

Webinar

International Day of Clean Air for Blue Skies

A joint initiative of Rajasthan State Pollution Control Board (RSPCB) and Centre for Science and Environment (CSE)

Topic: Clean Air for Blue Skies in Rajasthan-Building enhanced multi-sector strategies

Tuesday, September 7, 2021

3.00-5.00 PM

Platform: Zoom App

Rajasthan State Pollution Control Board (RSPCB) has taken the initiative to celebrate the International Day of Clean Air for Blue Skies on September 7, 2021. The theme for the day this year is “**Healthy Air, Healthy Planet**”, which emphasises the health effects of air pollution, particularly during the COVID-19 pandemic, and aims to prioritise the need for healthy air for all.

To mark the day, RSPCB is organising an online workshop jointly with Centre for Science and Environment (CSE), New Delhi. The webinar is expected to serve as a rallying point to call for coordinated action among all stakeholders to collectively align efforts for clean air in our State. This will promote and facilitate solutions to enable innovations and generate success stories on clean air. This is designed to generate awareness among individuals, communities, corporates and the government about the significance of clean air for health, productivity, economy and environment.

We invite you to this first-in-a-series online workshop, planned to inform implementation of priority actions. This online workshop will bring together key implementing agencies, regulatory authorities and stakeholders who are involved with the implementation of the multi-sector clean air action plan.

For more details, please contact

1. Sheeba, Senior Scientific Officer, RSPCB, Jaipur
