance of the guidelines while processing the application for Consent to Establish/Consent to Operate of Hot Mix Plants.

Encl. : As above

Yours Sincerely

Sd/-

(Shailaja Deval)

Member Secretary

Guidelines for Abatement of Pollution in Hot Mix Plants (HMP)

1. Introduction

Construction of roads plays a vital role in the socio-economic development of the country. Ever since the Government of India declared infrastructure as the thrust area, there has been a pre-dominant boom in the road construction sector.

Hot Mix Plants are used for mixing of stone aggregates with bitumen for the construction of roads. A hot mix plant usually comprises of aggregate bins, feeder, weighting system, drying drum, bitumen and fuel storage tanks, air pollution control devices, hot mix storage silo and loading facility. Most of such plants are installed near construction site and highways and operate for such time till the construction work continues. Hence, many hot mix plants are not of permanent nature.

Presently there are no specific guidelines/standards notified under the Environment (Protection) Act, 1986 for Hot Mix Plants (HMP). The State Board is in receipt of complaints regarding air pollution from such plants. To address such complaints, guidelines are to be evolved for siting and pollution control measures to be adopted by HMPs.

2. Nature of Pollution in HMP

Preparation of bitumen mix in hot mix plants generates emissions containing particulate matter as well as gaseous pollutants. The primary emission sources in plants are burning of fuel for heating of bitumen mix, which emits mainly particulate matter (PM) and gaseous pollutant like SO_2 besides, other sources of generation of emissions in hot mix plants are handling of aggregates, movement of vehicles and vehicular exhaust.

3. Location of Plant & Machinery

- a. Permanent siting :** A hot mix plant can be established permanently on a land which should be duly converted for industrial purpose by the competent authority.
- b. Temporary siting :** A Hot Mix Plant which is to be established on a particular site, temporarily (to fulfil requirement for a particular road project) is not required to get the land converted for industrial purpose. However, such plants will require to get permission from the competent revenue authority not below the rank of Tehsildar to establish Hot Mix Plant on the particular piece of land.

Note : The Project Proponent intending to establish Hot Mix Plant temporarily should submit copy of work order given to him by agency/authority to carryout road work. He will have to submit legal undertaking to the

effect that the HMP will be dismantled/shifted from the site immediately after accomplishing that particular project and restoring the site in original condition.

4. **Pollution Control Measures required**

1. Dust Collector, cyclone/multi cyclone, Wet Scrubber or any other adequate Air Pollution Control Measures with the stack.
2. Suitable water sprinkling arrangements at all strategic locations such as transfer points, roads and arounds raw material feeder bins.
3. Covered conveyor belts.
4. Regular cleaning and wetting of the ground within the premises.
5. Temporary covering of raw material storage bins during non-operation of HMP.

5. **Emisison Norms**

A. **Height of Stack with Hot Mix Plant :**

- i. Height of stack attached with the Hot Mix Plants shall be calculated as per the following formula:
 - a. $H=14 Q^{0.3}$
 - b. Where H= total stack height to be provided in meters from ground level.
 - c. Q = sulphur dioxide (SO₂) emisison rate in kg/hr.

However, Miniumum 11 meters of stack height from the ground level will be provided.

- ii. Quantitative standards for stack emisison.

1.	Particulars Matter	150 mg/Nm ³
2.	SO ₂	400 mg/Nm ³

Adequate monitoring facility shall be provided at stack to measure the level of stack emissions.

- iii. Quantitative standard for fugitive emisison.

The Suspended Particulars Matter (SPM) measured between 3 meters and 10 meters from any process equipment of hot mix plant shall not exceed 600 microgrammes per cubic meter.

- iv. National Ambient Air Quality Standards - CPCB Notification No. - B-29016/2090/PCI-I dated 18.11.2009 to be followed.
- v. Noise Pollution (Regulation and Control) Rules, 2000 as Notification by MoEF S.O. 123 (E), dated 14.02.2000 and amendments for control of ambient noise to be followed.

6. General Stipulations :

- a. Considering predominant wind directions, wind breaking fence made up of steel structures/panels/sheets shall be provided at one side of raw material bins.
- b. All roads/vehicle movement areas at the site of Hot Mix Plant shall have be pucca/metalled with stone aggregates.
- c. The waste water from wet scrubber should be circulated through settling tank and the sludge settled at the bottom should be utilized for road construction purposes.
- d. Regular sprinkling of water shall be ensured on such roads so that no dust is generated due to vehicular movement.
- e. Regular clearing and wetting of ground within premises shall be carried out.
- f. Adequate Plantation shall be carried out all along the periphery of the premises.
- g. Only approved fuels shall be used for heating of bitumen-aggregate mix. In no case unauthorized fuel such as Petcoke, FO, solvents, industrial waste shall be used.
- h. Stack, Ambient Air Quality and Ambient Noise Level monitoring to be carried out periodically (once in six months) and reports should be furnished to the RSPCB.

Note : The existing hot mix plants shall comply with the above guidelines within a period of 04 months from the date of issue.

F. No. 22-18/2019-IA.III
Government of India
Ministry of Environment, Forest and Climate Change
(Impact Assessment Division)

Indira Paryavaran Bhawan
Aliganj, Jorbagh Road
New Delhi-110003

Dated : 20th December, 2019

Office Memorandum

Sub : Clarification on validity of prior environmental clearance granted under the provisions of para 12 of EIA Notification, 2006 to the mining projects - reg.

It has been brought to the notice of this ministry that certain State Pollution Control Boards have withheld 'Consent to Operate' to the mining projects, for which ECs were granted as per the provisions of para 12 of the EIA Notification 2006, due to ambiguity in the period of validity of such ECs.

2. This Ministry has issued circular vide No. J-11013/41/2006-IA. II (I), dated 13.10.2006, 21.11.2006 and 4.09.2009 etc wherein interim operational guidelines have been issued for handling project proposal as per the provisions of the para 12 of the EIA Notification 2006. However, the validity of such ECs has not been clearly defined.
3. In the above context, based on the recommendations of the Expert Committee, the Ministry hereby clarifies that the ECs granted under para 12 (which is part of the EIA Notification 2006), are to be considered under EIA Notification 2006 only. Accordingly, the provisions of EIA Notification 2006 shall be applicable for the projects in which EC has been granted under para 12 of the EIA Notification, 2006 including the validity of such ECs unless expressly state otherwise in the conditions of specific Environmental Clearance.
4. This issues with the approval of the competent authority.

Office Circular

It has been observed that compliance of Board's closure directions issued under section 33 (A) of the Water Act, 1974 and/or 31 (A) of the Air Act, 1981 is not being received from Regional Officers in a time bound manner and as such compliance of several Closure Directions issued by the State Board is delayed significantly.

It is viewed seriously by the Board and a line of mechanism is hereby framed for effective compliance of the Board's Closure Directions as follows :—

- (a) The Group Incharge, Head office, RSPCB after issuance of any closure direction under section 33 (A) of the Water Act, 1974 and 31 (A) of the Air Act, 1981 shall forward a copy to the concerned Regional Officer by e-mail and inform telephonically immediately.
- (b) After receiving copy of the direction, the Regional Officer shall depute an official staff to deliver the copy of Board's direction to the concerned defaulter unit while ensuring receipt of the same from the Project Proponent or any other responsible person of the unit within 3 days of receipt of the directions. The official shall note the reading of the electricity meter of the non-compliant unit, direction for which have been issued. The DG Set, if any shall also be sealed by the officials immediately.
- (c) A copy of the directions shall be delivered to the concerned EE/AEE of JVVNL/JDVVNL/AVVNL/RIICO and PHED and receipt be taken with date. The same shall be ensured within 5 days of receipt of the directions at R.O. office.
- (d) While delivering copy of direction to the JVVNL/JDVVNL/AVVNL/PHED/RIICO, regional officers should specifically highlight the provisions of section 41 (2) of the Water (prevention & Control of Pollution) Act, 1974, which provide that non-compliance of the directions of the State Board is punishable with imprisonment for a term which shall not be less than one year and six months but which may extend to six years and with fine, and in case the failure continues, with an additional fine which may extend to five thousand rupees for every day which such failure continue after the conviction for the first such failure. And also inform that concerned officials of the JVVNL/JdVVNL/AVVNL/PHED/RIICO would be liable to prosecution if closure directions are not complied within time without any logical reason. Officials of the concerned JVVNL/JdVVNL/AVVNL may comply the circular of JVVNL dated 21/07/2014. (Copy enclosed).
- (e) After delivering the copy of directions as above and sealing of DG Sets, a report to this effect should be forwarded to the head office.

- (f) The unit shall immediately close down their entire plant and machinery in compliance of the closure direction issued by the Board.
- (g) The Regional Officer shall verify the compliance of the Board's direction within 05 days, and if the unit for which direction were issued by the Board is found to be operative in violation of the Board direction, then it shall immediately be reported to the concerning GIC (Head Office) with copy to Member Secretary. (Supporting evidence based facts regarding operational days of the unit even after receiving of the copy of the directions like copy of the electric bills, power consumed etc, may be annexed).
- (h) The concerned GIC shall propose immediate stern action against the unit which may include imposing environmental compensation for violation of the Board's direction and causing environment damage or prosecution.

It may be noted by all concerned that ensuring the compliance of closure directions under Water & Air Acts issued by the State Board shall be the responsibility of the Regional Officers and he shall take all steps necessary to ensure the closure of the industry including communicating the orders to the project proponent as well as JVVNL/JdVVNL/AVVNL/RIICO and PHED so that the orders are complied immediately without any delay. The concerned Group In charge/Regional Officers shall monitor such cases and put up a monthly report to the HOO who would put up a compiled report for the perusal of Chairperson, RSPCB every month.

This bears approval of the competent authority.

कार्यालय आदेश

क्रमांक : एफ 16 (जनरल-47)/राप्रनिमं/हजार्डियस/पार्ट-1/1322

दिनांक : 24.12.2019

राज्य सरकार सरकार के विभागों/मण्डल/निगम/एजेन्सी/प्राधिकरणों एवं अन्य स्वायत्तशासी संस्थाओं द्वारा उपयोग के पश्चात् बेकार टायरों का अपने स्तर पर निस्तारण किया जाता है, परन्तु बेकार टायरों की नीलामी/बेचान के दौरान बोलीदाता/क्रेता के पास बेकार टायरों के पुनः उपयोग अथवा पुनः चक्रण (रिसाइक्लिंग) हेतु पर्यावरण अनुकूल व्यवस्था होने एवं राज्य प्रदूषण नियंत्रण मण्डल मण्डल से वैध प्राधिकार होने का प्रमाण नहीं लिया जाता है। उल्लेखनीय है कि परिसंकटमय एवं अन्य अपशिष्ट (प्रबंधन और सीमापारीय संचलन) नियम, 2016 के अन्तर्गत अन्य अपशिष्ट (कचरा) जिसमें रबर अपशिष्ट भी शामिल है, के संबंध में निम्न प्रावधान हैं:—

नियम 6— परिसंकटमय एवं अन्य अपशिष्ट (Hazardous & Other Waste), जिसमें बेकार टायर भी शामिल है, के हथालन, उत्पादन, संकलन, भण्डारण, पैकेजिंग, परिवहन, उपयोग, उपचार, प्रोसेसिंग, पुनःचक्रण, रिकवरी, प्री-प्रोसेसिंग, सह-संस्करण, बिक्री, स्थानान्तरण एवं निपटान में संलग्न प्रत्येक अधिभोगी (Occupier) को राज्य प्रदूषण नियंत्रण मण्डल से प्राधिकार (Authorization) प्राप्त करना अनिवार्य है।

नियम 9— उत्पादक के परिसर सहित संसाधन के रूप में परिसंकटमय और अन्य अपशिष्टों का उपयोग, सह-प्रसंस्करण या किसी अन्य प्रयोग के लिए पूर्व प्रसंस्करण, केवल केन्द्रीय प्रदूषण नियंत्रण बोर्ड द्वारा दिए गए दिशा-निर्देशों या मानक के आधार पर अपशिष्ट के संबंध में राज्य प्रदूषण नियंत्रण मण्डल से प्राधिकार प्राप्त करने के पश्चात् ही किया जाएगा।

पर्यावरण, वन एवं जलवायु परिवर्तन मन्त्रालय, भारत सरकार द्वारा बेकार टायरों के पुनर्चक्रण हेतु स्थापित पायरोलिसिस प्लाण्टों के पर्यावरणीय सक्षम परिचालन हेतु वांछित तकनीकी आवश्यकताओं के संदर्भ में स्टैण्डर्ड ऑपरेटिंग प्रोसीजर (दिशा-निर्देश) जारी किये गये हैं। ऐसे व्यक्तियों, जो पर्यावरणीय अनुकूल पद्धति नहीं अपनाते हैं अथवा राज्य प्रदूषण नियंत्रण मण्डल से वैध प्राधिकार प्राप्त नहीं है, को बेकार टायरों का विक्रय पर्यावरण के लिए गंभीर चुनौतियां उत्पन्न करता है तथा ऐसा करना परिसंकटमय एवं अन्य अपशिष्ट (प्रबंधन और सीमापारीय संचलन) नियम, 2016 के प्रावधानों का स्पष्ट उल्लंघन है।

अतः सभी संबंधित विभागों को निर्देशित किया जाता है कि भविष्य में बेकार टायरों के विक्रय अथवा विक्रय हेतु नीलामी प्रक्रिया में केवल उन्हीं व्यक्तियों/संस्थानों/उद्योगों को अनुज्ञान किया जायेगा, जो राज्य प्रदूषण नियंत्रण मण्डल से परिसंकटमय एवं अन्य अपशिष्ट (प्रबंधन और सीमापारीय संचलन) नियम, 2016 के लिए अंतर्गत वैध प्राधिकार प्राप्त है। नीलामीकर्ता/विक्रेता प्राधिकारी, उक्त निर्देशों की अनुपालना हेतु उत्तरदायी होंगे।

यह सक्षम स्तर से अनुमोदित है।

Office Order

Mechanism for environmental management of critically and severally Polluted Area and considerations of activities/projects in such areas in compliance to Hon'ble NGT order dated 23.08.2019 in the matter of O.A. No. 1038/2018.

With reference to CPCB letter No. CPCB/IPC-VI/CEPI/NGT/2019, dated 25.10.2019 mechanism prepared by MOEF & CC for grant of Consent to Establishment and Consent to Operate to those projects/Activities of Red/Orange categories located in CPAS/SPAs which are not covered under the provisions of the EIA notification, 2006 has been delineated.

Accordingly, it is required to prescribe additional conditions deemed fit in the CTE/CTO of the projects/activities of Red/Orange categories in the CPAs/SPAs identified in the state.

1. Areas on which this mechanism shall be applicable.

Sr. No.	Name of Polluted Industrial Areas PIAs)	Demarcation of boundaries/industrial clusters.
1.	Bhiwadi	- RIICO industrial areas Phase I to IV. - Bhiwadi town - Other surrounding industrial area : Chopanki, Rampura, Mundana, Khuskhera Phase I to III.
2.	Jaipur	Sitapura industrial area, Bais Godam Industrial Area, Katarpura industrial area, Sudarshanpura Industrial Area, Mansarovar Industrial Area, Malviya Industrial Area.
3.	Jodhpur	- Industrial areas including Basni Area (Phase-I & II), Industrial Estate, Light & Heavy Industrial Area, Industrial Areas behind new Power House, Mandore, Bornada, Sangariya and Village Tanwada & Salawas. - Jodhpur City.
4.	Pali	- Existing Industrial Areas : Mandia Road, Punayata Road, Sumerpur. - Pali Town
5.	Sanganer Industrial Area	Textile Units in Industrial Areas in Sangarier town.

2. Specific Conditions to be stipulated for the projects/units located within the Critically Polluted Areas (CPAs)/ Severely Polluted Area (SPAs) mentioned in clause (1).

A. Additional conditions under Air (Prevention & Control of Pollution) Act, 1981 :

- i. Unit shall adhere to stringent air pollutants standards i.e. 80% of existing process emission standards in the CPA and 90% of existing process emission standards in case the SPA.
- ii. Only cleaner fuel such as liquid fuels (other than FO), PNG, CNG or LPG will be used as a fuel in boilers, thermic fluid heater, furnaces and other utilities.
- iii. Unit shall install and commission Continuous Emission Monitoring System- CEMS (as per CPCB guidelines for relevant parameters) which shall be connected with RPCB/CPCB server (In case of large and medium red category industries only).
- iv. Unit shall adhere to sector specific guidelines/SOP published by RPCB/CPCB from time to time for stone crushers, mineral grinding units etc. for effective control of fugitive emissions.
- v. Unit shall provide green belt in 40% of the plot area using concept of social forestry and will develop green belt outside project premises in adjacent areas wherever adequate land is not available within the industrial premises.
- vi. Unit shall provide wall to wall carpeting in vehicle movement areas within premises to avoid re-entrainment of road dust.
- vii. Unit shall undertake regular cleaning and wetting of roads for control of fugitive dust emissions.
- viii. Burning of non-hazardous waste shall not be practiced inside or outside the industry premises.

B. Additional conditions under the Water (Prevention & Control of Pollution) Act, 1974.

- i. That all the industrial effluent will have to be treated and re-cycled in the process by establishing Zero Liquid Discharge (ZLD) plant along with arrangements for scientific management of RO rejects.
- ii. In case the domestic waste water generation in the industry is more than 10 KLD, the unit shall install separate Sewage Treatment Plant (STD) of adequate capacity and treated sewage shall be reused/recycled to the maximum extent. However, for industries connected with common STP at the terminal point, individually STPs may not be required subject to the condition that the common STP at the terminal point is complying with the prescribed discharge standards under the Water Act, 1974. In all such cases, only scientifically designed oil and grease traps will be installed.
- iii. Unit shall only use treated effluent for preparation of lime and other slurry in ETP. No. fresh water shall be utilized in ETP for this purpose.
- iv. In case of large and medium Red category industries, the unit shall install system for continuous monitoring of effluent quality/quantity as per CPCB guidelines for relevant parameters and shall be connected to RPCB and CPCB servers. In case of ZLD units, PTZ camera will be installed at the effluent outlet.

- v. Unit shall submit detailed rain water harvesting plan based on the quantity of raw water consumption.
- C. Additional conditions under the Hazardous wastes Management Rules.
 - i. Unit shall dispose its hazardous wastes through co-processing/pre-processing to the extent possible prior to its disposal through incineration/landfill as per provisions of Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016.
 - ii. Unit shall explore utilization of hazardous waste for gainful purposes.
 - iii. Unit shall strictly comply with all the measures specified in guidelines/SOPs issued by RPCB/CPCB for management and recycling of the re-cyclable hazardous wastes.
 - iv. Unit shall carry out transportation of hazardous wastes through authorized vehicles only.
3. Industries/projects located in the identified CPA/SPA will submit a time bound action plan for compliance of the aforesaid additional conditions along with a Bank Guarantee of 10% of the cost of the additional pollution control equipments/arrangements required to be installed subjected to minimum Bank Guarantee of Rs. 50,000 (Only in the cases of Consent to Operate).
4. All the GIC/ROs will ensure that the relevant additional conditions as above are prescribe while granting CTE/CTO to Red/Orange categories of industries/ projects in all the identified CPAs/SPAs.
5. This mechanism will be applicable only on those projects/industries for which consent to establish has been granted/to be granted after 10.07.2019 or consent to establish was granted before 10.07.2019, however, first consent to operate was granted/to be granted after 10.07.2019. However, this will not apply on the projects/ industries which were already operating with prior consent of the State Board on or before 10.07.2019 and have applied for renewal of consent.

This bears approval of the competent authority.

Date :

Office Order

Clarification on validity of prior environmental clearance granted under the provisions of para 12 or EIA Notification, 2006 to the mining projects.

The MOEF and CC, Govt. of India vide Office Memorandum dated 20/12/2019 has issued a clarification that “the ECs granted under para 12 (which is part of the EIA Notification, 2006), are to be considered under EIA Notification, 2006 only. Accordingly, the provisions of EIA, Notification 2006 shall be applicable for the projects in which EC has been granted under para 12 of the EIA, Notification, 2006 including validity of such ECs unless expressly stated otherwise in the conditions of specific Environmental Clearance”.

In accordance with the MOEF and CC, clarification, it is hereby directed that henceforth, the ECs granted under para/seciton 12 of the EIA, Notification 2006 shall be considered as granted under the provisions of EIA, Notification, 2006 and shall be treated as valid EC unless expressly stated otherwise in the conditions of specific Environmental Clearance.”

राजस्थान राज्य प्रदूषण नियंत्रण मण्डल

04, झालाना संस्थानिक क्षेत्र झालाना डूंगरी जयपुर-302004

फोन : 5101871, 5101872, ईपीबीएक्स: 5159600, 5159699 फैक्स: 5159694-97

परिपत्र

सभी भवन निर्माण/गुप हाउसिंग और टाउनशिप प्रोजेक्ट जल (प्रदूषण निवारण एवं नियंत्रण) अधिनियम, 1974 एवं वायु (प्रदूषण निवारण एवं नियंत्रण) अधिनियम, 1981 के अन्तर्गत आते हैं एवं इन प्रोजेक्ट को राज्य मंडल से निर्माण कार्य प्रारम्भ करने से पूर्व स्थापना सम्मति एवं संचालन करने से पूर्व संचालन सम्मति लेना आवश्यक है।

अधिकांशतः ऐसा पाया गया है कि भवन निर्माण/गुप हाउसिंग और टाउनशिप प्रोजेक्ट राज्य मंडल से स्थापना सम्मति तो प्राप्त कर लेते हैं लेकिन राज्य मंडल में बिना संचालन सम्मति आवेदन के ही संचालन प्रारंभ कर देते हैं। इसके अतिरिक्त बहुत से प्रोजेक्ट प्रदूषण नियंत्रण व्यवस्था स्थापित किये बिना ही संचालन शुरू कर देते हैं तथा फ्लैट मालिकों को उपयोग हेतु हस्तान्तरित कर देते हैं। इस संदर्भ में राज्य मंडल द्वारा परिपत्र दिनांक 02.03.2015 भी जारी किया गया है।

उपरोक्त तथ्यों के मद्देनजर राज्य मंडल के सभी क्षेत्रीय अधिकारियों को निर्देशित किया जाता है कि अपने क्षेत्राधिकार में आने वाले सभी भवन निर्माण/गुप हाउसिंग और टाउनशिप प्रोजेक्ट्स का निरीक्षण कर जल एवं वायु अधिनियम की पालना सुनिश्चित करें एवं बिल्डर्स/समस्त प्राधिकारियों के संज्ञान में लावें कि बिना संचालन सम्मति प्राप्त किये प्रोजेक्ट उपयोग में लेने पर उनके विरुद्ध कार्यवाही की जाएगी। सभी क्षेत्रीय अधिकारियों को निर्देशित किया जाता है कि संलग्न प्रपत्र में सूचना दिनांक 31.1.2020 तक मण्डल मुख्यालय को भिजवाना सुनिश्चित करें।

परिपत्र सक्षम अधिकारी के अनुमोदन से जारी किया गया है।

परिपत्र

राजस्थान राज्य प्रदूषण नियंत्रण मंडल एक वैधानिक संस्था है। इसका गठन जल (प्रदूषण निवारण एवं नियंत्रण) अधिनियम, 1974 (अधिनियम संख्यांक 6) के अन्तर्गत जल प्रदूषण को रोकने, नियंत्रित करने व कम करने हेतु तथा वायु (प्रदूषण निवारण एवं नियंत्रण) अधिनियम, 1981 (अधिनियम संख्यांक 14) के अन्तर्गत वायु प्रदूषण को रोकने, नियंत्रित करने व कम करने हेतु किया गया है।

जल (प्रदूषण निवारण एवं नियंत्रण) अधिनियम, 1974 के प्रावधान 25/26 के अन्तर्गत नदियों, कुओं और नालों या भूमि पर राज्य मंडल द्वारा निर्धारित मानकों से अधिक प्रदूषित पदार्थों के उत्सर्जन पर प्रतिबंध है। इसके अन्तर्गत किसी भी व्यक्ति द्वारा उद्योग स्थापित करने, उसको चलाने या इस प्रकार की किसी भी कार्यवाही एवं अपशिष्ट पदार्थों का निपटान करने के लिये एवं जल शोधन संयंत्र लगाने से पूर्व राज्य मंडल से सहमति प्राप्त करना आवश्यक है।

राज्य मंडल द्वारा सम्मति जारी करने की दृष्टि से भवन निर्माण प्रोजेक्ट, टाउनशिप एवं एरिया डवलपमेंट प्रोजेक्ट को वर्तमान में नारंगी क्षेत्र के अन्तर्गत वर्गीकृत किया गया है।

इन भवन निर्माण/ग्रुप हाउसिंग और टाउनशिप प्रोजेक्ट में साधारण जीविका जैसे नहाने से, शौचालय से, कपड़े धोने इत्यादि से घरेलू अपशिष्ट जल निकलता है। इस घरेलू अपशिष्ट जल को वैज्ञानिक तरीके से उपचारित किया जाना चाहिए एवं इसका निपटान उपयुक्त क्षमता का सीवेज ट्रीटमेंट प्लांट लगाकर वैज्ञानिक तरीके से किया जाना आवश्यक है। घरेलू अपशिष्ट जल के उचित निपटान की व्यवस्था एवं लागू करने का दायित्व अभिभोगियों/सोसाइटी पर होता है। अभिभोगी/सोसाइटी द्वारा यह सुनिश्चित किया जाना आवश्यक है कि कोई भी अनुपचारित अपशिष्ट का उत्सर्जन प्रोजेक्ट के परिसर के बाहर ना हो। सभी भवन निर्माण/ग्रुप हाउसिंग और टाउनशिप प्रोजेक्ट को राज्य मंडल से जल अधिनियम, 1974 एवं वायु अधिनियम, 1981 के अन्तर्गत निर्माण कार्य प्रारंभ करने से पूर्व स्थापना सम्मति एवं संचालन करने से पूर्व संचालन सम्मति लेना आवश्यक है।

प्रायःऐसा पाया गया है कुछ भवन निर्माण/ग्रुप हाउसिंग और टाउनशिप प्रोजेक्ट, राज्य मंडल से स्थापना सम्मति तो प्राप्त कर लेते हैं, लेकिन संचालन के लिए राज्य मंडल में आवेदन नहीं करते हैं एवं बिना संचालन सम्मति एवं पर्याप्त प्रदूषण नियंत्रण उपायों के स्थापित किये बिना ही संचालन प्रारंभ कर देते हैं। कई प्रकरणों में तो प्रोजेक्ट संचालन सम्मति प्राप्त किये बिना, संचालित कर लिया जाता है या अभिभोगियों को सौंप दिया जाता है। बिना संचालन सम्मति के प्रोजेक्ट का उपभोग करना/संचालन करना, जल अधिनियम/वायु अधिनियम का उल्लंघन है।

उपरोक्त तथ्यों के मद्देनजर, समस्त सक्षम स्वीकृति प्राधिकारी यथा आयुक्त जयपुर विकास प्राधिकरण, अजमेर विकास प्राधिकरण, जोधपुर विकास प्राधिकरण, राजस्थान हाउसिंग बोर्ड एवं नगर विकास न्यास को निर्देशित किया जाता है कि भवन निर्माण/ग्रुप हाउसिंग और टाउनशिप प्रोजेक्ट को राज्य मंडल की वैध संचालन सम्मति होना सुनिश्चित करने के बाद ही अधिवास प्रमाण-पत्र

जारी करें। सभी संबंधितों से आग्रह है कि कृपया संलग्न प्रपत्र में सूचना दिनांक 31.1.2020 तक मण्डल को भिजवाना सुनिश्चित करें।

परिपत्र सक्षम प्राधिकारी के अनुमोदन से जारी किया गया है।

Office Order

For compliance of directions passed by the Hon'ble Supreme Court and Hon'ble National Green Tribunal, this office has constituted Environmental Compensation Cell as well as Environmental Compensation Committee vide office order no. F.-10 (193-corres)/RPCB/Plg./E.C./1306-1337 and no. 1338-1369, dated 25.06.2019.

In continuation to these office orders, the State Board hereby issues mechanism for assessing, imposition and recovery of environmental compensaiton from the defaulter units, copy enclosed.

The ROs and GICs are directed to submit proposals in accordance with this mechanism.

Environmental Compensation Committee is directed to assess Environmental Compensation from the defaulters accordingly. Committee shall also reassess the Environmental Compensation amount and take necessary action for its reovery in the matter of those units on which interim Environmental Compensation has already been imposed.

This been approval of the competent authority.

Mechanism of Calculation, Imposition & Recovery of Environmental Compensation

Rajasthan State Pollution Control Board

Headquarter, 4, Institutional Area,

Jhalana Doongri,

Jaipur-302004

1. Background

The Hon'ble Supreme Court in Writ Petition Civil No. 375/2012 Paryavaran Suraksha Samiti & Others Vs. Union of India & Others and the Hon'ble NGT in Original Application No. 606/2018—Compliance of Municipal Solid Waste Management Rules, 2016 and in several other cases has directed the Board to impose Environmental Compensation on all the individuals/units/industries/mines/institution/entities etc. who are causing damage to the environment on the principal of 'Polluter Pays'.

The Hon'ble National Green Tribunal, in the matter of OANo. 593/2011- Paryavaran Surksha Smiti and Others. Vs. Union of India and Ors., in the order dated 19.02.2019 directed that:—

“CPCB may take penal action for failure against those accountable for setting up and maintaining STPs, CETPs and ETPs and CPCB may also assess and recover compensation for damage to the environment and the said fund may be kept in a separate account and utilized in terms of an action plan for protection of the environment”.

The NGT vide Order dated 12.03.2019 in OA No. 710/2017 held that the SPCBs are also authorized to recover compensation from the polluters or laying down their own scale which not be less than the scale fixed by CPCB.

The CPCB has developed methodology for assessing environmental compensation for industries and guidelines for assessing environmental compensation charges against health care facilities and common biomedical waste treatment facilities.

The State Board vide orders dated 25.06.2019 has already constituted an Environmental Compensation Cell and Environmental Compensation Committee (ECC). So far, the State Board has been levying interim environmental compensation on defaulters based on its own criteria. The State Board hereby devises mechanism for assessing environmental compensation on the lines of guidelines/methodology framed/suggested by CPCB.

2. Procedure for calculating amount of environmental compensation for industries.

The environmental compensation for the industries will be calculated as per the following formula :—

$$EC=PI \times N \times S \times LF \times RF$$

Where, EC is the amount of environmental compensation in Rs.

PI is Pollution Index of sector.

N is the number of days of violation.

S is a factor for scale of operation

LF is location factor.

RF is a factor in Rupees for EC, which takes into account the violation on part of the PP.

The above variables may be fixed as per following procedure :—

PI (Pollution Index)

The following values of PI have been recommended in the CPCB report :—

Category	Red	Orange	Green
PI	80	50	30

On similar lines, values of PI for industries, hotels, construction projects, hospitals, mines, common facilities etc. are indicated at annexure 'A'.

S (Scale of operation)

Value of S may be taken varying from 0.25 to 1.25 depending upon the scale of operation. Different values of S has been worked out for Industries, Hotels, Mines, Hospitals, HCEs other than hospitals, construction projects, CETP/ STP, CTDF for HW, CTDF for BMW, CTDF for E-waste and other activities having only source of pollution such as DG sets. These values are given at Annexure 'B'.

LF (Location Factor)

Value of Location Factor will be based on population of the city/town and location of the industrial activity. For the industrial unit located within municipal boundary or up to 10 Km. distance from the municipal boundary of the city/town, following values of location factors (LF) has been taken based on the population of the city/town :

S.No.	Population (In Lacs)*	Location Factor
1.	Upto one lac	1.0
2.	More than one lac upto 5 lac	1.25
3.	More than 5 lac upto 10 lac	1.5
4.	More than 10 lac	2.0

**Population of the city/town as per the latest Census of India.*

LF will be 1.0 in case unit is located at a distance > 10 Km. from the municipal boundary.

RF (Rupee Factor)

Value of RF will include all possible violation and each violation will have different weightage depending upon its gravity/impact on the environment and RF is equal to sum of 200+ weightages of all violations. However, an upper limit of 300 has been considered which means that the RF will not exceed 300 in any case. Values of weightages of various violation for different sectors are listed at Annexure 'C'.

Note :—

- In any case, N (number of days) may be different for various violations. In such case, the amount will be calculated individually for different violations and added.

- ii. In case of results of analysis not conforming to the prescribed standards, the number of days will be counted from the date of collection of sample up to the date of submission of analysis report (from State Board or laboratory recognized by the RSPCB/CPCB/MOEF & CC) conforming to the prescribed standards after rectifying the shortcomings in pollution control measures by the Project Proponent.
- iii. In case of repetition of violation, the amount of environmental compensation will be increased by 25% on each repetition.
- iv. Although effort has been made to include all possible violations, which a PP may make, there might be cases of violations which do not fit into any of the category. In such cases, the ECC will decide the weightage and RF of such violation.

3. Guidelins for imposing environmental compensation on violators.

Following cases will be considered for taking cognizance of non-compliance and fit for levying Environmental Compensation :—

1. Discharging environmental pollutants in excess of the standards prescribed under EP Rules and/ or prescribed in the consent orders issued under Air/Water Act.
2. Non-compliance of the directions issued by the State Board such as diretions under section 33A/31A of Water & Air Acts or section 5 of E.P. Act or non-adherence to the action plans submitted to the Board etc.
3. Failure to install OCEMS, intentional avoidance of data submission or data manipulation by tampering OCEMS.
4. Accidental discharge of effluent/emissions for short durations which may cause damage to the environment.
5. Intentional discharge of effluent or emissions including byassing pollution control devices, which may result in damage to the environment.
6. Discharge or disposal of effluent at a point/place other than permitted in the consent order or environmental clearance.
7. Failure to prevent discharge of pollutants into water bodies.
8. Operating without obtaining prior consent to operate under the Water (Prevention and Control of Pollution) Act, 1974 and/or Air (Prevention and Control of Pollution Act, 1981.
9. Operation of Health Care Facilities without authorization under BMWM Rules, 2016;
10. No membership of CBWTF for disposal of biomedical waste;
11. Improper Segregation of generated biomedical waste as per color coded system prescribed under BMWM Rules, 2016;

12. No facility for pre-treatment of yellow (h) category waste (microbiology, biotechnology and other clinical laboratory waste);
13. Storage facility not provided for segregated biomedical waste (applicable for bedded hospitals);
14. Not provided Effluent Treatment Plant for treatment of wastewater, in case when city sewerage network is not connected to terminal STP; and
15. Non-compliance to other responsibilities as stipulated for Healthcare Facilities under BMW Rules, 2016.
16. Any other violation of Environment Regulations not covered above which ECC deems fit for imposition of environmental compensation.

Note :—

- (i) In any case, Minimum compensation shall be as under :—

1.	Hospitals.	1200/- per day
2.	Common BMW disposal facility.	3000/- per day
3.	Discharge of untreated/partial treated Sewage (city population more than 15 lacs).	10 Crores
4.	Discharge of untreated/partial treated Sewage (City population more than 5 lacs upto 15 lacs)	Rs. 1 Crore
5.	Discharge of untreated/partial treated Sewage (City population more than 1 lac upto 5 lacs).	Rs. 10 Lacs
6.	Discharge of untreated/partial treated Sewage (City population upto 1 lac).	Rs. 5 lac.
7.	Improper Solid Waste Management (City population more than 15 lacs).	Rs. 5 crores
8.	Improper Solid Waste Management (City Population more than 5 lacs upto 15 lacs).	Rs. 1 Crore
9.	Improper Solid Waste Management (Population more than 1 lac upto 5 lacs).	Rs. 10 lacs
10.	Improper Solid Waste Management (City Population upto 1 lac).	Rs. 5 lac
11.	Other units	5000/- per day

- (ii) In specific cases, where the Board is of the view that the damages caused to the environment are of such magnitude that it may require enormous efforts/money to restore the environment or reconstruct/repair property including damage to crop/crop yield or compensate the affected masses till such restoration is completed, a detailed study may be ordered to be carried out by ECC through one or more expert agencies/institutions to

assess such damages and work out the cost of restoration and environment compensation to be levied on polluters. The expenditure incurred on such study (studies) shall be borne by the polluters.

- (iii) The formula for working out environmental compensation as given in these guidelines is for causing minor undetectable damages to the environment.
- (iv) Number of days for which violation took place is the period between the day of violation observed/due date of implementation/compliance and the day of compliance verified by the Regional Office.

4. Imposition of Interim Environmental Compensation

Since imposition of final EC can be done only after the industry/project proponent rectifies the violation, the ECC may impose interim EC on the basis of period of violation when the violation was detected by the State Board and time period needed to rectify the violations available if any. In case no such time period is available, ECC may impose interim EC based on estimated time by which the violation can be rectified.

However, in all such cases where case where interim EC has been imposed will be reviewed by ECC for deciding final EC once the violations are completely rectified and verified by the State Board.

5. Procedure to impose Environmental Compensation

Following procedure shall be adopted by GICs and ROs in cases of EC:—

1. Regional Officer will forward the case for imposing EC to the respective GIC with all supporting documents. The GIC at his level may also initiate cases for imposing EC.
2. GIC shall process the case on Group file and decision regarding imposition of EC will be taken after due approval of the Chairperson within a period of 10 days after receipt of complete proposal from Regional Officer.
3. The case for imposition of EC will be forwarded to the EC cell mentioning all the details of violations and grounds on which EC is being recommended on the industry/mine/hospital/other units within a period 7 days. A format of Data Sheet which should mandatorily be enclosed with each case forwarded to ECC for imposing EC is enclosed as annexure 'D'. A soft copy of the proposals with Data Sheet may also be forwarded by the GIC to ECC.
4. The Environmental Compensation Committee (ECC) will consider details furnished in the Data Sheet and take a view on the tentative amount of EC to be imposed within 15 days' time from receipt of the proposal from the GIC.
5. OBH will be given to the PP before Chairperson prior to deciding the final amount of EC for which as show cause notice for intended directions under section 31A of the Air Act, 1981 and 33 A of the Water Act, 1974

or E.P. Act, 1986 will be issued by EC Cell mentioning the ground on which EC is proposed to be imposed and the tentative amount of EC.

6. After the outcome of the OBH, directions to impose EC under section 31A of the Air Act, 1981 and 33 A of the Water Act, 1974 or E.P. Act, 1986 will be issued after due approval of the Chairperson within 10 days from the date on which OBH was held.

6. Mechanism to recover Environmental Compensation

Following procedure will be adopted for recovery of the EC imposed by the State Board:—

1. EC imposed will need to be deposited by PP at concerned Regional Offices within a period of 60 days from issue of directions.
2. In case of failure to deposit EC amount within 60 days, the defaulting PP shall be liable to pay additional 1.5% of the EC amount per month till such payment is made.
3. Concerned Regional Officers will follow up with the units which fail to deposit EC within the stipulated time period through holding of camps, meeting with Associations, or by providing OBH at their level. This process will be completed by ROs within a period of 30 days after expiry of the time by which the EC was to be deposited by the PP.
4. Thereafter, Regional Officers will intimate details of units which fail to deposit EC despite their best efforts to EC Cell with a copy to concerned GIC, along with *correspondence address, e-mail address and mobile numbers. (action to be taken by Regional Officers within next 15 days.)*
5. Final OBH will be given to the PP at the Head Office before Chairperson before taking any further action. Suitable time extension may be considered during the OBH based on the facts of each individual case.
6. Names of units which fail to deposit EC amount even after the additional time granted during OBH will be recommended by EC Cell to concerning GICs within a period of 15 days from expiry of additional time for taking action regarding refusal/revocation of consent and issue of closure directions.
7. No new/renewal of CTE/CTO of the defaulter shall be entertained until and unless the EC is deposited.
8. Concerned GIC will ensure that process of refusal/revocation of consent and issue of directions for closure under section 33 A of the Water Act and/or 31 A of the Air Act or section 5 of E.P. Act is completed within a period of 30 days after receipt of recommendation from EC Cell.
9. Legal actions/prosecution/contempt of Hon'ble court/NGT order against the defaulter in accordance with law will also be initiated against the unit by concerned GIC. The legal action may include filing of prosecution

against the unit under the provisions of Water/Air Act/EP Act or an execution application before the Hon'ble Tribunal.

10. After expiry of six months by the defaulter in depositing the EC, the concerned District collector shall be requested to recover the EC amount in accordance with law i.e. Rajasthan Public Demand recovery Act, 1952 or any other Act for the time being in force.

7. Mechanism for Appeal

Any person aggrieved by the directions of the State Board regarding imposition of EC may prefer an appeal before the competent authority within 30 days of issue of the directions (competent authority under Air Act is Appellate Authority constituted by the State Government and Hon'ble NGT under Water Act and E.P. Act).

Office Order

F. 16 (Gen-04) RPCB/HAZ/SWMC/1405

Date : 13.1.2020

Rule 23 (2) of the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 provide that the occupier and operator of the disposal facility shall be liable to pay financial penalties as levied for any violation of the provisions under these rule by the State Pollution Control Board with the prior approval of the Central Pollution Control Board.

The Guidelines on “Implementing Liabilities for Environment Damages due to Handling & Disposal of Hazardous Waste and Penalty” prepared by the CPCB stipulate that every SPCB shall constitute Hazardous Waste Incident Response Team (HWIRT) for estimating/implementing environmental damage liability and financial penalty.

In order to implement aforesaid provisions, HWIRT is hereby constituted at all Regional Offices with the Regional Officer as the team leader and one officer each from Engineering and Scientific cadre as its members.

HWIRT shall forward the cases of violation after assessing environmental damages liability and financial penalty along with recommendations to the GIC (Hazardous) at the RSPCB Head Quarter for forwarding it to CPCB for its approval.

This bears the approval of the competent authority.

Office Order

F. 14 (5) Adm/RPCB/Plg./2935-2970

Date : 13.1.2020

It has been observed that several Consent applications which are now falling under the purview and jurisdiction of Regional Officers as a result of several delegation of powers amended issued from time to time, are still lying with the GIC's and are being sent to Regional Offices at a very slow and scattered manner, many of them after significant delay from the date of decision of delegation of power. This is leading to further delay in disposal of the consent applications pending with the Board.

All Group Incharges (GIC) are hereby directed to sort out and segregate all consent applications/files which are now in the purview of Regional Offices (RO) and forward them to the concerned Regional Offices for further disposal as per merits by 20/01/2020. This transfer shall not require approval from Member Secretary and Chairperson and would be done by the GIC himself.

A certificate to the effect that **no more consent applications/files are lying with the GIC which are of the purview of Regional Office** would be submitted to the Chairperson on or before 24.01/2020 with the list of all files transferred date wise and RO wise.

This bears approval of the competent authority.

दिनांक : 23.1.2020

कार्यालय आदेश

बैटरी (प्रबंधन एवं हथालन) नियम, 2001 के नियम 7 के अन्तर्गत बैटरी डीलर के उत्तरदायित्वों में राज्य प्रदूषण नियंत्रण मण्डल से रजिस्ट्रीकरण करवाना अनिवार्य है। बैटरी डीलर के रजिस्ट्रीकरण के लिये राजस्थान राज्य प्रदूषण नियंत्रण मण्डल द्वारा निम्नांकित प्रक्रिया निर्धारित की जाती है:—

1. बैटरी डीलर के रजिस्ट्रीकरण अथवा नवीनीकरण एवं रजिस्ट्रीकरण के निलंबन/रद्दकरण/निरस्त करने के लिये क्षेत्रीय अधिकारी सक्षम होंगे।
2. रजिस्ट्रीकरण अथवा नवीनीकरण हेतु बैटरी डीलर द्वारा नियमों में निर्धारित प्रारूप (फार्म-IV) में आवेदन क्षेत्रीय कार्यालय में प्रस्तुत किया जायेगा। समस्त आवेदन ऑनलाइन प्रस्तुत किये जायेंगे एवं आवेदन पत्र की हार्डकॉपी अन्य समस्त दस्तावेजों, जिनका विवरण आगे दिया गया है, के साथ संबंधित क्षेत्रीय कार्यालय में प्रस्तुत की जायेगी।
3. प्रत्येक आवेदन पत्र के साथ रु. 10,000/- (शब्दों में रुपये दस हजार मात्र) का शुल्क देय होगा, जिसका भुगतान भी ऑनलाइन माध्यम से ही किया जायेगा। निर्धारित शुल्क के बिना प्राप्त आवेदन पत्र पर राज्य मण्डल द्वारा कोई कार्यवाही नहीं की जायेगी एवं ऐसे आवेदन-पत्र के संबंध में राज्य मण्डल कोई पत्र व्यवहार करने हेतु बाध्य नहीं होगा।
4. आवेदन पत्र के साथ संलग्न किये जाने वाले दस्तावेजों की सूची, जिन्हें ऑनलाइन आवेदन करते समय अपलोड भी किया जायेगा—
 - (i) उन सभी विनिर्माता, आयातकर्ता, समायोजक और मरम्मतकर्ताओं की सूची (नाम, पता, ई-मेल, मोबाईल नम्बर) जिनके उत्पादों का विक्रय डीलर द्वारा किया जाता है।
 - (ii) डीलरशिप नियुक्ति/प्राधिकृत पत्र।
 - (iii) डीलर एवं फर्म का पहचान प्रमाण-पत्र (जैसे शॉप एक्ट के अन्तर्गत रजिस्ट्रेशन, साझेदारी विलेख एवं आधार पर मालिकाना फर्म के मामले में पेन कार्ड एवं निगमन प्रमाण-पत्र इत्यादि)।
 - (iv) बिजनेस के स्थान के संदर्भ में दस्तावेज/पता प्रमाण-पत्र (शॉप स्वामित्व/किरायानामा इत्यादि)।
 - (v) पुनः संग्रहित उपयोग में ली गई बैट्रियों (Used batteries collected back) के भण्डारण हेतु व्यवस्था का विवरण।
 - (vi) निर्धारित प्रारूप में शपथ-पत्र (परिशिष्ट-1)।
 - (vii) विभिन्न कैटेगरी की खरीदी गई, बेची गई व पुनः संग्रहित की गई बैट्रियों का निर्धारित प्रारूप में वर्षवार विवरण (परिशिष्ट-2)।

(viii) नियमों में निर्धारित प्रारूप (फार्म-V) में 31 मई एवं 30 नवम्बर तक निर्माताओं को प्रस्तुत अर्द्धवार्षिक विवरणी की प्रतिलिपि।

5. पूर्ण रूप से भरे हुए आवेदन पत्र व संदर्भित दस्तावेजों की प्राप्ति के पश्चात् क्षेत्रीय अधिकारी द्वारा रजिस्ट्रेशन सर्टिफिकेट निर्धारित प्रारूप में जारी किया जायेगा (परिशिष्ट-3)।
6. रजिस्ट्रेशन हेतु आवेदन का निस्तारण सम्बन्धित क्षेत्रीय अधिकारी द्वारा प्राप्ति के 30 दिवस के अंदर सुनिश्चित किया जायेगा।
7. रजिस्ट्रेशन सर्टिफिकेट की प्रति उन सभी विनिर्माता, आयातकर्ता, समायोजक और मरम्मतकर्ताओं को भी प्रेषित की जायेगी जिनके उत्पादों का विक्रय डीलर द्वारा किया जाता है।
8. रजिस्ट्रेशन सर्टिफिकेट जारी करने के पूर्व किसी प्रकार के निरीक्षण की आवश्यकता नहीं होगी।
9. रजिस्ट्रेशन के नवीनीकरण हेतु मूल रजिस्ट्रेशन के expiry के एक माह पूर्व आवेदन सभी विवरणों तथा निम्नलिखित दस्तावेजों के साथ निर्धारित प्रारूप (फार्म-IV) में प्रस्तुत किये जाएंगे:—
 - i. पूर्व में जारी रजिस्ट्रेशन सर्टिफिकेट की अनुपालना रिपोर्ट।
 - ii. इस आशय का शपथ-पत्र की पुनःसंगृहीत उपयोग में लाई गई समस्त बैट्रियों को संबंधित विनिर्माता, आयातकर्ता, समायोजक और मरम्मतकर्ताओं को लौटाया जा चुका है।
10. क्षेत्रीय अधिकारी स्वयं द्वारा जारी रजिस्ट्रेशन एवं सभी डीलर, विनिर्माता, आयातकर्ता, समायोजक और मरम्मतकर्ताओं का विवरण संशोधित करेंगे।
11. रजिस्ट्रेशन की शर्तों व नियमों के प्रावधानों के उल्लंघन की स्थिति में सम्बंधित क्षेत्रीय अधिकारी नोटिस एवं व्यक्तिगत सुनवाई का अवसर दिये जाने के पश्चात् रजिस्ट्रेशन सर्टिफिकेट निरस्त/रद्द/निलंबित करने के लिए अधिकृत होगा।

यह आदेश बैटरी डीलर्स के रजिस्ट्रेशन हेतु मण्डल कार्यालय में प्राप्त होने वाले सभी आवेदन पत्रों के संबंध में लागू होंगे। जिन बैटरी डीलर्स द्वारा रजिस्ट्रेशन हेतु पूर्व में हार्डकॉपी में आवेदन प्रस्तुत किये गये हैं, वे सभी उक्त प्रक्रिया के अनुसार ऑनलाइन/संबंधित क्षेत्रीय कार्यालय में पुनः आवेदन प्रस्तुत करेंगे।

PROFORMA AFFIDAVIT

I, (Name and designation) S/o / D/o / W/o Shri
Resident of (Address of the applicant) do solemnly affirm and declare as under :—

1. That I am responsible for day to day operations of the dealership named M/s.
(Name & address of the dealership firm).
2. That I, (Name and designation) am authorised to sign the application form for registration under Batteries (Management and Handling) Rules, 2001 with the Rajasthan State Pollution Control Board and other enclosures.
3. That I am authorised dealer of batteries as defined under sub-rule (i) of Rule 3 of the Batteries (Management and Handling) Rules, 2001 and engaged in sell and receipt of lead acid batteries or components thereof to and from the consumers or other dealers or retailers on behalf of the manufacture/importer/assembler/reconditioner namely, M/s.
4. That I shall collected back the used batteries as per the Schedule against new batteries sold.
5. That I shall give appropriate discount for every used battery returned by the consumer.
6. That I shall ensure that used batteries collected back are of similar type and specifications as that of the new batteries sold.
7. That I shall file half-yearly returns of the sale of new batteries and buy-back of old batteries to the manufacturer in Form V by 31st May (for sale during Oct-March) and 30th Novembr (for sale during April-September) of every year.
8. That I shall ensure safe transportation of collected batteries to the designated collection centres or to the registered recyclers.
9. That I shall ensure that no damage is caused to the environment during storage and transportation of used batteries.

Office Order

B.14 (5)/ Adm/RPCB/Plg/3201-3291

Date : 23.1.2020

**Grant of Consent for Change of Plant and Machinery/Product/Process in All textile processing plants
(Integrated as well as non-Integrated) in State of Rajasthan**

The State Board had earlier issued an order for industries located at Pali vide order no. F. 5 (Gen-104) RPCB/Gr. TCD/3252-64, dated 22.02.2011 for replacement of existing process, machines with new machines. The State Board issued an order allowing change of plant and machinery in integrated textile processing plants vide order dated 13.11.2019.

Several consent applications of textile industries located at Balotra, Bithuja, Jasol, Jodhpur and Pali are Pending with the State Board due to proposed change in plant and machinery/process/product/production capacity.

Looking at the frequent changes in the technologies and advances in the processes and machinery in textile sector worldwide in recent years, it is imperative now to consider the demand for allowing the changes in plant and machinery as well as in these area also, to the extent that it does not lead to increase in the pollution load.

The matter has been further examined in detail, and it has been decided that henceforth **Change of plant and machinery shall be allowed in textile processing plants in the entire State of Rajasthan.**

Therefore, in supersession of all orders issued till date related to this matter, Change of plant & machinery in textile units of Rajasthan (integrated as well as non-integrated) shall be allowed henceforth subject to certain conditions, as follows :—

(A) For CETP Member Units :

- (i) Consent for change of plant and machinery shall be granted by the Headquarter only.
- (ii) Consent for change of plant and machinery shall be allowed only in those textile industries that have valid membership of the CETP Trust.
- (iii) The consent to change the plant and machinery shall not be allowed if it results in exceedence in the quantity of daily water consumption over and above permitted vide consent granted by the State Board under Water (Prevention and Control of Pollution) Act, 1974.
- (iv) The consent to change the plant and machinery shall not be allowed if it results in exceedence in effluent discharge over and above the discharge permitted in consent granted by the State Board under Water (Prevention and Control of Pollution) Act, 1974.

- (v) Consent for change of Plant and machinery shall be allowed only for the effluent discharge in the last consent.
- (vi) The consent for change of plant and machinery shall be allowed once in three years only.
- (vii) The consent application for change of plant and machinery shall compulsorily mention the proposed increase/ change in production capacity as well as process, if any. Once granted, no change shall be allowed for any increase in production capacity and any excess production of consented capacity.
- (viii) The unit will install Primary Treatment Plants (PTP) and will discharge effluent complying with prescribed standards. The unit shall install automated SCADA system compulsorily at the outlet and shall maintain the record of discharge.
- (ix) The project proponent shall submit an undertaking on Rs. 100/- non judicial stamp paper duly notarized with declaration that :—
 - (a) Due to the proposed change in plant and machinery, there will be no change in the water consumption, effluent discharge from that which was permitted in the last consent granted by the Board.
 - (b) The proposed change of the plant and machinery shall not result in any increase in any type of pollution load (Water/Air/Land/Noise) in any manner.
 - (c) That I/we will not install any additional plant and machinery in the unit premises without Board's prior consent, after the grant of consent for change of plant and machinery by the Board, and if found doing so Bank Gurantee shall be liable to be forfeited without any further notice and also, Consent to Operate shall be revoked.
 - (d) That unit will not discharge any effluent outside the premises, other than to the CETP drain under consented capacity and will comply with the prescribed standards.
 - (e) That I/we will be liable to comply with all consent conditions and if any violation is observed then Board shall be free to take action against the unit/project proponent as per law.

(B) For units having their own ETP :

- (i) Consent for change of plant and machinery shall be granted by the Headquarter only.
- (ii) Consent for change of plant and machinery shall be allowed for maintaining Zero Liquid Discharge Status.
- (iii) The consent to change the plant and machinery shall not be allowed if it results in exceedence in the quantity of daily water consumption as permitted vide consent granted by the State Board under Water (Prevention and Control of Pollution) Act, 1974.
- (iv) The consent to change the plant and machinery shall not be allowed if it results in exceedence in effluent discharge as permitted in Consent granted by the State Board under Water (Prevention and Control of Pollution) Act, 1974.

- (v) The unit shall compulsorily install PTZ cameras in consultation with respective Regional Officer.
- (vi) The project proponent shall submit and undertaking on Rs. 100/- non judicial stamp paper duly notarized with declaration that :—
 - (a) Due to the proposed change in plant and machinery, there will be no change in the water consumption, effluent discharge from that which was permitted in the last consent granted by the Board.
 - (b) The proposed change of the plant and machinery shall not result in any increase in any type of pollution load (Water/Air/Land/Noise) in any manner.
 - (c) That I/we will not install any additional plant and machinery in the unit premises without Board's prior consent, after the grant of consent for change of plant and machinery by the Board, and if found doing so Bank Guarantee shall be liable to be forfeited without any further notice and also, Consent to operate shall be revoked.
 - (d) Unit will not discharge any effluent outside the premises in any case and will maintain Zero Liquid Discharge status.
 - (e) That I/we will be liable to comply with all consent conditions and if any violation is observed then the Board shall be free to take action against the unit/project proponent as per law.

The procedure to be followed for allowing grant of consent to change in plant and machinery :—

- (1) Unit shall apply for Consent to Establish (expansion) along with adequate consent fee and requisite documents for allowing any change in plant & machinery/process/product/production capacity.
- (2) Unit shall necessarily submit following details :—
 - (i) Details of proposed change in the Product.
 - (ii) Production Capacity in Sq. Meter.
 - (iii) Details of existing Plan and Machinery and proposed change.
 - (iv) Detailed Process Description.
 - (v) Source of Water.
 - (vi) Water Balance details.
 - (vii) Pre-feasibility report including details of sources of Water and Air pollution and their pollution control measures proposed.
- (3) Units shall deposit performance Guarantee as security amount with the State Board of Rs. 02 Lac/- or 10% of the investment of proposed expansion whichever is more for the period of 5 years.

- (4) The thumb rule for estimating the discharge of effluent for textile units (both for CETP member units and units having their own ETP) all across the State shall henceforth be calculated as per enclosed annexure as Annexure-I and all earlier orders/directions/circulars for calculating discharge shall cease to exist.
- (5) Once issued, the change of plant & machinery/process/product/production capacity shall not be allowed to be changed for next 3 years.

The consent for change of plant and machinery so granted shall be subject to the various orders/judgments passed by the Hon'ble Rajasthan High Court, Hon'ble National Green Tribunal (NGT), Hon'ble Supreme Court or any other court of the nation.

This bears the approval of competent authority.

Annexure-1

Thumb Rule criteria for estimating the discharge of effluent for textile units for CETP member units and units having their own ETP all across the State.

S.No.	Machinery	Suggested discharge (in KLD)
1.	Jet Dyeing	30 (for 50 to 300 Kg./Batch)
		40 (above 300 Kg./Batch)
2.	Flat Bed Printing Machine	10
3.	Dyeing Jigger (Small)	1.5
4.	Washing Jigger (Small)	5
5.	Jumbo Jigger	5
6.	Mercerizing Machine	1.5
7.	Printing Table	0.25
8.	Continuous Washer/Washing Padding	75
9.	Rotary Printing Machine	20
10.	J.T. 10	10
11.	Washing Tank used after printing (3 ft *3 ft *3 ft)	2
12.	Washing Tank used after bleaching/mercerizing (10 ft * 10ft * 3 ft)	10
13.	Soft Flow	30
14.	Drum Machine	30
15.	Padding (any type)	1.5
16.	Kier	2
17.	Winch	5
18.	Mini Washer	28

Note : This thumb rule criteria will be used by the State Board officials/CETP Trusts for calculating waste water discharge from the industries. The decision of State Board shall be considered final.

RAJASTHAN STATE POLLUTION CONTROL BOARD
Headquarter, 4, Institutional Area, Jhalana Doongri, Jaipur-302004
Ph. : 0141-2716800, e-mail : member-secretary@rpcb.nic.in

Office Order

As per the e-Waste (Management & Handling) Rules, 2016, the manufacturer/dismantler/refurbisher/recycler is required to maintain records in form-2 and file annual returns to concerned SPCB in form-3 before 30th June following the financial year to which that returns relates.

In order to ensure better monitoring & efficient tracking of recyclable e-waste by all e-waste processing units it has been decided that the practice of maintaining of record in pass books shall be continued in the State of Rajasthan and it shall be mandatory for all e-waste manufacturer/dismantler/refurbisher/recycler to maintain proper record in the passbook duly issued by RSPCB. The following steps shall be taken for implementation of pass book system :—

- i. Pass book for e-waste will be issued by the State Board along with authorization under e-waste Rules for a period of 05 years with specific condition that the segregated e-waste will be sold to be registered recycler only.
- ii. The pass book will contain type and details of the e-waste permitted for procurement.
- iii. R.O. will check the details of pass book during inspection of the units.
- iv. At the time of renewal of authorization under e-waste Rules the unit will submit old pass book in original to the State Board with all the filled information so that Board can monitor and check whether the unit has exceeded the permitted quantity & type of e-waste.

This order shall come into force with immediate effect.

This bears approval of the competent authority.

Office Order

It has been observed that despite directions for closure of the brick kilns by the State Board, these continue to operate and Regional Officers are simply writing letters to SDM/ME for compliance of the closure direction. Therefore to ensure compliance of the closure directions of brick kilns Regional Officers are directed to act in accordance with the provisions of Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981. To Seize & seal the plant and machinery and ensure that these brick kilns do not operate. The Regional Officers shall take all legal steps to ensure the closure including seeking help from other department of government.

This bears approval of the competent authority.

No. F. 16 (Gen-15) RPCB/Haz./Part-I/1-40

Date : 04.04.2020

Office Order

Sub : Extension of storage period of hazardous waste beyond 90 days. (as per provisions Rule 8 (v) of the Hazardous and Other Waste (Management and transboundary Movement) Rules 2016).

The Rule 8 of the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 (hereinafter referred to as 'the Rules') provides that the occupiers of facilities may store the hazardous and other wastes for a period not exceeding ninety days and that the State Pollution Control Board may extend the said period of ninety days in certain cases including justifiable grounds up to one hundred and eighty days.

Consequent upon the outbreak of the COVID-19 and subsequent declaration of lockdown to take preventive measures to contain spread of COVID-19 has created extraordinary circumstances, wherein the hazardous waste may require to be stored by occupiers beyond 90 days.

Therefore, in exercise of the powers under the provisions of Rule 8 (v) of the Rules, the State Board hereby permits occupiers as defined under Rule 3 (21) of the Rules to store hazardous wastes beyond 90 days. However, the occupiers shall ensure that the hazardous wastes are not allowed to be stored beyond 15 days after lifting of lockdown.

During this period the occupiers shall ensure safe storage of hazardous wastes so that there is no adverse effect on the environment or human health.

Office Order

**EXTENSION OF TIMELINE FOR SUBMISSION OF COMPLIANCE
REPORTS TILL 30.06/2020-REGARDING**

The State Board by virtue of its powers under the various environmental laws had issued directions to industries/projects/activities in the state for various compliances with timelines for submission of the compliance reports.

It has been brought to the notice of the State Board that consequent upto the outbreak of COVID-19 pandemic and imposition of lockdown across the country, industries are facing difficulties in ensuring compliances and also submission of such compliance reports which include replies to the show cause notices, compliances of OBH directions, consent conditions, and other regulatory compliances issued by the State Board.

The matter has been examined and in view of the extraordinary circumstances it is hereby decided to extend the timeline for submission of all compliance reports including replies to the show cause notices, compliances of OBH directions, consent conditions and other regulatory compliances which have been issued by the State Board Head Quarter/all Regional Offices. All industries who had earlier been directed to submit the compliances during the period of lockdown and the period soon after are now required to submit them by 40.06.2020 irrespective of the timelines given earlier.

It is further clarified that the timelines for submission of compliance reports which are to be submitted after 30.06.2020 shall remain unchanged.

This bears approval of the competent authority.

Circular

The issue regarding exemption from requirement of boundary wall around premises of stone crushing units was raised during the stakeholders seminar held in RSPCB, Head Quarter on 18.02.2020. The issue has been examined vis-a-vis provisions of the Air (Prevention & Control of Pollution) Act, 1981 and Environment (Protection) Act, 1986 and the State Board's existing guidelines for Stone Crushers, and a partial modification to "Guidelines for Abatement and Control of Pollution in Stone Crusher Industry" issued vide State Board's Order No. SCMG & DS/RPCB/Gen-3/307, dated 05.06.2018, the last Bullet Point of Para No. 2 at Page No. 6 of the guidelines is hereby substituted with the following paragraph :—

- *"The stone crusher unit shall provide boundary wall or wire fencing or any other suitable practice may be adopted to identify/demarcate land area under possession of the unit."*

This bears approval of the competent authority.

Office Order

F.14 (5) Adm/RPCB/Plg./4145-4198

Date : 16.06.2020

Thumb Rule criteria for estimating the discharge of effluent for textile units which are members of CETP all across the State of Rajasthan and stand alone textile units having their own ETP located in the districts Jodhpur, Pali, Barmer & Jaipur

At present, there are different thumb rule criteria for estimating the discharge of effluent for textile units which are members of CETP and stand along textile units having their own ETPs in the district Jodhpur, Pali & Barmer.

The State Board has received representations from Industrial Associations to make the thumb rule criteria uniform and rational for similar type of textile units all across the State.

Therefore, in supersession of all orders issued till date related to this matter, henceforth the thumb rule criteria for estimating the discharge of effluent for textile units which are members of CETP all across the State of Rajasthan and stand alone textile units having their own ETP (located in the districts Jodhpur, Pali, Barmer & Jaipur) shall be as per Annexure-1.

It may be clarified that the revised/modified thumb rule criteria will be applicable only in the cases where the existing textile units intends to carry out expansion, carry out change in plant & machinery or in case of new textile units. However, in case of existing textile units which are applying for renewal of consent to operate without carrying out expansion or/and change in plant & machinery the old thumb rule criteria shall be applicable.

This bears the approval of competent authority.

Annexure-1

Thumb Rule criteria for estimating the discharge of effluent for textile units for CETP member units and units having their own ETP (Located at District Jodhpur, Pali, Barmer & Jaipur)

S.No.	Machinery	Suggested discharge (in KLD)
1.	Jet Dyeing	30 (for 50 to 300 Kg./Batch)
		40 (above 300 Kg./Batch)
2.	Flat Bed Printing Machine	10
3.	Dyeing Jigger (used only for dyeing)	1.5
4.	Washing Jigger (used only for washing)	5
5.	Jumbo Jigger (Used only for dyeing)	5 (having motor capacity above 5 HP)
6.	Mercerizing Machine	1.5
7.	Printing Table	0.25
8.	Continuous Washer/Washing Padding	75
9.	Rotary Printing Machine	20
10.	J.T. 10	10
11.	Washing Tank used after printing (3 ft *3 ft *3 ft)	2
12.	Washing Tank used after bleaching/mercerizing/any other use (10 ft * 10ft * 3 ft)	10
13.	Soft Flow	30
14.	Drum Machine	30
15.	All Padding (except Kadap & Silicate Padding)	1.5
16.	Kier	2
17.	Winch	5

Note : This thumb rule criteria will be used by the State Board officials/CETP Trusts for calculating waste water discharge from the industries. The decision of State Board shall be considered final.

Office Order

No. F.14 (5)/ Adm/RPCB/Plg/4199-4151

Date : 16.06.2020

Grant of Consent for Change of Plant and Machinery/Product/Process in textile processing plants which are member of CETP (Integrated as well as non-Integrated) in State of Rajasthan

The State Board had earlier issued an order for industries located at Pali vide order no. F. 5 (Gen-104) RPCB/Gr. TCD/3252-64, dated 22.02.2011 for replacement of existing process, machines with new machines. The State Board issued an order allowing change of plant and machinery in integrated textile processing plants vide order dated 13.11.2019.

Several consent applications of textile industries located at Balotra, Bithuja, Jasol, Jodhpur and Pali are pending with the State Board due to proposed change in plant and machinery/process/product/production capacity.

Looking at the frequent changes in the technologies and advances in the processes and machinery in textile sector worldwide in recent years, The State Board considered the demand for allowing the changes in plant and machinery in integrated as well as non integrated textile plants, to the extent that it does not lead to increase in the pollution load, vide Office Order dated 23.01.2020.

The State Board has received number of representation from various stake holders to reconsider the office order dated 23.01.2020 so as to make it rational and practical. The matter has been examined in detail, and it has been decided to revise the officer order dated 23.01.2020 to overcome the practical difficulties being faced by the textile units.

Therefore, in supersession of all orders issued till date related to this matter, Change of plant & machinery in textile units of Rajasthan which are members of CETP (integrated as well as non-integrated) shall be allowed subject to following conditions:—

- (i) Consent for change of plant and machinery shall be granted by the Headquarter only.
- (ii) Consent for change of plant and machinery shall be allowed only in those textile industries that have valid membership of the CETP Trust.
- (iii) The consent to change the plant and machinery shall not be allowed if it results in exceedance in the quantity of daily water consumption over and above permitted vide consent granted by the State Board under Water (Prevention and Control of Pollution) Act, 1974.

- (iv) The consent to change the plant and machinery shall not be allowed if it results in exceedence in effluent discharge over and above the discharge permitted in consent granted by the State Board under Water (Prevention and Control of Pollution) Act, 1974.
- (v) **Consent for change of Plant and machinery shall be considered for effluent discharge allowed in the consent to operate issued prior to submission of application for consent to establish for change of plant & machinery.**
- (vi) **The consent for change of plant and machinery shall be allowed once in two years only.**
- (vii) The consent application for change of plant and machinery shall compulsorily mention the proposed increase/change in production capacity as well as process, if any. Once granted, no change shall be allowed for any increase in production capacity and any excess production of consented capacity.
- (viii) The unit will install Primary Treatment Plants (PTP) and will discharge effluent complying with prescribed standards. The unit shall install automated SCADA system compulsorily at the outlet and shall maintain the record of discharge.
- (ix) The project proponent shall submit an undertaking on Rs. 100/- non judicial stamp paper duly notarized with declaration that :—
- (a) Due to the proposed change in plant and machinery, there will be no change in the water consumption, effluent discharge from that which was permitted in the last consent granted by the Board.
- (b) The proposed change of the plant and machinery shall not result in any increase in any type of pollution load (Water/Air/Land/Noise) in any manner.
- (c) That I/We will not install any additional plant and machinery in the unit premises without Board's prior consent, after the grant of consent for change of plant and machinery by the Board, and if found doing so Bank Gurantee shall be liable to be forfeited without any further notice and also, Consent to Operate shall be revoked.
- (d) That unit will not discharge any effluent outside the premises, other than to the CETP drain under consented capacity and will comply with the prescribed standards.
- (e) That I/we will be liable to comply with all consent conditions and if any violation is observed then Board shall be free to take action against the unit/project proponent as per law.

The procedure to be followed for allowing grant of consent to change in plant and machinery :—

- (1) Unit shall apply for Consent to Establish (expansion) along with adequate consent fee and requisite documents for allowing any change in plant & machinery/process/product/production capacity.

- (2) Unit shall necessarily submit following details :—
- (i) Details of proposed change in the Product.
 - (ii) Production Capacity in Sq. Meter.
 - (iii) Details of existing Plan and Machinery and proposed change.
 - (iv) Detailed Process Description.
 - (v) Source of Water.
 - (vi) Water Balance details.
 - (vii) Pre-feasibility report including details of sources of Water and Air pollution and their pollution control measures proposed.
- (3) The Units shall deposit performance Guarantee as **security amount with the State Board of Rs. 50,000/- or 5% of the investment of proposed expansion whichever is more for the period of 5 years.**
- (4) Once issued, the change of plant & Machiner/process/product/production capacity shall not be allowed to be changed for next 2 years.

It may be informed that the aforesaid order will be applicable only on textile units which are member of any of the CETPs in the State and will not apply on individual textile units having their own treatment plants.

The consent for change of plant and machinery so granted shall be subject to the various orders/judgments passed by the Hon'ble Rajasthan High Court, Hon'ble National Green Tribunal (NGT), Hon'ble Supreme Court or any other court of the nation.

This bears the approval of competent authority.

Office Order

The Hon'ble National Green Tribunal vide order dated 06.03.2019, in the matter of Original Application No. 34/2014 (THC) Digvijay Singh V/s. State of Rajasthan & Others, directed that no further new industries particularly which generates trade effluent should be allowed by Rajasthan State Pollution Control Board till existing industry meet the prescribed effluent standards in the Balorat, Bithuja and Jasol.

In compliance of Hon'ble National Green Tribunal order dated 06.03.2019, the State Board has issued office order on 02.04.2019 and directed that no consent to Establish will be issued to any new industry or CTE for expansion of any existing industrial unit which generates trade effluent.

Several such applications for consent to establish are pending with the State Board.

Therefore, the matter has been re-examined by the State Board in light of NGT order dated 06.03.2019 and it has been decided that the Consent to Establish may be considered in accordance with State Board guidelines for establishment of captive ETP & recycling plant issued vide order dated 08.06.2017 to the stand alone industrial units (new industry or expansion of any existing industrial unit), having ZLD based own ETP's and adequate scientific arrangements for maintaining Zero liquid discharge.

This bears approval of the competent authority.

Guideline for establishment of invalidation, RO plant by textile unit locatedcluster, where CETP pollution available.

The State Board vide decision taken in the meeting, held on 21.03. 2014, directed all the units of Pali, Jodhpur and Balotra having discharge more than 100 KLD to install their own effluent treatment plant and recycling system so that load on the existing CEPTs is reduced and the treated effluent can meet the prescribed norms.

The State Board is regularly receiving proposals from the units of Balotra and Jodhpur to install ETP and RO Plants with forced evaporation system to dispose the RO rejects. These units are involved in part processing of cloth, resulting increase in production capacity and waste water generation.

Looking to the fees and for having a uniform policy in the State, Installation of ETPs, RO plant and reject disposal system in individual textile units may be considered as per the following guidelines.

- a. The unit shall have proceeds the complete process i.e. complete process will be done within the premises of the industry. No unit will be allowed to carry out any of the process outside the premises or in another unit. A Bank guarantee of Rs. 51.00 Lacs may be taken at the time of obtaining consent to operate to ensure this.
- b. The unit shall surrender the connectivity of CETP. forever after obtaining consent to operate i.e. other surrender of CETP connectivity, industry shall not be permitted for re-connectivity in future. The surrendered discharge will be re-allotted by the CETP Trust in a transparent manner as per the guidelines of the State Board.
- c. For the purpose of ETP established (amalgamation)/ merger of any adjacent unit of same group will be only allowed
- d. ETP will be allowed only in the units having discharge 100 KLD or more treatment capacity Treatment capacity of the ETP/recycling plant will be restricted to either presently allotted discharge or the discharge for which plant and machinery is proposed to be installed for integrated processing for those units only for addition of any machinery, CTE will be obtained first before going for any up-gradation. In case of present allotted discharge, 20-25% additional capacity may be considered on case to case basis to take care of the various in production/waste water generation.
- e. As bio-logical treatment is one of the important component of ETP, which requires ample sunlight ETP should be allowed to establish only in open spaces.

- f. The unit will source water from any authorized sources.
- g. The existing units may be asked to submit an action plan to implement the decision within a period of one year with Bank guarantee.

Date : 13.7.2020

Office Order

Sub : Seeking of NOC from Central Ground Water Authority (CGWA) for abstraction of ground water for processing of consent applications-Regarding.

Ref : Minutes of Inter-departmental Meeting held under the chairmanship of the Chief Secretary, Govt. of Rajasthan on 24.06.2020 issues vide letter no. F. 12 (PSC-36) RPCB/Jaipur/491-510 & 677-96, dated 30.06.2020 & 09.07.2020 respectively.

In compliance to the minutes of inter-departmental meeting held under the chairmanship of the Chief Secretary, Govt. of Rajasthan dated 24.06.2020, to discuss issued related to processing of consent applications under the Water Act, 1974 and the Air Act, 1981. Following decisions were taken regarding NOC from Central Ground Water Authority (CGWA) for abstraction of ground water for processing or consent applications :—

- (i) In compliance to Hon'ble National Green Tribunal order, industries are required to obtain NOC from Central Ground Water Authority for abstraction of ground water. In such case, the applications for Consent to Establish/Operate received in the State Board shall be decided on the basis of application submitted by the project proponent in Central Ground Water Authority for abstraction of ground water.

Henceforth, new applications for Consent to Establish/Operate shall be initially examined at the Pre-Sreening cell and shall be returned back to the project proponent in case of non-submission of application submitted by the project proponent to Central Ground Water Authority for obtaining NOC for abstraction of ground water.

This order shall come into immediate effect. All the concerned Group Incharges, Regional Officers may take action accordingly.

This bears approval of the competent authority.

Date: 15.07.2020

Office Order

Issuance of permission for transferring Plant & Machinery from one industrial unit to other industrial units (which are connected with CETP).

The State Pollution Control Board is not allowing transfer of Plant & Machinery from one industrial unit to another industrial unit in textile processing plants at Pali, Jodhpur, Balotra, Bithuja & Jasol.

The State Pollution Control Board has received several representations from industrial associations to permit transfer of Plant & Machinery from one textile unit to other textile units due to split between partnership or succession among children, etc.

The matter has been examined in details and it has been decided to allow transfer of Plant & Machinery from one textile unit to other textile unit which are member of CETP at Pali, Jodhpur, Balotra, Bithuja & Jasol.

Therefore, in supersession of all orders issued till date related to this matter, transfer of plant & machinery from one CETP member textile unit to other CETP member textile unit at Pali, Jodhpur, Balotra, Bithuja & Jasol shall be allowed henceforth. The following industries will be eligible for transferring Plant & Machinery from one industrial unit to other industrial units :—

- i. The unit which intends to transfer plant & machinery should have valid consent to operate from the State Board for the same plant & machinery.
- ii. The unit in which plant & machinery shall be transferred (receiving unit) should have valid consent to operate/applied for consent from the State Pollution Control Board.
- iii. The unit which intends to transfer plant & machinery and the unit in which plant & machinery shall be transferred (receiving unit) should have valid membership from CETP Trust for the plant & machinery proposed to be transferred.
- iv. The unit should have permission accorded/granted by CETP Trust (SPV) for transfer of KLD from one unit to another unit duly approved by District Level Monitoring Committee.

The procedure to be followed for allowing grant of consent for transfer of plant and machinery :—

- (i) The Unit shall apply for consent to establish/operate along with adequate consent fee and requisite details & documents as per check list attached at annexure-I at Head Office, RSPCB.

- (ii) Consent for transfer of plant & machinery shall be granted by Head Office, RSPBC, Jaipur.
- (iii) Thumb Rule criteria for estimating the discharge of effluent from the machinery installed and machinery proposed to be transferred shall be as per the guidelines issued by the State Board.
- (iv) Once transfer of plant and machinery from one industrial unit to other industrial unit is allowed, no further transfer shall be allowed again within three years from the last transfer to transferring unit & receiving unit.
- (v) The receiving unit shall submit action plan for up-gradation of PETP wherever required.
- (vi) The total KLD proposed to be transferred and remaining KLD with the transferring unit shall not exceed consented KLD of the State Board.
- (vii) That maximum 50% of existing consented KLD of transferring unit or 50% of existing consented KLD of receiving unit, whichever is less, shall be allowed for transfer from one industrial unit to other industrial unit. However, in case the receiving unit, whichever is less, shall be allowed for transfer from one industrial unit to other industrial unit, However, in case the receiving unit is new unit, maximum 50% of existing consented KLD of transferring unit shall be allowed to transfer.
- (viii) The project proponent of the unit to which machinery is to be transferred shall submit and undertaking on Rs. 100/- non judicial stamp paper duly notarized with declaration that :—
 - (a) That due to transfer of plant and machinery, there will be no increase in pollution load at CEPT.
 - (b) That I/we will not install any new/additional plant and machinery in the unit premises without Board's prior consent, after the grant of consent for transfer of plant and machinery by the Board, and if found doing so, consent to operate shall be revoked.
 - (c) That unit will not discharge any effluent outside the premises, other than to the CETP drain within consented capacity and shall comply with the prescribed standards.
 - (d) That I/we will be liable to comply with all consent conditions and if any violation is observed then I understand that Board will take action against the unit under the provisions of the Act/Rules.

The consent so granted shall be subject to the various orders/judgments passed by the Hon'ble Rajasthan High Court, Hon'ble National Green Tribunal (NGT), Hon'ble Supreme Court or any other court of the nation.

This bears the approval of competent authority.

Enclosed : Signed Checklist

A. Checklist of documents to be submitted by the unit for transfer of plant & machinery to another unit.

S.No.	Required Documents
1.	Application for consent to operate in prescribed format for reduced plant & machinery, production & change in process (if any) with applicable fees.
2.	Affidavit in prescribed format for consent to operate.
3.	Authority letter/ Board Resolution/Power of attorney in favour of authorized signatory.
4.	List of Name and addresses of all directors/partners.
5.	List of existing machinery & reduced machinery after proposed transfer with calculated discharge as per prescribed thumb rule criteria.
6.	Existing Production capacity with process and production capacity with process after proposed transfer of plant and machinery.
7.	Existing total waste water generation and total waste water generation after proposed transfer of plant and machinery.
8.	Existing total water consumption and total water consumption after proposed transfer of plant and machinery.
9.	Mode of disposal of effluent.
10.	Copy of last Consent to operate issued by the state board.
11.	Copy of CETP Membership letter for reduced plant & machinery and KLD.
12.	Permission accorded/granted by CETP Trust (SPV) for transfer of KLD from one unit to another unit duly approved by District Level Monitoring Committee.

B. Checklist of documents to be submitted by the unit in which plant & machinery is to be transferred.

S.No.	Required Documents
1.	Application for consent to operate in prescribed format for reduced plant & machinery, production & change in process (if any) with applicable fees.
2.	Affidavit in prescribed format for consent to Establish.
3.	Authority letter/ Board Resolution/Power of attorney in favour of authorized signatory.
4.	List of Name and addresses of all directors/partners.

5.	List of existing machinery & Additional machinery after proposed transfer with calculated discharge as per prescribed thumb rule criteria.
6.	Existing Production capacity with process and production capacity with process after proposed transfer of plant and machinery.
7.	Existing total waste water generation and total waste water generation after proposed transfer of plant and machinery.
8.	Existing total water consumption and total waste water generation after proposed transfer of plant and machinery.
9.	Mode of disposal of effluent.
10.	Copy of last Consent to operate issued by the state board.
11.	Copy of CETP Membership letter for increased plant & machinery and KLD.
12.	Permission accorded/granted by CETP Trust (SPV) for transfer of KLD from one unit to another unit duly approved by District Level Monitoring Committee.
13.	District Monitoring Committee recommendations.
14.	Affidavit as per point no. VIII of the office order.

**GUIDELINES FOR ABATEMENT &
CONTROL OF POLLUTION IN
“ MINERAL GRINDING INDUSTRY”**

2020

RAJASTHAN STATE POLLUTION CONTROL BOARD

4, INST. AREA, JHALANA DOONGARI, JAIPUR-302004

RAJASTHAN STATE POLLUTION CONTROL BOARD

4, Institutional Area, Jhalana Doongri, Jaipur-302004

Guidelines for Abatement and Control of Pollution in Mineral Grinding Industry

No. F. 14 (38)/Policy/RPCB/PLG/4430-4462

Date : 21.7.2020

After examining representation received from various stakeholders about prevailing guidelines for establishment of mineral grinding units and for installation of pollution control measures by new & existing mineral grinding units and for installation of pollution control measures by new & existing mineral grinding units, issued vide no. F. 14 (38) Policy/RPCB/Plg./SCMG (Gen-18)/654, dated 16/07/2014, the Rajasthan State Pollution Control Board, in supersession of previous guidelines and subsequent related office orders, hereby issues fresh guidelines for establishment of new mineral grinding units and required pollution control measures with new as well as existing mineral grinding units.

1. GENERAL

- (i) New mineral grinding unit may be established on a piece of land or khatedari land “duly converted, for the purpose of establishment of mineral grinding unit”, under relevant provisions of Rajasthan Land Revenue (Conversion of agricultural land for non-agricultural purposes in rural areas) Rules, 2007 and subsequent amendment rules, 2016 or on piece of land allotted by competent authority of State Government for establishment of mineral grinding unit.
- (ii) Mineral grinding units may also be established and operated within a valid mining lease area issued by the Department of Mines & Geology Govt. of Rajasthan. The Project Proponent will be required to apply separately for consent to establish/consent to operate for the mineral grinding unit. However, Consent to operate to such mineral grinding units will be conterminous with the validity of mining lease deed.
- (iii) Renewal of consent to operate to existing mineral grinding unit on land converted/allotted for industrial use or on own Khatedari land up to an area not exceeding one acre (for which conversion is not required under Rule 6 of the Rajasthan Land Revenue Rules, 2007 and subsequent Notification of Revenue (Group-6) Department, Government of Rajasthan dated 06/10/2016) shall be considered for establishment and operation of mineral grinding unit subject to adequacy of Pollution Control Measures.
- (iv) In case the land is located within the industrial estate developed and maintained by RIICO, District Industries Centers and Industrial Areas developed by other agencies with the approval of competent authority (SEZ etc.) the project proponent shall submit a copy of certificate issued by the concern authority (RIICO, DIC,

other developers) that the land has been allotted for setting up a mineral grinding industry on it or the land allotment letter must have a specific mention to effect.

- (v) Mineral Grinding Industries can also be established on a land taken on rent or lease agreement. Such land should meet out the criteria as mentioned at point no. i or iii or iv above, as the case may be.
- (vi) In cases where capacity of existing mineral grinding unit is proposed to be enhanced by installing additional plant and machinery or otherwise (except replacement), it will be treated as the case for establishment of new mineral grinding unit. The matters of consent to establish for expansion shall be considered in following manner :—
 - (a) The application for expansion of existing mineral grinding unit operating on land converted or allotted for industrial use shall be considered subject to adequacy of Pollution Control Measures.
 - (b) The application for expansion of existing mineral grinding unit operating within a valid mining lease shall be considered subject to adequacy of Pollution Control Measures.
- (vii) The mineral grinding unit shall also be required to comply with provisions laid down in all other related laws in force. The consent to Establish/Consent to Operate issued under the Air Act and Water Act is limited to control of pollution and statutory provisions contained in these acts and does not absolve project proponent from other statutory obligations prescribed under any other law or instrument.
- (viii) If competent authority for land conversion, on the basis of distance or any other issue, cancels prevailing land conversion and intimates to the Board about cancellation of land conversion, then consent to establish or operate, as the case may be, shall be revoked and/or refused in accordance with the law by the Board and the competent authority for land conversion shall be solely responsible to take necessary action for removal of the mineral grinding unit.
- (ix) Similarly, in case of cancellation of mining lease, consent to establish or consent to operate, as the case may be, issued under provisions of Air Act, 1981 and/ or Water Act, 1974 for adequacy of pollution control measures shall be revoked/refused in accordance with the law by the State Board after receipt of information from Mining department. The Department of Mines & Geology shall be solely responsible for removal of mineral grinding unit from such mining lease.

2. POLLUTION CONTROL MEASURES REQUIRED TO BE PROVIDED BY MINERAL GRINDING UNIT.

List of measures to be adopted is as under :—

- All jaw crushers, pulverisers, granulators must be installed inside enclosures.
- The enclosures around jaw crushers, pulverisers and granulators must be rigid and fitted with self-closing doors and close-fitting entrance and exits.

- Where conveyors pass through the enclosures, flexible covers must be installed at entries and exists of the conveyors to the enclosure.
- Outlets of pulverisers must be attached to pulse jet type fabric bag filters.
- All rotary screen must be fully enclosed in housing. Screen houses must be rigid and reasonable dust tight.
- Where containment of dust within the screen house structure is not successful, then a dust extraction and collection system, attached to pulse jet type fabric bag filters must be provided.
- For better environmental protection practices, the energy efficiency and production efficiency must be maximized. For this purpose, effective belt scraper such as the pre-cleaner blades made of hard wearing materials and provided with pneumatic tensioner or equivalent device should be installed at the head pulley of designated conveyor as required to dislodge fine dust particles that may adhere to the belt surface and to reduce carry back of fine materials on the return belt. Bottom plates should also be provided for the conveyer unless it has been demonstrated that the corresponding belt scraper is effective and well maintained to prevent falling material from the return belt.
- Except for those transfer points which are placed within a fully enclosed structure such as a screen house, all transfer points to and from conveyors must be attached to bag filters or other pollution control equipment.
- Openings for any enclosed structure for the passage of conveyors should be fitted with flexible seal.
- Suitable storage silos of adequate capacity must be constructed for collection and storage of the mineral powder so as to prevent fugitive emissions due to material fall from conveyer belts and during material handling.
- Wherever feasible, free falling transfer points from conveyors to stockpiles should be fitted with flexible curtain or ber enclosed with chutes designed to minimize the drop height.
- All open stockpiles for mineral aggregates of size in excess of 5 mm. must be kept sufficiently wet by spraying water (preferably recycled water). The stockpiles of mineral aggregates 5 mm. in size or less must be suitably covered to ensure that the same is not carried away (or whipped out) by the wind.
- Scattered piles gathered beneath belt conveyors, inside and around enclosures must be cleared regularly.
- The mineral powder during process within the plant must be transferred pneumatically through chutes.
- The handling and storage of the dust collected by the dust collection system should not cause any fugitive particulate emissions.

- Trucks carrying finished material bags must be covered with tarpaulin.
- A high standard of housekeeping should be maintained. Any piles of materials accumulated on or around the relevant plant shall be cleaned up regularly and disposed off appropriately.
- The ground within the premises must be cleaned and wetted regularly.

Following parameter shall be complied the mineral grinding units :—

Parameter	Standards
Suspended Particulate Matter (SPM)	Quantitative standards of SPM : The suspended particulate matter measured between 3 meters and 10 meters from any process equipment of a mineral grinding unit shall not exceed 600 $\mu\text{g}/\text{m}^3$.

Quartz grinding units shall comply with the orders passed by Hon'ble Supreme Court in the matter of Writ Petition No. 110 of 2006, People's Rights & Social Res. Centre & Ors. V/s. Union of India & Others. Quartz grinding units shall install additional pollution control measures as per the recommendations of CPCB. (Annex.I).

3. PLANTATION FOR ENVIRONMENTAL CARE

For conserving environment from adverse effect of emissions, the industry must ensure that :—

- Minimum 33% of the land on which industry is established or proposed to be established is covered by plantation.
- At least two rows of tall trees and shrubs of suitable species are planted along the boundary on all the sides. The two rows of Plants will also have lower canopy of shrubs and upper canopy of trees.
- The plantation is carried out as per guidelines issued by the Board vide circular dated 15.7.04 (Annexure-II). A typical lay out of the plantation is at Annexure-III.

4. GENERAL CONDITIONS

- A Sign Board showing the name, address and capacity of the industry as well as validity of the consents should be displayed at the entrance of the unit.

5. PROCEDURE TO APPLY FOR CONSENT TO ESTABLISH

The application for consent to establish before establishing a new plant or expansion of an existing plant must be prepared in prescribed form alongwith following documents :—

- Application for Consent to Establish shall be submitted on line through RPCB MIS <http://rpcbmis.environment.rajasthan.gov.in> alongwith prescribed documents and consent fees.
- All the documents as per the checklist available at the RPCB MIS <http://rpcbmis.environment.rajasthan.gov.in> should be attached with the applications for consent to establish.
- RPCB MIS is accessed through SSO login.

6. PROCEDURE TO APPLY FOR FIRST CONSENT TO OPERATE

The application for Consent to Operate must be filed after establishing the plant and atleast four months before the date of expiry of period of consent to establish whichever is earlier, failing which additional consent fees will be payable as per provisions of the rules.

- Application for Consent to Operate shall be submitted on line through RPCB MIS <http://rpcbmis.environment.rajasthan.gov.in> alongwith prescribed documents and consent fees.
- All the documents as per the checklist available at the RPCB MIS <http://rpcbmis.environment.rajasthan.gov.in> should be attached with the applications for consent to operate.
- RPCB MIS is accessed through SSO login connected with the unit only.

7. PROCEDURE TO APPLY FOR RENEWAL OF CONSENT TO OPERATE

The application Renewal of consent to operate must be filed atleast four months before the date of expiry of period of consent to operate failing which additional consent fees will be payable as per provisions of the rules.

- Application for renewal of Consent to Operate shall be submitted on line through RPCB MIS <http://rpcbmis.environment.rajasthan.gov.in> alongwith prescribed documents and consent fees.
- All the documents as per the checklist available at the RPCB MIS <http://rpcbmis.environment.rajasthan.gov.in> should be attached with the applications for consent to operate.
- RPCB MIS is accessed through SSO login connected with the unit only.

All concerned are directed to ensure strict compliance of the guidelines while dealing with the issues related with the mineral grinding industry.

These guidelines are being issued in supersession to all previous guidelines.

This bears approval of the competent authority.

RAJASTHAN STATE POLLUTION CONTROL BOARD

4, Institutional Area, Jhalana Doongri, Jaipur-302004

Annexure-I

CPCB Recommendation for control of emission from Quartz Grinding Unit.

- i. Adequate provision of dust extraction system shall be made at potential sources such as jaw crusher hopper, transfer points of materials from conveyer belt, disintegrator, transfer points of materials from bucket elevators to other plant equipment, rotary screens, magnetic separators, vibratory screens etc. The dust extraction system of such potential sources shall be routed through Air Pollution Control Device (APCD). Stacks attached to APCDs are to be equipped with adequate monitoring facility as per CPCB Emission Regulation, Part-III.
- ii. The height of stack shall be maintained minimum 2 meter above the roof level.
- iii. Sheds provided for plant process machineries shall be closed properly and provisions of Closed Circuit Television (CCTV) camera shall be made rather than keeping small openings in shed for frequent observations.
- iv. The internal road shall be made of bitumen/concrete to reduce the fugitive emission by vehicular movement with proper cleaning and wetting mechanism.
- v. Provision of green belt shall be made along the periphery of the individual unit.
- vi. Provision shall be made for systematic water sprinkling at places of dust generation to reduce the fugitive emission and records of water utilization shall be maintained.
- vii. The telescopic chute/any other system shall be adopted to reduce the fugitive emission while loading the products into trucks/fine dust in the bags.
- viii. Provision of Personal Protective Equipment (dust mask, helmet, safety shoes, goggles, ear plugs) and utilization by all the workers during operation of the plant shall be ensured.
- ix. The units shall ensure environmental monitoring and submission of reports to SPCB at regular intervals.
- x. The house keeping shall be improved.

Sd/-
Member Secretary

CIRCULAR

Entry No. 37 of schedule-I of Environment (Protection) Rules, 1986 has stipulated that in respect of stone crushing units, the concerned unit would be required to grow a green belt along the periphery. The Board has also incorporated a condition of 33% of the Unit's area as being required to be covered by plantation, while granting consent to these units to operate under the Air (Prevention & Control of Pollution) Act, 1981. However, the numbers of trees, species etc. and the manner of their Plantation have not been specified by either the Board or the Environment (Protection) Rules, 1986. In view of the difficulty being experienced in implementing this requirement, following clarification is hereby issued :—

1. Trees shall necessarily be planted along the periphery of the area in rows. The unit may also take up additional plantation in other available open areas such as along the road, on unused land etc.
2. The computation of the area under plantation shall be done on the basis of the following norms :—
 - (i) Tree species like Neem, Pipla, Janmun, Gulmohar etc. shall be deemed to cover 25 M² areas on maturity.
 - (ii) Shrubs like Guava, Pomegranate, Jungle Jalebi etc. shall be deemed to cover an area of 9 M² on maturity.

The area likely to be covered by the plants mentioned above shall be computed accordingly. The herbs which require continuous watering for their maintenance shall not be counted to meet the norms though they can be planted by the management as per their need.

Illustration : In case of 10 no. of trees like sehtoot, Siris, Shisham, Babool; 5 no. of Shrubs like Eucalyptus, Ashok, Ber, Kair and 20 Nos. of Herbs like Ros, Mehandi, Duranta, Merigold are planted the total area under plantation shall be computed as follows :—

Area covered by trees = 10 x 25 = 250 m²

Area covered by shrubs = 05 x 09 = 045 m²

Area covered by herbs = 20 x 00 = 000 m²

Total Area 295 m²

RAJASTHAN STATE POLLUTION CONTROL BOARD

4, Institutional Area, Jhalana Doongri, Jaipur-302004

Annexure-III

Typical Layout for Two Row Plantation

F. 14 (56-B/Policy/Plg/RPCB/987-1021

Date : 30.07.2020

Office Order

Special Dispensation Scheme-Regarding

As per the provisions of the Water (Prevention and Control of Pollution), Act, 1974 and the Air (Prevention and Control of Pollution) Act, 1981, that all industries/processes projects/activities etc. shall obtain prior Consent to Establish and Operate before establishing/operating any industry/ process/activity etc. However, there are instances where some of the industry/process/activity etc. have not obtained the consent due to certain reasons. In order to encourage such units to comply with the provisions of the Water and the Air act, the State Board had in past introduced special dispensation scheme vide office order nos. F 12 (56-B)/Policy/Plg./RPCB/6024-55, 1415-48, 1162-1208, 584-628, dated 22.02.2012, 30.08.2013, 08.03.2018 and 14.09.2018.

In continuation to that effort, and in supersession to the State Board office order no. F. 14 (56-B)/Policy/Pg/RPCB/936-969, dated 30.07.2020, the State Board has decided to bring in a “special Dispensation Scheme” for a period of ninety days starting from 01.08.2020 to 30.10.2020 with the following conditions:—

- i. The scheme will be applicable only for industries which are not yet under the consent management and are seeking consent for the first time.
- ii. Such industries will apply for consent to establish as well as consent to operate under the provisions of the Water Act, 1974 and the Air Act, 1981 as per the prevailing procedure/fee. However, as a one-time relaxation, such units will not be required to pay the back fees for the years they were in operation so far.
- iii. This Scheme will be applicable only for small scale industries covered under Orange and Green Category as per prevailing categorization of the State Board.
- iv. Industries covered under Red Category or Large/Medium Scale under Orange and Green categories will apply for the consent as per existing provisions and this scheme will not be applicable on these industries.

All Group Incharge and Regional Officers are directed to ensure disposal of all consent application received under this scheme on priority. In any case all such consent applications shall be disposed within 120 days from the receipt of the application in the Board.

This bears approval of the competent authority.
